Independent Accountants' Report

Northland Preparatory & Fitness Academy  
1875 Morse Road  
Columbus, OH 43229

To the Board of Directors:

We have audited the accompanying financial statements of the Northland Preparatory & Fitness Academy, Franklin County, Ohio, as of and for the fiscal year ended June 30, 2011, as listed in the table of contents. These financial statements are the responsibility of the Northland Preparatory & Fitness Academy's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Northland Preparatory & Fitness Academy, as of June 30, 2011, and the changes in its financial position and its cash flows for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 28, 2011, on our consideration of the Northland Preparatory & Fitness Academy's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

Accounting principles generally accepted in the United States of America require this presentation to include *Management's discussion and analysis*, as listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any other assurance.

Independent Accountants' Report  
Page Two

We conducted our audit to opine on the financial statements that collectively comprise the Northland Preparatory & Fitness Academy's basic financial statements taken as a whole. The Schedule of Receipts and Expenditures of Federal Awards is required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations* and provides additional analysis and is not a required part of the basic financial statements. The Schedule of Receipts and Expenditures of Federal Awards is management's responsibility, and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. This schedule was subject to the auditing procedures we applied to the basic financial statements. We also applied certain additional procedures, including comparing and reconciling this information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, in accordance with auditing standards generally accepted in the United States of America. In our opinion, this information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Management's Discussion and Analysis

For the Fiscal Year Ended June 30, 2011

Unaudited

The management's discussion and analysis of the Northland Preparatory and Fitness Academy's (The Academy) financial performance provides an overall review of the Academy's financial activities for the fiscal year ended June 30, 2011. The intent of this discussion and analysis is to look at the Academy's financial performance as a whole. Readers should also review the basic financial statements and notes to the basic financial statements to enhance their understanding of the Academy's financial performance.

The management's discussion and analysis (MD&A) is an element of the new reporting model adopted by the Governmental Accounting Standard Board (GASB) in their Statement No. 34 Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Government issued June, 1999. Certain comparative information between the current year and the prior year is required to be presented in the MD&A.

## **Financial Highlights**

- In total, net assets decreased \$2,818. This was due to an increased expenditure of the 2% board reserve.
- Total assets decreased \$315. This was due to an increased expenditure of the 2% board reserve.
- Liabilities increased to \$2,503 in 2011.

## Using this Financial Report

This report consists of three parts, the management's discussion and analysis, the basic financial statements, and notes to those statements. The basic financial statements include a statement of net assets, a statement of revenues, expenses and changes in net assets, and a statement of cash flows.

## Statement of Net Assets

The statement of net assets answers the question, "How did we do financially during 2011?" This statement includes all assets and liabilities, both financial and capital, and short-term and long-term using the accrual basis of accounting and economic resources focus, which is similar to the accounting used by most private-sector companies. This basis of accounting takes into account all revenues and expenses during the year, regardless of when the cash is received or paid.

Management's Discussion and Analysis

For the Fiscal Year Ended June 30, 2010

Unaudited

(Continued)

Net assets decreased \$2,818. There was an increase in revenues of \$89,654, and an increase in expenses of \$95,239. This was primarily due to the increase in Foundation Payments of \$214,281. Community Schools receive no support from tax revenues.

The increase in management fees of \$102,073 was due to the increase in revenues and the nature of the full performance contract. These additional funds were used to offset expenses related to the increase in enrollment.

## **Capital Assets**

The Northland Preparatory and Fitness Academy has no capital assets due to the nature of the full performance contract with Edvantages.

## **Current Financial Issues**

The Northland Preparatory and Fitness Academy was formed in 2005 through a contract with the Ohio Council of Community Schools. During the 2005-2006 school year there were approximately 28 students enrolled. In fiscal year 2007 there were approximately 110 students enrolled which increased to 157 in fiscal year 2008. In fiscal year 2009 this increased to 265 and decreased to 215 in fiscal year 2010. It increased to 247 in fiscal year 2011. The Academy receives its finances mostly from state aid. Per pupil base aid for fiscal year 2011 was \$5,703.

## **Contacting the School's Financial Management**

This financial report is designed to provide our citizens with a general overview of the Academy's finances and to show the Academy's accountability for the money it receives. Notes to the Basic Financial Statements  
June 30, 2011

1. DESCRIPTION OF THE ENTITY

The Northland Preparatory and Fitness Academy (the Academy) has been approved as a tax exempt status nonprofit corporation under Section 501c(3) of the Internal Revenue Code. It was established pursuant to Ohio Rev. Code Chapters 3314 and 1702 to address the needs of students in kindergarten through grade five. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Academy's tax exempt status.

The Academy, which is part of the State's education program, is independent of any school district and is nonsectarian in its programs, admissions policies, employment practices, and all other operations. The Academy may sue and be sued, acquire facilities as needed, and contract for any services necessary for the operation of the Academy. The Academy contracts with Edvantages Inc. for most of its functions. See Note 4.

The Academy was approved for operation under a contract with the Ohio Council of Community Schools (the Sponsor) for a period of five years commencing in July 2005. Effective July 1, 2010 the Academy is under contract with the Ohio Council of Community Schools for a period of 10 years. The Sponsor is responsible for the evaluation of the performance of the Academy and has the authority to deny renewal of the contract at its expiration or terminate the contract prior to its expiration.

The Academy operates under the direction of a five-member Board of Directors (The Board). The Board is responsible for carrying out the provisions of the contract with the sponsor which include, but are not limited to, state-mandated provisions regarding student population, curriculum, academic goals, performance standards, admissions standards, and qualifications of teachers. The Board of Directors leases the Academy's one instructional/support facility from Edvantages as noted in the management agreement. The facility is staffed with teaching personnel employed by Edvantages. The Board also operates the following schools:

Columbus Preparatory and Fitness Academy	Columbus, Ohio
Middletown Preparatory and Fitness Academy	Middletown, Ohio
Mount Healthy Preparatory and Fitness Academy	Mt. Healthy, Ohio
Springfield Preparatory and Fitness Academy	Springfield, Ohio
Toledo Preparatory and Fitness Academy	Toledo, Ohio
Trotwood Preparatory and Fitness Academy	Trotwood, Ohio
Whitehall Preparatory and Fitness Academy	Columbus, Ohio

Also the Academy is associated with the Metropolitan Dayton Education Computer Association, which is defined as a jointly governed organization. It is a computer consortium of area schools sharing computer resources.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Academy have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental nonprofit organizations. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Academy also applies Financial Accounting Standards Board (FASB) statements and interpretations issued on or before November 30, 1989 to its proprietary activities provided they do no conflict with or contradict GASB pronouncements. The Academy does not apply FASB statements and interpretations issued after November 30, 1989. The more significant of the Academy's accounting policies are described below.

A. Basis of Presentation

The Academy's basic financial statements consist of a statement of net assets, a statement of revenues, expenses and changes in net assets, and a statement of cash flows.

Enterprise fund reporting focuses on the determination of the change in net assets, financial position and cash flows.

B. Measurement Focus

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities are included on the statement of net assets. The Statement of Changes in Net Assets presents increases (i.e., revenues) and decreases (i.e., expenses) in net assets. The Statement of Cash Flows provides information about how the Academy finances and meets cash flow needs of its enterprise activities.

C. Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. The Academy's financial statements are prepared using the accrual basis of accounting.

Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place.

Northland Preparatory and Fitness Academy  
Franklin County  
Notes to the Basic Financial Statements  
June 30, 2011

Non-exchange transactions, in which the Academy receives value without directly giving equal value in return, include grants, entitlements, and donations. Revenue from grants, entitlements and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted, matching requirements, in which the Academy must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the Academy on a reimbursement basis.

Expenses are recognized at the time they are incurred.

D. Budgetary Process

Unlike traditional public schools located in the State of Ohio, community schools are not required to follow budgetary provisions set forth in Ohio Revised Code Chapter 5705, unless specifically provided in the Academy's contract with its sponsor.

The contract between the Academy and its sponsor requires that monthly budget reports be prepared comparing actual amounts for the month to the budgeted amounts for the month. It also requires that a variance report accompany the monthly reports identifying areas that may need to be adjusted to maintain a balanced budget. Monthly reports and timely presentations are to be furnished to the Board by the treasurer with recommendations for Board action to adjust the spending plan as appropriate action is warranted.

E. Cash Deposits

All cash received by the Academy is maintained in a demand deposit account.

F. Net Assets

Net assets represent the difference between the assets and liabilities. The Academy's net assets are unrestricted at June 30, 2011.

G. Concentration of Business and Current Risk

As of June 30, 2011, funds received from the federal and state of Ohio governments represented 100% of the revenues and accounts receivable reported by the Academy. Accordingly, the risk exists that the ability to receive funds from these governments could affect the financial status of the Academy.

Northland Preparatory and Fitness Academy  
Franklin County  
Notes to the Basic Financial Statements  
June 30, 2011

H. Deposits

The Academy maintains its cash balance in a demand deposit account in two financial institutions located in Columbus, Ohio. The balance is insured by the Federal Deposit Insurance Corporation (FDIC) for up to \$250,000. At June 30, 2011 the Academy's cash balance was \$99, which was all covered by FDIC. The Academy had no investments at June 30, 2011, or during the fiscal year.

I. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

J. Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary activities. For the Academy, these revenues are primarily foundation payments from the state and sales for food services and school fees. Operating expenses are necessary costs incurred to provide the good or service that is the primary activity of the Academy. Revenues and expenses not meeting this definition are reported as non-operating.

3. RISK MANAGEMENT

The Academy is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. As part of its management agreement with Edvantages, Edvantages has contracted with an insurance company for property and general liability insurance pursuant to the Management Agreement. There was no significant reduction in insurance coverage from the prior year and claims have not exceeded insurance coverage over the past three years.

Northland Preparatory and Fitness Academy  
Franklin County  
Notes to the Basic Financial Statements

4. AGREEMENT WITH EDVANTAGES, INC.

On March 1, 2005, the Academy contracted with Edvantages, Inc., to provide educational programs that offer educational excellence and innovation based upon the Academy's unique school design, comprehensive educational program, and sound school and business principles and management methodologies. This contract remains in effect as long as the Academy continues to renew the contract and has entered into or is continuing to operate under any chartering school contract. Under the contract Edvantages is responsible for providing educational and management services and products, human resources administration, including school personnel and business management, curriculum, programs, contract administration and technology. Significant provisions of the contract are as follows:

A. Financial Provisions

1. Management Consulting and Operation Fee

The Academy pays Edvantages all state and federal per pupil allocations, transportation, technology or other operational funds, including private donations, endowments, or grants applied for on behalf of the Academy, except for two percent of the base state per pupil allocation. This two percent is to be retained by the Academy as a Board Reserve to be used by June 30 of each year for the Academy's benefit. The amount paid to Edvantages by the Academy is reflected in the Statement of Revenues, Expenses, and Changes in Net Assets as Purchased Services – Management Fees operating expense.

2. The Academy's Financial Responsibility

The Academy uses the Board Reserve to pay Board members' compensation; expenses for fund raising and grant writing accomplished by the Academy; and other expenses for the benefit of the Academy at the Board's discretion. The actual transactions related to these expenditures are performed by Edvantages under the Academy's direction.

Northland Preparatory and Fitness Academy  
Franklin County  
Notes to the Basic Financial Statements  
June 30, 2011

3. Edvantages Financial Responsibilities

Edvantages is responsible for the payment of all wages, compensation and expenses of Edvantages or the Academy including the Superintendent, Treasurer, assistants, administrators, clerical staff, and teachers. Edvantages is also responsible for janitorial services, worker's compensation, other insurance, necessary comprehensive or premises liability insurance, and attorney fees. Edvantages pays their own office expenses and supplies, leases for equipment and the Academy offices or facilities, and travel, lodging and other expenses incurred pursuant to services rendered by Edvantages.

4. Financial Reporting by Edvantages

Edvantages shall provide the Academy's Board with a proposed and projected annual budget prior to opening each fiscal year; statements of all revenues received with respect to the Academy, and statements of all direct expenditures for services rendered to or on behalf of the Academy. Edvantages also provides consultation on annual audits in compliance with state law and regulations showing the manner in which funds are spent for the Academy. Edvantages reports on Academy operations and finances on a quarterly basis and other information on a reasonably requested basis to enable the Board to monitor the performance of the Academy; and a reasonable opportunity to inspect, examine, audit and otherwise review the books, records, accounts, ledgers and other financial documents of Edvantages to the extent that they relate to or otherwise pertain to activities of the Academy.

5. Financial Reporting by the Academy

The Academy shall provide Edvantages with statements of all funds received by the Academy from grants applied for by the Academy, donations or endowments and statements of all expenditures and investments made with such funds, as well as with the Board Reserve funds.

Northland Preparatory and Fitness Academy  
Franklin County  
Notes to the Basic Financial Statements  
June 30, 2011

B. Personnel

Edvantages selects and hires all teaching staff, administrative or other staff. They also evaluate, assign, discipline and transfer personnel. Edvantages also selects the Academy's Superintendent and establishes employment terms. The Superintendent shall be a representative of Edvantages. Edvantages determines the number of teachers needed for the operation of the Academy and selects and hires all teachers. The personnel who perform services at the Academy are employees or subcontractors or service providers of Edvantages and are paid by Edvantages.

C. Agreement Termination

1. Termination by the Academy

The Academy may terminate the Contract after prior written notice to Edvantages if the Academy ceases to be approved by the Ohio Department of Education as an Ohio Community School and the Academy or Edvantages cannot secure another sponsor; upon sixty days prior written notice in the event that Edvantages be guilty of a felony or fraud, gross negligence, or other act of willful or gross misconduct in the rendering of services under the Agreement, or in the event that Edvantages fails to remedy a material breach of its duties or obligation within six months after written notice of the breach is provided to Edvantages by the Academy, if Edvantages has failed to cure such breach during the first three months of the notice period.

2. Termination by Edvantages

Edvantages may terminate the Contract in the event the Academy materially breaches the Agreement and the Academy fails to remedy such a breach within ninety days of its receipt of written notice of such breach from Edvantages.

5. DEFINED BENEFIT PENSION PLANS

The Academy has contracted with Edvantages to provide employee services and to pay those employees. However, these contract services do not relieve the Academy of the obligation for remitting pension contributions. The State retirement systems consider the Academy as the Employer-of-Record and the Academy is ultimately responsible for remitting retirement contributions to each of the State systems noted below.

Northland Preparatory and Fitness Academy  
Franklin County  
Notes to the Basic Financial Statements  
June 30, 2011

A. School Employees Retirement System

Edvantages, on behalf of the Academy, contributes to the School Employees Retirement System of Ohio (SERS), a cost-sharing multiple-employer defined benefit pension plan. SERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Authority to establish and amend benefits is provided by state statute per Chapter 3309 of the Ohio Revised Code. The School Employees Retirement System issues a publicly available, stand-alone financial report that includes financial statements and required supplementary information. That report may be obtained by writing to SERS, 300 East Broad St., Suite 100, Columbus, Ohio 43215-3746 or by calling (614)222-5853. It is also posted on SERS' website at [www.ohsers.org](http://www.ohsers.org) under Employers/Audit Resources.

Plan members are required to contribute 10% of their annual covered salary and the Academy is required to contribute at an actuarially determined rate. The current rate is 14% of annual covered payroll. The contribution requirements of plan members and employers are established and may be amended, up to statutory maximum amounts, by the SERS' Retirement Board. The Retirement Board acting with the advice of the actuary, allocates the employer contribution rate among four of the funds (pension Trust Fund, Death Benefit Fund, Medicare B Fund, and Health Care Fund) of the System. For fiscal year ending June 30, 2011, the allocation to pension and death benefits is 11.77% and .04%, respectively. The remaining 2.19% of the 14% employer contribution rate is allocated to the Health Care and Medicare B Funds. The Academy's required contributions for pension obligations to SERS are paid and reported by Edvantages. Refer to Note 4.

B. State Teachers Retirement System

Edvantages, on behalf of the Academy contributes to the State Teachers Retirement System of Ohio (STRS Ohio), a cost-sharing, multiple employer public employee retirement system. STRS Ohio provides retirement and disability benefits to members, and death and survivor benefits to beneficiaries. STRS issues a stand-alone financial report that may be obtained by writing to the STRS Ohio, 275 East Broad Street, Columbus, Ohio 43215-3371 or by calling (614) 227-4090.

Northland Preparatory and Fitness Academy  
Franklin County  
Notes to the Basic Financial Statements  
June 30, 2011

New members have a choice of three retirement plans, a Defined Benefit (DB) Plan, a Defined Contribution (DC) Plan, and a Combined Plan. The DB plan offers an annual retirement allowance based on final average salary times a percentage that varies based on years of service, or an allowance based on member contributions and earned interest matched by STRS Ohio funds times an actuarially determined annuity factor. The DC Plan allows members to place all their membership contributions and employer contributions equal to 10.5% of earned compensation into an investment account. Investment decisions are made by the member. A member is eligible to receive a retirement benefit at age 50 and termination of employment. The Combined Plan offers features of both the DB Plan and the DC Plan. In the Combined Plan, member contributions are invested by the member, and employer contributions are used to fund the defined benefit payment at a reduced level from the regular DB Plan. DC and Combined Plan members will transfer to the Defined Benefit Plan during their fifth year of membership unless they permanently select the DC or Combined Plan. Existing members with less than five years of service credit as of June 30, 2001, were given the option of making a one time irrevocable decision to transfer their account balances from the existing DB Plan into the DC Plan or the Combined Plan. This option expired on December 31, 2001. Benefits are established by Chapter 3307 of the Ohio Revised Code.

A DB or combined Plan member with five or more years credited service that becomes disabled may qualify for a disability benefit. Eligible spouses and dependents of these active members who die before retirement may qualify for survivor benefits. Members in the DC Plan who become disabled are entitled only to their account balance. If a member dies before retirement benefits begin, the member's designated beneficiary is entitled to receive the member's account balance.

For the fiscal year ending June 30, 2011, plan members were required to contribute 10 percent of their annual covered salaries. The Academy was required to contribute 14 percent; 13 percent was the portion used to fund pension obligations. Contribution rates are established by the State Teachers Retirement Board, upon recommendations of its consulting actuary, not to exceed statutory maximum rates of 10 percent for members and 14 for employers. Chapter 3307 of the Ohio Revised Code provides statutory authority for member and employer contributions.

The Academy's required contributions for pension obligations to STRS Ohio are paid and reported by Edvantages. Refer to Note 4.

6. POST EMPLOYMENT BENEFITS

The Academy provides comprehensive health care benefits to retired teachers and their dependents through the State Teachers Retirement System of Ohio (STRS Ohio), and to retired non-certified employees and their dependents through the School Employees Retirement System (SERS). Benefits include hospitalization, physicians' fees, prescription drugs and reimbursement of monthly Medicare premiums. Benefit provisions and the obligations to contribute are established by the Systems based on authority granted by State statute. Both systems are on a pay-as-you-go basis.

STRS Postemployment Benefits

All STRS Ohio benefit recipients and sponsored dependents are eligible for health care coverage. The STRS Ohio Board has statutory authority over how much, if any, of the health care costs will be absorbed by STRS Ohio. Most benefit recipients pay a portion of the health care cost in the form of a monthly premium. By law, the cost of coverage paid from STRS Ohio funds is included in the employer contribution rate, currently 14 percent of covered payroll. For the fiscal year ended June 30, 2011, the STRS Ohio Board allocated employer contributions equal to 1.0 percent of covered payroll to the Health Care Reserve Fund. For the Academy, contributions to STRS health care are paid and reported by Edvantages. Refer to Note 4.

SERS Postemployment Benefits

In addition to a cost-sharing multiple-employer defined benefit pension plan the School Employees Retirement System of Ohio (SERS) administers two postemployment benefit plans.

Medicare Part B Plan

The Medicare B plan reimburses Medicare Part B premiums paid by eligible retirees and beneficiaries as set forth in Ohio Revised Code (ORC) 3309.69. Qualified benefit recipients who pay Medicare Part B premiums may apply for and receive a monthly reimbursement from SERS. The reimbursement amount is limited by statute to the lesser of the January 1, 1999 Medicare Part B premium or the current premium.

The Medicare Part B premium for calendar year 2011 was \$96.40 for most participants, but could be as high as \$353.60 per month depending on their income. SERS' reimbursement to retirees was \$45.50. The Retirement Board, acting with the advice of the actuary, allocates a portion of the current employer contribution rate to the Medicare B Fund. For fiscal year 2011, the actuarially required allocation is .76%. For the Academy, contributions for Medicare Part B are paid and reported by Edvantages. Refer to Note 4.

Health Care Plan

ORC 3309.375 and 3309.69 permit SERS to offer health care benefits to eligible retirees and beneficiaries. SERS' Retirement Board reserves the right to change or discontinue any health plan or program. SERS offers several types of health plans from various vendors, including HMOs, PPOs, Medicare Advantage and traditional indemnity plans. A prescription drug program is also available to those who elect health coverage. SERS employs two third-party administrators and a pharmacy benefit manager to manage the self-insurance and prescription drug plans, respectively.

The ORC provides the statutory authority to fund SERS' postemployment benefits through employer contributions. Active members do not make contributions to the postemployment benefit plans.

The Health Care Fund was established under, and is administered in accordance with Internal Revenue Code 105(e). Each year after the allocation for statutorily required benefits, the Retirement Board allocates the remainder of the employer 14% contribution to the Health Care Fund. For the year ended June 30, 2011, the health care allocation is 1.43%. An additional health care surcharge on employers is collected for employees earning less than an actuarially determined minimum compensation amount, pro-rated according to service credit earned. Statutes provide that no employer shall pay a health care surcharge greater than 2% of that employer's SERS-covered payroll; nor may SERS collect in aggregate more than 1.5% of the total statewide SERS-covered payroll for the health care surcharge. For fiscal year 2011, the minimum compensation level was established at \$35,800. The surcharge, added to the unallocated portion of the 14% employer contribution rate is the total amount assigned to the Health Care Fund. The Academy's required contributions are paid and reported by Edvantages. Refer to Note 4.

The SERS Retirement Board establishes the rules for the premiums paid by the retirees for health care coverage for themselves and their dependents or for their surviving beneficiaries. Premiums vary depending on the plan selected, qualified years of service, Medicare eligibility, and retirement status.

8. CONTINGENCIES

A. Grants

The Academy received financial assistance from federal and state agencies in the form of grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of the Academy. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the academy at June 30, 2011.

B. State Foundation Funding

The Ohio Department of Education conducts reviews of enrollment data and full time equivalency (FTE) calculations made by the Academy. These reviews are conducted to ensure the schools are reporting accurate student enrollment data to the State, upon which state student enrollment data to the State, upon which state Foundation funding is calculated. The review for the fiscal year 2011 was completed November 2011 with an adjustment of \$2,503 due to the Academy.

9. METROPOLITAN DAYTON EDUCATIONAL COOPERATIVE ASSOCIATION

The Academy is a participant in the Metropolitan Dayton Educational Cooperative Association (MDECA) which is a computer consortium. MDECA is an association of public school districts within the boundary of Montgomery, Miami and Darke Counties and the Cities of Dayton, Troy and Greenville. The organization was formed for the purpose of applying modern technology with the aid of computers and other electronic equipment to administrative and instructional functions among member school districts.

**Independent Accountants' Report on Internal Control Over Financial Reporting and on  
Compliance and Other Matters Required by *Government Auditing Standards***

Northland Preparatory & Fitness Academy  
1875 Morse Road  
Columbus, OH 43229

To the Board of Directors:

We have audited the financial statements of the Northland Preparatory & Fitness Academy, Franklin County, Ohio, as of and for the fiscal year ended June 30, 2011, and have issued our report thereon dated December 28, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Northland Preparatory & Fitness Academy's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of opining on the effectiveness of the Northland Preparatory & Fitness Academy's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Northland Preparatory & Fitness Academy's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the Northland Preparatory & Fitness Academy's financial statements will not be prevented, or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

Board of Directors  
Northland Preparatory & Fitness Academy

Compliance and Other Matters

As part of reasonably assuring whether the Northland Preparatory & Fitness Academy's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We did note certain matters not requiring inclusion in this report that we reported to the Northland Preparatory & Fitness Academy management in a separate letter dated December 28, 2011.

We intend this report solely for the information and use of the management and Board of Directors of the Northland Preparatory & Fitness Academy, the Ohio Council of Community Schools (the sponsor), federal awarding agencies and pass-through entities, and others within the Northland Preparatory & Fitness Academy. We intend it for no one other than these specified parties.

### **Independent Accountants' Report on Compliance With Requirements Applicable to Each Major Federal Program and on Internal Control Over Compliance Required by OMB Circular A-133**

Northland Preparatory & Fitness Academy  
1875 Morse Road  
Columbus, OH 43229

To the Board of Directors:

#### Compliance

We have audited the compliance of the Northland Preparatory & Fitness Academy with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133, Compliance Supplement* that could directly and materially affect each of the Northland Preparatory & Fitness Academy's major federal programs for the fiscal year ended June 30, 2011. The summary of auditor's results section of the accompanying schedule of findings identifies the Northland Preparatory & Fitness Academy's major federal programs. The Northland Preparatory & Fitness Academy's management is responsible for complying with the requirements of laws, regulations, contracts, and grants applicable to each major federal program. Our responsibility is to express an opinion on the Northland Preparatory & Fitness Academy's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits included in the Comptroller General of the United States' *Government Auditing Standards*; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to reasonably assure whether noncompliance occurred with the compliance requirements referred to above that could directly and materially affect a major federal program. An audit includes examining, on a test basis, evidence about the Northland Preparatory & Fitness Academy's compliance with those requirements and performing other procedures we considered necessary in the circumstances. We believe our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Northland Preparatory & Fitness Academy's compliance with those requirements.

In our opinion, the Northland Preparatory & Fitness Academy complied, in all material respects, with the requirements referred to above that could directly and materially affect each of its major federal programs for the fiscal year ended June 30, 2011.

#### Internal Control Over Compliance

The Northland Preparatory & Fitness Academy's management is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Northland Preparatory & Fitness Academy's internal control over compliance with requirements that could directly and materially affect a major federal program, to determine our auditing procedures for the purpose of opining on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of opining on the effectiveness of internal control over compliance. Accordingly, we have not opined on the effectiveness of the Northland Preparatory & Fitness Academy's internal control over compliance.

Board of Directors  
Northland Preparatory & Fitness Academy

*deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, when performing their assigned functions, to prevent, or to timely detect and correct, noncompliance with a federal program compliance requirement. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a federal program compliance requirement will not be prevented, or timely detected and corrected.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

We intend this report solely for the information and use of the management and Board of Directors of the Northland Preparatory & Fitness Academy, the Ohio Council of Community Schools (the sponsor), federal awarding agencies and pass-through entities, and others within the Northland Preparatory & Fitness Academy. We intend it for no one other than these specified parties.

To the Board of Directors:

Ohio Rev. Code Section 117.53 states "the auditor of state shall identify whether the school district or community school has adopted an anti-harassment policy in accordance with Section 3313.666 of the Revised Code. This determination shall be recorded in the audit report. The auditor of state shall not prescribe the content or operation of any anti-harassment policy adopted by a school district or community school."

Accordingly, we have performed the procedure enumerated below, which was agreed to by the Board, solely to assist the Board in evaluating whether the Northland Preparatory & Fitness Academy has updated its anti-harassment policy in accordance with Ohio Rev. Code Section 3313.666. Management is responsible for complying with this requirement. This agreed-upon procedure engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of this procedure is solely the responsibility of the Board. Consequently; we make no representation regarding the sufficiency of the procedure described below either for the purpose for which this report has been requested or for any other purpose.

1. We noted the Board amended its anti-harassment policy at its meeting on May 19, 2010 to include violence within a dating relationship within its definition of harassment, intimidation or bullying.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the anti-harassment policy. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the management and Board of Directors of the Northland Preparatory & Fitness Academy, the Ohio Council of Community Schools (the sponsor), and others within the Northland Preparatory & Fitness Academy and is not intended to be and should not be used by anyone other than these specified parties.
