## Auditor of State Betty Montgomery

### INDEPENDENT ACCOUNTANTS' REPORT

Plain Local Academy of Technology  
Stark County  
901 44<sup>th</sup> Street NW  
Canton, Ohio 44709

To the Board of Directors:

We have audited the accompanying basic financial statements of the Plain Local Academy of Technology, Stark County, Ohio, (the Academy) a component unit of the Plain Local School District, as of and for the years ended June 30, 2005 and 2004, as listed in the Table of Contents. These financial statements are the responsibility of the School's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Plain Local Academy of Technology, as of June 30, 2005 and 2004, and the changes in its financial position and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 10, 2006, on our consideration of the Academy's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. We previously issued a report dated December 22, 2004, on our consideration of the Academy's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants for the year ended June 30, 2004. While we did not opine on the internal control over financial reporting or on compliance, these reports describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing. These reports are an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

101 Central Plaza South / 700 Bank One Tower / Canton, OH 44702  
Telephone: (330) 438-0617 (800) 443-9272 Fax: (330) 471-0001  
[www.auditor.state.oh.us](http://www.auditor.state.oh.us)

Management's Discussion and Analysis is not a required part of the basic financial statements but is supplementary information the Governmental Accounting Standards Board requires. We applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

A handwritten signature in black ink that reads "Betty Montgomery". The signature is written in a cursive, flowing style.

**PLAIN LOCAL ACADEMY OF TECHNOLOGY  
STARK COUNTY, OHIO**

MANAGEMENT'S DISCUSSION AND ANALYSIS  
FOR THE FISCAL YEARS ENDED JUNE 30, 2005 AND JUNE 30, 2004  
UNAUDITED

The discussion and analysis of the Plain Local Academy of Technology's (the "Academy") financial performance provides an overall review of the Academy's financial activities for the fiscal years ended June 30, 2005 and June 30, 2004. The intent of this discussion and analysis is to look at the Academy's financial performance as a whole; readers should also review the notes to the basic financial statements and financial statements to enhance their understanding of the Academy's financial performance.

**Financial Highlights**

Key financial highlights for 2005 are as follows:

- In total, net assets were \$257,074 at June 30, 2005.
- The Academy had operating revenues of \$144,279 and operating expenses of \$224,551 for fiscal year 2005. The Academy also received \$155,925 in federal and state grants during fiscal year 2005. Total change in net assets for the fiscal year was an increase of \$75,653.

**Using these Basic Financial Statements**

This annual report consists of a series of financial statements and notes to those statements. These statements are organized so the reader can understand the Academy's financial activities. The *Statement of Net Assets* and *Statement of Revenues, Expenses and Changes in Net Assets* provide information about the activities of the Academy, including all short-term and long-term financial resources and obligations.

**Reporting the Academy's Financial Activities**

***Statement of Net Assets, Statement of Revenues, Expenses, and Changes in Net Assets and the Statement of Cash Flows***

These documents look at all financial transactions and asks the question, "How did we do financially during 2005 and 2004?" The Statement of Net Assets and the Statement of Revenues, Expenses and Changes in Net Assets answer this question. These statements include *all assets, liabilities, revenues and expenses* using the *accrual basis of accounting* similar to the accounting used by most private-sector companies. This basis of accounting takes into account all of the current year's revenues and expenses regardless of when cash is received or paid.

These two statements report the Academy's *net assets* and changes in those assets. This change in net assets is important because it tells the reader that, for the Academy as a whole, the *financial position* of the Academy has improved or diminished. The causes of this change may be the result of many factors, some financial, some not. These statements can be found on pages 7 and 8 of this report.

The statement of cash flows provides information about how the Academy finances and meets the cash flow needs of its operations. The statement of cash flows can be found on page 9 of this report.

***Notes to the Basic Financial Statements***

The notes provide additional information that is essential to a full understanding of the data provided in the financial statements. These notes to the basic financial statements can be found on pages 10-17 of this report.

**PLAIN LOCAL ACADEMY OF TECHNOLOGY  
STARK COUNTY, OHIO**

MANAGEMENT'S DISCUSSION AND ANALYSIS  
FOR THE FISCAL YEARS ENDED JUNE 30, 2005 AND JUNE 30, 2004  
UNAUDITED

The table below provides a summary of the Academy's net assets for fiscal year 2005 and 2004.

	<u>2005</u>	<u>2004</u>
<b>Net Assets</b>		
<b><u>Assets</u></b>		
Current assets	\$ 220,720	\$ 128,514
Capital assets, net	<u>47,229</u>	<u>53,537</u>
Total assets	<u>267,949</u>	<u>182,051</u>
<b><u>Liabilities</u></b>		
Current liabilities	<u>10,875</u>	<u>630</u>
Total liabilities	<u>10,875</u>	<u>630</u>
<b><u>Net Assets</u></b>		
Invested in capital assets	47,229	53,537
Restricted	143,602	93,806
Unrestricted	<u>66,243</u>	<u>34,078</u>
Total net assets	<u>\$ 257,074</u>	<u>\$ 181,421</u>

Over time, net assets can serve as a useful indicator of a government's financial position. At June 30, 2005, the Academy's net assets totaled \$257,074.

At year-end, capital assets represented 17.63% of total assets. Capital assets consisted of furniture and equipment. There is no debt related to these capital assets. Capital assets are used to provide services to the students and are not available for future spending.

***Capital Assets***

At June 30, 2005, the Academy had \$47,229 invested in furniture and equipment. See Note 4 to the basic financial statements for more detail on capital assets.

**Current Financial Related Activities**

The Academy is sponsored by the Plain Local School District. The Academy relied on the state foundation funds as well as the federal sub-grants to provide the monies necessary to begin the start-up of a technology oriented educational program. The Academy has received a third round of federal funding. This grant will be exhausted in January 2006. These funds are being used to help expand the current program. State foundation monies fund current operations.

The future of the Academy is dependent upon continued funding from the state foundation funds as no local revenue can be generated through tuition or property taxes. It is the intention of the management of the Academy to pursue other state and federal sub-grants as they become available.

In conclusion, the Academy has committed itself to providing state of the art technology based educational opportunities to students. The management will aggressively pursue adequate funding to secure the financial stability of the Academy.

**Contacting the Academy's Financial Management**

This financial report is designed to provide our clients and creditors with a general overview of the Academy's finances and to show the Academy's accountability for the money it receives. If you have questions about this report or need additional financial information contact: Ms. Kathleen Jordan, CFO, Plain Local Academy of Technology, 901 44<sup>th</sup> Street, NW, Canton, Ohio 44709-1699.

**This page intentionally left blank.**

**PLAIN LOCAL ACADEMY OF TECHNOLOGY  
STARK COUNTY, OHIO**

**NOTES TO BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEARS ENDED JUNE 30, 2005 AND 2004**

**NOTE 1 - DESCRIPTION OF THE ACADEMY**

The Plain Local Academy of Technology (the “Academy”) was established pursuant to Ohio Revised Code Chapters 3314 and 3314.03 to establish a new conversion school in Plain Local School District (the “Sponsor”) addressing the needs of students in fourth through eighth grade. The Academy, which is part of the State’s education program, is independent of any school district and is nonsectarian in its programs, admission policies, employment practices and all other operations. The Academy may sue and be sued, acquire facilities as needed, and contract for any services necessary for the operation of the Academy. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Academy’s tax-exempt status. The Academy is considered a component unit of the Plain Local School District for reporting purposes, in accordance with Governmental Accounting Standards Board (GASB) Statement No. 14.

The Academy provides opportunities for students with career interests in music technology, communications technology and multimedia productions. The Academy uses the latest technology to reach a diverse student population. This population includes students within the Sponsor’s district that have specific career interests in a technology field. The students may be children who need an alternative to the traditional classroom. Enrollment is limited to students within the attendance area of the Sponsor. The Academy uses the services of the Sponsor, community, technology specialists, the Stark County Educational Service Center and the Stark Portage Area Computer Consortium to assist with overall programming and operations.

The Academy was approved under contract with the Sponsor for a period of five years commencing July 1, 2002. The Academy began operations on August 25, 2003. The Sponsor is responsible for evaluating the performance of the Academy and has the authority to deny renewal of the contract at its expiration.

The Academy operates under the direction of a five-member Board of Directors. The Board is composed of the Sponsor’s Superintendent together with two other licensed administrators who are employed by the Sponsor. The Board also includes two other persons who are neither officers nor staff members of the Academy or Sponsor to serve as voting members. One of the members is a public educator or other public official representing a governmental entity that desires to further the establishment and operation of the Academy. The other member is a representative appointed by the Academy who within one year following the incorporation of the Academy, be replaced by a person who represents the interests of parents and students served by the Academy. The Board is responsible for carrying out the provisions of the contract, which include, but are not limited to, state-mandated provisions regarding student population, curriculum, academic goals, performance standards, admission standards and qualification of teachers.

The Sponsor, under a purchased services basis with the Academy, provides planning, instructional, administrative and technical services. Personnel providing services to the Academy on behalf of the Sponsor under the purchased services basis are considered employees of the Sponsor, and the Sponsor is solely responsible for all payroll functions. The Academy provides services to approximately twenty-five students.

**PLAIN LOCAL ACADEMY OF TECHNOLOGY  
STARK COUNTY, OHIO**

NOTES TO BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEARS ENDED JUNE 30, 2005 AND 2004

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The basic financial statements (BFS) of the Academy have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Academy also applies Financial Accounting Standards Board (FASB) Statements and Interpretations issued prior to November 30, 1989, provided those pronouncements do not conflict with or contradict GASB pronouncements. The Academy has the option to also apply FASB Statements and Interpretations issued after November 30, 1989, subject to this same limitation. The Academy has elected not to apply these FASB Statements and Interpretations. The Academy's significant accounting policies are described below.

**A. Basis of Presentation**

Enterprise accounting is used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent is that the costs (expenses) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges or where it has been decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

Operating revenues are those revenues that are generated directly from the primary activity of the Academy. Operating expenses are necessary costs incurred to provide the service that is the primary activity of the Academy. All revenues and expenses not meeting this definition are reported as non-operating.

**B. Measurement Focus and Basis of Accounting**

Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities are included on the statement of net assets. Operating statements present increases (i.e., revenues) and decreases (i.e., expenses) in net total assets. Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made. The accrual basis of accounting is utilized for reporting purposes. Revenues are recognized when they are earned, and expenses are recognized when they are incurred.

**C. Budgetary Process**

Unlike other public schools located in the State of Ohio, community schools are not required to follow budgetary provisions set forth in Ohio Revised Code Section 5705, unless specifically provided in the Academy's contract with its Sponsor. The contract between the Academy and its Sponsor requires a detailed school budget for each year of the contract; however, the budget does not have to follow the provisions of Ohio Revised Code Section 5705, except for section 5705.391 as it relates to five-year forecasts and spending plans.

**D. Cash**

All monies received by the Academy are deposited in a demand deposit account.

**PLAIN LOCAL ACADEMY OF TECHNOLOGY  
STARK COUNTY, OHIO**

NOTES TO BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEARS ENDED JUNE 30, 2005 AND 2004

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

**E. Capital Assets and Depreciation**

All capital assets are capitalized at cost and updated for additions and reductions during the year. Donated capital assets are recorded at their fair market value on the date donated. The Academy maintains a capitalization threshold of \$750. The Academy does not have any infrastructure. Improvements are capitalized. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized.

All capital assets are depreciated. Improvements are depreciated over the remaining useful lives of the related capital assets. Depreciation is computed using the straight-line method. Furniture and equipment is depreciated over five to twenty years.

**F. Net Assets**

Net assets represent the difference between assets and liabilities. Net assets invested in capital assets consist of capital assets, net of accumulated depreciation. Net assets are reported as restricted when there are limitations imposed on their use either through enabling legislation adopted by the School or through external restrictions imposed by creditors, grantors or laws, or regulations of other governments.

The District applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

**G. Prepayments**

Certain payments to vendors reflect the costs applicable to future accounting periods and are recorded as prepaid items in the financial statements. These items are reported as assets on the statement of net assets using the consumption method. A current asset for the prepaid amounts is recorded at the time of the purchase and the expense is reported in the year in which services are consumed.

**H. Intergovernmental Revenue**

The Academy currently participates in the State Foundation Program through the Ohio Department of Education. Revenue from this program is recognized as operating revenue in the accounting period in which all eligibility requirements have been met.

Grants and entitlements are recognized as non-operating revenues in the accounting period in which all eligibility requirements have been met. Eligibility includes timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted; matching requirements, in which the Academy must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to the Academy on a reimbursement basis. Federal and State grants for the fiscal year ended June 30, 2005, received by the Academy was \$155,925.

**I. Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

**PLAIN LOCAL ACADEMY OF TECHNOLOGY  
STARK COUNTY, OHIO**

NOTES TO BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEARS ENDED JUNE 30, 2005 AND 2004

**NOTE 3 - DEPOSITS**

At June 30, 2005, the carrying amount of the Academy's deposits was \$95,225 and the bank balance was \$95,875. Based on the criteria described in GASB Statement No. 40, "Deposits and Investment Risk Disclosures," as of June 30, 2005, none of the Academy's bank balance was exposed to custodial risk. The bank balance was covered by federal depository insurance.

**NOTE 4 - CAPITAL ASSETS**

Capital asset activity for fiscal year 2005 was as follows:

	<u>Balance at July 1, 2004</u>	<u>Additions</u>	<u>Disposals</u>	<u>Balance at June 30, 2005</u>
Furniture and equipment	\$ 64,724	\$ 6,014	\$ -	\$ 70,738
Less: accumulated depreciation	<u>(11,187)</u>	<u>(12,322)</u>	<u>-</u>	<u>(23,509)</u>
Capital assets, net	<u>\$ 53,537</u>	<u>\$ (6,308)</u>	<u>\$ -</u>	<u>\$ 47,229</u>

**NOTE 5 - RECEIVABLES**

The Academy participates in the Federal Charter School Grant Program through the Ohio Department of Education. Under this program, the Academy was awarded \$153,000 during the year ended June 30, 2005 to offset start-up costs of the Academy. Revenue received from this program is recognized as grants and subsidies in the accompanying financial statements. \$125,000 of this award was receivable at June 30, 2005. This amount is presented as "Intergovernmental" on the statement of net assets. All intergovernmental receivables are considered collectible in full due to the current year guarantee of Federal funds.

**NOTE 6 - RISK MANAGEMENT**

The Academy is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to contracted personnel; and natural disasters. For fiscal year 2005, the Academy was named on the Sponsor's policy with Indiana Insurance Company for property and general liability insurance.

**PLAIN LOCAL ACADEMY OF TECHNOLOGY  
STARK COUNTY, OHIO**

NOTES TO BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEARS ENDED JUNE 30, 2005 AND 2004

**NOTE 7 - PURCHASED SERVICES**

For fiscal year ended June 30, 2005, purchased services expenses were as follows:

Professional and technical services	\$ 192,968
Property services	2,040
Travel and meetings	<u>4,793</u>
Total	<u>\$ 199,801</u>

**NOTE 8 - RENTAL/PERSONNEL AGREEMENT**

The Academy entered into a rental/personnel agreement with the Plain Local School District for the use of classrooms, office space, and personnel services. This agreement was for the period of one year beginning July 1, 2004, with an automatic renewal option. Annual payments for the fiscal year 2005 were \$10,875 for rent and \$182,500 for personnel services.

**NOTE 9 - DEFINED BENEFIT PENSION PLANS**

The Academy has contracted with its Sponsor to provide employee services and pay those employees. However, these contract services do not relieve the Academy of the obligation for remitting pension contributions. The retirement systems consider the Academy as the Employer-of-Record and the Academy ultimately responsible for remitting contributions to each of the systems noted below:

**A. School Employees Retirement System**

The Academy's Sponsor contributes on behalf of the Academy to the School Employees Retirement System of Ohio (SERS), a cost-sharing, multiple-employer defined benefit pension plan. SERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Authority to establish and amend benefits is provided by State Statute Chapter 3309 of the Ohio Revised Code. SERS issues a publicly available, stand-alone financial report that includes financial statements and required supplementary information. The report may be obtained by writing to the School Employees Retirement System, 300 East Broad Street, Suite 100, Columbus, Ohio 43215-3476.

Plan members are required to contribute 10% of their annual covered salary and the School is required to contribute at an actuarially determined rate. The current rate is 14% of annual covered payroll. A portion of the School's contribution is used to fund pension obligations with the remainder being used to fund health care benefits; for the fiscal year 2005, 10.57% of annual covered salary was the portion to fund pension obligations. For fiscal year 2004, 9.09% was used to fund pension obligations. The contribution requirements of plan members and employers are established and may be amended, up to a statutory maximum amount, by the SERS' Retirement Board. The Academy's required contributions for pension obligations for the fiscal year 2005 were paid by the Academy's Sponsor.

NOTES TO BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEARS ENDED JUNE 30, 2005 AND 2004

**NOTE 9 - DEFINED BENEFIT PENSION PLANS - (Continued)**

**B. State Teachers Retirement System**

The Academy's Sponsor contribute on behalf of the Academy to the State Teachers Retirement System of Ohio (STRS), a cost-sharing, multiple-employer defined benefit pension plan. STRS provides retirement and disability benefits, annual cost-of-living adjustments, and death and survivor benefits to plan members and beneficiaries. Benefits are established by Chapter 3307 of the Ohio Revised Code. STRS issues a publicly available, stand-alone financial report that includes financial statements and required supplementary information. The report may be obtained by writing to the State Teachers Retirement System, 275 East Broad Street, Columbus, Ohio 43215-3771, or by calling (614) 227-4090.

Effective July 1, 2001, two new plan options were offered to selected members. New members have a choice of three retirement plan options. In addition to the Defined Benefit (DB) Plan, new members are offered a Defined Contribution (DC) Plan and a Combined Plan. The DC Plan allows members to allocate all their member contributions and employer contributions equal to 10% of earned compensation. The Combined Plan offers features of the DC Plan and the DB Plan. In the Combined Plan, member contributions are allocated by the member, and employer contributions are used to fund a defined benefit payment at a reduced level from the regular DB Plan. Contributions into the DC Plan and the Combined Plan are credited to member accounts as employers submit their payroll information to STRS Ohio, generally on a biweekly basis. DC and Combined Plan members will transfer to the DB Plan during the fifth year of membership unless they permanently select the DC or Combined Plan

For the fiscal year 2005, plan members were required to contribute 10% of their annual covered salaries. The Academy was required to contribute 14%; 13% was the portion used to fund pension obligations. As a comparison, 13% was used to fund pension obligations in 2004. Contribution rates are established by the State Teachers Retirement Board, upon recommendation of its consulting actuary, not to exceed statutory maximum rates of 10% for members and 14% for employers. The Academy's required contributions for pension obligations to STRS for fiscal year 2005 were paid by the Academy's Sponsor.

**NOTE 10 - POSTEMPLOYMENT BENEFITS**

The Academy provides comprehensive health care benefits to retired teachers and their dependents through STRS, and to retired non-certified employees and their dependents through SERS. Benefits include hospitalization, physicians' fees, prescription drugs, and partial reimbursement of monthly Medicare Part B premiums. Benefit provisions and the obligations to contribute are established by STRS and SERS based on authority granted by state statute. Both STRS and SERS are funded on a pay-as-you-go-basis.

All STRS benefit recipients and sponsored dependents are eligible for health care coverage. The STRS Board has statutory authority over how much, if any, of the health care costs will be absorbed by STRS. Most benefit recipients pay a portion of the health care cost in the form of a monthly premium. By law, the cost of coverage paid from STRS funds shall be included in the employer contribution rate, currently 14% of covered payroll. For fiscal year ended June 30, 2005, the STRS Board allocated employer contributions equal to 1% of covered payroll to the Health Care Reserve fund.

STRS pays health care benefits from the Health Care Reserve fund. The balance in the Health Care Reserve fund was \$3.1 billion at June 30, 2004 (the latest information available). For the fiscal year ended June 30, 2004 (the latest information available), net health care costs paid by STRS were \$268.739 million and STRS had 111,853 eligible benefit recipients.

**NOTES TO BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEARS ENDED JUNE 30, 2005 AND 2004**

**NOTE 10 - POSTEMPLOYMENT BENEFITS - (Continued)**

For SERS, coverage is made available to service retirees with 10 or more years of qualifying service credit, and disability and survivor benefit recipients. Members retiring on or after August 1, 1989, with less than 25 years of service credit must pay a portion of their premium for health care. The portion is based on years of service up to a maximum of 75 percent of the premium.

After the allocation for basic benefits, the remainder of the employer's 14% contribution is allocated to providing health care benefits. For the fiscal year ended June 30, 2004, employer contributions to fund health care benefits were 3.43% of covered payroll. In addition, SERS levies a surcharge to fund health care benefits equal to 14% of the difference between a minimum pay and the member's pay, pro-rated for partial service credit. For fiscal year 2005, the minimum pay has been established at \$27,400. The surcharge, added to the unallocated portion of the 14% employer contribution rate, provides for maintenance of the asset target level for the health care fund.

The target level for the health care reserve is 150% of annual health care expenses. Expenses for health care at June 30, 2004 (the latest information available) were \$223.444 million and the target level was \$335.2 million. At June 30, 2004, (the latest information available) SERS had net assets available for payment of health care benefits of \$300.8 million and SERS had approximately 62,000 participants receiving health care benefits. The Academy's costs were paid by the Academy's Sponsor.

**NOTE 11 - SCHOOL FUNDING DECISION**

On December 11, 2002, the Ohio Supreme Court issued its latest opinion regarding the state's school funding plan. The decision reaffirmed earlier decisions that Ohio's current school funding plan is unconstitutional.

The Supreme Court relinquished jurisdiction over the case and directed "...the Ohio General Assembly to enact a school funding scheme that is thorough and efficient...". The Academy is currently unable to determine what effect, if any, this decision will have on its future state funding and its financial operations.

**NOTE 12 - CONTINGENCIES**

**A. Grants**

The Academy received financial assistance from federal and state agencies in the form of grants. The expenditure of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and is subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability. However in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the Academy at June 30, 2005.

NOTES TO BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEARS ENDED JUNE 30, 2005 AND 2004

**NOTE 12 - CONTINGENCIES - (Continued)**

**B. Litigation**

A suit was filed in Franklin County Common Pleas Court, on May 14, 2001, alleging that Ohio's Community (i.e., Charter) Schools program violates the state's Constitution and state laws. On April 21, 2003 the court dismissed the counts containing constitutional claims and stayed the other counts pending appeal of the constitutional issues. The plaintiffs appealed to the Court of Appeals, the issues have been briefed, and the case was heard for oral argument on November 18<sup>th</sup>, 2003. On August 24, 2004, the Court of Appeals rendered a decision that community schools are part of the states public educational system and the matter was sent to the Ohio Supreme Court. The Ohio Supreme Court accepted the approval from the Court of Appeals for review on February 16, 2005. Oral arguments occurred November 29, 2005. The effect of this suit, if any, on the Academy is not presently determinable.

**C. State Foundation Funding**

The Ohio Department of Education conducts reviews of enrollment data and full-time equivalency (FTE) calculations made by the schools. These reviews are conducted to ensure the schools are reporting accurate student enrollment data to the State, upon which state foundation funding is calculated. The Academy was reviewed two times during fiscal year 2005 and after year end and zero errors were found in enrollment, withdrawals and attendance.

**NOTE 13 - RELATED PARTY TRANSACTION**

Little Eagle Kindergarten Program and Golden Eagle Digital Academy have similar board members as Plain Local Academy of Technology. There were no financial contributions between these related party entities.

### **INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS***

Plain Local Academy of Technology  
Stark County  
901 44<sup>th</sup> Street NW  
Canton, Ohio 44709

To the Board of Directors:

We have audited the financial statements of the Plain Local Academy of Technology, Stark County, Ohio, (the Academy) a component unit of the Plain Local School District, as of and for the years ended June 30, 2005 and 2004, and have issued our report thereon dated February 10, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Academy's internal control over financial reporting to determine our auditing procedures in order to express our opinion on the financial statements and not to opine on the internal control over financial reporting. Our consideration of the internal control would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts material to the financial statements we audited may occur and not be timely detected by employees when performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider material weaknesses.

In a separate letter to the District's management dated February 10, 2006, we reported a matter involving internal control over financial reporting we did not deem a reportable condition.

#### **Compliance and Other Matters**

As part of reasonably assuring whether the Academy's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.
