## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Licking County Soil & Water Conservation District  
Licking County  
771 East Main Street, Suite 100  
Newark, Ohio 43055

We have performed the procedures enumerated below, with which the Board of Supervisors (the Board) and the management of the Licking County Soil & Water Conservation District (the District) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2011 through 2015, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement followed the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Depository Balances, Investments and Fund Balances

We applied the following procedures to each *Cash Basis Annual Financial Report* (the Reports) for the fiscal years ending December 31, 2011 through December 31, 2015:

1. We footed and cross-footed the amounts on pages 3A and 3B of the Reports, and compared the *Fund Cash Balances, December 31* to the *Fund Balances* on page 2. The amounts agreed.
2. We compared the *Disbursements plus Other Financing Uses* for the Special Fund on pages 3A and 3B of the Reports to the Disbursements reported on page 4. The amounts agreed, except for years 2013-2015 did not have page 4 completed. However, documentation was received from the County to show the amounts agreed.
3. We compared the *Receipts plus Other Financing Sources* for the Special Fund on pages 3A and 3B of the Reports to the Actual Receipts reported on page 5. The amounts agreed, except for years 2013-2015 did not have page 5 completed. However, documentation was received from the County to show the amounts agreed.
4. We tested the mathematical accuracy of the reconciliation on page 2. We found no exceptions.
5. We agreed the January 1 and December 31 fund cash balances reported in the District's Detailed Revenue report to the corresponding *Fund Cash Balances* on page 3B of the Reports. The amounts agreed.

### **Depository Balances, Investments and Fund Balances (Continued)**

We also applied the following procedures to the *Subtotals* and *Totals* reported on page 2 of the December 31, 2015 Report:

6. We confirmed the December 31 bank account depository balances for the District Fund with the District's financial institution. The balances agreed.
7. We compared the December 31 Special Fund depository balance from the *Report* to the amount reported in the Year to Date Fund report. We found no exceptions.
8. We tested investments held at December 31 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

### **Intergovernmental and Other Confirmable Cash Receipts**

We applied the following procedures for the years ended December 31, 2011 through December 31, 2015:

- 1 We agreed the total of the receipts from the State Distribution Transaction Lists (DTL) and the total of the receipts from the County Auditor's DTLs to the total amounts recorded in the respective receipt classification in the Special Fund in the Receipt Register Report. The amounts agreed, except in 2015 \$1,400 was recorded as Miscellaneous instead of State Grants on the Receipt Register Report.
- 2 We haphazardly selected all other confirmable receipts from the years ended December 31, 2012, 2013 and 2015 and, three other confirmable receipts from each of the years ended December 31 2011 and 2014 in the Receipt Register Report from funds other than the *Special Fund* such as grants, municipal and township funds
  - a. We confirmed the amounts paid from the Cover Crop Program, Ohio Department of Natural Resources, and United States Department of Agriculture to the District. We found no exceptions, except in 2013 \$740 was recorded as State Grants instead of Miscellaneous Revenue.
  - b. We determined whether these receipts were allocated to the proper funds. We found no exceptions.

### **All Other Cash Receipts**

We haphazardly selected 10 other cash receipts from the year ended December 31, 2015 and five other cash receipts from each of the years ended 2011 through 2014 recorded in the duplicate cash receipts book and determined whether the:

1. Receipt amount agreed to the amount recorded in the Receipt Register Report. The amounts agreed.
2. Amount charged complied with rates in force during the period, if applicable. We found no exceptions.
3. Receipt was posted to the proper funds, and was recorded in the proper year. We found no exceptions.

### Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2015 and one payroll check for two employees for each of the years ended December 31, 2011 through 2014 from the Payroll Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Payroll Report to supporting documentation. We found no exceptions.
  - b. We determined whether salaries and benefits were paid only from the *Special Fund*, as required by the SWCD Administrative Handbook Chapter 5. We noted no exceptions.
  - c. We determined whether the check was classified as *salaries*. We also determined whether the payment was posted to the proper year. We found no exceptions.
2. For the five employees tested in step 1 from 2015, we determined whether the following information in the employees' personnel files was consistent with the information used to compute gross and net pay related to the check:
  - a. Name
  - b. Authorized salary or pay rate
  - c. Retirement system participation and payroll withholding
  - d. Federal, State & Local income tax withholding authorization and withholding
  - e. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a.-e. above.

3. We haphazardly selected and recomputed one termination payment (unused vacation, etc.) occurring between January 1, 2011 and December 31, 2015, and agreed the computation to the amount paid as recorded in the Payroll Report:
  - a. Accumulated leave records
  - b. The employee's pay rate in effect as of the termination date
  - c. The District's payout policy.

The amount paid was consistent with the information recorded in a. through c. above.

### Non-Payroll Cash Disbursements

1. We haphazardly selected five disbursements from the *Special Fund* and five disbursements from the *District Fund* and other funds from the Detail Expenditure Report for the year ended December 31, 2015 and two from the *Special Fund* and three from the *District Fund* and other funds for each of the years ended 2011 through 2014 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. For *District Fund* and other funds disbursements, we determined whether:
    - i. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the similar data recorded in the Detail Expenditure Report and to the names and amounts on the supporting invoices. We found no exceptions.
    - ii. The payment was posted to a fund consistent with the purpose for which the fund's cash can be used. We found no exceptions.
  - c. For *Special Fund* disbursements, we determined whether:
    - i. The payee name and amount recorded on the voucher submitted to the County Auditor agreed to the payee name and amount recorded in the Detail Expenditure Report and County Ledgers. We found no exceptions.
    - ii. The names and amounts on the voucher agreed to supporting invoices. We found no exceptions.
    - iii. The invoice was signed by the fiscal officer and approved by a majority of the Board of Supervisors. We found no exceptions.

## 2015 Special Fund Budgetary Compliance

1. We read the District's Special Fund Budget Request submitted to the County Commissioners. We noted the request included the Special Fund's *Needs, Income and Balances* anticipated for carry over from the current year, as required by the SWCD Administrative Handbook, Chapter 5. We also attempted to compare the budget amounts to the budgetary schedules on pages 4 and 5 of the Cash Basis Annual Financial Report. We noted the District did not complete pages 4 and 5 of the Financial Report.
2. We attempted to compare the total estimated receipts reported on Page 5 of the Report to the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances*, required by Ohio Rev. Code Section 5705.36(A)(1), and to the amounts recorded in the Detail Revenue Report for the Special Fund. The amounts from the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances* and the detail revenue report agreed. However, the District did not complete page 5 of the report.
3. We scanned the appropriation measures to determine whether the Supervisors appropriated separate amounts within the Special Fund for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
4. We attempted to compare total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Detail Expenditure Report for the Special Fund, and to the appropriations reported on Page 4 of the Report. The amounts from the total appropriations and the Detail Expenditure Report agree. However, the District did not complete page 4 of the report.
5. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.28(B)(2)(C) prohibit appropriations from exceeding estimated revenue. We compared total appropriations to total estimated revenue for the Special Fund for the year ended December 31, 2015. We noted appropriations did not exceed estimated revenues for the special fund.
6. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus year-end certified commitments (i.e. encumbrances)) from exceeding appropriations. We compared total disbursements plus outstanding year-end encumbrances to total appropriations for the year ended December 31, 2015 for the "Special" Fund, as recorded in the Annual Cash Basis Financial Report. We noted expenditures did not exceed appropriations for the Special Fund.
7. We determined that interfund transfers-in equaled transfers-out and were approved by the Board of Supervisors. We found no exceptions.
8. We scanned the Annual Cash Basis Financial Report for the year ended December 31, 2015 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no funds having a negative cash fund balance.

### **2015 Compliance – Contracts & Expenditures**

We inquired of management and scanned the Detail Expenditure Report for the year ended December 31, 2015 to determine if the District purchased equipment and services allowed by ORC 1515.09 or purchased goods or services allowed by ORC 1515.08(H)(1) whose cost, other than personal service compensation or office space rent, exceeded \$50,000. We noted no purchases exceeding \$50,000.

### **2015 Other Compliance**

Ohio Rev. Code Section 117.38 requires Districts to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. We reviewed the HINKLE system and noted the District filed their financial information within the allotted timeframe for the year ended December 31, 2015.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the District, and is not intended to be, and should not be used by anyone other than these specified parties.
