## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Puskarich Public Library  
Harrison County  
200 East Market Street  
Cadiz, Ohio 43907

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Puskarich Public Library (the Library) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2010 and 2009, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

**Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for five employees from 2010 and one payroll check for five employees from 2009 from the Employee Detail Adjustment Report and determined whether the following information in the employees' personnel files or minute record was consistent with the information used to compute gross and net pay related to this check:

We compared total expenditures to total appropriations for the years ended December 31, 2010 and 2009 for the General and Capital funds, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.

#### **Compliance – Contracts & Expenditures**

1. We inquired of management and scanned the Payment Register Detail report for the years ended December 31, 2010 and 2009 for procurements requiring competitive bidding to construct, demolish, alter, repair, or reconstruct a library or make any improvements or repairs, the cost of which exceeded \$25,000, except in cases of urgent necessity or for the security and protection of library property (Ohio Rev. Code Section 3375.41).

We identified no purchases subject to the aforementioned bidding requirements.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management and those charged with governance and is not intended to be, and should not be used by anyone other than these specified parties.
