INDEPENDENT AUDITOR'S REPORT

Kent Free Library
Portage County
312 West Main Street
Kent, Ohio 44240

To the Board of Trustees:

Report on the Financial Statements

We have audited the accompanying financial statements of the cash balances, receipts and disbursements by fund type, and related notes of Kent Free Library, Portage County, (the Library) as of and for the years ended December 31, 2016.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Government's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Library's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the Government prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Library does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Library as of December 31, 2016, or changes in financial position thereof for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined cash balances of Kent Free Library, Portage County as of December 31, 2016, and its combined cash receipts and disbursements for the years then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 2.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 31, 2017, on our consideration of the Library's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Library's internal control over financial reporting and compliance.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2016**

Note 1 - Reporting Entity

The constitution and laws of the State of Ohio establish the rights and privileges of Kent Free Library, Portage County, (the Library) as a body corporate and politic. The Library is directed by a seven-member Board of Trustees appointed by the Kent City School Board.

The Library is a member of the Portage Library Consortium (see Note 9). The Library provides the community with various educational and literary resources.

The Library's management believes these financial statements present all activities for which the Library is financially accountable.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The Library's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types.

Fund Accounting The Library uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Library are presented below:

General Fund The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Library for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Library had the following significant special revenue funds:

Solem Fund This fund is used to account for expenditures of monies from a bequest for the purpose of purchasing audio materials. The fund will continue to be in existence until all monies have been expended.

Gillis Fund This fund is used to account for expenditures of monies from a bequest for the purpose of library materials. The fund will continue to be in existence until all monies have been expended.

Capital Project Funds These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Library had the following significant capital project funds:

Building & Repair Fund This fund is used to account for expansion, maintenance, repair or renovation of the Library's buildings.

Automation Fund This fund is used to account for the purchase and improvement of equipment used in the automated circulation system maintained by the Library.

Note 2 - Summary of Significant Accounting Policies- (Continued)

Permanent Funds These funds account for and report resources that are restricted to the extent that only earnings, and not principal, may be used for purposes that support the reporting Library's programs (for the benefit of the Library or its citizenry). The Library has one permanent fund, the Kent Trust Fund, which earns interest from the nonexpendable corpus from a trust agreement. These earnings are used for general expenses of the Library.

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D) permit.

Budgetary Process

The Board must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end. Budgetary expenditures [that is, disbursements and encumbrances] may not exceed appropriations at the fund, function, and object level of control.

A summary of 2016 budgetary activity appears in Note 3.

Deposits and Investments

The Library's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

The Library values certificates of deposit at cost. Investments in STAR Ohio are measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

Capital Assets

The Library records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Note 2 - Summary of Significant Accounting Policies- (Continued)

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Library must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable The Library classifies assets as nonspendable when legally or contractually required to maintain the amounts intact.

Restricted Fund balance is restricted when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed The Board of Trustees can commit amounts via formal action (resolution). The Library must adhere to these commitments unless the Board of Trustees amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as restricted or committed. Governmental funds other than the general fund report all fund balances as assigned unless they are restricted or committed. In the general fund, assigned amounts represent intended uses established by the Board of Trustee or a Library official delegated that authority by resolution, or by State Statute.

Unassigned Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Library applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Permanent	0	0	0
Total	\$2,594,553	\$2,139,899	\$454,654

Note 4 - Deposits and Investments

The Library maintains a deposit and investments pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at December 31 was as follows:

	2016
Demand deposits	\$580,228
Certificates of deposit	627,730
Other time deposits (savings and NOW accounts)	1,698,887
Total deposits	2,906,845
STAR Ohio	469,313
Total investments	469,313
Total deposits and investments	\$3,376,158

Deposits

Deposits are insured by the Federal Depository Insurance Corporation; or collateralized by the financial institution's public entity deposit pool.

Investments

Investments in STAR Ohio and mutual funds are not evidenced by securities that exist in physical or book-entry form.

The Library also had \$400 in petty cash and copier monies on hand at December 31, 2016.

Note 5 - Grant-In-Aid and Property Taxes

Grants-In-Aid

The primary source of revenue for Ohio public libraries is the Public Library Fund (PLF). The State allocates PLF to each county based on the total tax revenue credited to the State's general revenue fund during the preceding month using the statutory allocation method. Estimated entitlement figures were issued to County Auditors. The actual current year entitlements were computed in December of the current year. The difference between the estimate and actual will be adjusted evenly in the PLF distributions made from January-June of the subsequent year.

Property Taxes

Real property taxes become a lien on January 1 preceding the October 1 date for which the taxing authority of the subdivision to whose jurisdiction the Library is subject adopts rates. The State Department of Taxation, Division of Tax Equalization, adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Library.

Note 6 - Risk Management

Workers' compensation coverage is provided by the State of Ohio. The Library pays the State Workers' Compensation System a premium based on a rate per \$100 of salaries. This rate is calculated based on accident history and administrative costs (if material).

Commercial Insurance

The Library has obtained commercial insurance for the following risks: comprehensive property and general liability; vehicles; and errors and omissions.

The Library also provides health insurance to full-time employees through a private carrier.

Settled claims have not exceeded this commercial coverage in any of the last three years. The Library has not reduced coverage from the prior year.

Note 7 - Defined Benefit Pension Plan

<i>Retirement Rates</i>	<i>Year</i>	<i>Member Rate</i>	<i>Employer Rate</i>
<i>OPERS – Local</i>	<i>2012 - 2016</i>	<i>10%</i>	<i>14%</i>

Ohio Public Employees Retirement System Library's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10%, of their gross salaries and the Library contributed an amount equaling 14%, of participants' gross salaries. The Library has paid all contributions required through December 31, 2016.

Note 8 - Debt

Debt was issued on behalf of the Library by the taxing authority, Kent City School District in 2003. The Kent City School District issued Library Bond Anticipation Notes and Library Bonds in 2003 for \$13,500,000. The Library Bond proceeds were used to retire the anticipation notes. The debt is a liability of the taxing authority. The Library has no contingent obligation for repayment.

Note 9 - Jointly Governed Organization

The Portage Library Consortium (PLC) authorized under Ohio Revised Code Section 3375.403 consists of the Portage County District Library, Reed Memorial Library, and Kent Free Library. The purpose of the consortium is to provide better services at reduced costs to each member through collective efforts and resource sharing. The PLC is governed by a Council comprised of two trustees from each member Library. Member Libraries are entitled to a single vote. Council controls the budget and all financial concerns. The three Libraries allocate 1.3% of State Library and Local Government Support Fund (LLGSF) for a total of 3.9% allocation of revenue. The Portage County District Library acts as the fiscal agent for the consortium.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Kent Free Library
Portage County
312 West Main Street
Kent, Ohio 44240

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the Kent Free Library, Portage County, (the Library) as of and for the years ended December 31, 2016, and the related notes to the financial statements, and have issued our report thereon dated March 31, 2017, wherein we noted the Library followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Library's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Library's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Library's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether the Library's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Library's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Library's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
