To the Executive Council:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

INDEPENDENT ACCOUNTANTS' REPORT

Cuyahoga County Family and Children First Council
Cuyahoga County
112 Hamilton Avenue, Room 600
Cleveland, Ohio 44114

To the Executive Council:

We have audited the accompanying financial statements of the Cuyahoga County Family and Children First Council, Cuyahoga County, Ohio, (the Council) as of and for the year ended December 31, 2005. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Council has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Revisions to GAAP would require the Council to reformat its financial statement presentation and make other changes effective for the year ended December 31, 2005. Instead of the combined funds the accompanying financial statements present for 2005, the revisions require presenting entity wide statements and also to present its larger (i.e. major) funds separately for 2005. While the Council does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Council has elected not to reformat its statements. Since this Council does not use GAAP to measure financial statement amounts, the following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the third following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the year ended December 31, 2005 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Council as of December 31, 2005, or its changes in financial position for the year then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of the Cuyahoga County Family and Children First Council, Cuyahoga County, Ohio, as of December 31, 2005, and its combined cash receipts and disbursements for the year then ended on the accounting basis Note 1 describes.

As described in Note 2, the Council restated the beginning fund balance in the Special Revenue Fund due to the reclassification of a County program by Cuyahoga County from the Council to another County department.

The aforementioned revision to generally accepted accounting principles also requires the Council to include Management's Discussion and Analysis for the year ended December 31, 2005. The Council has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 21, 2006, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

We conducted our audit to form an opinion on the financial statements that collectively comprise the Council's financial statements. The accompanying schedule of federal awards receipts and expenditures is required by United States Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statements. We subjected the schedule of federal awards receipts and expenditures to the auditing procedures applied in the audit of the financial statements. In our opinion, this information is fairly stated in all material respects, in relation to the financial statements taken as a whole.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2005
(Continued)**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

Section 121.37, Revised Code, created the Ohio Family and Children First Cabinet Council and permitted counties to establish county family and children first councils. Statutory membership of a county council consists of the following individuals:

- a. At least three individuals whose families are or have received services from an agency represented on the council or another county's council. Where possible, the number of members representing families shall be equal to twenty percent of the council's membership.
- b. The director of the board of alcohol, drug addiction, and mental health services that serves the county, or in the case of a county that has a board of alcohol and drug addiction services and a community mental health board, the directors of both boards. If a board of alcohol, drug addiction, and mental health services covers more than one county, the director may designate a person to participate on the county's council;
- c. The health commissioner of the board of health of each city or general health district in the county, or their designees. If the county has two or more health districts, the health commissioner membership may be limited to the commissioners of the two districts with the largest populations;
- d. The director of the county department of job and family services;
- e. The executive director of the county agency responsible for the administration of children services pursuant to Section 5153.15 of the Revised Code;
- f. The superintendent of the county board of mental retardation and developmental disabilities;
- g. The county's juvenile court judge senior in service or another judge of the juvenile court designated by the administrative judge or, where there is no administrative judge, by the judge senior in service;
- h. The superintendent of the city, exempted village, or local school district with the largest number of pupils residing in the county, as determined by the department of education, which notify each county of its determination at least biennially;
- i. A school superintendent representing all other school districts with territory in the county, as designated at a biennial meeting of the superintendents of those districts;
- j. A representative of the municipal corporation with the largest population in the county;
- k. The president of the board of county commissioners, or an individual designated by the board;
- l. A representative of the regional office of the department of youth services;

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

A. Description of the Entity (Continued)

- m. A representative of the county's head start agencies, as defined in Section 3301.31 of the Revised Code;
- n. A representative of a local nonprofit entity that funds, advocates, or provides services to children and families.

A county family and children first council may invite any other public or private agency or group that funds, advocates, or provides services to children to have a representative become a permanent or temporary member of the council.

A county council's statutory responsibilities include the following:

- a. Refer to the cabinet those children for whom the council cannot provide adequate services;
- b. Make periodic reports to the cabinet council regarding the number of children referred to the county council and the progress made in meeting the needs of each child;
- c. Develop a plan that reviews and adjusts existing programs, fills service gaps where possible, or invents new approaches to achieve better results for families and children;
- d. Participate in the development of a countywide, comprehensive, coordinated, multi-disciplinary, interagency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the department of health for early intervention services under the "Education of the handicapped Act Amendments of 1986";
- e. Maintain an accountability system to monitor the council's progress in achieving its purpose; and
- f. Establish a mechanism to ensure ongoing input from a broad representation of families who are receiving services within the county system.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Fund Accounting

The Council maintains its accounting records in accordance with the principles of fund accounting. Fund accounting is a concept developed to meet the needs of governmental entities in which legal or other restraints require the recording of specific receipts and disbursements. The transactions are reflected in a self-balancing group of accounts. The Council classifies its funds into the following types.

1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund. The Council had the following significant sources of funding:

Intergovernmental Receipts – Funds received from the Administration Grant.

Distributions from Other County Agencies – Funds received from Cuyahoga County.

2. Special Revenue Fund

These funds are used to account for proceeds from specific sources that are restricted to expenditure for specific purposes. The Council had the following significant Special Revenue Fund:

Office of Early Childhood – Invest in Children (Formerly Known as Early Childhood Initiative) – Part of the funds are passed through the Ohio Department of Health, and part are received from other County Agencies.

D. Administrative Agent

The Cuyahoga County Board of Commissioners is the administrative agent for the Council.

E. Fiscal Agent

The Cuyahoga County Board of Commissioners serves as the fiscal agent for the Council's general and special revenue funds. The Cuyahoga County Auditor is the fiscal agent for the Cuyahoga County Board of Commissioners. The Council's fund is maintained in separate special revenue funds at the County.

F. Contracted Services

From the general fund, employees of the Council are paid salaries which are processed by the Cuyahoga County payroll system. The funds used to pay the salaries are derived from support from the Board of County Commissioners maintained in the general fund along with other grant monies received by the Council and maintained in separate County special revenue funds. Additionally, the Office of Early Childhood provides administrative salary support. The County Auditor issues an IRS form W-2 to the Council employees at year-end.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. Property, Plant, and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

2. RESTATEMENT OF FUND BALANCES

The Council and County reviewed the necessary funds to be reported in the Family and Children First Council statements. The County realigned the funds for various departments. During this process, it was determined some funds were no longer applicable to the Council and instead should be included as part of the Department of Early Childhood. This caused a reduction in the special revenue fund beginning balance to be reduced by \$6,108,697 to have a beginning balance at January 1, 2005 of \$1,724,700.

3. EQUITY IN POOLED CASH AND INVESTMENTS

The Cuyahoga County Treasurer maintains a cash pool used by all of the County's funds, including those of the Family and Children First Council. The Ohio Revised Code prescribes allowable deposits and investments. The Council's carrying amount of cash on deposit with the County Treasurer as of December 31, 2005 was \$1,798,382. Cuyahoga County, as fiscal agent for the Council, is responsible for maintaining adequate depository collateral for all funds in the County's pooled and deposit accounts.

4. RETIREMENT SYSTEMS

Employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2005, OPERS members contributed 8.5% of their gross salaries. The Council contributed an amount equal to 13.55% of participants' gross salaries for 2005. The Council has paid all contributions required through December 31, 2005.

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Cuyahoga County Family and Children First Council
Cuyahoga County
112 Hamilton Avenue, Room 600
Cleveland, Ohio 44114

To the Executive Council:

We have audited the financial statements of the Cuyahoga County Family and Children First Council, Cuyahoga County, Ohio, (the Council) as of and for the year ended December 31, 2005, and have issued our report thereon dated November 21, 2006, wherein we noted the Council restated the Special Revenue beginning fund balance due to the reclassification of a program by Cuyahoga County to another County department. We also noted the Council followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Council's internal control over financial reporting to determine our auditing procedures to express our opinion on the financial statements and not to opine on the internal control over financial reporting. Our consideration of the internal control would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts material to the financial statements we audited may occur and not be timely detected by employees when performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider material weaknesses. In a separate letter to the Council's management dated November 21, 2006, we reported other matters involving internal control over financial reporting we did not deem reportable conditions.

Compliance and Other Matters

As part of reasonably assuring whether the Council's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*. In a separate letter to the Council's management dated November 21, 2006, we reported an other matter related to noncompliance we deemed immaterial.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO ITS MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Cuyahoga County Family and Children First Council
Cuyahoga County
112 Hamilton Avenue, Room 600
Cleveland, Ohio 44114

To the Executive Council:

Compliance

We have audited the compliance of the Cuyahoga County Family and Children First Council, Cuyahoga County, Ohio, (the Council) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133, Compliance Supplement that apply to its major federal program for the year ended December 31, 2005. The summary of auditor's results section of the accompanying schedule of findings identifies the Council's major federal program. The Council's management is responsible for complying with the requirements of laws, regulations, contracts, and grants applicable to each major federal program. Our responsibility is to express an opinion on the Council's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to reasonably assure whether noncompliance occurred with the types of compliance requirements referred to above that could directly and materially affect a major federal program. An audit includes examining, on a test basis, evidence about the Council's compliance with those requirements and performing other procedures we considered necessary in the circumstances. We believe our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Council's compliance with those requirements.

In our opinion, the Cuyahoga County Family and Children First Council, Cuyahoga County, Ohio, complied, in all material respects, with the requirements referred to above that apply to its major federal program for the year ended December 31, 2005.

Internal Control Over Compliance

The Council's management is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Council's internal control over compliance with requirements that could directly and materially affect a major federal program to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Lausche Building / 615 Superior Ave., NW / Twelfth Floor / Cleveland, OH 44113-1801
Telephone: (216) 787-3665 (800) 626-2297 Fax: (216) 787-3361
www.auditor.state.oh.us

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants caused by error or fraud that would be material in relation to a major federal program being audited may occur and not be timely detected by employees when performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses. However, we noted matters involving the internal control over federal compliance not requiring inclusion in this report, that we reported to the Council's management in a separate letter dated November 21, 2006.

We intend this report solely for the information and use of the audit committee, management, Executive Council, federal awarding agencies, and pass-through entities. It is not intended for anyone other than these specified parties.
