AUDIT REPORT

FOR THE YEARS ENDED DECEMBER 31, 2002 & 2003

Charles E. Harris and Associates, Inc.
Certified Public Accountants

**Auditor of State
Betty Montgomery**

Board of Trustees
York Township, Tuscarawas County

We have reviewed the Independent Auditor's Report of York Township, Tuscarawas County, prepared by Charles E. Harris & Associates, Inc., for the audit period January 1, 2002 through December 31, 2003. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. York Township, Tuscarawas County is responsible for compliance with these laws and regulations.

A handwritten signature in cursive script that reads "Betty Montgomery".

REPORT OF INDEPENDENT ACCOUNTANTS

**Board of Trustees
York Township
New Philadelphia, Ohio**

We have audited the accompanying financial statements of York Township (the Township), as of and for the years ended December 31, 2002 and 2003, as listed in the table of contents. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Township prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash, investments and fund cash balances of the Township, as of December 31, 2002 and 2003, and the receipts, expenditures, and changes in fund cash balances, its statements of receipts – budget and actual and statements of expenditures and encumbrances compared with expenditure authority for the years then ended in conformity with the basis of accounting referred to above.

In accordance with *Government Auditing Standards*, we have also issued a report dated June 22, 2004 on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of the management, the Board of Trustees and other officials authorized to receive this report under Ohio Revised Code Section 117.26, and is not intended to be and should not be used by anyone other than these specified parties.

YORK TOWNSHIP
TUSCARAWAS COUNTY, OHIO
Notes to the Financial Statements
For the Years Ended December 31, 2002 and 2003

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. DESCRIPTION OF THE ENTITY

York Township, Tuscarawas County, (the Township) is a body corporate and politic established for the purpose of exercising the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly elected three-member board. The Township provides general governmental services, including road and cemetery maintenance. The Township collects a 3 mill levy for the York Volunteer Fire Department to provide fire protection to the residents of the Township.

Management believes the financial statements included in this report represent all of the funds of the Township over which the Township has the ability to exercise direct operating control.

B. REPORTING ENTITY

In evaluating how to define the Township for financial reporting purpose, management has considered all agencies, departments and organizations making up the York Township (the primary government) and its potential component units consistent with Governmental Accounting Standards Board Statement No. 14, "The Financial Reporting Entity." There were no significant changes in the reporting entity related to the implementation of this statement for the current audit period.

Component units are legally separate organizations for which the Township, as the primary government, is financially accountable. The Township is financially accountable for an organization if the Township appoints a voting majority of the organization's governing board and 1) the Township is able to significantly influence the programs or services performed or provided by the organization; or 2) the Township is legally entitled to or can otherwise access the organization's resources; the Township is legally obligated or has otherwise assumed the responsibility to finance deficits of, or provide financial support to, the organization; or 3) the Township is obligated for the debt of the organization. Component units may also include organizations for which the Township approves the budget, the issuance of debt, or the levying of taxes.

Based on the above definitions, the Township has determined that there were no component units required to be included the financial statements.

**YORK TOWNSHIP
TUSCARAWAS COUNTY, OHIO
Notes to the Financial Statements
For the Years Ended December 31, 2002 and 2003**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)

C. BASIS OF ACCOUNTING

The Township prepares its financial statements following the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved.)

The statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

D. INVESTMENTS AND INACTIVE FUNDS

Investment procedures are restricted by the provisions of the Ohio Revised Code. Purchased investments are valued at cost and are neither charged when purchased nor credited at the time of redemption to their respective fund balances. Interest earned is recognized and recorded when received.

E. FUND ACCOUNTING

The Township maintains its accounting records in accordance with the principles of “Fund” accounting. Fund accounting is a concept developed to meet the needs of governmental entities in which legal or other restraints require the recording of specific receipts and disbursements. The transactions of each fund are reflected in a self-balancing group of accounts, and accounting entity which stands separate from the activities reported in other funds. The restrictions associated with each class of funds are as follows:

Governmental Fund Types:

General Fund: The general operating fund of the Township. It is used to account for all financial resources except those required by law or contract to be accounted for in another fund.

Special Revenue Funds: These funds are used to account for proceeds from special sources (other than for capital projects) that are restricted to expenditures for specific purposes. Special revenue funds are as follows:

Motor Vehicle License Tax Fund
Gasoline Tax Fund
Road and Bridge Fund
Cemetery Bequest fund

Notes to the Financial Statements
For the Years Ended December 31, 2002 and 2003**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)

E. FUND ACCOUNTING - (continued)

Fire Levy Fund
Ambulance Levy Fund

Non-expendable Trust: This fund is used to account for endowments to the Township that restricts expenditures to the funds earnings.

F. BUDGETARY PROCESS

1. Budget

A budget of estimated cash receipts and disbursements is prepared by the Clerk, approved by the Board of Trustees, and submitted to the county auditor, as secretary of the County Budget Commission, by July 20 of each year, for the period January 1 to December 31 of the following year.

2. Estimated Resources

The county auditor calculates the estimated revenues available to the Township. He prepares a certificate of estimated resources based upon this calculation and upon the other financial information supplied in the budget sent by the Township. The certificate is approved by the county budget commission and sent to the Township Clerk by September 1.

Prior to December 31, the Township must revise its budget so that the total budgeted expenditures for a fund will not exceed the amount of stated in the certificate of estimated resources. The revised budget serves as the basis for the annual appropriation measure.

On or about January 1, the Clerk sends the county auditor a certificate to which includes the actual unencumbered balances from the preceding year. The county auditor prepares an amended certificate, submits it to the county budget commission for approval. This amended certificate may be further amended during the year if projected increases or decreases in revenue are identified by the Clerk. The amounts reported in the budgetary statements reflect the amounts in the final amended certificates issued during 2002 and 2003.

**YORK TOWNSHIP
TUSCARAWAS COUNTY, OHIO
Notes to the Financial Statements
For the Years Ended December 31, 2002 and 2003**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)

F. BUDGETARY PROCESS – (continued)

Budget receipts, as shown in the accompanying financial statements, do not include the unencumbered fund balances as of January 1, 2002 and 2003. However, those fund balances are available for appropriation.

3. Appropriations

A temporary appropriation measure to control cash expenditures may be passed on or about January 1 of each year for the period January 1 to March 31. An annual appropriation measure must be passed by March 31 of each year for the period January 1 to December 31. The appropriation measure may be amended or supplemented during the year as new information becomes available. Appropriations may not exceed estimated resources. The legal level of control is the object level.

4. Encumbrances

The Township is required to use the encumbrance method of accounting by virtue of Ohio law. Under this system, purchase orders, contracts and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation and to determine and maintain legal compliance. The sum of expenditures and encumbrances may not exceed appropriated totals at any level of budgetary control.

Unencumbered appropriations lapse at year-end. Encumbered appropriations are carried forward to the succeeding fiscal year without being re-appropriated.

G. Total Columns on Financial Statements

Total columns on the financial statements are captioned “Memorandum Only” to indicate that they are presented only to facilitate financial analysis. This data is not comparable to a consolidation. Interfund-type eliminations have not been made in the aggregation of this data.

**YORK TOWNSHIP
TUSCARAWAS COUNTY, OHIO
Notes to the Financial Statements
For the Years Ended December 31, 2002 and 2003**

2. EQUITY IN POOLED CASH AND CASH EQUIVALENTS

The Township maintains a cash and investment pool. The balance of this pool is displayed on the "Combined Statement of Cash, Investments, and Fund Cash Balances - All Fund Types, As of December 31, 2002 and 2003."

Legal Requirements

State statutes classify monies held by the Township into three categories.

Active deposits are public deposits necessary to meet current demands on the treasury. Such monies must be maintained either as cash in the Township Treasury, in commercial accounts payable or withdrawable on demand, including negotiable order of withdrawal (NOW) accounts, or in money market deposit accounts.

Inactive deposits are public deposits that the Board of Trustees has identified as not required for use within the current two-year period of designation of depositories. Inactive deposits must either be evidenced by certificates of deposit maturing not later than the end of the current period of designation of depositories, or by savings or deposit accounts including, but not limited to, passbook accounts.

Interim deposits are deposits of interim monies. Interim monies are those monies, which are not needed for immediate use but which will be needed before the end of the current period of designation of depositories. Interim deposits must be evidenced by time certificates of deposit maturing not more than one year from the date of deposit, or by savings or deposit accounts including passbook accounts.

Interim monies may be invested in the following securities:

1. United States treasury notes, bills, bonds, or any other obligation or security issued by the United States treasury or any other obligation guaranteed as to principal and interest by the United States;
2. Bonds, notes, debentures, or any other obligations or securities issued by any federal government agency or instrumentality, including but not limited to, the federal national federal home loan bank, federal farm credit bank, federal home loan mortgage corporation, government national mortgage association, and student loan marketing association. All federal agency securities shall be direct issuances of federal government agencies or instrumentalities.

**YORK TOWNSHIP
TUSCARAWAS COUNTY, OHIO
Notes to the Financial Statements
For the Years Ended December 31, 2002 and 2003**

2. EQUITY IN POOLED CASH AND CASH EQUIVALENTS – (continued)

3. Written repurchase agreements in the securities listed above provided that the market value of the securities subject to the repurchase agreement must exceed the principal value of the agreement by at least two percent and be marked to market daily, and that the term of the agreement must not exceed thirty days;

4. Bonds and other obligations of the State of Ohio;

5. No-load money market mutual funds consisting exclusively of obligations described in division (1) or (2) of this section and repurchase agreements secured by such obligations, provided that investments in securities described in this division are made only through eligible institutions;

6. The State Treasurer's investment pool (STAR Ohio);

The Township may also invest any monies not required to be used for a period of six months or more in the following:

1. Bonds of the State of Ohio;

2. Bonds of any municipal corporation, village, county, township, or other political subdivision of this State, as to which there is no default of principal, interest or coupons; and

3. Obligations of the Township.

Investments in stripped principal or interest obligations, reverse repurchase agreements and derivatives are prohibited. The issuance of taxable notes for the purpose of arbitrage, the use of leverage and short selling are also prohibited. An investment must mature within five years from the date of purchase unless matched to a specific obligation or debt of the Township, and be purchased within the expectation that it will be held to maturity. Investments may only be made through specified dealers and institutions. Payment for investments may be made only upon delivery of the securities representing the investments to the treasurer or, if the securities are not representing the investments to the treasurer or, if the securities are not represented by a certificate, upon receipt of confirmation of transfer from the custodian.

Protection of the Township's deposits is provided by the Federal Deposit Insurance Corporation, by eligible securities pledged by the financial institution as security for repayment, by surety company bonds deposited with the Clerk by the financial institution, or by a single collateral pool established by the financial institution to secure the repayment of all public monies deposited with the institution.

**YORK TOWNSHIP
TUSCARAWAS COUNTY, OHIO
Notes to the Financial Statements
For the Years Ended December 31, 2002 and 2003**

2. EQUITY IN POOLED CASH AND CASH EQUIVALENTS - (continued)

The following information classifies deposits and investments by categories of risk as defined by GASB Statement No.3, "Deposits with Financial Institutions, Investments and Reverse Repurchase Agreements".

Deposits: At year-end, the carrying amount of the Township's deposits were \$197,897 in 2002 and \$216,400 in 2003. The bank balance was \$264,863 in 2002 and \$254,996 in 2003. Of the bank balance,

1. \$100,000 in 2002 and 2003 was covered by the FDIC.
2. \$164,863 in 2002 and \$154,996 were uninsured, but collateralized by US Government Securities pooled by the depository not in the Township's name. As with all deposits, there is risk of loss or resources, but management believes this collateral gives the Township its safest deposit of money.

Investments: GASB Statement No.3 "Deposits with Financial Institutions, Investments and Reverse Repurchase Agreements" requires that local governments disclose the carrying amounts and market value of investments classified by risk. Category 1 included investments that are insured or registered for which the securities are held in the counter party's trust department or agent in the Township's name. Category 2 includes uninsured and unregistered investments which are held by the counter party's trust department or agent in the Township's name. Category 3 includes uninsured and unregistered investments for which the securities are held by the counter party or by its trust department but not in the Township's name. At December 31, 2002 and 2003, the Township held no investments that would be classified as investments under GASB Statement No.3.

3. PROPERTY TAX

Real property taxes are levied on assessed values, which equal 35% of appraised value. The county auditor reappraises all real property every six years with a triennial update. The last update was completed for tax year 2001.

Real property taxes become a lien on all non-exempt real property located in the county on January 1. Real property taxes are payable annually or semiannually. If paid annually, payment is due December 31; if paid semiannually, the first payment is due December 31 with the remainder payable by June 20 of the following year. Under certain circumstances, state statute permits later payment dates to be established.

The State Board of Tax Equalization adjusts the tax rates for inflation. Real property owners' tax bills are further reduced by homestead and rollback deductions when applicable. The amount of these homestead and rollback reductions is reimbursed to the

For the Years Ended December 31, 2002 and 2003

3. PROPERTY TAX – (continued)

Township by the State of Ohio. The amounts reimbursed by the State of Ohio are reflected in the accompanying financial statements as Intergovernmental Receipts.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The Tuscarawas County Treasurer collects property tax on behalf of all taxing Townships within the county. The Tuscarawas County Auditor periodically remits to the taxing Township their portions of the taxes collected.

4. DEFINED BENEFIT PENSION PLAN

The employees of the Township are covered by the Ohio Public Employees Retirement System. The State of Ohio accounts for the activities of the retirement system and the amounts of these funds are not reflected in the accompanying financial statements.

The Ohio Public Employees Retirement System (OPERS) is a cost-sharing multiple-employer defined benefit pension plan. OPERS provides retirement and disability benefits, postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code. Authority to establish and amend benefits is provided by state statute per Chapter 145 of the Ohio Revised Code. OPERS issues a stand-alone financial report. Interested parties may obtain a copy by making a written request to 277 East Town Street, Columbus, Ohio 43215-4642 or by calling (614) 466-2085 or 1-800-222-PERS (7377).

The Ohio Revised Code provides statutory authority for employee and employer contributions. The employee contribution rates are 8.5% for employees other than law enforcement. For local government employer units the rate was 13.55% of covered payroll. The full amount has been contributed for 2002 and 2003.

5. DEBT

There is no debt outstanding at December 31, 2003.

TUSCARAWAS COUNTY, OHIO
Notes to the Financial Statements
For the Years Ended December 31, 2002 and 2003**

6. RISK MANAGEMENT

The Township has obtained insurance for the following risks through from the Scottsdale Indemnity Company:

- Comprehensive property and general liability
- Wrongful acts
- Employee benefit liability
- Professional liability and
- Vehicles

The Township Trustees and Clerk are covered by separate bonds.

The Township pays the State Worker's Compensation System a premium based on a rate per \$100 of salaries.

Settled claims have not exceeded commercial coverage in the past three years. Also, there have been no material reductions in coverage during the past three years.

7. SUBSEQUENT EVENTS/PENDING LITIGATION

Management believes there are no pending claims or lawsuits.

**REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL
REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PREFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

**Board of Trustees
York Township
New Philadelphia, Ohio**

We have audited the financial statements of the York Township (Township) as of and for the years ended December 31, 2002 and 2003, and have issued our report thereon dated June 22, 2004. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance on which those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we noted certain immaterial instances of noncompliance that we have reported to management in a separate letter dated June 22, 2004.

Internal Controls Over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.
