INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Republican Party Executive Committee
Perry County
8936 State Route 13
Somerset, Ohio 43783

We have performed the procedures enumerated below, which were agreed to by the Republican Executive Committee, solely to assist the Committee in evaluating its compliance with Sections 3517.17 and 3517.18 of the Ohio Revised Code for the year ended December 31, 2003. Management is responsible for the Committee's compliance with those requirements. We followed the American Institute of Certified Public Accountants' attestation standards for agreed-upon procedures engagements. The sufficiency of the procedures is solely the responsibility of the Executive Committee. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Cash Receipts

We confirmed the Ohio Political Party Fund receipts with the State of Ohio and agreed them to amounts shown on the Political Party Fund Finance Report. We found no exceptions.

Cash Reconciliation

1. We compared the sum of the cash balances recorded on the Committee's Ohio Campaign Finance Report with the cash balances reconciled by James L. Poorman for the Committee as of December 31, 2003. The sums agreed.
2. We recomputed the mathematical accuracy of the reconciliation. We found no computational errors.
3. We agreed bank balances on the reconciliation with month end bank statements. The balances agreed.
4. There were no reconciling items at December 31, 2003.

Cash Disbursements

1. We footed the cash disbursement listing totals to the disbursement totals on the Political Party Fund Finance Report. The amounts agreed.
2. We traced the payee and amount to source documentation such as invoices and cancelled checks. However, the original invoice could be located to support two of the three expenditures made during the year. All three expenditures made were to the postmaster for postage. We also compared the payees on the checks to the names on the invoices. The payees and amounts recorded in the cash disbursement journal agreed to the payees and amounts on the canceled checks.

We recommend an invoice be obtained and kept on file for all expenditures made, including those expenditures made for postage.

3. We compared the signature on the check to authorized signatories on the Committee's bank statement. The signatory on all checks we selected was an approved signatory.
4. We compared the purpose for the disbursement with the allowable uses described in Section 3517.18 of the Ohio Revised Code. We found no exceptions.

Payroll Disbursements

1. There were no personnel positions paid with Ohio Political Party Fund monies during the year ended December 31, 2003.

We were not engaged to, and did not perform, an examination, the objective of which would be the expression of an opinion on compliance of the Political Party Fund Finance Report which is attached to this report. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that we would have reported to you.

This report is intended solely for the information and use of the Executive Committee and is not intended to be and should not be used by anyone else.
