INDEPENDENT ACCOUNTANTS' REPORT

Puritas Community School
Cuyahoga County
15204 Puritas Avenue
Cleveland, Ohio 44135

To the Board of Trustees:

We have audited the accompanying basic financial statements of the Puritas Community School, Cuyahoga County, Ohio, (the School) as of and for the year ended June 30, 2006, which collectively comprise the School's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the School's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Puritas Community School, Cuyahoga County, Ohio, as of June 30, 2006 and the changes in financial position and cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 22, 2007, on our consideration of the School's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

Management's Discussion and Analysis is not a required part of the basic financial statements but is supplementary information accounting principles generally accepted in the United States of America requires. We have applied certain limited procedures, consisting principally of inquiries of management regarding the methods of measuring and presenting the required supplementary information. However, we did not audit the information and express no opinion on it.

The discussion and analysis of Puritas Community School's financial performance provides an overall review of the School's financial activities for the fiscal year ended June 30, 2006. The intent of this discussion and analysis is to look at the School's financial performance as a whole. Financial Highlights

Key financial highlights for 2006 include the following:

- In total, net assets increased \$207,516, which represents a 62.7% increase from 2005. This increase is due primarily to increased enrollment resulting in increased state funding and federal subsidies. Also, private grants were received during the year.
- Total assets increased \$227,555, which represents a 43.3% increase from 2005. This increase is due to an increase in the year end current assets of \$270,261 offset in part by a decrease in net capital assets of \$42,706. The cash balance increase is due to increased enrollment and the decrease in Other Current Assets is due to the collection of prior year state and federal funds. The decrease in capital assets is due to depreciation of assets.
- Liabilities increased \$20,039, which represents a 10.3% increase from 2005. Accounts payable increased by \$1,663, current liabilities increased by a total of \$39,376 and leasehold improvements payable decreased by \$21,000.
- Operating revenues increased by \$465,556, which represents a 55.3% increase from 2005. The majority of this increase (\$449,337) is due to increased enrollment resulting in increased state funding. Additional increases are the result of materials fees and student activities.
- Operating expenses increased by \$252,878, which represents a 26.3% increase from 2005. Operating expense increases are due to additional staffing, additional services delivered for the increased enrollment, annual increases in service costs and additional services paid with non-operating revenues.
- Non-operating revenues decreased by \$147,871, which represents a 56.2% decrease from 2005. This increase is due mostly to having received the final phase of federal start-up grants in fiscal year 2005, offset by increased interest earned of \$1,343 and decreased private grants.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2006

I. Description of the School and Reporting Entity

Puritas Community School (PTCS), originally Euclid Community School (EUCS), is a nonprofit corporation established on October 17, 2001 pursuant to Ohio Revised Code Chapters 3314 and 1702 to maintain and provide a school exclusively for any educational, literary, scientific and related teaching service that qualifies as an exempt organization under §501(c)(3) of the Internal Revenue Code. On May 5, 2003, PTCS (as EUCS) was issued a determination letter of tax-exempt status with the Internal Revenue Service under section 501(c)(3) of the Internal Revenue Code. Management is not aware of any course of action or series of events that have occurred that might adversely affect PTCS' tax-exempt status. PTCS, which is part of Ohio's education program, is independent of any school district. PTCS may sue and be sued, acquire facilities as needed, and contract for any services necessary for the operation of PTCS.

PTCS (as EUCS) was approved for operation under a contract between the Governing Authority of PTCS (as EUCS) and the Ohio Department of Education (the Sponsor) for a period of five years commencing July 1, 2002 and terminating on June 30, 2007. On May 13, 2003 the Board of Trustees changed the name of Euclid Community School to Puritas Community School and the contract was subsequently moved to Cleveland with Sponsor approval. On October 16, 2003 PTCS entered into a contract with Lucas County Educational Service Center (LCESC) to have LCESC replace the Ohio Department of Education as their sponsor as required by Sub. HB 364. Under the terms of the contract LCESC will provide sponsorship services for a fee. The Sponsor is responsible for evaluating the performance of the school and has the authority to deny renewal of the contract at its expiration or terminate the contract prior to expiration. See Note XII for further discussion of the sponsor services. The Governing Authority formed an Ohio non-profit corporation (management company), on September 17, 1999 under the name Constellation Community Schools (CCS).

PTCS operates under a five-member Board of Trustees. The Board is responsible for carrying out the provisions of the contract, which include, but are not limited to, state-mandated provisions regarding student population, curriculum, academic goals, performance standards, admission standards, and qualification of teachers. PTCS controls one instructional facility staffed by fifteen certificated full time teaching personnel who provide services to 178 students.

PTCS entered into an agreement with CCS to provide management services for the fiscal year. See footnote XII for additional information regarding the management company. The board members of PTCS were also board members of CCS until June 15, 2006 at which time a separate CCS Board was formed. PTCS Board members are also Board members of Old Brooklyn Community School, Parma Community School, Elyria Community School, Lorain Community School, Westpark Community School, Mansfield Community School, Stockyard Community School, Madison Community School, Greater Cleveland Academy for Gifted Students, Lorain Academy for Gifted Students, Lorain Community Middle School, Old Brooklyn Community Middle School, Westpark Community Middle School and Outreach Academy for Children with Disabilities.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2006

II. Summary of Significant Accounting Policies

The financial statements of PTCS have been prepared in conformity with generally accepted accounting principles as applied to governmental nonprofit organizations. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. PTCS also applies Financial Accounting Standards Board statements and interpretations issued on or before November 30, 1989, provided they do not conflict with or contradict GASB pronouncements. The more significant of PTCS' accounting policies are described below.

1. Basis of Presentation

Enterprise accounting is used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges or where it has been decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

2. Measurement Focus and Basis of Accounting

The accounting and financial reporting treatment is determined by its measurement focus. Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities are included on the Statement of Net Assets. Operating statements present increases (e.g., revenues) and decreases (e.g., expenses) in net total assets.

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. PTCS prepares financial statements using the accrual basis of accounting. Revenues resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded when the exchange takes place. Revenues resulting from non-exchange transactions, in which PTCS receives value without directly giving equal value in return, such as grants and entitlements, are recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the fiscal year when the resources are required to be used or the fiscal year when the use is first permitted; matching requirements, in which PTCS must provide local resources to be used for a specified purpose; and expenditure requirements, in which resources are provided to PTCS on a reimbursement basis. Expenses are recognized at the time they are incurred.

FOR THE YEAR ENDED JUNE 30, 2006

II. Summary of Significant Accounting Policies (Continued)

2. Measurement Focus and Basis of Accounting (Continued)

For fiscal year 2006, PTCS has implemented GASB Statement No. 42, "Accounting and Financial Reporting for Impairment of Capital Assets for Insurance Recoveries," GASB Statement No. 44, "Economic Condition Reporting: The Statistical Section," and GASB Statement No. 47, "Accounting for Termination Benefits."

GASB Statement No. 42 establishes accounting and financial reporting standards for impairment of capital assets and clarifies and establishes accounting requirements for insurance recoveries.

GASB Statement No. 44 is to improve the understandability and usefulness of the information that State and local governments present as supplementary information in the statistical section.

GASB Statement No. 47 establishes standards of accounting and financial reporting for termination benefits.

The implementation of GASB Statements Nos. 42 and 47 did not materially affect the presentation of the financial statements for the school and GASB Statement No. 44 does not apply to the school.

3. Cash

All monies received by PTCS are deposited in demand deposit accounts.

4. Budgetary Process

Pursuant to Ohio Revised Code Chapter 5705.391 PTCS prepares and adopts an annual budget which includes estimated revenues and expenditures for the fiscal year and a five year forecast of revenues and expenditures. PTCS will from time to time adopt budget revisions as necessary.

5. Due from Other Governments and Accounts Receivable

Moneys due PTCS for the year ended June 30, 2006 are recorded as Due from Other Governments and Accounts Receivable. A current asset for the receivable amount is recorded at the time of the event causing the moneys to be due.

II. Summary of Significant Accounting Policies (Continued)

6. Capital Assets and Depreciation

Capital assets are capitalized at cost and updated for additions and retirements during the year. Donated fixed assets are recorded at their fair market values as of the dates received. All items with a useful life of one year or greater and a value of \$500 or more are capitalized. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized.

Leasehold improvements are also capitalized. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized.

Depreciation of leasehold improvements, computers, furniture, equipment and materials is computed using the straight-line method over their estimated useful lives. Improvements to fixed assets are depreciated over the remaining useful lives of the related fixed assets. All items with a useful life of one year or greater and a value of \$500 or more are capitalized. Estimated useful lives are as follows:

Capital Asset Classification	Years
Computers and Office Equipment	3
Leasehold Improvements	12.5 or 10
Furniture, Equipment & Materials	10

7. Intergovernmental Revenues

PTCS currently participates in the State Foundation Program, the State Poverty Based Assistance Program and the Federal Lunch Reimbursement Program. Revenues received from these programs are recognized as operating revenues in the accounting period in which all eligibility requirements have been met.

Grants and entitlements are recognized as non-operating revenues in the accounting period in which all eligibility requirements have been met.

Amounts awarded under the above named programs for the 2006 school year totaled \$1,367,116.

PURITAS COMMUNITY SCHOOL
— A Community School —
Cuyahoga County

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2006

II. Summary of Significant Accounting Policies (Continued)

8. Compensated Absences

Vacation is taken in a manner which corresponds with the school calendar, therefore, PTCS does not accrue vacation time as a liability.

Sick leave benefits are earned at the rate of one and one-quarter day per month and can be accrued up to a maximum amount of one hundred twenty days. PTCS will accept the transfer of sick days from another school district up to the maximum accrual amount. No financial accrual for sick time is made since unused sick time is not paid to employees upon employment termination.

9. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from these estimates.

10. Deferred Revenue

Deferred revenue arises when assets are recognized before revenue recognition criteria have been satisfied. The deferred revenue for PTCS consists of material and fees received in the current year which pertain to the next school year.

III. Deposits

At fiscal year end June 30, 2006, the carrying amount of PTCS' deposits totaled \$384,591 and its bank balance was \$408,577. Based on the criteria described in GASB Statement No. 40, "Deposit and Investment Risk Disclosure," as of June 30, 2006, \$308,577 of the bank balance was exposed to custodial risk as discussed below, while \$100,000 of the bank balance was covered by the Federal Depository Insurance Corporation.

Custodial credit risk is the risk that in the event of bank failure, PTCS will not be able to recover the deposits. All deposits are collateralized with eligible securities in amounts equal to at least 105% of the carrying value of the deposits. Such collateral, as permitted by the Ohio Revised Code, is held in single financial institution collateral pools at the Federal Reserve Banks or at member banks of the federal reserve system, in the name of the respective depository bank and pledged as a pool of collateral against all of the public deposits it holds or as specific collateral held at the Federal Reserve Bank in the name of PTCS.

In addition to the monthly payments lump-sum payments were also made to reduce the balance owed to the lessor. As of June 30, 2006 the balance due Sovereign Day Care, LLC for Leasehold Improvements is \$146,950.

VIII. Defined Benefit Pension Plans

1. School Employees Retirement System

PTCS contributes to the School Employees Retirement System of Ohio (SERS), a cost-sharing multiple-employer defined benefit pension plan. SERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Authority to establish and amend benefits is provided by state statute per Chapter 3309 of the Ohio Revised Code. SERS issues a publicly available, stand-alone financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the School Employees Retirement System, 300 East Broad St., Suite 100, Columbus, Ohio 43215-3746 by calling (800)878-5853 or by visiting the SERS website at ohsers.org.

Plan members are required to contribute 10 percent of their annual covered salary and PTCS is required to contribute an actuarially determined rate. The current rate for PTCS is 14 percent of annual covered payroll. A portion of PTCS' contribution is used to fund pension obligations with the remainder being used to fund health care benefits; for fiscal year 2006, 10.58 percent of annual covered salary was the portion to fund pension obligations. The contribution requirements of plan members and employers are established and may be amended, up to a statutory maximum amount, by the SERS' Retirement Board. PTCS' required contribution for pension obligations to SERS for the fiscal years ended June 30, 2006, 2005 and 2004 were \$4,698, \$2,002 and \$1,797. For fiscal year 2006, all required contributions have been paid.

2. State Teachers Retirement System

PTCS participates in the State Teachers Retirement System of Ohio (STRS Ohio), a cost-sharing multiple-employer public employee retirement system. STRS Ohio provides retirement and disability benefits to members and death and survivor benefits to beneficiaries.

STRS Ohio issues a stand-alone financial report that may be obtained by writing to STRS Ohio, 275 East Broad Street, Columbus, Ohio 43215-3771, by calling (614)227-4090, or by visiting the STRS Ohio web site at www.strsoh.org.

VIII. Defined Benefit Pension Plans (Continued)

2 State Teachers Retirement System (Continued)

New members have a choice of three retirement plans, a Defined Benefit (DB) Plan, a Defined Contribution (DC) Plan and a Combined Plan. The DB plan offers an annual retirement allowance based on final average salary times a percentage that varies based on years of service, or an allowance based on member contributions and earned interest matched by STRS Ohio funds divided by an actuarially determined annuity factor. The DC Plan allows members to place all their member contributions and employer contributions equal to 10.5 percent of earned compensation into an investment account. Investment decisions are made by the member. A member is eligible to receive a retirement benefit at age 50 and termination of employment. The Combined Plan offers features of both the DC and the DB Plan. In the Combined Plan, member contributions are invested by the member, and employer contributions are used to fund the defined benefit payment at a reduced level from the regular DB Plan. DC and Combined Plan members will transfer to the Defined Benefit Plan during the fifth year of membership unless they permanently select the DC or Combined Plan. Existing members with less than five years of service credit as of June 30, 2001, were given the option of making a one time irrevocable decision to transfer their account balances from the existing DB Plan into the DC or the Combined Plan. This option expired on December 31, 2001. Benefits are established by Chapter 3307 of the Ohio Revised Code.

A DB or Combined Plan member with five or more years credited service who becomes disabled may qualify for a disability benefit. Eligible spouses and dependents of these active members who die before retirement may qualify for survivor benefits. Members in the DC Plan who become disabled are entitled only to their account balance. If a member dies before retirement benefits begin, the member's designated beneficiary is entitled to receive the member's account balance.

For the fiscal year ended June 30, 2006, plan members were required to contribute 10 percent of their annual covered salary. PTCS was required to contribute 14 percent, 13 percent was the portion used to fund pension obligation. For fiscal year 2005, the portion used to fund pension obligations was also 13 percent. Contribution rates are established by the State Teachers Retirement Board, upon recommendations of its consulting actuary, not to exceed statutory maximum rates of 10 percent for members and 14 percent for employers. Chapter 3307 of the Ohio Revised Code provides statutory authority for member and employer contributions.

PTCS' required contribution for pension obligations to STRS Ohio for the fiscal years ended June 30, 2006, 2005 and 2004 were \$54,986, \$39,825 and \$20,458. For fiscal year 2006, PTCS contributions totaling \$857 were overpaid at year end and are reflected in Due from Other Governments in the accompanying financial statements. All other required contributions have been made.

IX. Post-Employment Benefits

PTCS provides comprehensive health care benefits to retired teachers and their dependents through the State Teachers Retirement System of Ohio (STRS Ohio) and to retired non-certified employees and their dependents through the School Employees Retirement System (SERS). Benefits include hospitalization, physicians' fees, prescription drugs and partial reimbursement of monthly Medicare premiums. Benefit provisions and the obligations to contribute are established by the Systems based on authority granted by State statute. Both systems are on a pay-as-you-go basis.

All STRS Ohio retirees who participated in the DB or Combined Plans and their dependents are eligible for health care coverage. The STRS Ohio Board has statutory authority over how much, if any, of the health care costs will be absorbed by STRS Ohio. All benefit recipients pay a portion of the health care cost in the form of a monthly premium. By law, the cost of coverage paid from STRS Ohio funds is included in the employer contribution rate, currently 14 percent of covered payroll. For the fiscal year ended June 30, 2006, the STRS Ohio Board allocated employer contributions equal to one percent of covered payroll to the Health Care Stabilization Fund. For PTCS, this amount equaled \$4,230 during fiscal 2006.

STRS Ohio pays health care benefits from the Health Care Reserve Fund. At June 30, 2005, (the latest information available) the balance in the Fund was \$3.3 billion. For the year ended June 30, 2005, net health care costs paid by STRS were \$254,780,000 and STRS had 115,395 eligible benefit recipients.

For SERS, coverage is made available to service retirees with ten or more years of qualifying service credit, and to disability and survivor benefit recipients. All retirees and beneficiaries are required to pay a portion of their premiums for health care. The portion is based on years of service, Medicare eligibility and retirement status.

After the allocation for the basic benefits, the remainder of the employer's 14 percent contribution is allocated to providing health care benefits. For the fiscal year ended June 30, 2006, employer contributions to fund health care benefits were 3.42 percent of covered payroll, compared to 3.43 percent of covered payroll for fiscal year 2005. In addition, SERS levies a surcharge to fund health care benefits equal to 14 percent of the difference between a minimum pay and the member's pay, pro-rated for partial service credit. For fiscal year 2006, the minimum pay was established at \$35,800. However, the surcharge is capped at 2 percent of each employer's SERS salaries. For PTCS, the amount contributed to fund health care benefits, including surcharge, during the 2006 fiscal year equaled \$2,187.

The surcharge added to the unallocated portion of the 14 percent employer contribution rate, provides for maintenance of the asset target level of the health care fund. The target level of the health care reserve is 150 percent of the projected claims less premium contributions for the next fiscal year. Expenses for health care for the fiscal year ended June 30, 2005 (the latest information available), were \$178,221,113. At June 30, 2005, SERS had net assets available for health care benefits of \$267.5 million. SERS has 58,123 participants eligible to receive health care benefits.

X. State School Funding Decision

On December 11, 2002, the Ohio Supreme Court issued its latest opinion regarding the State's school funding plan. The decision reaffirmed earlier decisions that Ohio's current school-funding plan is unconstitutional.

The Supreme Court relinquished jurisdiction over the case and directed "...the Ohio General Assembly to enact a school-funding scheme that is thorough and efficient...".

PTCS is currently unable to determine what effect, if any, this decision will have on its future State funding and its financial operations.

XI. Contingencies

1. Grants

PTCS received financial assistance from Federal and State agencies in the form of grants. The disbursement of funds received under these programs requires compliance with terms and conditions, specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of PTCS. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of PTCS at June 30, 2006.

2. Litigation

A suit was filed in the US District Court, Southern District of Ohio, Western Division on October 6, 2004, which challenges the funding of charter schools under Equal Protection, Due Process and claims violation of a right to vote on the bodies administering public schools. The case is still pending. The effect of this suit, if any, on PTCS is not presently determinable.

3. Enrollment FTE

The Ohio Department of Education conducts reviews of enrollment and full-time equivalency (FTE) calculations made by the schools. These reviews are conducted to ensure the schools are reporting accurate student enrollment data to the State, upon which state foundation funding is calculated. The conclusions of this review could result in state funding being adjusted. As of the date of this report adjustments to the state funding received during fiscal year 2006 are reflected in the financial statements.

XII. Sponsorship and Management Agreement

PTCS entered into an agreement with Lucas County Educational Service Center (LCESC) to provide sponsorship and oversight services as required by law. The agreement is effective October 16, 2003.

Sponsorship fees are calculated as 1% of state funds received by PTCS, from the State of Ohio. The total amount due from PTCS for fiscal year 2006 was \$12,902 of which \$1,204 was outstanding as of June 30, 2006.

PTCS entered into an agreement with Constellation Community Schools (CCS) to provide legal, financial, and business management services for the fiscal year 2006. The agreement was for a period of one year, effective July 1, 2005. Management fees are calculated as 11% of the Fiscal Year 2006 Foundation payment received by PTCS, as reported in the Monthly Community School Foundation Report. The total amount due from PTCS for the fiscal year ending June 30, 2006 was \$138,317 of which \$3,504 was overpaid prior to June 30, 2006 and has been credited to the next fiscal year.

In addition PTCS is participating in a payroll bonus reserve established through CCS. Payroll bonus reserve fees are calculated as 1% of the Fiscal Year 2006 Foundation payment received by PTCS, as reported in the Monthly Community School Foundation Report. The total amount due from PTCS for the fiscal year ending June 30, 2006 was \$12,232 of which \$23 was overpaid prior to June 30, 2006 and has been credited to the next fiscal year.

XIII. Related Parties

The members of the PTCS Board of Trustees were also members of Constellation Community Schools until June 15, 2006 at which time a separate CCS Board was formed. PTCS contracts with CCS for legal, financial and business management services.

PTCS Board members are also Board members of Old Brooklyn Community School, Parma Community School, Elyria Community School, Lorain Community School, Westpark Community School, Mansfield Community School, Stockyard Community School, Madison Community School, Greater Cleveland Academy for Gifted Students, Lorain Academy for Gifted Students, Lorain Community Middle School, Old Brooklyn Community Middle School, Westpark Community Middle School and Outreach Academy for Children with Disabilities.

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Puritas Community School
Cuyahoga County
15204 Puritas Avenue
Cleveland, Ohio 44135

To the Board of Trustees:

We have audited the basic financial statements of the Puritas Community School, Cuyahoga County, Ohio, (the School) as of and for the year ended June 30, 2006, which collectively comprise the School's basic financial statements and have issued our report thereon dated March 22, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the School's internal control over financial reporting to determine our auditing procedures in order to express our opinions on the financial statements and not to opine on the internal control over financial reporting. Our consideration of the internal control would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts material to the financial statements we audited may occur and not be timely detected by employees when performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider material weaknesses. In a separate letter to the School's management dated March 22, 2007, we reported other matters involving internal control over financial reporting we did not deem reportable conditions.

Compliance and Other Matters

As part of reasonably assuring whether the School's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*. In a separate letter to the School's management dated March 22, 2007, we reported an other matter related to noncompliance we deemed immaterial.
