We have performed the procedures enumerated below, with which the Board of Trustees and the management of Centerburg Public Library, Knox County, Ohio (the Library) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2012 and 2011, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

## Cash and Investments

1. We tested the mathematical accuracy of the December 31, 2012 and December 31, 2011 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2011 beginning fund balances recorded in the Cash Journal to the December 31, 2010 balances in the documentation in the prior year Agreed-Upon Procedures. We found no exceptions. We also agreed the January 1, 2012 beginning fund balances recorded in the Cash Journal to the December 31, 2011 balances in the Cash Journal. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2012 and 2011 fund cash balances reported in the Cash Journal. The amounts agreed.
4. We confirmed the December 31, 2012 bank account balances with the Library's financial institutions. We found no exceptions.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2012 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.

### **Cash and Investments (Continued)**

6. We tested investments held at December 31, 2012 and December 31, 2011 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

### **State Library and Local Government Support Receipts**

We selected two State Library and Local Government Support (LLGS) receipts from the Knox County Detail Expense Reports from 2012 and two from 2011.

### **Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for five employees from 2012 and one payroll check for five employees from 2011 from the Payroll Ledger and:
  - a. We compared the hours and pay rate, or salary recorded in the Payroll Ledger to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.
  - c. We determined whether the fund and account codes to which the check was posted were reasonable based on the employees' duties as documented in the employees' personnel files. We also determined whether the payment was posted to the proper year. We found no exceptions.
2. For any new employees selected in step 1 we determined whether the following information in the employees' personnel files was consistent with the information used to compute gross and net pay related to this check:
  - a. Name
  - b. Authorized salary or pay rate
  - c. Department(s) and fund(s) to which the check should be charged
  - d. Retirement system participation and payroll withholding

**Payroll Cash Disbursements (Continued)**

- e. Federal, State & Local income tax withholding authorization and withholding
- f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – f. above.

3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2012 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2012. We noted the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare	January 31, 2013	December 31, 2012	\$851.52	\$851.52
State income taxes	January 15, 2013	December 31, 2012	\$275.24	\$275.24
Village income taxes	January 31, 2013	December 31, 2012	\$322.56	\$322.56
School income taxes	January 31, 2013	December 31, 2012	\$80.76	\$80.76
OPERS retirement	January 30, 2013	December 31, 2012	\$2,451.95	\$2,451.95

4. We haphazardly selected and recomputed one termination payment (unused vacation, etc.) using the following information, and agreed the computation to the amount paid as recorded in the Payroll Ledger:
  - a. Accumulated leave records
  - b. The employee's pay rate in effect as of the termination date
  - c. The Library's payout policy.

The amount paid was consistent with the information recorded in a. through c. above.

**Non-Payroll Cash Disbursements**

1. From the Appropriation Ledger, we re-footed checks recorded as General Fund *Library Services* for 2012. We found no exceptions.
2. We haphazardly selected ten disbursements from the Cash Journal for the year ended December 31, 2012 and ten from the year ended 2011 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Cash Journal and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

**Compliance – Budgetary**

1. We compared total appropriations required by Ohio Admin. Code Section 117-8-02, to the amounts recorded in the Appropriation Ledger for 2011 and 2012 for the General Fund. We noted that the 2011 appropriation resolutions exceeded the amounts recorded in the Appropriation Ledger by \$15,500. We recommend that the library periodically compare amounts recorded in the Appropriation Ledger to appropriation resolutions to assure they agree.
2. Ohio Admin. Code Section 117-8-02 prohibits spending in excess of budgeted amounts. We compared total expenditures to total appropriations for the years ended December 31, 2012 and 2011 for the General fund, as recorded in the Appropriation Ledger. We noted no funds for which expenditures exceeded appropriations.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Library, and is not intended to be, and should not be used by anyone other than these specified parties.
