INDEPENDENT AUDITORS' REPORT

Butler Township
Richland County
8256 Olivesburg Fitchville Road
Greenwich, Ohio 44837-9600

To the Township Trustees:

Report on the Financial Statements

We have audited the accompanying financial statements of the cash balances, receipts and disbursements by fund type and related notes of the Butler Township, Richland County, as of and for the years ended December 31, 2015 and 2014.

Management's Responsibility For the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Township's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Township's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statements, the Township prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States, to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonable determinable, we presume they are material.

Though the Township does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis permitted is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Butler Township, Richland County as of December 31, 2015 and 2014, or changes in financial position thereof for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined cash balances of Butler Township, Richland County as of December 31, 2015 and 2014, and its combined cash receipts and disbursements for the years then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 1.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated April 30, 2016, on our consideration of Butler Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of Butler Township, Richland County, (the Township) as a body corporate and politic. A publically-elected three-member Board of Trustees directs the Township. The Township provides general government services, road and bridge maintenance, cemetery maintenance and fire protection services. The Township contracts with the C.B. & S. Joint Fire District to provide fire services and the Savannah Volunteer Fire Company to provide EMS services.

The Township participates in the Ohio Government Risk Management Plan public entity risk pool. Note 7 to the financial statements provides additional information for this entity. This organization is:

Public Entity Risk Pool:

The Township belongs to the Ohio Government Risk Management Plan (the Plan) an unincorporated non-profit association providing a formalized, jointly administered self insurance risk management plan. Member governments pay annual premiums to fund the Plan. The Plan pays judgments, settlements and other expenses resulting from covered claims exceeding the member's deductible.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

B. Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03(D). This basis is similar to the cash receipts and disbursements accounting basis. The Township recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03(D) permit.

C. Deposits and Investments

The Township's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

D. Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

General Fund

The General Fund accounts for and reports all financial resources not accounted for and reported in another fund.

**BUTLER TOWNSHIP
RICHLAND COUNTY**

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Special Revenue Funds

These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Township had the following significant Special Revenue Funds:

Gasoline Tax Fund – This fund receives gasoline tax monies to pay for constructing, maintaining, and repairing Township roads.

Road and Bridge Fund – This fund receives property tax monies to pay for constructing, maintaining, and repairing Township roads and bridges.

Permissive Sales Tax Fund – This fund receives permissive sales tax money to pay for constructing, maintaining, and repairing Township roads and bridges.

E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function and object level of control and appropriations may not exceed estimated resources. The Trustees must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2015 and 2014 budgetary activity appears in Note 3.

RICHLAND COUNTY**

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

1. Nonspendable

The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

2. Restricted

Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

3. Committed

Trustees can *commit* amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

4. Assigned

Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by Township Trustees or a Township official delegated that authority by resolution, or by State Statute.

5. Unassigned

Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

G Property, Plant and Equipment

The Township records disbursements for acquisitions of property, plant and equipment when paid. The accompanying financial statements do not report these items as assets.

**BUTLER TOWNSHIP
RICHLAND COUNTY**

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

H. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

2. EQUITY IN POOLED CASH AND INVESTMENTS

The Township maintains a deposit and investment pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at December 31 was as follows:

	2015	2014
Demand deposits	\$ 507,176	\$ 499,651
	\$ 507,176	\$ 499,651

Deposits: Deposits are either insured by the Federal Depository Insurance Corporation or collateralized by the financial institution's public entity deposit pool.

3. BUDGETARY ACTIVITY

Budgetary activity for the years ended December 31, 2015 and 2014 follows:

2015 Budgeted vs. Actual Receipts

Contrary to ORC 5705.41(D), there were purchases made prior to the certification of money available.

4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Township Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as intergovernmental receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

5. DEBT

All outstanding debt was paid off in 2014.

6. RETIREMENT SYSTEMS

The Township’s full-time employees and elected officials belong to the Public Employees Retirement System (OPERS) of Ohio. OPERS is a cost-sharing, multiple employer plan. The Ohio Revised Code prescribes the plan benefits, which include postretirement healthcare, and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2015 and 2014, OPERS members contributed 10.0% of their gross wages and the Township contributed an amount equal to 14.00% of participant’s gross salaries. The Township has paid all contributions required through December 31, 2015.

7. RISK MANAGEMENT

The Township is exposed to various risks of property and casualty losses, and injuries to employees.

The Township pays the State Workers’ Compensation System a premium based on a rate of per \$100 of salaries. This rate is calculated based on accident history and administrative costs. The System administers and pays all claims.

The Township belongs to the Ohio Plan Risk Management, Inc. (OPRM) – formerly known as the Ohio Government Risk Management Plan, (The Plan), a non-assessable, unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management program and other administrative services to Ohio governments (“Members”). The Plan is legally separate from its member governments.

NOTES TO FINANCIAL STATEMENTS

7. RISK MANAGEMENT (Continued)

Pursuant to Section 2744.081 of the Ohio Revised Code, the Plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages to its members sold through fourteen appointed independent agents in the State of Ohio.

OPRM coverage programs are developed specific to each member's risk management needs and the related premiums for coverage are determined through the application of uniform underwriting criteria addressing the member's exposure to loss, except OPRM retains 41.5% (effective November 1, 2011) of the premium and losses of the first \$250,000 casualty treaty and 10% of the first \$1,000,000 property treaty. Effective November 1, 2012 (and through October 2014) the plan increased its retention to 50% of the first \$250,000 casualty treaty. The Plan's property retention remained unchanged from prior years. This change was made to balance the reinsurance market conditions. Members are only responsible for their self-retention (deductible) amounts, which vary from member to member. OPRM had 774 and 783 members as of December 31, 2013 and 2014, respectively.

Plan members are responsible to notify the Plan of their intent to renew coverage by their renewal date. If a member chooses not to renew with the Plan, they have no other financial obligation to the Plan, but still need to promptly notify the Plan of any potential claims occurring during their membership period. The former member's covered claims, which occurred during their membership period, remain the responsibility of the Plan.

Settlement amounts did not exceed insurance coverage for the past three years.

The Pools audited financial statements conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31, 2013 and 2014 the latest information available.

	<u>2013</u>	<u>2014</u>
Assets	\$ 13,774,304	\$ 14,830,185
Liabilities	<u>(7,968,395)</u>	<u>(8,942,504)</u>
Retained Earnings	<u>\$ 5,805,909</u>	<u>\$ 5,887,681</u>

You can read the complete audited financial statements for OPRM at the Plan's website, www.ohioplan.org.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY GOVERNMENT AUDITING STANDARDS.**

Butler Township
Richland County
8256 Olivesburg Fitchville Road
Greenwich, Ohio 44837-9600

To the Township Trustees:

We have audited, in accordance with auditing standards general accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of Butler Township, Richland County as of and for the years ended December 31, 2015 and 2014, and the related notes to the financial statements and have issued our report thereon dated April 30, 2016, wherein we noted the Township followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered Butler Township's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Township's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or a combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Township's financial statements. A *significant deficiency* is a deficiency or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies.. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Butler Township's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Township's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Township's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
