INDEPENDENT AUDITORS' REPORT

Board of Directors
Pleasant Education Academy
Marion County
Marion, Ohio

We have audited the accompanying financial statements of Pleasant Education Academy, (the Academy), Marion County, Ohio, a component unit of Pleasant Local School District, Marion County, Ohio, as of and for the year ended June 30, 2011, which collectively comprise the Pleasant Education Academy's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Academy's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Pleasant Education Academy, as of June 30, 2011, and the respective changes in its financial position and its cash flows for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 20, 2011, on our consideration of the Academy's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

Accounting principles generally accepted in the United States of America require this presentation to include *Management's discussion and analysis*, as listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any other assurance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED JUNE 30, 2011
UNAUDITED**

The discussion and analysis of the Pleasant Education Academy's (the Academy) financial performance provides an overall review of the Academy's financial activities for the fiscal year ended June 30, 2011. Readers should also review the basic financial statements and notes to enhance their understanding of the Academy's financial performance.

FINANCIAL HIGHLIGHTS

The Academy, a school for students who have dropped out of high school or are at risk of dropping out of high school, completed its first year of operation in fiscal year 2011 with an enrollment of thirty-three students.

Key financial highlights for 2011 are as follows:

- Net assets increased \$125,882.
- Total assets increased \$260,441 due to increases in cash and cash equivalents, intergovernmental receivables, and capital assets.
- Total liabilities increased \$134,559 due to increases in accounts payable and intergovernmental payable.

USING THE BASIC FINANCIAL STATEMENTS

This annual report consists of a series of financial statements and notes to those statements.

The statement of net assets and the statement of revenues, expenses, and change in net assets reflect how the Academy did financially during fiscal year 2011. These statements include all assets and liabilities using the accrual basis of accounting similar to that which is used by most private-sector companies. This basis of accounting considers all of the current fiscal years' revenues and expenses regardless of when cash is received or paid.

These statements report the Academy's net assets and change in those assets. This change in net assets is important because it tells the reader whether the financial position of the Academy has increased or decreased from the prior fiscal year. Over time, these increases and/or decreases are one indicator of whether the financial position is improving or deteriorating.

**PLEASANT EDUCATION ACADEMY
MARION COUNTY, OHIO
NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2011**

NOTE 1 - DESCRIPTION OF THE SCHOOL:-

The Pleasant Education Academy (the “Academy”) is a nonprofit corporation established pursuant to Ohio Revised Code Chapters 3314 and 1702. The Academy is an approved tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Academy’s tax exempt status. The Academy’s objective is to deliver a comprehensive educational program for students between sixteen and twenty-two years of age who have dropped out of high school or are at risk of dropping out of high school due to poor attendance, disciplinary problems, suspensions or other factors that may impede their educational progress. The Academy, which is part of the State’s education program, is nonsectarian in its programs, admissions policies, employment practices, and all other operations. The Academy may acquire facilities as needed and contract for any services necessary for the operation of the school.

The Academy was approved for operation under a contract with the Pleasant Local School District (the “Sponsor”) for a five-year period commencing on the first day of the 2010-2011 academic year. The Sponsor is responsible for evaluating the performance of the Academy and has the authority to deny renewal of the contract at its expiration. The Sponsor is also the fiscal agent of the Academy with the Treasurer of the Sponsor performing the role of Treasurer for the Academy.

The Academy operates under the direction of a five-member Board of Directors, a majority of which shall be elected or appointed public officials or public employees, or shall be other community leaders, as set forth in the Academy’s Code of Regulations. The Board of Directors may also include one or more parents of students enrolled in the Academy or civic leaders, also as set forth in the Academy’s Code of Regulations. The Sponsor appointed a majority of the board and can impose its will on the Academy; therefore, the Academy is a component unit of the Sponsor. The Board of Directors is responsible for carrying out the provisions of the contract which include, but are not limited to, helping create, approve, and monitor the annual budget; developing policies to guide the operation of the Academy; securing funding; and maintaining a commitment to the vision, mission, and belief statements of the Academy. During fiscal year 2011, the Academy purchased services from TRECA for providing instructional, administrative, and technical services for the Academy.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:-

The basic financial statements (BFS) of the Academy have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Academy also applies Financial Accounting Standards Board (FASB) statements and interpretations issued on or before November 30, 1989. Following are the more significant of the Academy’s accounting policies.

A. Basis of Presentation

The Academy’s basic financial statements consist of a statement of net assets; a statement of revenues, expenses, and change in net assets; and a statement of cash flows.

The Academy uses enterprise fund accounting to maintain its financial records during the fiscal year. Enterprise fund accounting focuses on the determination of operating income, change in net assets, financial position, and cash flows. Enterprise fund accounting may be used to account for any activity for which a fee is charged to external users for goods or services.

**PLEASANT EDUCATION ACADEMY
MARION COUNTY, OHIO
NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2011**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:- (continued)

B. Measurement Focus

The Academy is accounted for using a flow of economic resources measurement focus. All assets and liabilities associated with the operation of the Academy are included on the statement of net assets. The statement of revenues, expenses, and change in net assets presents increases (e.g., revenues) and decreases (e.g., expenses) in total net assets. The statement of cash flows reflects how the Academy finances and meets its cash flow needs.

C. Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. The Academy's financial statements are prepared using the accrual basis of accounting. Revenues resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded when the exchange takes place. Revenues resulting from non-exchange transactions, in which the Academy receives value without directly giving equal value in return, such as grants and entitlements, are recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the fiscal year when the resources are required to be used or the fiscal year when use is first permitted; matching requirements, in which the Academy must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to the Academy on a reimbursement basis. Expenses are recognized at the time they are incurred.

D. Budgetary Process

Unlike other public schools located in the State of Ohio, community schools are not required to follow budgetary provisions set forth in Ohio Revised Code Section 5705, unless specifically provided in the Academy's contract with its Sponsor. The contract between the Academy and its Sponsor does prescribe a budgetary review.

E. Cash and Cash Equivalents

Cash held by the Academy is reflected as "Cash and Cash Equivalents" on the statement of net assets. The Academy had no investments during the fiscal year ended June 30, 2011.

F. Prepaid Items

Payments made to vendors for services that will benefit periods beyond June 30, 2011, are recorded as prepaid items using the consumption method. A current asset for the prepaid amount is recorded at the time of purchase and an expense is reported in the year in which services are consumed. There were no prepaid items for the fiscal year ended June 30, 2011.

**PLEASANT EDUCATION ACADEMY
MARION COUNTY, OHIO
NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2011**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:- (continued)

G. Capital Assets and Depreciation

All capital assets are capitalized at cost and updated for additions and reductions during the year. Donated capital assets are recorded at their fair market value on the date donated. The Academy maintains a capitalization threshold of five hundred dollars. The Academy does not have any infrastructure. Improvements are capitalized. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized.

All capital assets are depreciated. Improvements are depreciated over the remaining useful lives of the related capital assets. Depreciation is computed using the straight-line method. Capital assets, currently consisting of equipment, are depreciated over three years.

H. Net Assets

Net assets represent the difference between assets and liabilities. Net assets invested in capital assets consists of capital assets, net of accumulated depreciation. Net assets are reported as restricted when there are limitations imposed on their use either through enabling legislation adopted by the Academy or through external restrictions imposed by creditors, grantors or laws, or regulations of other governments. The Academy first applies restricted resources when an expense is incurred for which both restricted and unrestricted net assets are available. The Academy did not have any net assets restricted by enabling legislation at fiscal year end.

During the fiscal year ended June 30, 2010, the Academy received start-up grant funds in the amount of \$50,000 and incurred start-up expenses in the amount of \$30,635, thereby resulting in a fiscal year 2011 beginning net asset balance of \$19,365.

I. Operating Revenue

Operating revenues are those revenues that are generated directly from the primary activity of the Academy. Operating expenses are necessary costs incurred to provide the service that is the primary activity of the Academy. All revenues and expenses not meeting this definition are reported as non-operating.

J. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

NOTE 3 - ACCOUNTABILITY AND COMPLIANCE:-

For fiscal year 2011, the Academy has implemented GASB Statement No. 54, "Fund Balance Reporting and Governmental Fund Type Definitions" and GASB Statement No. 59, "Financial Instruments Omnibus."

**PLEASANT EDUCATION ACADEMY
MARION COUNTY, OHIO
NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2011**

NOTE 3 - ACCOUNTABILITY AND COMPLIANCE:- (continued)

GASB Statement No. 54 enhances the usefulness of fund balance information by providing clear fund balance classifications that can be more consistently applied and by clarifying the existing governmental fund type definitions. This statement establishes fund balance classifications that comprise a hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of the resources reported in governmental funds. The implantation of GASB Statement No. 54 did not have an effect on the financial statements of the Academy.

GASB Statement No. 59 updates and improves existing standards regarding financial reporting of certain financial instruments and external investment pools. The implementation of GASB Statement No. 59 did not have an effect on the financial statements of the Academy.

NOTE 4 - DEPOSITS:-

Custodial credit risk is the risk that in the event of bank failure, the Academy's deposits may not be returned. The Academy does not have a policy for custodial credit risk. At June 30, 2011, the bank balance of the Academy's deposits were \$95,383. The full amount of the bank balance was covered by federal depository insurance.

NOTE 5 - RECEIVABLES:-

At June 30, 2011, the Academy had intergovernmental receivables in the amount of \$70,522 for the Public Charter School Program Grant. The receivables are expected to be collected within one year.

NOTE 6 - CAPITAL ASSETS:-

Less accumulated depreciation	(1,344)	(34,213)	0	(35,557)

**PLEASANT EDUCATION ACADEMY
MARION COUNTY, OHIO
NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2011**

NOTE 11 - CONTINGENCIES:-

A. Grants

The Academy received financial assistance from federal and state agencies in the form of grants. The expenditure of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the Academy at June 30, 2011.

B. Ohio Department of Education Enrollment Review

The Ohio Department of Education conducts reviews of enrollment data and full-time equivalency (FTE) calculations made by the schools. These reviews are conducted to ensure the schools are reporting accurate student enrollment data to the State, upon which state foundation funding is calculated. The conclusions of this review could result in state funding being adjusted. The results of the fiscal year 2011 review are not yet available; however it is the opinion of management that any such adjustments would not have a material effect on the overall financial position of the Academy at June 30, 2011.

NOTE 12 - SUBSEQUENT EVENTS:-

Management has evaluated subsequent events through December 20, 2011, the date which financial statements were available to be issued.

INDEPENDENT ACCOUNTANTS' REPORT
ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS REQUIRED
BY GOVERNMENT AUDITING STANDARDS

Board of Directors
Pleasant Education Academy
Marion County
Marion, Ohio

We have audited the financial statements of Pleasant Education Academy, Marion County, Ohio (the Academy), a component unit of Pleasant Local School District, Marion County, Ohio, as of and for the year ended June 30, 2011, which collectively comprise the Pleasant Education Academy's basic financial statements and have issued our report thereon dated December 20, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Academy's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of opining on the effectiveness of the Academy's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Pleasant Education Academy's internal control over financial reporting.

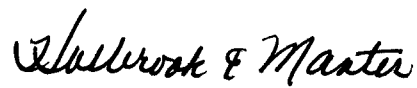

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of Pleasant Education Academy's financial statements will not be prevented, or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control over financial reporting that might be deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

Compliance and Other Matters

As part of reasonably assuring whether the Academy's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We intend this report solely for the information and use of management and the Board of Directors of Pleasant Education Academy, the community school's sponsor, and others within Pleasant Education Academy. We intend it for no one other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT
ON APPLYING AGREED-UPON PROCEDURE

Pleasant Education Academy
Marion County
1107 Owens Road
Marion, Ohio 43302

To the Board of Directors:

Ohio Rev. Code Section 117.53 states “the auditor of state shall identify whether the school district or community school has adopted an anti-harassment policy in accordance with Section 3313.666 of the Revised Code. This determination shall be recorded in the audit report. The auditor of state shall not prescribe the content or operation of any anti-harassment policy adopted by a school district or community school.”

Accordingly, we have performed the procedure enumerated below, which was agreed to by the Board, solely to assist the Board in evaluating whether Pleasant Education Academy (the Academy) has updated its anti-harassment policy in accordance with Ohio Rev. Code Section 3313.666. Management is responsible for complying with this requirement. This agreed-upon procedure engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of this procedure is solely the responsibility of the Board. Consequently; we make no representation regarding the sufficiency of the procedure described below either for the purpose for which this report has been requested or for any other purpose.

1. We noted the Board adopted an anti-harassment policy at its meeting on June 24, 2009.
2. We read the policy, noting it included the following requirements from Ohio Revised Code Section 3313.666(B):
 1. A statement prohibiting harassment, intimidation, or bullying of any student on school property or at school-sponsored events;
 2. A definition of harassment, intimidation, or bullying that includes the definition in division (A) of Ohio Revised Code Section 3313.666;
 3. A procedure for reporting prohibited incidents;
 4. A requirement that school personnel report prohibited incidents of which they are aware to the school principal or other administrator designated by the principal;
 5. A requirement that parents or guardians of any student involved in a prohibited incident be notified and, to the extent permitted by section 3319.321 of the Ohio Revised Code and the “Family Educational Rights and Privacy Act of 1974,” 88 Stat. 571, 20 U.S.C. 1232q, as amended, have access to any written reports pertaining to the prohibited incident;
 6. A procedure for documenting any prohibited incident that is reported;

7. A procedure for responding to and investigating any report incident;
 8. A strategy for protecting a victim from additional harassment, intimidation, or bullying, and from retaliation following a report;
 9. A disciplinary procedure for any student guilty of harassment, intimidation, or bullying, which shall not infringe on any student's rights under the first amendment to the Constitution of the United States.
 10. A requirement that the district administration semiannually provide the president of the district board a written summary of all reported incidents and post the summary on its web site, if the district has a web site, to the extent permitted by section 3319.321 of the Revised Code and the "Family Educational Rights and Privacy Act of 1974," 88 Stat. 571, 20 U.S.C. 1232q, as amended.
3. We noted the Board amended its anti-harassment policy at its meeting on April 26, 2010 to include violence within a dating relationship within its definition of harassment, intimidation or bullying.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the anti-harassment policy. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Board and is not intended to be and should not be used by anyone other than these specified parties.
