## INDEPENDENT ACCOUNTANTS' REPORT

Horizon Science Academy Lorain  
Lorain County  
760 Tower Boulevard  
Lorain, Ohio 44052

To the Board of Directors:

We have audited the accompanying basic financial statements of the Horizon Science Academy Lorain, Lorain County, Ohio (the Academy), as of and for the year ended June 30, 2011, as listed in the table of contents. These financial statements are the responsibility of the Academy's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Horizon Science Academy Lorain, as of June 30, 2011, and the changes in its financial position and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 22, 2012, on our consideration of the Academy's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

Accounting principles generally accepted in the United States of America require this presentation to include *Management's discussion and analysis*, as listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any other assurance.

We conducted our audit to opine on the financial statements that collectively comprise the Academy's basic financial statements taken as a whole. The schedule of federal awards receipts and expenditures provides additional information required by the U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. The schedule of federal awards receipts and expenditures is management's responsibility, and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. This schedule was subject to the auditing procedures we applied to the basic financial statements. We also applied certain additional procedures, including comparing and reconciling this information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, in accordance with auditing standards generally accepted in the United States of America. In our opinion, this information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**Horizon Science Academy of Lorain**  
*Management's Discussion and Analysis*  
*For the Fiscal Year Ended June 30, 2011*  
*(Unaudited)*

---

The discussion and analysis of Horizon Science Academy Lorain's (the Academy) financial performance provides an overall review of the financial activities for the fiscal year ended June 30, 2011. Readers should also review the financial statements and notes to enhance their understanding of the Academy's financial performance.

### **Financial Highlights**

Key financial highlights for fiscal year 2011 are as follows:

- Total assets were \$413,307.
- Total liabilities were \$365,983.
- Total net assets decreased \$41,934.

### **Using this Financial Report**

This report consists of three parts: the MD&A, the basic financial statements, and notes to those statements. The basic financial statements include a Statement of Net Assets, a Statement of Revenues, Expenses and Change in Net Assets, and a Statement of Cash Flows.

### **Reporting the Academy as a Whole**

One of the most important questions asked about the Academy is, "As a whole, what is the Academy's financial condition as a result of the year's activities?" The Statement of Net Assets and the Statement of Revenues, Expenses and Changes in Net Assets, which appear first in the Academy's financial statements, report information on the Academy as a whole and its activities in a way that helps you answer this question. We prepare these statements to include all assets and liabilities, using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when the cash is received or paid.

These two statements report the Academy's net assets – the difference between assets and liabilities, as reported in the Statement of Net Assets – as one way to measure the Academy's financial health or financial position. Over time, increases or decreases in the Academy's net assets – as reported in the Statement of Revenues, Expenses and Change in Net Assets – are indicators of whether its financial health is improving or deteriorating. The relationship between revenues and expenses is the Academy's operating results. However, the Academy's goal is to provide services to our students, not to generate profits as commercial entities do. One must consider many other non-financial factors, such as the quality of the education provided and the safety of the Academy, to assess the overall health of the Academy.

The Statement of Net Assets and the Statement of Revenues, Expenses and Changes in Net Assets report the activities of the Academy, which encompass all the Academy's services, including instruction, supporting services, community services, and food services. Unrestricted state aid and state and federal grants finance most of these activities.

---

Table 1 provides a comparison of net assets as of June 30, 2011 with net assets as of June 30, 2010

Table 1

	<b>Net Assets</b>	
	2011	2010
<u>Assets</u>		
Current and Other Assets	\$162,791	\$67,794
Capital Assets, Net	250,516	85,201
<b>Total Assets</b>	<b>413,307</b>	<b>152,995</b>
 <u>Liabilities</u>		
Current Liabilities	365,983	63,737
<b>Total Liabilities</b>	<b>365,983</b>	<b>63,737</b>
 <u>Net Assets</u>		
Invested in Capital Assets	250,516	85,201
Unrestricted	(203,192)	4,057
<b>Total Net Assets</b>	<b>\$47,324</b>	<b>\$89,258</b>

Total assets increased \$260,312. This increase is due mainly to increase in student enrollment. Capital assets increased by \$165,315. Intergovernmental receivables decreased by \$22,862. Total liabilities increased \$302,246. This increase is due mainly to payments in accounts payable of \$239,416.

---

Table 2 shows the changes in net assets for the fiscal years 2010 and 2011.

Table 2

Statement of Revenues, Expenses and Change in Net Assets		
	2011	2010
<u>Operating Revenues</u>		
Revenue		
Foundation Payments	\$1,279,676	\$886,509
Food Services	2,580	2,016
Classroom Fees	3,858	9,693
Extracurricular Activities	5,328	683
Other Local Revenue	10,024	3,922
Total Operating Revenues	1,301,466	902,823
<u>Expenses</u>		
Salaries	804,177	497,977
Fringe Benefits	193,528	95,816
Purchased Services	671,593	467,309
Materials and Supplies	207,441	78,194
Depreciation Expenses	38,311	11,317
Miscellaneous Expense	59,966	36,635
Total Operating Expenses	1,975,016	1,187,248
<b>Net Operating Loss</b>	<b>(673,550)</b>	<b>(284,425)</b>
<u>Non-Operating Revenues/Expenses</u>		
Restricted Grant-In-Aid- Federal	624,820	255,166
Restricted Grant In-Aid- State	6,796	5,000
Donated Management Fee	0	113,517
Total Non-Operating Revenues/Expenses	631,616	373,683
<u>Net Assets</u>		
Change in Net Assets	(41,934)	89,258
Net Assets at Beginning of Year	89,258	0
Net Assets at End of Year	\$47,324	\$89,258

Foundation support and Federal grants increased \$393,167 and \$369,654, respectively, primarily due to an increase in enrollment. Donated management fees decreased \$113,517 due to more payments to Concept Schools in 2011 as compared to 2010. Salaries and benefits increased \$403,912 due to increases in student enrollment and increase in pay rates and benefits costs. Purchased services increased \$204,284 due primarily to higher pupil transportation and utility costs.

Foundation support is the primary support of the Academy, comprising 98% of operating revenue and 66% of total revenues. The Academy also received a significant portion of federal grants, which represent 32% of total revenue. Salaries and benefits comprise the largest portion of operating expenses, representing 51% of total expenses. Purchased services also represent a large portion of operating expenses at 34%. Net assets decreased \$41,934, resulting from expenses in excess of revenues.

---

**Capital Assets**

At the end of fiscal year 2011, the Academy had \$300,144, invested in furniture, fixtures and equipment (\$250,516 net of accumulated depreciation). Table 3 shows fiscal year 2011:

Table 3

<b>Capital Assets</b>				
	<b>Balance</b>			<b>Ending</b>
	<b>July 1, 2010</b>	<b>Additions</b>	<b>Deletions</b>	<b>June 30, 2011</b>
Furniture and Equipment	\$96,518	\$203,626	\$ -	\$300,144
Total Fixed Assets	96,518	203,626	-	300,144
Less: Accumulated Depreciation	(11,317)	(38,311)	-	(49,628)
<b>Net Fixed Assets</b>	<b>\$85,201</b>	<b>\$165,315</b>	<b>\$-</b>	<b>\$250,516</b>

For more information on capital assets see Note 4 to the basic financial statements.

**Debt**

The Academy entered into a promissory note with Concept Schools. At June 30, 2011, the Academy has \$15,000 outstanding note balances. For more information on the Academy's debt see Note 10 to the basic financial statements.

**Contacting the Academy's Financial Management**

This financial report is designed to provide our citizens, taxpayers, and creditors with a general overview of the Academy's finances. Questions concerning any of the information in this report or requests for additional information should be directed to Ramazan Celep, Treasurer, Horizon Science Academy of Lorain Inc., 760 Tower Blvd, Lorain, OH 44052

**This page intentionally left blank.**

**1. DESCRIPTION OF THE ACADEMY AND REPORTING ENTITY**

Horizon Science Academy Lorain (the Academy), is a nonprofit corporation established pursuant to Ohio Revised Code Chapters 3314 and 1702 to address the needs of students in grades K through 5 in Lorain. The Academy, which is part of the State's education program, is independent of any Academy and is nonsectarian in its programs, admission policies, employment practices, and all other operations.

The Academy may sue and be sued, acquire facilities as needed, and contract for any services necessary for the operation of the Academy. The Academy qualifies as an exempt organization under Section 501(c) (3) of the Internal Revenue Code. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Academy's tax-exempt status.

The Academy was approved for operation under contract with the Buckeye Community Hope Foundation (the Sponsor) for a period of one year commencing April 6, 2009. During fiscal year 2011, this contract was extended until June 30, 2015.

The Academy operates under the direction of a self-appointed five-member Board of Directors. The Board is responsible for carrying out the provisions of the contract, which include, but are not limited to, state mandated provisions regarding student population, curriculum, academic goals, performance standards, admission standards, and qualifications of teachers. The Board of Directors controls the Academy's facility, which is currently staffed by 28 full and part time personnel who provide services to up to 186 students during the year.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The basic financial statements of the Academy have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental nonprofit organizations. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Academy also applies Financial Accounting Standards Board ("FASB") statements and interpretations issued on or before November 30, 1989, provided they do not conflict with or contradict GASB pronouncements. The Academy does not apply FASB statements or interpretations issued after November 30, 1989. The more significant of the Academy's accounting policies are described below.

**A. Basis of Presentation**

The Academy's basic financial statements consist of a Statement of Net Assets; a Statement of Revenues, Expenses, and Change in Net Assets; and a Statement of Cash Flows.

The Academy uses enterprise accounting to report its financial activities. Enterprise accounting focuses on the determination of operating income, changes in net assets, financial position, and cash flows.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**B. Measurement Focus and Basis of Accounting**

The accounting and financial reporting treatment is determined by its measurement focus. Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operation of the Academy are included on the Statement of Net Assets. The Statement of Revenues, Expenses, and Change in Net Assets present increases (e.g., revenues) and decreases (e.g., expenses) in total net assets. The Statement of Cash Flows provides information about how the Academy finances and meets the cash flow needs of its enterprise activities.

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. The full accrual basis of accounting is used for reporting purposes. Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. Revenues resulting from non-exchange transactions, in which the Academy receives value without directly giving equal value in return, such as grants, entitlements and donations are recognized in the period in which all eligibility requirements have been satisfied. Deferred revenue arises when assets are recognized before revenue recognition criteria have been satisfied. Grants and entitlements received before eligibility requirements are met are recorded as deferred revenue. Expenses are recognized at the time they are incurred.

**C. Budgetary Process**

The contract between the Academy and its Sponsor prescribes an annual budget requirement in addition to preparing a 5-year forecast, which is to be updated on an annual basis. Chapter 5705.391(A) of the Ohio Revised Code also requires the Academy to prepare a 5-year forecast, update it annually, and submit it to the Superintendent of Public Instruction at the Ohio Department of Education.

**D. Cash**

To improve cash management, all cash received by the Academy is pooled in a central bank account. The Academy did not have any investments during fiscal year 2011.

**E. Capital Assets and Depreciation**

Capital assets are capitalized at cost (or estimated historical cost) and updated for additions and retirements during the year. Donated capital assets are recorded at their fair market values as of the date received. The Academy maintains a capitalization threshold for inventory assets at \$1,000. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized. The threshold for capitalized improvements (including labor, equipment and materials) is \$10,000. The Academy does not capitalize interest.

Furniture and equipment are depreciated using the straight-line method over the following estimated useful lives. Improvements to capital assets are depreciated over the remaining useful lives of the related capital assets. Leasehold improvements are depreciated using the straight-line method over the life of the lease.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**E. Capital Assets and Depreciation (Continued)**

	<u>Useful Life</u>
Leasehold Improvements	3 to 10 years
Heavy Duty Office or Classroom Furniture	5 to 10 years
Computers and Other Electronic Equipment	3 to 5 years
Vehicles	3 to 10 years

**F. Intergovernmental Revenues**

The Academy currently participates in the State Foundation Program, Special Education Program, and the Comprehensive Continuous Improvement Plan (CCIP). Revenues received from the State Foundation Program, Special Education Program and other State programs are recognized as operating revenues whereas revenues from the Federal CCIP Program and other State Grants are recognized as non-operating revenues in the accounting period in which all eligibility requirements have been met.

Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted, matching requirements, in which the Academy must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the Academy on a reimbursement basis.

**G. Operating Revenues and Expenses**

Operating revenues are those revenues that are generated directly from the primary activity of the Academy. Operating expenses are necessary costs incurred to provide the service that is the primary activity of the Academy. All revenues and expenses not meeting these definitions are reported as non-operating.

**H. Compensated Absences**

Academy policy indicates that full-time employees are entitled up to eight days of sick or personal leave per year. Full time employees who do not use all of their sick or personal days within the year will receive \$125 for each unused day. All leave earned by employees must be used in the current period and balances are not carried forward, and therefore, are not recorded as a liability.

**I. Net Assets**

Net assets represent the difference between assets and liabilities. Net assets invested in capital assets consist of capital assets, net of accumulated depreciation. Net assets are reported as restricted when there are limitations imposed on their use, either through enabling legislation adopted by the Academy or through external restrictions imposed by creditors, grantors, or contracts. The Academy applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net assets are available. At fiscal year end June 30, 2011, the Academy had no restricted net assets.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**J. Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

**3. DEPOSITS**

As of June 30, 2011, the Academy's bank balance of \$167,358 was covered by FDIC.

The Academy has no deposit policy for custodial risk beyond the requirements of State statute. Ohio law requires that deposits be either insured or be protected by eligible securities pledged to and deposited either with the Academy or a qualified trustee by the financial institution as security for repayment, or by a collateral pool of eligible securities deposited with a qualified trustee and pledged to secure the repayment of all public monies deposited in the financial institution whose market value at all times shall be at least 105 percent of the deposits secured.

**4. CAPITAL ASSETS**

Capital asset activity for the fiscal year ended June 30, 2011, was as follows:

<b>Capital Assets</b>				
	<b>Balance</b>			<b>Ending</b>
	<b>July 1, 2010</b>	<b>Additions</b>	<b>Deletions</b>	<b>June 30, 2011</b>
Furniture and Equipment	\$96,518	\$203,626	\$0	\$300,144
Total Fixed Assets	96,518	203,626	0	300,144
Less: Accumulated Depreciation	(11,317)	(38,311)	0	(49,628)
<b>Net Fixed Assets</b>	<b>\$85,201</b>	<b>\$165,315</b>	<b>\$0</b>	<b>\$250,516</b>

**5. DEFINED BENEFIT PENSION PLANS**

**A. School Employees Retirement System**

Plan Description - The Academy contributes to the School Employees Retirement System of Ohio (SERS), a cost-sharing multiple-employer defined benefit pension plan. SERS provides retirement, disability, and survivor benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Authority to establish and amend benefits is provided by state statute per Chapter 3309 of the Ohio Revised Code. SERS issues a publicly available, stand-alone financial report that includes financial statements and required supplementary information. That report can be obtained on SERS' website at [www.ohsers.org](http://www.ohsers.org) under Employers/Audit Resources.

**5. DEFINED BENEFIT PENSION PLANS (Continued)**

**A. School Employees Retirement System**

Funding Policy - Plan members are required to contribute 10% of their annual covered salary and the Horizon Science Academy of Lorain is required to contribute 14% of annual covered payroll. The contribution requirements of plan members and employers are established and may be amended, up to statutory maximum amounts, by the SERS' Retirement Board. The Retirement Board acting with the advice of the actuary, allocates the employer contribution rate among four of the funds (Pension Trust Fund, Death Benefit Fund, Medicare B Fund, and Health Care Fund) of the System. For fiscal year ending June 30, 2011, the allocation to pension and death benefits is 11.81%. The remaining 2.19% of the 14% employer contribution rate is allocated to the Health Care and Medicare B Funds. The Academy's contributions to SERS for the years ended June 30, 2011 and 2010 were \$14,676 and \$13,462 respectively, which equaled the required contributions each year.

**B. State Teachers Retirement System**

State Teachers Retirement System of Ohio (STRS Ohio) is a cost-sharing, multiple-employer public employee retirement system.

STRS Ohio is a statewide retirement plan for licensed teachers and other faculty members employed in the public schools of Ohio or any school, community school, college, university, institution or other agency controlled, managed and supported, in whole or in part, by the state or any political subdivision thereof.

**Plan Options** – New members have a choice of three retirement plan options. In addition to the Defined Benefit (DB) Plan, new members are offered a Defined Contribution (DC) Plan and a Combined Plan. The DC Plan allows members to allocate all their member contributions and employer contributions equal to 10.5 percent of earned compensation among various investment choices. The Combined Plan offers features of the DC Plan and the DB Plan. In the Combined Plan, member contributions are allocated to investment choices by the member, and employer contributions are used to fund a defined benefit payment at a reduced level from the regular DB Plan. Contributions into the DC Plan and the Combined Plan are credited to member accounts as employers submit their payroll information to STRS Ohio, generally on a biweekly basis. DC and Combined Plan members will transfer to the DB Plan during their fifth year of membership unless they permanently select the DC or Combined Plan.

**DB Plan Benefits** – Plan benefits are established under Chapter 3307 of the Revised Code. Any member may retire who has (i) five years of service credit and attained age 60; (ii) 25 years of service credit and attained age 55; or (iii) 30 years of service credit regardless of age. The annual retirement allowance, payable for life, is the greater of the "formula benefit" or the "money-purchase benefit" calculation. Under the "formula benefit," the retirement allowance is based on years of credited service and final average salary, which is the average of the member's three highest salary years. The annual allowance is calculated by using a base percentage of 2.2% multiplied by the total number of years of service credit (including Ohio-valued purchased credit) times the final average salary. The 31st year of earned Ohio service credit is calculated at 2.5%. An additional one-tenth of a percent is added to the calculation of every year of earned Ohio service over 31 years (2.6% for 32 years, 2.7% for 33 years and so on) until 100% of final average salary is reached. For members with 35 or more years of Ohio contributing service, the first 30 years will be calculated at 2.5% instead of 2.2%. Under the "money-purchase benefit" calculation, a member's lifetime contributions plus interest at specified rates are matched by an equal amount from other STRS Ohio funds. This total is then divided by an actuarially determined annuity factor to determine the maximum annual retirement allowance.

**5. DEFINED BENEFIT PENSION PLANS (Continued)**

**B. State Teachers Retirement System (Continued)**

**DC Plan Benefits** – Benefits are established under Sections 3307.80 to 3307.89 of the Revised Code. For members who select the DC Plan, all member contributions and employer contributions at a rate of 10.5% are placed in an investment account. The member determines how to allocate the member and employer money among various investment choices. A member is eligible to receive a retirement benefit at age 50 and termination of employment. The member may elect to receive a lifetime monthly annuity or a lump-sum withdrawal. Employer contributions into members' accounts are vested after the first anniversary of the first day of paid service. Members in the DC Plan who become disabled are entitled only to their account balance. If a member dies before retirement benefits begin, the member's designated beneficiary is entitled to receive the member's account balance.

**Combined Plan Benefits** – Member contributions are allocated by the member, and employer contributions are used to fund a defined benefit payment. A member's defined benefit is determined by multiplying 1% of the member's final average salary by the member's years of service credit. The defined benefit portion of the Combined Plan payment is payable to a member on or after age 60. The defined contribution portion of the account may be taken as a lump sum or converted to a lifetime monthly annuity at age 50.

A retiree of STRS Ohio or another Ohio public retirement system is eligible for reemployment as a teacher following the elapse of two months from the date of retirement. Contributions are made by the reemployed member and employer during the reemployment. Upon termination of reemployment or age 65, whichever comes later, the retiree is eligible for an annuity benefit or equivalent lump-sum payment in addition to the original retirement allowance. A reemployed retiree may alternatively receive a refund of only member contributions with interest before age 65, once employment is terminated.

Benefits are increased annually by 3% of the original base amount for DB Plan participants.

The DB and Combined Plans offer access to health care coverage to eligible retirees who participated in the plans and their eligible dependents. Coverage under the current program includes hospitalization, physicians' fees, prescription drugs and partial reimbursement of monthly Medicare Part B premiums. By Ohio law, health care benefits are not guaranteed.

A DB or Combined Plan member with five or more years' credited service who becomes disabled may qualify for a disability benefit. Eligible spouses and dependents of members who die before retirement may qualify for survivor benefits. A death benefit of \$1,000 is payable to the beneficiary of each deceased retired member who participated in the DB Plan. Death benefit coverage up to \$2,000 can be purchased by participants in the DB, DC or Combined Plans. Various other benefits are available to members' beneficiaries.

Chapter 3307 of the Revised Code provides statutory authority for member and employer contributions. Contribution rates are established by the State Teachers Retirement Board, upon recommendations of its consulting actuary, not to exceed statutory maximum rates of 10% for members and 14% for employers.

**5. DEFINED BENEFIT PENSION PLANS (Continued)**

**B. State Teachers Retirement System (Continued)**

For the fiscal years ended June 30, 2011 and 2010 plan members were required to contribute 10 percent of their annual covered salaries. For these fiscal years, the Academy was required to contribute 14 percent; 13 percent was the portion used to fund pension obligations. Contribution rates are established by STRS Ohio, upon recommendations of its consulting actuary, not to exceed statutory maximum rates of 10% for members and 14% for employers. The Academy's required contributions for pension obligations to STRS Ohio for the fiscal years ended June 30, 2011 and 2010 were \$96,614 and \$45,485 respectively; 100% has been contributed for fiscal years 2011 and 2010.

STRS Ohio issues a stand-alone financial report. Copies of STRS Ohio's Comprehensive Annual Financial Report can be requested by writing to STRS Ohio, 275 E. Broad St., Columbus, OH 43215-3771, by calling (888) 227-7877, or by visiting the STRS Ohio website at [www.strsoh.org](http://www.strsoh.org).

**C. Social Security System**

Effective July 1, 1991, all employees not otherwise covered by the School Employees Retirement System or the State Teachers Retirement System of Ohio have an option to choose Social Security or the School Employees Retirement System/State Teachers Retirement System. As of June 30, 2011, three members of the Board of Directors have elected Social Security. The Board's liability is 6.2 percent of wages.

**6. POSTEMPLOYMENT BENEFITS**

**A. State Teachers Retirement System**

STRS Ohio administers a pension plan that is comprised of: a defined benefit plan; a self-directed defined contribution plan and a combined plan which is a hybrid of the defined benefit and defined contribution plan.

Ohio law authorizes STRS Ohio to offer a cost-sharing, multiple-employer health care plan. STRS Ohio provides access to health care coverage to eligible retirees who participated in the defined benefit or combined plans. Coverage under the current program includes hospitalization, physicians' fees, prescription drugs and reimbursement of monthly Medicare Part B premiums.

Pursuant to 3307 of the Revised Code, the Retirement Board has discretionary authority over how much, if any, of the associated health care costs will be absorbed by STRS Ohio. All benefit recipients, for the most recent year, pay a portion of the health care costs in the form of a monthly premium.

STRS Ohio issues a stand-alone financial report. Interested parties can view the most recent Comprehensive Annual Financial Report by visiting [www.strsoh.org](http://www.strsoh.org) or by requesting a copy by calling toll-free 1-888-227-7877.

Under Ohio law, funding for post-employment health care may be deducted from employer contributions. Of the 14 percent employer contribution rate, 1 percent of covered payroll was allocated to post-employment health care for the years ended June 30, 2011 and 2010. The 14 percent employer contribution rate is the maximum rate established under Ohio law. For the Academy, these amounts equaled \$7,432 and \$3,499 for fiscal years 2011 and 2010 respectively.

**6. POSTEMPLOYMENT BENEFITS (Continued)**

**B. School Employees Retirement System**

In addition to a cost-sharing multiple-employer defined benefit pension plan the School Employees Retirement System of Ohio (SERS) administers two postemployment benefit plans.

Medicare Part B Plan

The Medicare Part B plan reimburses Medicare Part B premiums paid by eligible retirees and beneficiaries as set forth in Ohio Revised Code (ORC) 3309.69. Qualified benefit recipients who pay Medicare Part B premiums may apply for and receive a monthly reimbursement from SERS. The reimbursement amount is limited by statute to the lesser of the January 1, 1999 Medicare Part B premium or the current premium. The Medicare Part B monthly premium for calendar year 2011 was \$96.40 for most participants, but could be as high as \$369.10 per month depending on their income. SERS' reimbursement to retirees was \$45.50.

The Retirement Board, acting with the advice of the actuary, allocates a portion of the current employer contribution rate to the Medicare B Fund. For fiscal year 2011, the actuarially required allocation is .76%. The Academy's contributions for the years ended June 30, 2011 and 2010 were \$786 and \$1,126 respectively, which equaled the required contributions each year.

Health Care Plan

ORC 3309.375 and 3309.69 permit SERS to offer health care benefits to eligible retirees and beneficiaries. SERS' Retirement Board reserves the right to change or discontinue any health plan or program. SERS offers several types of health plans from various vendors, including HMOs, PPOs, Medicare Advantage and traditional indemnity plans. A prescription drug program is also available to those who elect health coverage. SERS employs two third-party administrators and a pharmacy benefit manager to manage the self-insurance and prescription drug plans, respectively.

The ORC provides the statutory authority to fund SERS' postemployment benefits through employer contributions. Active members do not make contributions to the postemployment benefit plans.

The Health Care Fund was established under, and is administered in accordance with Internal Revenue Code § 105(e). Each year after the allocation for statutorily required benefits, the Retirement Board allocates the remainder of the employer 14% contribution to the Health Care Fund. For the year ended June 30, 2011, the health care allocation is 1.43%. An additional health care surcharge on employers is collected for employees earning less than an actuarially determined minimum compensation amount, pro-rated according to service credit earned. State law provides that no employer shall pay a health care surcharge greater than 2% of that employer's SERS-covered payroll; nor may SERS collect in aggregate more than 1.5% of the total statewide SERS-covered payroll for the health care surcharge. For fiscal year 2011, the minimum compensation level was established at \$35,800. The surcharge, added to the unallocated portion of the 14% employer contribution rate is the total amount assigned to the Health Care Fund. Academy's contributions assigned to health care for the years ended June 30, 2011 and 2010 were \$4,361 and \$6,161, respectively.

The SERS Retirement Board establishes the rules for the premiums paid by the retirees for health care coverage for themselves and their dependents or for their surviving beneficiaries. Premiums vary depending on the plan selected, qualified years of service, Medicare eligibility, and retirement status.

**6. POSTEMPLOYMENT BENEFITS (Continued)**

**B. School Employees Retirement System (Continued)**

The financial reports of SERS' Health Care and Medicare B plans are included in its Comprehensive Annual Financial Report. The report can be obtained on SERS' website at [www.ohsers.org](http://www.ohsers.org) under Employers/Audit Resources.

**7. RISK MANAGEMENT**

**A. Property and Liability**

The Academy is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. During fiscal year 2011, the Academy contracted with Agency One Insurance, LLC, for property and general liability insurance with a \$1,000,000 single occurrence limit and \$3,000,000 annual aggregate and no deductible. There has been no reduction in coverage from the prior year. There have been no settlements exceeding coverage in any of the last three fiscal years.

**B. Workers Compensation**

The Academy pays the State Workers Compensation System a premium for employee injury coverage. The premium is calculated by multiplying the monthly total gross payroll by a factor that is calculated by the State.

**8. EMPLOYEE MEDICAL AND DENTAL BENEFITS**

The Academy has contracted with a private carrier to provide employee medical/surgical benefits. The Academy pays 60 percent of the monthly premium and the employee is responsible for the remaining 40 percent. The Academy has also contracted with private carriers to provide dental coverage. The Academy pays 60 percent of the monthly premium and the employee is responsible for the remaining 40 percent.

**9. PURCHASED SERVICES**

Purchased service expenses during fiscal year 2011 were as follows:

Type	Amount
Professional Services	\$346,645
Rent and Property Services	151,113
Travel Expenses	12,407
Advertising and Communications	54,334
Utilities	103,794
Pupil Transportation	3,300
Total	<u>\$671,593</u>

**Horizon Science Academy of Lorain**  
*Notes to the Basic Financial Statements*  
*For the Fiscal Year Ended June 30, 2011*

---

**10. NOTE PAYABLE**

During fiscal year 2011, the Academy received a loan from Concept Schools for \$15,000. This loan was made to help the Academy with operating expenses. Note payable activity during fiscal year 2011 was as follows:

	Balance at 7/1/2010	Additions	Deletions	Balance at 6/30/2011
Note Payable – Concept Schools	\$0	\$15,000	\$0	\$15,000
Total	\$0	\$15,000	\$0	\$15,000

**11. OPERATING LEASES**

The Academy entered into a one year lease agreement for an operating lease for school facilities in fiscal year 2010 at 760 Tower Blvd, Lorain, OH 44052 with Todd and Keri Roby, Ltd for the period of August 1, 2009 through August 31, 2010. The Academy renewed the agreement for fiscal year 2011 and subleased additional space from Summit Academy Management to create new classrooms due to an increase in enrollment. According to the lease and sublease agreements the monthly rent for the facilities was \$12,000, from which \$7,000 was payable to Todd and Keri Roby, Ltd and \$5,000 was payable to Summit Academy Management. In June 2011, Summit Academy Management relocated from the building and the entire amount was paid to the original owner of the building - Todd and Keri Roby, Ltd. The Academy paid \$126,046 of total rent in fiscal year 2011.

**12. CONTINGENCIES**

**A. Grants**

The Academy received financial assistance from federal and state agencies in the form of grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of the Academy. However, in the opinion of management, any such disallowed claims will not have a material effect on the financial position of the Academy. In fiscal year 2011, the Academy received grants from State and Federal agencies totaling \$631,616.

**B. Ohio Department of Education Enrollment Review**

The Ohio Department of Education (ODE) conducts reviews of enrollment data and full time equivalency (FTE) calculations made by the Academy. These reviews are conducted to ensure the Community School is reporting accurate student enrollment data to the State, upon which state foundation funding is calculated.

**13. SPONSORSHIP AGREEMENT**

On April 6, 2009, Buckeye Community Hope Foundation assumed responsibility for sponsorship of the Academy. The Sponsor is responsible for evaluating the performance of the Academy and has the authority to deny renewal of the contract at its expiration or terminate the contract prior to its expiration. In 2010, the original contract was extended until June 30, 2015. According to the contract, the Academy pays 3 percent of its foundation revenues to the Sponsor. In fiscal year 2011, the Academy's compensation to the Sponsor was \$35,210.

**14. MANAGEMENT COMPANY AGREEMENT**

In April 2009, the Academy contracted with Concepts Schools, Inc. to serve as the Academy's management company. The contract is renewed automatically every year in one year terms unless the Academy or the management company decides otherwise. According to the contract, the Academy transfers 12 percent of the funds received from the State. In fiscal year 2011, the Academy's obligation was \$166,655 to Concept Schools for management services and \$92,932 was recorded under accounts payable.

**15. RELATED PARTIES**

The Board members for the Academy are also Board members for other Horizon Science Academy Schools that are managed by the same management company, Concept Schools.

**16. SUBSEQUENT EVENTS**

The Academy borrowed \$100,000 from Horizon Science Academy Cleveland Middle School in August 2011. This loan was issued to help the Academy cover various operating costs.

## INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Horizon Science Academy Lorain  
Lorain County  
760 Tower Boulevard  
Lorain, Ohio 44052

To the Board of Directors:

We have audited the financial statements of the Horizon Science Academy Lorain, Lorain County, Ohio (the Academy) as of and for the year ended June 30, 2011, and have issued our report thereon dated June 22, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Academy's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of opining on the effectiveness of the Academy's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Academy's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the Academy's financial statements will not be prevented, or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

### Compliance and Other Matters

As part of reasonably assuring whether the Academy's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We did note certain matters not requiring inclusion in this report that we reported to the Academy's management in a separate letter dated June 22, 2012.

We intend this report solely for the information and use of the audit committee, management, the Board of Directors, the Academy's sponsor, and federal awarding agencies and pass-through entities and others within the Academy. We intend it for no one other than these specified parties.

A handwritten signature in black ink that reads "Dave Yost". The signature is written in a cursive style with a large, looping "D" and "Y".

## INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

Horizon Science Academy Lorain  
Lorain County  
760 Tower Boulevard  
Lorain, Ohio 44052

To the Board of Directors:

### Compliance

We have audited the compliance of the Horizon Science Academy Lorain (the Academy) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133, Compliance Supplement* that could directly and materially affect each of the Horizon Science Academy Lorain's major federal programs for the year ended June 30, 2011. The *summary of auditor's results* section of the accompanying schedule of findings identifies the Academy's major federal programs. The Academy's management is responsible for complying with the requirements of laws, regulations, contracts, and grants applicable to each major federal program. Our responsibility is to opine on the Academy's compliance based on our audit.

Our compliance audit followed auditing standards generally accepted in the United States of America; the standards applicable to financial audits included in the Comptroller General of the United States' *Government Auditing Standards*; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. These standards and OMB Circular A-133 require that we plan and perform the audit to reasonably assure whether noncompliance occurred with the compliance requirements referred to above that could directly and materially affect a major federal program. An audit includes examining, on a test basis, evidence about the Academy's compliance with these requirements and performing other procedures we considered necessary in the circumstances. We believe our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Academy's compliance with these requirements.

In our opinion, the Horizon Science Academy Lorain complied, in all material respects, with the requirements referred to above that could directly and materially affect each of its major federal programs for the year ended June 30, 2011.

### Internal Control Over Compliance

The Academy's management is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Academy's internal control over compliance with the requirements that could directly and materially affect a major federal program, to determine our auditing procedures for the purpose of expressing our opinion on compliance, and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of opining on the effectiveness of internal control over compliance. Accordingly, we have not opined on the effectiveness of the Academy's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, when performing their assigned functions, to prevent, or to timely detect and correct, noncompliance with a federal program compliance requirement. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a federal program compliance requirement will not be prevented, or timely detected and corrected.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

We intend this report solely for the information and use of the audit committee, management, the Board of Directors, the Academy's sponsor, others within the entity, federal awarding agencies, and pass-through entities. It is not intended for anyone other than these specified parties.

## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURE

Horizon Science Academy Lorain  
Lorain County  
760 Tower Boulevard  
Lorain, Ohio 44052

To the Board of Directors:

Ohio Rev. Code Section 117.53 states "the auditor of state shall identify whether the school district or community school has adopted an anti-harassment policy in accordance with Section 3313.666 of the Revised Code. This determination shall be recorded in the audit report. The auditor of state shall not prescribe the content or operation of any anti-harassment policy adopted by a school district or community school."

Accordingly, we have performed the procedure enumerated below, which was agreed to by the Board, solely to assist the Board in evaluating whether the Horizon Science Academy Lorain (the Academy) has updated its anti-harassment policy in accordance with Ohio Rev. Code Section 3313.666. Management is responsible for complying with this requirement. This agreed-upon procedure engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of this procedure is solely the responsibility of the Board. Consequently, we make no representation regarding the sufficiency of the procedure described below either for the purpose for which this report has been requested or for any other purpose.

1. We noted the Academy amended its anti-harassment policy at its meeting on June 19, 2012 to include violence within a dating relationship within its definition of harassment, intimidation or bullying.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the anti-harassment policy. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Board and Academy's sponsor, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink that reads "Dave Yost".
