We have reviewed the *Report of Independent Auditors* of the Wayne County Family and Children First Council, prepared by Linc, Malachin, Dennis & Dimengo, Inc., for the audit period January 1, 2006 through December 31, 2006. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State. Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Report of Independent Auditors* on your financial statements. While the Auditor of State does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Report of Independent Auditors* also includes an opinion on the financial statements using the regulatory format the Auditor of State permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Wayne County Family and Children First Council is responsible for compliance with these laws and regulations.

## REPORT OF INDEPENDENT AUDITORS

Wayne County Family and Children First Council  
Wayne County  
215 South Walnut Street  
Wooster, Ohio 44691

To the Members of Council:

We have audited the accompanying statement of Cash Receipts, Cash Disbursements and Changes in Fund Cash Balances of the Wayne County Family and Children First Council, Wayne County, Ohio (the Council), as of and for the year ended December 31, 2006. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Council has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America. Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, we presume they are material.

Revisions to GAAP would require the Council to reformat its financial statement presentation and make other changes effective for the year ended December 31, 2006. Instead of the combined funds the accompanying financial statements present for 2006, the revisions require presenting entity wide statements and also to present its larger (i.e. major) funds separately for 2006. While the Council does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Council has elected not to reformat its statements. Since this Council does not use GAAP to measure financial statement amounts, the following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Council as of December 31, 2006 or its changes in financial position or cash flows of its proprietary funds for the year then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Council as of December 31, 2006, and its combined cash receipts and disbursements for the year then ended on the basis of accounting described in Note 1.

The aforementioned revision to generally accepted accounting principles also requires the Council to include Management's Discussion and Analysis for the year ended December 31, 2006. The Council has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 26, 2007, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of the Council taken as a whole. The accompanying Schedule of Receipts and Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**A. Description of the Entity (Continued)**

In addition, a county family and children first council may invite any other local public or private agency or group that funds, advocates, or provides services to children to have a representative become a permanent or temporary member of the council.

A county council's statutory responsibilities include the following:

**B. Basis of Accounting**

These financial statements were prepared on the basis of accounting prescribed by the Auditor of State. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when a payment is made rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

**NOTES TO THE FINANCIAL STATEMENTS

**1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**C. Fund Accounting (Continued)**

The Council maintains its accounting records in accordance with the principles of fund accounting. Fund accounting is a concept developed to meet the needs of governmental entities in which legal or other restraints require the recording of specific receipts and disbursements. The Council classifies its funds into the following fund type:

**General Fund**

The General Fund is the general operating fund of the Council. It is used to account for all financial resources except those required by law or contract to be restricted.

**Special Revenue - Children's Trust Fund**

During 2006 \$38,631 was received from the Ohio Children's Trust Fund. Section 3109.18, Revised Code, requires a fund known as the Children's Trust Fund to be established in the County Treasury. The Council has been designated the advisory board for this fund and deposits all money received into the Trust Fund. The county auditor acting as the fiscal agent will distribute money from the fund at the request of the Council. As of December 31, 2006 the balance in this fund was \$ 32,554.

**D. Administrative / Fiscal Agent**

Section 121.37 (B) (5) (a), Revised Code, requires each county council to designate an administrative agent for the council. The Mental Health & Recovery Board of Wayne and Holmes Counties serves as the Wayne County Family and Children First Council's administrative and fiscal agent. The Wayne County Auditor, in turn, is the designated fiscal agent for the Mental Health & Recovery Board of Wayne and Holmes Counties.

The administrative agent agrees to:

1. Serve as the Council's appointing authority;
2. Exercise spending authority within the limits of the annual budget developed and approved by the council;
3. Perform the following on behalf of Council, but only upon the expressed approval of and direction by Council:
  - a. Enter into written agreements or administer contracts with public or private entities to fulfill specific Council business.
  - b. Provide financial stipends, reimbursements, or both, to family representatives for expenses related to purposes for which the Council is established.
  - c. Receive by gift, grant, devise, or bequest any moneys, land, or other property for the purposes for which the Council is established.

**Property, Plant and Equipment**

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

The Wayne County Auditor maintains a cash pool used for the County's funds and for the funds of the Council. The Ohio Revised Code prescribes allowable deposits and investments. The Council's carrying amount of cash on deposit with the Wayne County Auditor at December 31, 2006 was \$ 573,941. The Wayne County Auditor, as fiscal agent for the Council, is responsible for maintaining adequate depository collateral for all funds in the County's pooled and deposit accounts.

The Council's Grant Coordinator belongs to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. PERS members contributed 9% of their gross salaries for the first half of 2006 and 8.5% for the second half of 2006. **REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER  
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Wayne County Family and Children First Council  
Wayne County  
2345 Gateway Drive Suite C  
Wooster, Ohio 44691

To the Members of Council:

We have audited the accompanying financial statement of the Wayne County Family and Children First Council, (the Council) as of and for the year ended December 31, 2006, and have issued our report thereon dated June 26, 2007, wherein we noted the Council follows the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and cash disbursements basis of accounting rather than accounting principles generally accepted in the United States of America. Except as discussed in the preceding sentence, we conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Council's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Council's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affect the Council's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that is more than inconsequential will not be prevented or detected by the Council's internal control.

A material weakness is a significant deficiency, or combination of deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Council's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Council's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

We also noted certain additional matters that we reported to members of the Council, in a separate letter dated June 26, 2007.

This report is intended for the information and use of the audit committee, management, the Members of the Council, and federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT ON COMPLIANCE WITH REQUIREMENTS  
APPLICABLE TO EACH MAJOR FEDERAL PROGRAM AND INTERNAL CONTROL OVER  
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

Wayne County Family and Children First Council  
Wayne County  
2345 Gateway Drive Suite C  
Wooster, Ohio 44691

Members of the Council:

**Compliance**

We have audited the compliance of the Wayne County Family and Children First Council, (the Council), with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133, *Compliance Supplement* that are applicable to each of its major federal programs for the year ended December 31, 2006. The Council's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal programs is the responsibility of the Council's management. Our responsibility is to express an opinion on the Council's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Council's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Council's compliance with those requirements.

In our opinion, the Council complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended December 31, 2006.

**Internal Control Over Compliance**

The management of the Council is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Council's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants caused by error or fraud that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended for the information and use of the audit committee, management, the Members of the Council, and federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.
