## INDEPENDENT AUDITORS' REPORT

School for Arts Integrated Learning  
Franklin County  
55 North High Street  
New Albany, Ohio 43054

To the Board:

We have audited the accompanying financial statements of School for Arts Integrated Learning, Franklin County, Ohio (SAIL), a discretely presented component unit of the New Albany-Plain Local School District, as of and for the fiscal year ended June 30, 2008, which collectively comprise SAIL's basic financial statements as listed in the table of contents. These financial statements are the responsibility of SAIL's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above are presented fairly, in all material respects, the financial position of School for Arts Integrated Learning, Franklin County, Ohio as of June 30, 2008, and the respective changes in financial position and cash flows for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 8, 2008 on our consideration of SAIL's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2008**

**1. DESCRIPTION OF THE SCHOOL AND REPORTING ENTITY**

The School for Arts Integrated Learning (SAIL) is a legally separate not-for-profit served by an appointed five-member Board of Directors and meets the definition of a conversion school under chapter 3314 of the Ohio Revised Code. SAIL offers students an academically arts integrated approach, to advance achievement, critical thinking and creativity, The goal is to produce a student who feels he or she is an integral part of a caring school community and who is an independent, self-motivated and self disciplined lifelong learner.

SAIL is intended to serve kindergartners through first grade level students who reside within the New Albany-Plain Local School District and who are interested in pursuing an alternative schooling option.

SAIL is a discretely presented component unit of the New Albany Plain-Local School District (Sponsor). SAIL was approved for operation under a three year contract, starting July 1, 2007, with the Sponsor.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The basic financial statements of SAIL have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. SAIL also applies Financial Accounting Standards Board (FASB) Statements and interpretations issued on or before November 30, 1989, provided they do not conflict with or contradict GASB pronouncements. SAIL does not apply FASB Statements and Interpretations issued after November 30, 1989. Following are the more significant of the SAIL's accounting policies.

(A) *Basis of Presentation*

SAIL's basic financial statements consist of a statement of net assets, a statement of revenues, expenses, and changes in net assets, and a statement of cash flows.

(B) *Measurement focus*

Enterprise accounting uses a flow economic *resources measurement focus*. With this measurement focus, all assets and liabilities associated with the operations are included on the statement of net assets. The difference between total assets and total liabilities is defined as net assets. The statement of revenues, expenses, and changes in net assets presents increases (e.g. revenues) and decreases (e.g. expenses) in net total assets. The statement of cash flows provides information about how SAIL School finances and meets the cash flow needs of its enterprise activities.

FRANKLIN COUNTY**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2008  
(Continued)**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

*(C) Basis of Accounting*

Basis of accounting determines when transaction is recorded in the financial records and reported on the financial statements. The statements are prepared using the full accrual basis of accounting.

Revenues – Exchange and Non-exchange Transactions

Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place.

Non-exchange transactions, in which SAIL receives value without directly giving equal value in return, include grants, entitlements, and fees. Revenue from grants, entitlements, and fees is recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted; matching requirements, in which the SAIL School must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to the SAIL on a reimbursement basis. Expenses are recognized at the time they are incurred.

*(D) Budgetary Process*

Unlike other public schools located in the state of Ohio, community schools are not required to follow budgetary provisions set forth in the Ohio Revised Code Chapter 5705, unless specifically provided in SAIL's contract with the Sponsor. The SAIL's contract with its Sponsor does not prescribe a budgetary process.

*(E) Cash and Cash Equivalents*

Cash held by SAIL is reflected as "Cash and Cash and Equivalents" on the statement of net assets. All monies received by SAIL are maintained in a demand deposit account. For internal accounting purposes, SAIL segregates its cash. Investments with an original maturity of three months or less at the time they are purchased are presented on the financial statements as cash equivalents. Investments with an original maturity of more than three months are reported as investments. During fiscal 2008, SAIL had no investments.

*(F) Capital Assets and Depreciation*

All capital assets are capitalized at cost (or estimated historical cost) and updated for additions and retirements throughout the year. Donated capital assets are recorded at their fair market values as of the date received. The SAIL follows the policy of not capitalizing assets with a cost of less than \$10,000.

All reported capital assets, with the exception of land are depreciated. Improvements are depreciated over the remaining useful lives of the related capital assets. Depreciation is computed using the straight-line half-year convention method over the following useful lives:

Furniture and Equipment	5 years

FRANKLIN COUNTY**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2008  
(Continued)**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

*(G) Net Assets*

Net assets represent the difference between assets and liabilities. Net assets invested in capital assets, consists of capital assets, net of accumulated depreciation. Net assets are reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the SAIL or through external restrictions imposed by creditors, grantors or laws, or regulations of other governments.

SAIL applies restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net assets are available. SAIL did not have any restricted net assets at fiscal year end.

*(H) Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

*(I) Operating Revenues and Expenses*

Operating revenues are those revenues that are generally directly from the primary activities of SAIL. Operating expenses are necessary costs incurred to provide the service that is the primary activity of SAIL. All revenues and expenses not meeting this definition are reported as non-operating.

**3. CASH DEPOSITS**

At June 30, 2008, the carrying amount of all SAIL deposits was \$172,131 and the bank balance was \$189,477. Based on the criteria described in GASB Statement No. 40, "Deposit and Investments Risk Disclosure," as of June 30, 2008, \$89,477 of the bank balance was exposed to custodial risk as discussed below, while \$100,000 of the bank balance was covered by Federal Deposit Insurance Corporation.

Custodial credit risk is the risk that, in the event of a bank failure, SAIL will not be able to recover deposits. All deposits are collateralized with eligible securities in amounts equal to at least 105% of the carrying value of the deposits. Such collateral, as permitted by the Ohio Revised Code, is held in single financial institution collateral pools at Federal Reserve Banks, or at member banks of the federal reserve system, in the name of the respective depository bank and pledged as a pool of collateral against all of the public deposits it holds or as specific collateral held at the Federal Reserve Bank in the name of SAIL.

Total	<u>\$46,089</u>	<u>\$12,022</u>	<u>\$-</u>	<u>\$58,111</u>

**5. RELATED PARTY TRANSACTIONS**

SAIL is a discretely presented component unit of the New Albany-Plain Local School District. As described in Note 1, the New Albany-Plain Local School District (Sponsor) is SAIL's Sponsor. The Sponsor and SAIL entered into a three-year sponsorship agreement starting July 1, 2007 whereby terms of the sponsorship were established.

In fiscal year 2008, payments made by SAIL to the Sponsor totaled \$566,270, which is reported in purchased services. This represents contract service payment for teaching, use of office space and equipment, and other related services provided by the Sponsor.

**6. CONTINGENCIES**

**A. Grants**

SAIL receives financial assistance from federal agencies in the form of grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and is subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the SAIL at June 30, 2008.

**SCHOOL FOR ARTS INTEGRATED LEARNING  
FRANKLIN COUNTY**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2008  
(Continued)**

**6. CONTINGENCIES (Continued)**

**B. Litigation**

A suit was filed in Franklin County Common Pleas Court on May 14, 2001 alleging Ohio's community (i.e., Charter) school's program violates the state Constitution and state laws. On April 21, 2003, the court dismissed the counts containing constitutional claims and stayed the other counts pending appeal of the constitutional issues. The plaintiffs appealed to the Court of Appeals, the issues have been briefed and the case was heard on November 18, 2003. On August 24, 2004, the Court of Appeals rendered a decision that community schools are part of the state public educational system and this matter was sent to the Ohio Supreme Court. The Ohio Supreme Court accepted the appeal from the Court of Appeals for review on February 16, 2005. Oral argument occurred November 29, 2005. On October 25, 2006 the Ohio Supreme Court held that the State law authorizing the establishment and operations of community schools is constitutional both on its face and as applied.

**C. Full Time Equivalency**

The Ohio Department of Education conducts reviews of enrollment data and full-time equivalency (FTE) calculations made by community schools. These reviews are conducted to ensure the schools are reporting accurate student enrollment data to the State, upon which state foundation funding is calculated. SAIL does not anticipate any material adjustments to state funding for fiscal year 2008.

**7. RISK MANAGEMENT**

SAIL is exposed to various risks of loss related to torts, theft or damage, destruction of assets, errors and omissions, injuries to employees, and natural disasters. SAIL maintains insurance coverage consistent with the New Albany-Plain Local School District, the SAIL Sponsor.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND  
ON COMPLIANCE AND OTHER MATTERS BASED ON AN  
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
School for Arts Integrated Learning  
Franklin County  
55 North High Street  
New Albany, Ohio 43054

We have audited the financial statements of the of School for Arts Integrated Learning, Franklin County, Ohio (SAIL), a discretely presented component unit of the New Albany-Plain Local School District, as of and for the fiscal year ended June 30, 2008, and have issued our report thereon dated December 8, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

**Internal Control over Financial Reporting**

In planning and performing our audit, we considered SAIL's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not to opine on the effectiveness of SAIL's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of SAIL's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects SAIL's ability to initiate, authorize, record, process, or report financial data reliably in accordance its applicable accounting basis such that there is more than a remote likelihood that the SAIL's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

A material weakness is a significant deficiency, or combination of significant deficiencies resulting in more than a remote likelihood that SAIL'S internal control will not prevent or detect a material financial statement amount.

Page 2

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all internal control deficiencies that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above. However, we did note a matter that we communicated to management in a separate letter dated December 8, 2008.

**Compliance and Other Matters**

As part reasonably assuring whether SAIL's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could directly and materially affect the determination of the financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We intend this report solely for the information and use of the management, Board of Directors, the SAIL Sponsor, others within SAIL, and the Auditor of State and is not intended to be and should not be used by anyone other than these specified parties.
