Financial Report
June 30, 2013

Dave Yost • Auditor of State

Board of Trustees
Housing for Ohio, Inc.
204 HDL Center
Athens, Ohio 45701

We have reviewed the *Independent Auditor's Report* of the Housing for Ohio, Inc., Athens County, prepared by Plante & Moran, PLLC, for the audit period July 1, 2012 through June 30, 2013. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Housing for Ohio, Inc. is responsible for compliance with these laws and regulations.

Independent Auditor's Report

To the Board of Trustees
Housing for Ohio, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Housing for Ohio, Inc. (the "Organization"), a not-for-profit corporation, which comprise the statement of financial position as of June 30, 2013 and 2012 and the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Trustees
Housing for Ohio, Inc.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Housing for Ohio, Inc. as of June 30, 2013 and 2012 and the changes in net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 9, 2013 on our consideration of Housing for Ohio, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Housing for Ohio, Inc.'s internal control over financial reporting and compliance.

Plante & Moran, PLLC

October 9, 2013

Housing for Ohio, Inc.

Statement of Financial Position

	June 30 2013	June 30 2012
Assets

Cash - End of year	**$ 1,245,256**	**$ 1,300,214**
Supplemental Disclosure of Cash Flow Information - Cash paid during the year for interest	**$ 39,661**	**$ 31,851**

The Notes to the Financial Statements are an Integral Part of this Statement.

Note 1 - Nature of Entity

Housing for Ohio, Inc. (the "Organization") was organized as a managing corporation on November 18, 1999 under the laws of the State of Ohio for the purpose of acquiring, developing, constructing, and operating a 182-unit (580-bed) student housing facility. As defined in accounting standards, the Organization is considered to be a controlled entity of The Ohio University Foundation (the "Foundation"). The Foundation's purpose is to support Ohio University (the "University"), located in Athens, Ohio, its students, faculty, and staff, and the educational programs designated for its students, potential students, and alumni.

The student housing facility is currently known as University Courtyard Apartments (the "Project") and is located in Athens, Ohio. Construction of the Project began in September 2000 and was substantially complete in October 2001, at which time the Organization began operating and managing the student housing facility through the use of an external property manager.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation - Accounting standards require that resources be classified into three net asset categories according to donor-imposed restrictions. A description of each category is as follows:

- **Unrestricted Net Assets** - Unrestricted net assets are free of donor-imposed restrictions and include all revenue, expenses, gains, and losses that are not changes in temporarily or permanently restricted net assets.

- **Temporarily Restricted Net Assets** - Temporarily restricted net assets include gifts and pledges receivable for which donor-imposed restrictions have not been met and for which the ultimate purpose of the proceeds is not permanently restricted.

- **Permanently Restricted Net Assets** - Permanently restricted net assets are subject to restrictions of gift instruments requiring that the principal be invested in perpetuity. The income from these assets is included in temporarily restricted funds until appropriated for expenditure in the accompanying statement of activities and changes in net assets.

For the years ended June 30, 2013 and 2012, the Organization's deficiency in net assets was unrestricted.

Note 2 - Summary of Significant Accounting Policies (Continued)

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Property and Equipment - Property and equipment additions are stated at cost. Interest incurred during the construction period was capitalized and is part of the historical cost of the student housing facility.

Property and equipment under construction are not depreciated until the assets are placed in service, which occurs once construction is substantially complete. Depreciation is provided over the estimated useful lives of the assets using the straight-line method. Estimated useful lives by asset class are as follows:

	Estimated Useful Lives
Student housing facility and improvements	15-40 years
Furnishings and equipment	5-10 years

Deferred financing costs are amortized using the straight-line method over the terms of the related debt.

Impairment of Long-lived Assets - Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. When indicators of impairment are present, management evaluates the carrying amount of such assets in relation to the operating performance and future estimated undiscounted net cash flows expected to be generated by the assets or underlying operations. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. The assessment of the recoverability of assets will be impacted if estimated future operating cash flows are not achieved. In the opinion of management, no long-lived assets were impaired as of June 30, 2013 or 2012.

Note 2 - Summary of Significant Accounting Policies (Continued)

Prepaid Lease Expense - Prepaid lease amounts are stated at cost. The prepaid lease is amortized over the life of the lease, which is 40 years. See Note 6 for additional detail.

Recognition of Revenue - Rental income is recognized on a straight-line basis over the terms of the tenant leases (one year). Rental payments received in advance of the rental income recognition are included in deferred rental income, a liability in the accompanying statement of financial position. Late fees are recognized when tenants fail to submit rental payments under the terms of leases. Late fees and other miscellaneous fees such as month-to-month leasing agreements, rental of storage facilities, and reservation fees are included in other operating income related to rental activity in the accompanying statement of activities and changes in net assets.

Income Taxes - The Organization has been granted tax-exempt status under Section 501(a)(3) of the Internal Revenue Code (the "Code") as an organization described in Section 501(c)(3) whereby only unrelated business income, as defined by Section 512(a)(1) of the Code, is subject to federal income tax. The Organization had no significant unrelated business taxable income during fiscal years 2013 and 2012; accordingly, no provision or benefit for income taxes has been included in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. Management has analyzed the tax positions taken by the Organization and has concluded that as of June 30, 2013 and 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to June 30, 2010.

Advertising Costs - Advertising and promotion costs are expensed as incurred. Advertising and promotion costs totaled approximately $45,000 and $40,000 during fiscal years 2013 and 2012, respectively.

Subsequent Events - The financial statements and related disclosures include evaluation of events up through and including October 9, 2013, which is the date the financial statements were issued.

Note 3 - Property and Equipment

A summary of property and equipment at June 30, 2013 and 2012 consisted of the following:

	2013	2012
Student housing facility and improvements	$ 27,206,322	$ 27,020,441
Furnishings and equipment	1,403,851	1,371,289
Total property and equipment	28,610,173	28,391,730
Less accumulated depreciation	9,559,484	8,829,525
Net property and equipment	$ 19,050,689	$ 19,562,205

Depreciation expense totaled approximately $730,000 and $737,000 during fiscal years 2013 and 2012, respectively.

Note 4 - Assets Held by Trustee

Assets held by trustee represent cash and cash equivalents that, under the terms of the bond issue trust indenture agreement (the "Trust Indenture"), are restricted for various purposes (see Note 7). In accordance with the terms of the Trust Indenture and related agreements, the proceeds from the bonds not used to construct the student housing facility and certain equipment and improvements were deposited with the trustee. The trustee is then authorized, through direction from the Trust Indenture and in some cases the Organization, to transfer funds out of the revenue funds to other funds as outlined in the Trust Indenture. Funds held by the trustee consist of interest-bearing cash accounts.

Note 4 - Assets Held by Trustee (Continued)

At June 30, 2013 and 2012, fund balances held by the trustee were as follows:

	2013	2012
Reimbursement fund	$ 73,312	$ 69,929
Debt service reserve fund	2,425,572	2,426,077
Capitalized fees fund	1,313	1,313
Pledged revenue fund	709,703	331,269
Replacement reserve fund	348,124	348,124
Operating reserve fund	370,510	370,510
Total	$ 3,928,534	$ 3,547,222

At June 30, 2013, the uninsured balance for these funds was approximately $2,854,000.

Note 5 - Deferred Financing Costs

The Organization incurred financing costs as a result of the issuance of debt to fund the Project. At June 30, 2013 and 2012, deferred charges consisted of the following:

	2013	2012
Deferred financing costs	$ 826,949	$ 826,949
Less accumulated amortization	352,059	325,902
Total	$ 474,890	$ 501,047

Amortization expense associated with deferred charges totaled $26,157 in 2013 and 2012. Estimated amortization expense for the next five years is approximately $26,000 per year.

Note 6 - Prepaid Lease Expenses

The Organization (Borrower) and Ohio University (Lessor) have entered into a ground lease for the term from September 1, 2000 through August 30, 2040 for the land on which the Project was built. As a condition of the ground lease, the Organization purchased the land and transferred title to that land to the University. The cost basis for this land is amortized over the term of the lease. The amount of the original prepaid lease totaled $911,478 and included the cost of the land. Total amortization expense for the years ended June 30, 2013 and 2012 was $22,787 for each year. Estimated amortization expense for the next five years is approximately $23,000 per year.

In addition to the lump-sum lease payment noted above, the Lessor pays an annual amount at least equal to the Local Government Support Payment (LGSP) to the City of Athens pursuant to and as defined in the agreement titled *Local Government Support Payment for University Courtyard Project Between the Lessor and the City of Athens* (the "Agreement"). Related to this Agreement, the Organization paid approximately $197,000 and $74,000 in fiscal years 2013 and 2012, respectively. These amounts are included in taxes and insurance in the accompanying statement of activities and changes in net assets.

Note 7 - Long-term Debt

Note Payable

The Organization agreed, as part of its settlement agreement with the Project's developer (see Note 9), to issue a promissory note to the developer in the amount of $700,000, of which $70,000 was payable to the Project's construction company and $630,000 was payable to the Project's developer. The note is payable in 10 annual installments of $70,000 each, commencing June 1, 2005, with the first payment made to the construction company and all payments thereafter to the developer. Each subsequent installment is payable to the developer on or before June 1 for each succeeding year until paid in full.

Note 7 - Long-term Debt (Continued)

The payment terms are predicated on the Project's current management company (which is a related party to the developer and contractor) remaining the manager of the Project. In the event that the current management company's services are terminated prior to the final payment, the remaining balance shall become immediately due and payable. There is no interest accruing on the note, and management believes that the present value discount of future payments and the calculation of imputed interest on this note are not significant to the financial statements.

In March 2012, the Organization was notified by a financial institution that the developer had listed the remaining installment payments as collateral on a loan with that financial institution. The notification advised that all subsequent payments were to be made to that financial institution. Although a payment was due June 1, 2013 and 2012, the Organization was in the process of negotiating a settlement of all payments with the financial institution, and the outstanding promissory note balance was $210,000 on June 30, 2013 and 2012. During September 2013, the Organization and the financial institution reached a settlement agreement and the $210,000 balance was paid in full.

Loan Payable

Permanent financing for the Project was provided by funds generated from the sale of tax-exempt bonds (the "Series 2000 Bonds") issued by Athens County Port Authority (the "Issuer"). Proceeds from the sale of the Series 2000 Bonds were loaned to the Organization with repayment terms sufficient in time and amount to pay all bond service charges when due. The tax-exempt bonds of $31,985,000 have a final maturity on June 1, 2032, require monthly payments of interest and an annual principal payment on June 1, and bear interest at a variable rate as determined by a remarketing agent. Interest is payable on the first business day of each month beginning October 1, 2000 and ending June 1, 2032. Outstanding principal for the borrowing totaled $25,970,000 and $26,750,000 at June 30, 2013 and 2012, respectively.

The Organization has the ability under certain specified circumstances to select different interest rate options based on short-term and long-term periods, as defined for the Series 2000 Bonds. The average weekly interest rates for fiscal years 2013 and 2012 were 0.14 percent, and the actual interest rates at June 30, 2013 and 2012 were 0.08 percent and 0.20 percent, respectively.

Note 7 - Long-term Debt (Continued)

The Trust Indenture specifies that certain reserves be maintained for as long as any of the principal and interest on the bonds is outstanding and unpaid. During the construction period, there were more than 10 reserve accounts maintained by the trustee. Currently, there are six separate reserves, the largest of which is a substantial debt service reserve as required by the Trust Indenture (see Note 4).

Pursuant to the loan documents, the Organization grants to the trustee first lien security title and a security interest in the real estate, property, and revenue of the Organization. The Organization also assigned to the trustee its rights under various agreements and contracts. The Series 2000 Bonds may be redeemed at the option of the bondholders under certain circumstances, and the Organization has the option to redeem the Series 2000 Bonds under certain circumstances.

The Issuer and the trustee agreed that the Organization would have no liability under the various agreements delivered in connection with the issuance of the bonds beyond its interest in the Project. Although the trustee may bring appropriate action to enforce the various agreements, such as a foreclosure action or an action for specific performance, both the Issuer and the trustee agreed not to sue for, seek, or demand any deficiency against the Organization in connection with the loan agreements or bond documents.

Maturities of bonds payable at June 30, 2013 are as follows:

2014		$ 820,000
2015		865,000
2016		910,000
2017		960,000
2018		1,010,000
Thereafter		21,405,000
	Total	$ 25,970,000

Note 7 - Long-term Debt (Continued)

In connection with the issuance of the Series 2000 Bonds, the Organization was required to obtain an irrevocable letter of credit in the amount of $32,528,745 from a financial institution. The current amount of the letter of credit is reduced in accordance with the amortization schedule and represents the principal balance plus appropriate interest coverage. The letter of credit, provided by Wells Fargo, NA, serves as credit enhancement for the Series 2000 Bonds. The letter of credit is annually renewable with an expiration date in mid-October. The current letter of credit agreement, in place through October 15, 2013, is subject to an annual fee of 1.50 percent of the outstanding balance on the debt. Management is currently negotiating the terms for a new letter of credit with Barclays Bank PLC, with an expiration date in mid-October 2016. Letter of credit fee expense totaled $483,171 and $598,347 at June 30, 2013 and 2012, respectively, which is included in bond fees in the accompanying statement of activities and changes in net assets.

The Organization is subject to various financial and nonfinancial covenants under certain bond documents. The Trust Indenture contains significant limitations and restrictions on annual debt service requirements, maintenance of and flow of monies through various restricted accounts, minimum amounts to be maintained in various sinking funds, and minimum bond coverages.

Note 8 - Related Party Transactions

The University pays for certain expenses on behalf of the Organization, then the Organization reimburses the University. These expenses include cable and internet services and campus transportation services. The amount of these expenses totaled approximately $210,000 and $250,000 for 2013 and 2012, respectively.

Note 9 - Commitments

The Organization entered into a management agreement with an unrelated management company (the "Manager"), pursuant to which the Manager is responsible for the general management of the Project. The initial term of the agreement expired in September 2006; however, the agreement is automatically renewed annually for an additional year at the option of the Manager unless terminated by the Organization prior to that date in accordance with the agreement.

Note 9 - Commitments (Continued)

For each month, the management company receives compensation equal to $8,000 plus 5 percent of Project revenue for the month, not to exceed an additional $8,000. The management company's total compensation is not to exceed $16,000 monthly. The payment of such property management fees is subject to the maintenance of a required debt service coverage ratio and a required debt service reserve. Property management fees are cumulative in the event that debt service requirements are not met. Property management fees totaled $162,053 and $169,760 for fiscal years 2013 and 2012, respectively. The terms of the agreement are subordinate to the bonds and related agreements and any other debt of the Organization.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Independent Auditor's Report

To Management and the Board of Trustees
Housing for Ohio, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Housing for Ohio, Inc. (the "Organization"), a not-for-profit corporation, which comprise the statement of financial position as of June 30, 2013 and 2012 and the related statements of activities and changes in net assets and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated October 9, 2013.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Housing for Ohio, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we do not express an opinion on the effectiveness of the entity's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To Management and the Board of Trustees
Housing for Ohio, Inc.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Housing for Ohio, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We also noted certain matters that we have reported to management of Housing for Ohio, Inc. in a separate letter dated October 9, 2013.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
