We have reviewed the *Independent Accountants' Report on Applying Agreed-Upon Procedures* of the Plain City Public Library, Madison County, prepared by Perry & Associates, Certified Public Accountants, A.C., for the period January 1, 2015 through December 31, 2016. Based upon this review, we have accepted this report in lieu of the audit required by Section 117.11, Revised Code.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Plain City Public Library is responsible for compliance with these laws and regulations.

A handwritten signature in black ink that reads "Dave Yost".

INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

June 16, 2017

Plain City Public Library
Madison County
305 West Main Street
Plain City, OH 43064

To the Board of Trustees:

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of **Plain City Public Library, Madison County** (the Library) and the Auditor of State, on the receipts, disbursements and balances recorded in the Library's cash basis accounting records for the years ended December 31, 2016 and 2015 and certain compliance requirements related to these transactions and balances, included in the information provided to us by the management of the Library. The Library is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2016 and 2015 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Library. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We recalculated the December 31, 2016 and December 31, 2015 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2015 beginning fund balances recorded in the Combined Statement of Receipts, Disbursements and Changes in Fund Balances to the December 31, 2014 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2016 beginning fund balances recorded in the Combined Statement of Receipts, Disbursements and Changes in Fund Balances to the December 31, 2015 balance in the Combined Statement of Receipts, Disbursements and Changes in Fund Balances. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2016 and 2015 fund cash balances reported in the Combined Statement of Receipts, Disbursements and Changes in Fund Balances. The amounts agreed.
4. We confirmed the December 31, 2016 bank account balances with the Library's financial institutions. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2016 bank reconciliation without exception.

Cash and Investments (Continued)

5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2016 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.
6. We inspected investments held at December 31, 2016 and December 31, 2015 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Public Library Fund Receipts

We haphazardly selected two Public Library Fund (PLF) receipts from the Madison County Audit Trail by Vendor from 2016 and two from 2015. In addition, we selected two PLF receipts from the Union County Distribution Report from 2016 and two from 2015:

- a. We compared the amounts from the Madison County Audit Trail by Vendor and the Union County Distribution Report to the amounts recorded in the Revenue Ledger. The amounts agreed.
- b. We inspected the Revenue Ledger and observed these receipts were posted to the General Fund. We found no exceptions.
- c. We inspected the Revenue Ledger and observed the receipts were recorded in the proper year. We found no exceptions.
- d. We inspected the Revenue Ledger to determine whether it included one PLF receipt per month for 2016 and 2015. We found no exceptions.

Intergovernmental and Other Confirmable Cash Receipts

1. We haphazardly selected a property tax receipt from Franklin County, Madison County and Union County from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2016 and one from 2015:
 - a. We traced the gross receipts from the *Statement* for all three Counties to the amount recorded in the Revenue Ledger. The amounts agreed.
 - b. We inspected the Revenue Ledger to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Revenue Ledger to determine whether it included two real estate tax receipts from Franklin County, Madison County, and Union County for 2016 and 2015. The Revenue Ledger included the proper number of tax receipts for each year.
3. We haphazardly selected five receipts from the State Distribution Transaction Lists (DTL) from 2016 and five from 2015. We also haphazardly selected five receipts from the Madison County Audit Trail by Vendor and Union County Distribution Report from 2016 and five from 2015.
 - a. We compared the amount from the above reports to the amount recorded in the Revenue Ledger. The amounts agreed.
 - b. We inspected the Revenue Ledger to determine whether that these receipts were allocated to the proper fund. We found no exceptions. However, we noted homestead and rollback receipts were improperly classified as Property Tax instead of Intergovernmental in 2016 and 2015.

Intergovernmental and Other Confirmable Cash Receipts (Continued)

- c. We inspected the Revenue Ledger to determine whether the receipts were recorded in the proper year. We found no exceptions.

Debt

- 1. The prior audit documentation disclosed no debt outstanding as of December 31, 2014.
- 2. We inquired of management, and scanned the Revenue Ledger and Appropriation Ledger for evidence of debt issued during 2016 or 2015 or debt payment activity during 2016 or 2015. We noted no new debt issuances, nor any debt payment activity during 2016 or 2015.

Payroll Cash Disbursements

- 1. We haphazardly selected one payroll check for five employees from 2016 and one payroll check for five employees from 2015 from the Wage Detail Reports and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the minute record. We also confirmed the payment was posted to the proper year. We found no exceptions.
- 2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2016 to confirm whether the remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2016. We noted the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2017	January 3, 2017	\$ 6,143.38	\$ 6,143.38
State income taxes	January 17, 2017	January 4, 2017	\$ 1,125.66	\$ 1,125.66
OPERS retirement	January 30, 2017	January 3, 2017	\$ 5,982.63	\$ 5,982.63
School district taxes	January 17, 2017	January 4, 2017	\$ 428.42	\$ 428.42
Local income taxes	January 31, 2017	January 4, 2017	\$ 797.82	\$ 797.82

Non-Payroll Cash Disbursements

- 1. We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2016 and ten from the year ended 2015 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

Compliance – Budgetary

1. We compared total appropriations required by Ohio Admin. Code Section 117-8-02, to the amounts recorded in the Appropriation Status Report for 2016 and 2015 for the following funds: General Fund and Capital Projects Fund. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report except for the General Fund during 2016. The Appropriation Status Report recorded appropriations for the General Fund of \$1,135,000 in 2016. However, the appropriations resolution reflected \$1,314,300. The fiscal officer should periodically compare amounts recorded in the Appropriation Status Report to amounts recorded on the appropriation resolution to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
2. Ohio Admin. Code Section 117-8-02 prohibits spending in excess of budgeted amounts. We compared total expenditures to total appropriations for the years ended December 31, 2016 and 2015 for the General Fund and Capital Projects Fund, as recorded in the Appropriation Status Report. We observed no funds for which expenditures exceeded appropriations.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires entities to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. We confirmed the Library filed their complete financial statements as defined by AOS Bulletin 2016-007 within the allotted timeframe for the years ended December 31, 2016 and 2015. However, we noted the Library filed Modified Cash Basis financial statements without all required information. We recommend that the Library include all Modified Cash Basis information or choose Regulatory Basis when filing financial information in the Hinkle System in the future. No exceptions noted.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination, or review, the objective of which would be the expression of an opinion or conclusion, respectively on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is for the use of the Library to assist in evaluating its receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2016 and 2015, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
