We have reviewed the *Independent Auditor's Report* of the Midwest Employee Benefit Consortium, Mercer County, prepared by Julian & Grube, Inc., for the audit period January 1, 2010 through December 31, 2010. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State. Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Independent Auditor's Report* on your financial statements. While the Auditor of State does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Independent Auditor's Report* also includes an opinion on the financial statements using the regulatory format the Auditor of State permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Midwest Employee Benefit Consortium is responsible for compliance with these laws and regulations.

Independent Auditor's Report

Board of Trustees
Midwest Employee Benefit Consortium
220 W. Livingston Street
Room A201
Celina, Ohio 45822

We have audited the accompanying financial statement of the Midwest Employee Benefit Consortium, Mercer County, Ohio, as of and for the year ended December 31, 2010. This financial statement is the responsibility of the Midwest Employee Benefit Consortium's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Midwest Employee Benefit Consortium prepared this financial statement using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statement of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined fund the accompanying financial statements present, GAAP require presenting entity wide statements and also presenting the Midwest Employee Benefit Consortium's larger (i.e. major) funds separately. While the Midwest Employee Benefit Consortium does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statement does not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Midwest Employee Benefit Consortium has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

Independent Auditor's Report
Midwest Employee Benefit Consortium
Page Two

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statement referred to above for the year ended December 31, 2010, does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Midwest Employee Benefit Consortium, Mercer County, Ohio, as of December 31, 2010, or its changes in financial position or cash flows where applicable for the fiscal year then ended.

Also, in our opinion, the financial statement referred to above presents fairly, in all material respects, the cash fund balance of the Midwest Employee Benefit Consortium, Mercer County, Ohio, as of and for the year ended December 31, 2010, and its cash receipts and disbursements for the fiscal year then ended on the accounting basis Note 1 describes.

The Midwest Employee Benefit Consortium has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statement.

The Midwest Employee Benefit Consortium has not presented the required supplementary information on receipts and claims development that accounting principles generally accepted in the United States has determined is necessary to supplement, although not required to be part of, the financial statement.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 27, 2011, on our consideration of the Midwest Employee Benefit Consortium's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

**NOTES TO THE FINANCIAL STATEMENT
FOR THE YEAR ENDED DECEMBER 31, 2010**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Midwest Employee Benefit Consortium, Mercer County, Ohio (the "Consortium") is a joint self-insurance program consortium established pursuant to the rights and privileges conveyed to it by the constitution and laws of the State of Ohio as defined by Ohio Revised Code Chapter 167. The Consortium is a shared risk pool as defined by Government Accounting Standards Board Statement No. 10 as amended by Government Accounting Standards Board Statement No. 30. It was formed to carry out a cooperative program for the provisions and administration of health care benefits for member employees and covered dependents in accordance with the Consortium's amended and restated agreement. In addition to the self-insurance pool, the Consortium provides risk management services and established loss reduction and prevention procedures and programs. The members of the Consortium include the following counties within the State of Ohio: Auglaize, Hancock, Mercer, Shelby and Van Wert.

The Assembly is the legislative body (Board of Trustees) of the Consortium consisting of each member's board of county commissioners. Officers of the Assembly are elected from the Board of Trustees for a one year term. The Board of Trustees acts as the managerial body of the Consortium.

Member premiums are calculated to annually produce a sufficient sum of money within the self-insurance pool adequate to fund administrative expenses of the Association and to create adequate reserves for claims and allocated loss adjustment expenses.

Under the terms of membership, should annual member premiums not be sufficient to fund ultimate losses, establish adequate reserves and cover administrative expenses, the Board of Trustees can require supplementary contributions. Supplementary contributions can be assessed during the entire life of the Consortium and any later period when claims or expenses need to be paid which are attributable to any membership year during which the event or claim occurred.

The Consortium uses reinsurance agreements to reduce its exposure to large losses on all types of insured events. Reinsurance permits recovery of a portion of losses from reinsurance, although it does not discharge the primary liability of the Consortium as direct insurer of the risks reinsured. The Consortium is contingently liable with respect to certain loss coverage, which would become a liability in the event these insurance carriers are unable to meet the obligations under these contracts.

Members may withdraw from the Consortium or from any particular benefits program with at least 12 months notice. No members withdrew from the Consortium during the period from January 1, 2010 through December 31, 2010.

All administrative costs and expenses incurred for the maintenance of the Consortium are paid through the benefit pool account balances through December 31, 2010.

NOTES TO THE FINANCIAL STATEMENT
FOR THE YEAR ENDED DECEMBER 31, 2010

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Management believes these financial statements present all activities for which the Consortium is financially accountable.

Basis of Accounting

This financial statement follows the cash basis of accounting prescribed or permitted by the Ohio Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles. Receipts are recognized when received in cash rather than when earned and disbursements are recognized when paid rather than when a liability is incurred. All transactions are accounted for in a single enterprise fund.

This statement includes adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

Cash and Investments

Investments are included in cash balances. Accordingly, purchases of investments are not recorded as disbursements and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as investment receipts.

Certificates of deposit are valued at cost.

Member and Supplemental Contributions

Member contributions are calculated to annually produce a sufficient sum of money within the self-insurance pool to fund administrative disbursements of the Consortium and to create reserves for claims and unallocated loss adjustment expenses. Under the terms of membership, should annual member contributions not be sufficient to fund ultimate losses, establish adequate reserves and cover administrative disbursements, the Board of Trustees can require supplementary contributions. Supplementary contributions can be assessed during the entire life of the Consortium and any later period when claims or disbursements need to be paid which are attributable to any membership year during which the event or claim occurred.

NOTE 2 - EQUITY IN CASH AND CASH EQUIVALENTS

The carrying amount of cash and investments at December 31, 2010 was as follows:

Demand Deposits	\$ 1,834,065
Certificates of Deposit	<u>2,539,343</u>
Total Deposits	<u>\$ 4,373,408</u>

**MIDWEST EMPLOYEE BENEFIT CONSORTIUM
MERCER COUNTY, OHIO**

NOTES TO THE FINANCIAL STATEMENT
FOR THE YEAR ENDED DECEMBER 31, 2010

NOTE 2 - EQUITY IN CASH AND INVESTMENTS - (Continued)

Deposits

At December 31, 2010, the carrying amount of the Consortium's deposits was \$4,373,408 and the bank balance was \$4,860,912. Deposits are either (1) insured by the Federal Depository Insurance Corporation, (2) collateralized by securities specifically pledged by the financial institution to the Consortium, or (3) collateralized by the financial institution's public entity deposit pool.

NOTE 3 - PROFESSIONAL FEES

The Consortium has contracted with CoreSource, Inc. to provide various management, underwriting, claim adjustments and loss control services.

NOTE 4 - LOSS RESERVE

The Consortium provides health and prescription drug insurance coverage to employees of its members. The Consortium pays covered claims to service providers and recovers these costs through actuarially determined per employee premiums. The loss reserve includes both reported and unreported insured events and estimated future payments of losses adjustment disbursements. A comparison of cash and investments, to the actuarially determined loss receipts (not statement) as of December 31, 2010 is as follows:

Cash	\$ 4,373,408
Actuarial Loss Reserve	1,981,809

Independent Accountants' Report on Internal Control Over Financial Reporting and Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

Board of Trustees
Midwest Employee Benefit Consortium
220 W. Livingston Street
Room A201
Celina, Ohio 45822

We have audited the financial statement of the Midwest Employee Benefit Consortium, Mercer County, Ohio, as of and for the fiscal year ended December 31, 2010, and have issued our report thereon dated May 27, 2011, wherein we noted the Midwest Employee Benefit Consortium followed accounting practices the Auditor of State prescribes or permits rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Midwest Employee Benefit Consortium's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing of opining on the effectiveness of the Midwest Employee Benefit Consortium's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Midwest Employee Benefit Consortium's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the Midwest Employee Benefit Consortium's financial statements will not be prevented, or detected and timely corrected.

Board of Trustees
Midwest Employee Benefit Consortium

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of reasonably assuring whether the Midwest Employee Benefit Consortium's financial statement is free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We intend this report is solely for the information and use of the Board of Trustees and management of the Midwest Employee Benefit Consortium. We intend it for no one other than these specified parties.
