## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Starr Township  
Hocking County  
21045 State Route 278 SW  
Nelsonville, Ohio 45764

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Starr Township, Hocking County, Ohio (the Township), agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2012 and 2011, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash

1. We tested the mathematical accuracy of the December 31, 2012 and December 31, 2011 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2011 beginning fund balances recorded in the Cash Journal by Fund report to the December 31, 2010 balances in the prior year cash basis annual financial report. We found the beginning fund balances did not agree to the ending fund balances by \$785 for the General and Cemetery Funds. We also agreed the January 1, 2012 beginning fund balances recorded in the Cash Journal by Fund report to the December 31, 2011 balances in the Cash Journal by Fund report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2012 and 2011 fund cash balances reported in the Cash Journal by Fund reports. The amounts agreed.
4. We confirmed the December 31, 2012 bank account balance with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2012 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2012 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.

**Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2012 and one from 2011:
  - a. We traced the gross receipts from the *Statement* to the amount recorded in the Cash Journal by Fund report. The amounts agreed.
  - b. We determined whether the receipt was allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Cash Journal by Fund to determine whether it included two real estate tax receipts for 2012 and 2011. We noted the Cash Journal by Fund included the proper number of tax receipts for each year.
3. We tested all the receipts from the State Distribution Transaction Lists (DTL) from 2012 and from 2011. We also selected five receipts from the County Auditor's Expenditure History by Vendor Report from 2012 and five from 2011.
  - a. We compared the amount from the above reports to the amount recorded in the Cash Journal by Fund report. The amounts agreed.
  - b. We determined whether these receipts were allocated to the proper fund(s). We found no exceptions.
  - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.

**Debt**

1. From the prior year agreed-upon procedures documentation, we noted the following loan outstanding as of December 31, 2010. These amounts agreed to the Townships January 1, 2011 balances on the summary we used in step 3.

<b>Issue</b>	<b>Principal outstanding as of December 31, 2010:</b>
John Deere Grader Loan	\$8,667

2. We inquired of management, and scanned the Cash Journal by Fund report for evidence of debt issued during 2012 or 2011 or debt payment activity during 2012 or 2011. All debt noted agreed to the summary we used in step 3.
3. We obtained a summary of note debt activity for 2012 and 2011 and agreed principal and interest payments from the related debt amortization schedules to General and Gasoline Tax fund payments reported in the Appropriation Ledger. We also compared the date the debt service payments were due to the date the Township made the payments. We found debt payments were posted as capital outlay instead of principal and interest payments. We found no other exceptions.
4. We agreed the amount of debt proceeds from the debt documents to amounts recorded in the Cash Journal by Fund report. The Township did not record the debt proceeds or the corresponding expenditure to the township books. The proceeds from the bank were paid directly to the vendor.

**Debt (Continued)**

5. For new debt issued during 2012, we inspected the debt legislation, noting the Township must use the proceeds to purchase paving equipment. We noted the Township purchased paving equipment in May 2012. The bank made the payment directly to the vendor from the loan proceeds.

**Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for five employees from 2012 and one payroll check for five employees from 2011 from the Payroll Record report and:
  - a. We compared the hours and pay rate, or salary recorded in the Payroll Record to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.
  - c. We determined whether the fund and account codes to which the check was posted were reasonable based on the employees' duties as documented in the minute record or as required by statute. We also determined whether the payment was posted to the proper year. We found no exceptions.
2. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2012 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2012. We noted the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare	1/31/13	1/2/13	\$843.82	\$843.82
State income taxes	1/31/13	1/3/13	\$446.50	\$446.50
OPERS retirement	1/31/13	1/2/13	\$1670.03	\$1670.03

**Non-Payroll Cash Disbursements**

1. From the Appropriation Ledger, we re-footed checks recorded as General Fund disbursements for lighting contracts, and checks recorded as maintenance of equipment in the Gasoline Tax fund for 2012. We found no exceptions.
2. We haphazardly selected ten disbursements from the Cash Journal by Fund report for the year ended December 31, 2012 and ten from the year ended 2011 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Cash Journal by Fund report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a Then and Now Certificate, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

### **Compliance – Budgetary**

1. We compared the total estimated receipts from the Amended Official Certificate of Estimated Resources, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Receipts Journal for the General, Gasoline Tax and Road and Bridge funds for the years ended December 31, 2012 and 2011. The amounts agreed.
2. We scanned the appropriation measures adopted for 2012 and 2011 to determine whether, for the General, Gasoline Tax and Road and Bridge funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Ledger for 2012 and 2011 for the following funds: General, Gasoline Tax and Road and Bridge. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Ledger.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gasoline Tax and Road and Bridge funds for the years ended December 31, 2012 and 2011. We noted no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2012 and 2011 for the General, Gasoline Tax and Road and Bridge fund, as recorded in the Cash Journal by Fund report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipts Journal for evidence of new restricted receipts requiring a new fund during December 31, 2012 and 2011. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. We scanned the 2012 and 2011 Receipts Journal and Appropriation Ledger for evidence of interfund transfers which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Ledger to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.

### **Compliance – Contracts & Expenditures**

We inquired of management and scanned the Cash Journal by Fund report for the years ended December 31, 2012 and 2011 to determine if the Township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.

A handwritten signature in black ink that reads "Dave Yost". The signature is written in a cursive style with a large, looping "D" and "Y".
