We have performed the procedures enumerated below, with which the Board of Supervisors (the Board) and the management of the Fairfield Soil and Water Conservation District (the District) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2012 through 2016, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

The amounts agreed.

All Other Cash Receipts

We haphazardly selected 10 other cash receipts from the year ended December 31, 2016 and five other cash receipts from each of the years ended 2012 through 2015 recorded in the duplicate cash receipts book and determined whether the:

3. Receipt was posted to the proper fund(s), and was recorded in the proper year. We found no exceptions.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2016 and one payroll check for two employees for each of the years ended December 31, 2012 through 2015 from the Detailed Check Register Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Detailed Check Register Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.

 - c. We inspected the Detailed Check Register Report to determine whether the check was classified as *salaries* and was posted to the proper year. We found no exceptions.
2. For the five employees selected in step 1 from 2016, we inspected the following information in the employees' personnel files minute record to determine it was consistent with the information used to compute gross and net pay related to the check:
 - a. Name
 - b. Authorized salary or pay rate
 - c. Retirement system participation and payroll withholding
 - d. Federal, State & Local income tax withholding authorization and withholding
 - e. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – e. **above.**

3. We haphazardly selected and recomputed one termination payment (unused vacation, etc.) occurring between January 1, 2012 and December 31, 2016, and agreed the computation to the amount paid as recorded in the Detailed Check History Report:
 - a. Accumulated leave records
 - b. The employee's pay rate in effect as of the termination date
 - c. The District's payout policy.

The amount paid was consistent with the information recorded in a. through c. above.

Non-Payroll Cash Disbursements

1. We haphazardly selected five disbursements from the *Special Fund* and five disbursements from the *District Fund* and other funds from the General Ledger Report for the year ended December 31, 2016 and two from the *Special Fund* and three from the *District Fund* and other funds for each of the years ended 2012 through 2015 and determined whether:

 - iii. The voucher was signed by the fiscal officer and approved by a majority of the Board of Supervisors. We found no exceptions.

2016 Special Fund Budgetary Compliance

1. We inspected the District's Special Fund Budget Request submitted to the County Commissioners. The request included the Special Fund's *Needs, Income* and *Balances* anticipated for carry over from the current year, as required by the SWCD Administrative Handbook, Chapter 5. We also compared the budget amounts to the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report. The amounts agreed.
2. We compared the total estimated receipts reported on the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report to the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances*, required by Ohio Rev. Code Section 5705.36(A)(1), and to the amounts recorded in the Year-To-Date Budget Report for the Special Fund. The amounts agreed.
3. We inspected the appropriation measures to determine whether the Supervisors appropriated separate amounts within the Special Fund for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
4. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Year-To-Date by Fund Report for the Special Fund, and to the appropriations reported on the Special Fund Budgetary Activity footnote of the Cash Basis Annual Financial Report. The amounts agreed.
5. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.28(B)(2)(C) prohibit appropriations from exceeding estimated revenue. We compared total appropriations to total estimated revenue for the Special Fund for the year ended December 31, 2016. Appropriations did not exceed estimated revenues for the Special Fund.
6. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus year-end certified commitments (i.e. encumbrances)) from exceeding appropriations. We compared total disbursements plus outstanding year-end encumbrances to total appropriations for the year ended December 31, 2016 for the "Special" Fund, as recorded in the Annual Cash Basis Financial Report. Expenditures did not exceed appropriations for the Special Fund.
7. We inspected the Annual Cash Basis Financial Report for the year ended December 31, 2016 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had negative cash fund balances.

2016 Compliance – Contracts & Expenditures

We inquired of management and inspected the General Ledger Report for the year ended December 31, 2016 to determine if the District purchased equipment and services allowed by ORC 1515.09 or purchased goods or services allowed by ORC 1515.08(H)(1) whose cost, other than personal service compensation or office space rent, exceeded \$50,000. There were no purchases exceeding \$50,000.

2016 Other Compliance

Ohio Rev. Code Section 117.38 requires Districts to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. We reviewed the HINKLE system and noted the District filed their financial information within the allotted timeframe for the year ended December 31, 2016.

This report is for the use of the District to assist in evaluating its receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2012 through 2016, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose
