Other Compliance

Ohio Rev. Code Section 117.38 requires libraries to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, in addition to filing extensions granted for extenuating circumstances, allow for refiling complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System for December 31, 2017 and 2016 fiscal year ends included in 2015-2016 or 2016-2017 agreed up on procedure engagements, subsequent to the Library's deadline where the initial filing was filed on time but incomplete. We confirmed the Library filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2016 and 2015 in the Hinkle system. There were no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination, or review, the objective of which would be the expression of an opinion or conclusion, respectively on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Library's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2016 and 2015, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
