INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Secretary of State of Ohio
Republican Executive Committee
129 East Main Street
Chillicothe, OH 45601

We have performed the procedures enumerated below, to which the Republican Executive Committee (the Committee) agreed, solely to assist the Committee in evaluating its compliance with certain requirements included in Ohio Rev. Code Sections 3517.1012, 3517.13(X)(1), 2(b), (3)(a), and (4), 3517.17, and 3517.18, for the year ended December 31, 2011. The Committee is responsible for complying with these requirements. We followed the American Institute of Certified Public Accountants' attestation standards for agreed-upon procedures engagements and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the Committee. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Cash Receipts

1. We inquired of the Committee whether they deposited all gifts from corporations, labor organizations and all gifts restricted to operations into the same fund into which they deposit amounts received from the State Tax Commissioner. Management informed us they received no such gifts.
2. We footed each Statement of Political Party Restricted Fund Deposits Ohio Rev. Code Section 3517.17 requires (Deposit Form 31-CC), filed for 2011. We noted no computational errors.
3. We compared bank deposits reflected in the 2011 restricted fund bank statements to total deposits recorded in Deposit Forms 31-CC filed for 2011. The bank deposit amounts agreed to the deposits recorded in the Form for the annual report. However the Committee did not report any deposits on the 31-CC filed with its semi-annual report despite depositing \$1,202.24 in its restricted fund bank account.
4. We scanned the Committee's 2011 bank statements and noted they did not reflect four quarterly payments received from the State Tax Commissioner pursuant to Ohio Rev. Code 3517.17(A). One deposit, for \$117.24, was deposited in the restricted account but was not reported on the Committee's Form 31-CC. Additionally there were two other quarterly payments for \$6.08 and \$3.12 which were neither deposited in the Committee's restricted account or reported on the Committee's Form 31-CC.
5. We scanned other recorded 2011 receipts for evidence that a corporation or labor organization may have exceeded the \$10,000 annual gift limit Ohio Rev. Code 3517.13(X)(3)(a) imposes. We found no evidence that any corporation or labor organization exceeded this limit.

Cash Reconciliation

1. We recomputed the mathematical accuracy of the December 31, 2011 reconciliation for the bank account used for receipts and disbursements restricted pursuant to Ohio Rev. Code Section 3517.1012(A). We found no computational errors.
2. We agreed the bank balance on the reconciliation to the bank statement balance as of December 31, 2011. The balance reported on the reconciliation was \$10 greater than that reported on the bank statement; we noted there were five months of service charges totaling \$10 which were not accounted for on the *Statement of Political Party Restricted Fund Disbursements* (Disbursement Form 31-M).

Cash Disbursements

1. We footed each *Statement of Political Party Restricted Fund Disbursements* Ohio Rev. Code Section 3517.17 requires (Disbursement Form 31-M), filed for 2011. We noted no computational errors.
2. Per Ohio Rev. Code 3517.13(X)(1), we scanned Disbursement Form 31-M filed for 2011 and inquired of management whether they transferred any cash from the restricted fund to any other political party account into which contributions may be made or from which contributions or expenditures may be made. We found no evidence of prohibited transfers.
3. We compared the amounts on checks or other disbursements reflected in 2011 restricted fund bank statements to disbursement amounts reported on Disbursement Forms 31-M filed for 2011. As noted in the Cash Reconciliation section, step 2 above, there were five months of service charges totaling \$10 not reported on Disbursement Form 31-M. We recommend the Committee ensure all disbursements and service charges are recorded on its Disbursement Form 31-M.
4. For each disbursement on Disbursement Forms 31-M filed for 2011, we traced the payee and amount to payee invoices and to the payee's name on canceled checks. The payees and amounts recorded on Disbursement Forms 31-M agreed to the payees and amounts on the canceled checks and invoices.
5. We scanned the payee for each 2011 disbursement for evidence that it might represent a contribution or campaign-related disbursement, both of which Ohio Rev. Code 3517.13(X)(2)(b) prohibit. We found no evidence that any restricted fund disbursements represented contributions or campaign-related disbursements.
6. We compared the signature on 2011 checks to the list dated March 15, 2012 of authorized signatories the Committee provided to us. The signatory on all checks we selected was an approved signatory. We compared the endorsement to the payee listed on the check without exception.
7. We scanned each 2011 restricted fund disbursement recorded on Form 31-M for evidence that it represented a transfer from the restricted fund to any other state or county political party, which Ohio Rev. Code 3517(X)(4) prohibits. We found no evidence of any transfers.
8. We compared the purpose of each disbursement listed on 2011 Disbursement Forms 31-M to the purpose listed on the vendor invoice and to the purposes Ohio Rev. Code Section 3517.18 permits. We found no instances where the purpose described on the invoice violated the restrictions of Ohio Rev. Code Section 3517.18.

We were not engaged to, and did not examine each *Statement of Political Party Restricted Fund Deposits* and *Statement of Political Party Restricted Fund Disbursements* filed for 2011, the objective of which would have been to opine on compliance. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that we would have reported to you.

This report is intended solely for the information and use of the Secretary of State of Ohio and for the Republican Executive Committee and is not intended to be and should not be used by anyone else.
