Mary Taylor, CPA

Auditor of State

Highland County Family and Children First Council
Highland County
1575 North High Street
Hillsboro, Ohio 45133

To the Council:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

INDEPENDENT ACCOUNTANTS' REPORT

Highland County Family and Children First Council
Highland County
1575 North High Street
Hillsboro, Ohio 45133

To the Council:

We have audited the accompanying financial statements of Highland County Family and Children First Council, Highland County, Ohio (the Council), as of and for the years ended December 31, 2006 and 2005. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Council has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined funds the accompanying financial statements present, GAAP require presenting entity wide statements and also presenting the Council's larger (i.e. major) funds separately. While the Council does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Council has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2006 and 2005 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Council as of December 31, 2006 and 2005, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of Highland County Family and Children First Council, Highland County, as of December 31, 2006 and 2005, and its combined cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

The Council has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 1, 2007, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2006 AND 2005**

1. Summary of Significant Accounting Policies

A. Description of the Entity

Ohio Revised Code, Section 121.37, created the Ohio Family and Children First Cabinet Council and permitted counties to establish county family and children first councils. Statutory membership of a county council consists of the following individuals:

- a. The director of the county ADAMH board. For counties served by a joint ADAMH board, the joint board's director must designate a member to participate on the county's council.
- b. A representative from each city board of health and general health district in the county. If there are more than two health districts, then the membership is limited to the commissioners of the two districts with the largest populations.
- c. The director of the county department of human services.
- d. The executive director of the county children's services board.
- e. The superintendent of the county board of mental retardation and developmental disabilities.
- f. The administrative or the judge senior in service or his designee for the county's juvenile court.
- g. The superintendent of the city, exempted village, or local school district with the largest number of pupils residing in the county.
- h. A school superintendent representing all other school districts with territory in the county, as designated at a biennial meeting of the superintendents of those districts;
- i. A representative of the municipal corporation with the largest population in the county.
- j. The chair of the board of county commissioners, or designee.
- k. A representative of the regional office of the department of youth services.
- l. A representative of the county's head start agencies.
- m. A representative of the county's early intervention collaborative.
- n. At least three individuals whose families are receiving or have received services from an agency which is represented on the council. If possible, 20% of the council's membership should consist of members representing families.
- o. The director of the community mental health board.
- p. A representative of the local nonprofit entity that funds, advocates, or provides services to children and families.

**HIGHLAND COUNTY FAMILY AND CHILDREN FIRST COUNCIL
HIGHLAND COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2006 AND 2005
(Continued)**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

A county family and children first council may invite any other local public or private agency or group that funds, advocates, or provides services to children to have a representative become a permanent or temporary member of the council.

A county council's statutory responsibilities include the following:

- a. Refer to the cabinet council those children for whom the council cannot provide adequate services;
- b. Make periodic reports to the cabinet council regarding the number of children referred to the county council and the progress made in meeting the needs of each child;
- c. Develop a plan that reviews and adjusts existing programs, fills service gaps where possible, or invents new approaches to achieve better results for families and children;
- d. Participate in the development of a county-wide comprehensive, coordinated, multi-disciplinary, interagency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the department of health for early intervention services under the Education of the Handicapped Act Amendments of 1986;
- e. Maintain an accountability system to monitor the council's progress in achieving its purposes; and,
- f. Establish a mechanism to ensure ongoing input from a broad representation of families who are receiving services within the county system.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Fiscal Agent

The Highland County Auditor serves as the Council's fiscal agent. The Highland County Commissioners serve as the Council's administrative agent. The administrative agent provides a program coordinator to oversee the various programs under the Family and Children First Council.

D. Service Coordinator

The purpose of the Council is to identify ways in which the Child Servicing System can provide services to the community in the most efficient and effective manner. A Service Coordinator has been hired to coordinate all Family and Children First programs.

**HIGHLAND COUNTY FAMILY AND CHILDREN FIRST COUNCIL
HIGHLAND COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2006 AND 2005
(Continued)**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Property, Plant, and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

2. CASH DEPOSITS

The Highland County Treasurer maintains a cash pool used by all of the County's funds, including those of the Council. The Ohio Revised Code prescribes allowable deposits and investments, and the County is responsible for meeting compliance requirements. The Council's carrying amount of cash on deposit with the County at December 31, 2006 and 2005 was \$52,168 and \$33,210 respectively.

3. RISK MANAGEMENT

The Council is covered under Highland County's insurance policy.

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Highland County Family and Children First Council
Highland County
1575 North High Street
Hillsboro, Ohio 45133

To the Council:

We have audited the financial statements of the Highland County Family and Children First Council, Highland County, Ohio (the Council), as of and for the years ended December 31, 2006 and 2005 and have issued our report thereon dated August 1, 2007 wherein we noted the Council followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Council's internal control over financial reporting as a basis for designing our audit procedures for expressing our opinion on the financial statements, but not to opine on the effectiveness of the Council's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Council's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Council's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis, such that there is more than a remote likelihood that the Council's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

A material weakness is a significant deficiency, or combination of significant deficiencies resulting in more than a remote likelihood that the Council's internal control will not prevent or detect a material financial statement misstatement.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all internal control deficiencies that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

We noted certain matter that we reported to the Council's management in a separate letter dated August 1, 2007.

Corporate Centre of Blue Ash / 11117 Kenwood Rd. / Blue Ash, OH 45242

www.auditor.state.oh.us

Compliance and Other Matters

As part of reasonably assuring whether the Council's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We did note a certain noncompliance matter that we reported to the Council's management in a separate letter dated August 1, 2007.

We intend this report solely for the information and use of the audit committee, management, Council. We intend it for no one other than these specified parties.
