We have reviewed the *Independent Auditor's Report* of the Stark County Family Council, Stark County, prepared by Rea & Associates, Inc., for the audit period January 1, 2005 through December 31, 2005. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State. Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Independent Auditor's Report* on your financial statements. While the Auditor of State does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Independent Auditor's Report* also includes an opinion on the financial statements using the regulatory format the Auditor of State permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Stark County Family Council is responsible for compliance with these laws and regulations.

## Independent Auditor's Report

We have audited the accompanying financial statements of the Stark County Family Council, Stark County, Ohio, (the "Council") as of and for the year ended December 31, 2005, as listed in the table of contents. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1, the Council prepares its financial statements using accounting practices prescribed or permitted by the Auditor of State. These practices differ from accounting principles generally accepted in the United States of America. Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, we presume they are material.

In our opinion, because of the effects of the matter discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Council as December 31, 2005, or its changes in financial position for the year then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Stark County Family Council, Stark County, as of December 31, 2005, and its combined cash receipts and disbursements for the year then ended in conformity with the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we also have issued our report dated April 27, 2006 on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A. Description of the Entity

Ohio Rev. Code Section 121.37 created the Ohio Family and Children First Cabinet Council and permitted counties to establish County Family and Children First Councils. Statutory membership of a County Family and Children First Council consists of the following individuals:

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

A. Description of the Entity (Continued)

- n. At least three individuals representing the interest of families in the county. Where possible, the number of members representing families shall be equal to twenty percent of the council's remaining membership.

In addition, a County Family and Children First Council may invite any other local public or private agency or group that funds, advocates, or provides services to children to have a representative become a permanent or temporary member of the council.

A county council's statutory responsibilities include the following:

- a. Refer to the cabinet council those children for whom the council cannot provide adequate services;
- b. Make periodic reports to the cabinet council regarding the number of children referred to the county council and the progress made in meeting the needs of each child;
- c. Develop a plan that reviews and adjusts existing programs, fills service gaps where possible, or invents new approaches to achieve better results for families and children;
- d. Participate in the development of a countywide, comprehensive, coordinated, multi-disciplinary, inter-agency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the department of health for early intervention services under the "Education of the Handicapped Act Amendments of 1986;"
- e. Maintain an accountability system to monitor the council's progress in achieving its purposes; and
- f. Establish a mechanism to ensure ongoing input from a board representation of families who are receiving services within the county system.

The Stark County Family Council (the "Council") was officially created on March 15, 1995 by proclamation of the Governor of the State of Ohio.

The Council's management believes these financial statements present all activities for which the Council is financial accountable.

STARK COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**B. Basis of Accounting**

These financial statements follow the basis of accounting the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements. The Council recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

**C. Cash and Investments**

The Stark County Treasurer maintains a cash and investment pool used by all of the County's funds, including those of the Council. The Ohio Revised Code prescribed allowable deposits and investments.

**D. Fund Accounting**

The Council uses fund accounting to segregate cash and investments that are restricted as to use. The Council classifies its funds into the following types:

1. *General Fund*

The General Fund reports all financial resources except those required to be accounted for in another fund.

2. *Special Revenue Funds*

These funds account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Council had the following significant special revenue funds:

Early Intervention Part C – This fund receives federal grant money for the purpose of providing services to families with young children who have disabilities from birth to 3 years of age.

Pooled Funds – This fund receives money from a group consisting of four Stark County Boards, the Stark County Family Court and two school districts for the purpose of providing specialized, multi-need services to specifically identified children in a coordinated, focused fashion.

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

D. Fund Accounting (Continued)

Help Me Grow (Temporary Assistance for Needy Families) Grant Fund – This fund receives federal grant money for the purpose of providing services to families with young children at greater risk.

GRF Fund – This fund receives state grant money for the purpose of providing services to families with young children at greater risk.

E. Budgetary Process

Ohio Revised Code Section 121.37(B)(4) requires the Council to file an annual budget with its administrative agent (Stark County Community Mental Health Board), the county auditor, and the board of county commissioners. This budget includes estimated resources and appropriations.

1. *Appropriations*

As Stark County serves as the fiscal agent for the Council, the Council is required to adopt annual appropriations. However, the County maintains all of the Council's financial activity in one fund; therefore, annual appropriations are adopted in total.

2. *Estimated Resources*

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1.

3. *Encumbrances*

The Council reserves (encumbers) appropriations when commitments are made, in accordance with the procedures of its fiscal agent (Stark County). Encumbrances outstanding at year-end are carried over and are not re-appropriated.

A summary of 2005 budgetary activity appears in Note 3.

F. Property, Plant and Equipment

The Council records disbursements for acquisitions of property, plant and equipment when paid. The accompanying financial statements do not report these items as assets.

G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

STARK COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2005**

**NOTE 2: EQUITY IN POOLED CASH AND INVESTMENTS**

Stark County, the fiscal agent for the Council, maintains a cash and investment pool used by all funds, including the Council. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash at December 31, 2005 was as follows:

Deposits with County Treasurer \$ 522,251

*Deposits:* Deposits are either (1) insured by the Federal Depository Insurance Corporation, or (2) collateralized by the financial institution's public entity deposit pool.

**NOTE 3: BUDGETARY ACTIVITY**

Budgetary activity for the year ended December 31, 2005 follows:

2005 Budgeted vs. Actual Receipts			
Fund Type	Budgeted Receipts	Actual Receipts	Variance
Council	\$ 4,028,158	\$ 3,396,597	\$ (631,561)

2005 Budgeted vs. Actual Budgetary Basis Expenditures			
Fund Type	Appropriation Authority	Budgetary Expenditures	Variance
Council	\$ 4,376,357	\$ 4,076,216	\$ (300,141)

The Council initially recorded receipts from the Stark County Department of Job and Family Services (SCDJFS) net of SCDJFS' pooled fund contributions, as the monies are not physically received by the Council but do represent services provided by SCDJFS. While this activity is reflected as receipts and expenditures on the Council's financial statements, the activity does not exist on Stark County ledgers. As a result, the related receipts and expenditures have not been budgeted and appropriated, respectively. To more accurately reflect budgetary activity, these receipts and expenditures totaling \$173,333 are excluded from the actual receipts and budgetary expenditures reflected above.

**NOTE 4: RETIREMENT SYSTEM**

The Council's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2005, members of OPERS contributed 8.5 percent of their gross salaries. The Council contributed an amount equaling 13.55 percent of participants' gross salaries. The Council has paid all contributions required through December 31, 2005.

**NOTE 5: LEASE AGREEMENTS**

The Council entered into a lease agreement with McKinley Rental, L.L.C. for the use of Suite 1600 at 800 Market Avenue North, Canton, Ohio 44702, for the term November 1, 2005 through October 31, 2006. The annual rent payment is \$18,324 payable in monthly installments of \$1,527.

Independent Auditor's Report on Internal Control Over Financial Reporting  
And on Compliance and Other Matters Based on an Audit of Financial Statements  
Performed in Accordance with *Government Auditing Standards*

We have audited the financial statements of the Stark County Family Council, Stark County, Ohio (the Council) as of and for the year ended December 31, 2005, and have issued our report thereon dated April 27, 2006, wherein we noted the Council follows accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Council's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to the management of the Council in a separate letter dated April 27, 2006.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Council's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended for the information and use of the audit committee, management, the Council, federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditor's Report on Compliance with  
Requirements Applicable to Each Major Program and Internal  
Control Over Compliance in Accordance with OMB Circular A-133

Compliance

We have audited the compliance of the Stark County Family Council (the "Council") with the types of compliance requirements described in the *U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to its major federal programs for the year ended December 31, 2005. The Council's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal program is the responsibility of the Council's management. Our responsibility is to express an opinion on the Council's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America; and OMB Circular A-133, *Audits of State, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Council's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Council's compliance with those requirements.

In our opinion, the Stark County Family Council complied, in all material respects, with the requirements referred to above that are applicable to its major federal program for the year ended December 31, 2005.

Internal Control Over Compliance

The management of the Council is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Council's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants caused by error or fraud that would be material in relation to the major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

Schedule of Expenditures of Federal Awards - Non-GAAP Budgetary Basis

We have audited the financial statements of the Stark County Family Council as of and for the year ended December 31, 2005, and have issued our report thereon dated April 27, 2006, wherein we noted the Council follows accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying Schedule of Expenditures of Federal Awards for 2005 is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

This report is intended for the information and use of the audit committee, management, Board, federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.
