Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code Section 117.11(A). Because our procedures were not designed to opine on the Corporation's financial statements, we did not follow *generally accepted auditing standards*. Current Year Observations

Ohio Rev. Code § 1724.05 requires the Corporation to file with the Auditor of State its annual report within 120 days following the last day of the Corporation's fiscal year. Although the Corporation filed annual reports for 2015 and 2016, the 2015 report was not filed until June 7, 2016, more than 120 days after the last day of the Corporation's fiscal year. Additionally, filings made with the Auditor of State's office via the Hinkle System were incomplete as neither year included notes to the financial statements as required. The Corporation should ensure annual reports are timely filed with the Auditor of State and are complete, including notes to the financial statements
