### INDEPENDENT ACCOUNTANTS' REPORT

Southwest Licking Digital Academy  
Licking County  
P.O. Box 180  
Etna, Ohio 43018-0180

To the Board of Directors:

We have audited the accompanying financial statement of the Southwest Licking Digital Academy, Licking County, Ohio (the Academy), a component unit of the Southwest Licking Local School District, as of June 30, 2005. The financial statement is the responsibility of the Academy's management. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Ohio Administrative Code Section 117-2-03(B) requires the Academy to prepare its annual financial report in accordance with accounting principles generally accepted in the United States of America. However, as discussed in Note 2, the accompanying financial statement and notes have been prepared on an accounting basis not in accordance with these generally accepted accounting principles. The accompanying financial statement and notes omit the entity wide statements, assets, liabilities, fund equities, and disclosures that, while material, we cannot determine at this time.

In our opinion, the accompanying financial statement does not present fairly the financial position, results of operations, and cash flows of the Southwest Licking Digital Academy, Licking County, Ohio as of June 30, 2005, in accordance with accounting principles generally accepted in the United States of America.

The Academy has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statement.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 14, 2006, on our consideration of the Academy's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. It does not opine on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

**NOTE 1 - DESCRIPTION OF THE SCHOOL**

The Southwest Licking Digital Academy (the Academy) is a nonprofit corporation established pursuant to Ohio Revised Code Chapters 3314 and 1702. The Academy is an approved tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Academy's tax exempt status. The Academy's mission is to enhance and facilitate student learning by providing state of the art digital curriculum and instruction; innovative, collaborative leadership; and technical expertise and support that will prepare students to become lifelong learners and intelligent decision makers. The students may include, but will not be limited to, home schooled children, children with special physical and mental needs, students removed from the regular classroom for discipline concerns, students who need an alternative to the traditional classroom for various reasons, including religious reasons, transient students, and students within the Southwest Licking Local School District, the sponsor school district, that desire a specific course not currently offered that is available through online instruction.

The Academy was formally created on January 9, 2003, by entering a five year contract with the Southwest Licking Local School District (the Sponsor). The Academy was approved by the Sponsor through a preliminary agreement on June 20, 2003. The Sponsor is responsible for evaluating the performance of the Academy and has the authority to deny renewal of the contract at its expiration. The Sponsor's Treasurer also completes the role of Treasurer for the Academy.

The Academy operates under the direction of a five-member Board of Directors made up of three-members from the Southwest Licking Local School District and two-members from the public, both of which are appointed by the Sponsor. The first public member shall be a public educator or other public official representing a governmental entity that desires to further the establishment and operation of the Academy. The second public member shall be a person who represents the interests of parents and students served by the conversion school.

The Academy is a component unit of the Sponsor. The sponsor appoints a majority of the Board of Directors and is able to impose its will on the Academy. The Sponsor can suspend the Academy's operations for any of the following reasons: 1) The Academy's failure to meet student performance requirements stated in its contract with the Sponsor, 2) The Academy's failure to meet generally accepted standards of fiscal management, 3) The Academy's violation of any provisions of the contract with the Sponsor or applicable state or federal law, or 4) Other good cause.

The Board of Directors is responsible for carrying out the provisions of the contract which include, but are not limited to, helping create, approve, and monitor the annual budget, develop policies to guide operations, secure funding, and maintain a commitment to vision, mission, and belief statements of the Academy and the children it serves. As discussed in Note 6 to the financial statement, the Academy paid purchased services to TRECA for instructional, administrative, and technical services. The Academy used the facilities of the Sponsor.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Accounting**

Although required by Ohio Rev. Code Section 3314.03 (A)(8), Ohio Administrative Code Section 117-2-03(B), and by the Academy's contract with its Sponsor to prepare its financial statements in accordance with generally accepted accounting principles (GAAP), officials of the Academy chose to prepare its financial statement on the cash basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**C. Budgetary Process**

Unlike other public schools located in the State of Ohio, community schools are not required to follow the budgetary provisions set forth in Ohio Revised Code Chapter 5705, unless specifically provided by the Academy's contract with its Sponsor. The contract between the Academy and its Sponsor prescribes an annual budget requirement as part of preparing a five year forecast, which is updated on an annual basis.

**D. Cash and Investments**

All cash received by the Academy's Treasurer is maintained in a demand deposit account. The Academy had no investments during the year ended June 30, 2005.

**E. Capital Assets**

The Academy records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statement does not report these items as assets.

**F. Intergovernmental Revenues**

**NOTE 3 - DEPOSITS**

At June 30, 2005, the carrying amount of the Academy's deposits was \$111,380 and the bank balance was \$111,494. Of the bank balance, \$100,000 was covered by federal depository insurance and \$11,494 was collateralized by the financial institution's public entity deposit pool. There are no significant statutory restrictions regarding the deposit of funds by the Academy.

**NOTE 4 - RISK MANAGEMENT**

**A. Property and Liability**

The Academy is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters.

**NOTE 5 - DEFINED BENEFIT PENSION PLANS**

**A. School Employees Retirement System**

The Academy contributes to the School Employees Retirement System (SERS), a cost-sharing multiple employer defined benefit pension plan. SERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries.

Authority to establish and amend benefits is provided by Chapter 3309 of the Ohio Revised Code. SERS issues a publicly available, stand-alone financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the School Employees Retirement System, 300 East Broad Street, Suite 100, Columbus, Ohio 43215-3476 or by calling 614-222-5853.

Plan members are required to contribute 10 percent of their annual covered salary and the Academy is required to contribute at an actuarially determined rate. The current rate is 14 percent of annual covered payroll. The contribution requirements of plan members and employers are established and may be amended, up to a statutory maximum amount, by the SERS' Retirement Board. Contribution rates are established by the State Teachers Retirement Board, upon recommendations of its consulting actuary, not to exceed statutory maximum rates of 10% for members and 14% for employers. Chapter 3307 of the Ohio Revised Code provides statutory authority for member and employer contributions.

The Academy's required contributions for pension obligations for the fiscal years ended June 30, 2005 and 2004 were \$1,125 and \$210, respectively.

**NOTE 6 - CONTRACT WITH TRECA**

The Academy entered into a one year contract on July 6, 2004, with Tri-Rivers Educational Computer Association (TRECA) for management consulting services. Under the contract, the following terms were agreed upon:

- TRECA shall provide the Academy with instructional, supervisory/administrative, and technical services sufficient to effectively implement the Academy's educational plan and the Academy's assessment and accountability plan.
- All personnel providing services to the Academy on behalf of TRECA under the agreement shall be employees of TRECA and TRECA shall be solely responsible for all payroll functions, including retirement system contributions and all other legal withholding and/or payroll taxes, with respect to such personnel. All shall possess any certification or licensure which may be required by law.
- The technical services provided by TRECA to the Academy shall include access to, and the use of, computer software, computer hardware, networking hardware, network services, and the services of technical support personnel necessary to implement the plan of operation.
- The Academy shall secure the services of an Executive Director, who shall be the chief operating officer of the school, with primary responsibility for day-to day operations of the Academy.
- Curricular services provided by TRECA shall be limited to the standardized curriculum developed by TRECA.
- In exchange for the services and support (including equipment) provided by TRECA, the Academy shall pay to TRECA a fee of \$ \$25,000 for the 2004-2005 school year.
- The Academy shall pay to TRECA \$3,550 per full-time high school students and \$2,550 per full-time K - 8 students enrolled in the Academy per school year. Part-time students may be enrolled on such terms as are agreed to by the parties.

During year ended June 30, 2005, the Academy paid TRECA \$116,972 for these services. The Academy owed TRECA \$27,065 related to this contract as of June 30, 2005.

**NOTE 7 - PURCHASED SERVICES**

For the year ended June 30, 2005, purchased service disbursements were for the following services:

Type	Amount
Professional and Technical Services	\$132,704

For the year ended June 30, 2005, the Academy paid \$456 to the Sponsor for reimbursement of expenses incurred by Academy officials' mileage, meals, and other expenses to attend meetings at TRECA.

Per the Academy's contract with its Sponsor, the Academy pays the Sponsor, from funding provided by the Ohio Department of Education pursuant to Ohio Rev. Code Section 3314.08, \$150 per student per year. For the year ended June 30, 2005, the Academy paid \$9,704 related to this provision of the contract. Of the total, \$3,249 was for the students in attendance for the initial period ending June 30, 2004. The Academy paid 100% related to the provision of this contract as of June 30, 2005.

**NOTE 9 - CONTINGENCIES**

**A. Grants**

The Academy received financial assistance from federal and state agencies in the form of grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of the Academy. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the Academy at June 30, 2005.

**B. Litigation**

A suit was filed in Franklin County Common Pleas Court on May 14, 2001 alleging Ohio's Community (i.e., Charter) school's program violates the state Constitution and state laws. On April 21, 2003, the court dismissed the counts containing constitutional claims and stayed the other counts pending appeal of the constitutional issues. The plaintiffs appealed to the Court of Appeals, the issues have been briefed and the case was heard on November 18, 2003. On August 24, 2004, the Court of Appeals rendered a decision that Community Schools are part of the state public educational system and this matter was sent to the Ohio Supreme Court. The Ohio Supreme Court accepted the appeal from the Court of Appeals for review on February 16, 2005. Oral argument occurred November 29, 2005. The effect of this suit, if any on the Academy is not presently determinable.

**NOTE 9 - CONTINGENCIES (Continued)**

**C. Ohio Department of Education Enrollment Review**

The Ohio Department of Education (ODE) conducts reviews of enrollment data and full-time equivalency (FTE) calculations made by Academy. These reviews are conducted to ensure the Academy is reporting accurate student enrollment data to the State, upon which foundation funding is calculated. The fiscal year 2005 review found the Academy was overpaid \$4,119. The Academy's fiscal year 2006 foundation receipts will be reduced by this amount.

**NOTE 10 - STATE SCHOOL FUNDING**

On December 11, 2002, the Ohio Supreme Court issued its latest opinion regarding the State's school funding plan. The decision reaffirmed earlier decisions that Ohio's current school-funding decision is unconstitutional.

The Supreme Court relinquished jurisdiction over the case and directed "...the Ohio General Assembly to enact a school-funding scheme that is thorough and efficient..."

The Academy is currently unable to determine what effect, if any, this decision will have its future State funding and on its financial operations.

### **INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS***

Southwest Licking Digital Academy  
Licking County  
P.O. Box 180  
Etna, Ohio 43018-0180

To the Board of Directors:

We have audited the financial statement of the Southwest Licking Digital Academy, Licking County, Ohio (the Academy), a component unit of Southwest Licking Local School District, as of and for the year ended June 30, 2005, and have issued our report thereon dated February 14, 2006, wherein we noted the Academy prepared its financial statement and notes on a basis of accounting other than that prescribed by OACS 117-2-03 (B). We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Academy's internal control over financial reporting to determine our auditing procedures in order to express our opinion on the financial statement and not to opine on the internal control over financial reporting. Our consideration of the internal control would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts material to the financial statements we audited may occur and not be timely detected by employees when performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider material weaknesses. In a separate letter to the Academy's management dated February 14, 2006, we reported other matters involving internal control over financial reporting we did not deem reportable conditions.

#### **Compliance and Other Matters**

As part of reasonably assuring whether the Academy's financial statement is free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed an instance of noncompliance or other matter that we must report under *Government Auditing Standards* which is described in the accompanying schedule of findings as item 2005-001. In a separate letter to the Academy's management dated February 14, 2006, we reported other matters related to noncompliance we deemed immaterial.

**FINDING RELATED TO THE FINANCIAL STATEMENTS  
REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS**

**Finding Number 2005-001**

Ohio Administrative Code Section 117-2-03(B) requires the Academy to prepare its annual financial report in accordance with accounting principles generally accepted in the United States of America. In addition, the Academy's contract with its sponsor requires financial reports to be prepared in conformity with GAAP. However, the Academy prepared its financial statement on a basis of accounting other than GAAP.

The accompanying financial statement and notes omit the entity wide statements, assets, liabilities, fund equities, and disclosures that, while material, cannot be determined at this time. The accompanying financial statement also does not include Management's Discussion and Analysis (MD&A), which is supplementary information required by GAAP. The Academy may be fined and various other administrative remedies may be taken against the Academy.

We recommend the Academy prepare its financial statements in accordance with the GAAP.
