INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Herrick Memorial Library
Lorain County
101 Willard Memorial Square
Wellington, Ohio 44090

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Herrick Memorial Library (the Library) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2009 and 2008, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

1. We tested the mathematical accuracy of the December 31, 2009 and December 31, 2008 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2008 beginning fund balances recorded in the Fund Status Report to the December 31, 2007 balances in the prior year audited statements. We noted the beginning fund balances recorded did not agree to the prior year audited amounts; however, we noted the Fiscal Officer posted the prior year audit adjustments on February 8, 2009 which corrected the difference.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2009 and 2008 fund cash balances reported in the Fund Status Reports. The amounts agreed.

5. We selected five outstanding checks haphazardly from the December 31, 2009 bank reconciliation:
 - a. We traced each check to the debit appearing in the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and date written to the check register, to determine the checks were dated prior to December 31. We noted no exceptions.

6. We tested investments held at December 31, 2009 and December 31, 2008 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

State Library and Local Government Support Receipts

We selected two State Library and Local Government Support (LLGS) receipts from the *Library and Local Government Support Fund Report* from 2009 and two from 2008.

 - a. Two personal property tax receipts.
 - b. Two real estate tax receipts.We noted the Receipts Register Report included the proper number of tax settlement receipts for each year.
3. We selected all receipts from the State Distribution Transaction Lists (DTL) from 2009 and all from 2008.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2009 and one payroll check for five employees from 2008 from the Employee Detail Adjustment Report and determined whether the following information in the employees' personnel files was consistent with the information used to compute gross and net pay related to this check:
 - a. Name.

4. We haphazardly selected and recomputed one termination payment (unused vacation, etc.) using the following information, and agreed the computation to the amount paid as recorded in the Employee Detail Adjustment Report:

We compared total expenditures to total appropriations for the years ended December 31, 2009 and 2008 for the General and Memorial fund, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.

Compliance – Contracts & Expenditures

1. We inquired of management and scanned the Payment Register Detail report for the years ended December 31, 2009 and 2008 for procurements requiring competitive bidding to construct, demolish, alter, repair, or reconstruct a library or make any improvements or repairs, the cost of which exceeded \$25,000, except in cases of urgent necessity or for the security and protection of library property (Ohio Rev. We identified no purchases subject to the aforementioned bidding requirements.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
