BASIC FINANCIAL STATEMENTS

(AUDITED)

FOR THE FISCAL YEAR ENDED JUNE 30, 2017

THOMAS STRUP, EXECUTIVE DIRECTOR

Dave Yost • Auditor of State

Board of Directors Schools of Ohio Risk Sharing Authority 8050 North High Street Suite 160 Columbus, Ohio 43235

We have reviewed the *Independent Auditor's Report* of the Schools of Ohio Risk Sharing Authority, Franklin County, prepared by Julian & Grube, Inc., for the audit period July 1, 2016 through June 30, 2017. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Schools of Ohio Risk Sharing Authority is responsible for compliance with these laws and regulations.

Independent Auditor's Report

Schools of Ohio Risk Sharing Authority Franklin County 8050 North High Street, Suite 160 Columbus, Ohio 43235

To the Board of Directors:

Report on the Financial Statements

We have audited the accompanying financial statements of the Schools of Ohio Risk Sharing Authority, Franklin County, Ohio, as of and for the fiscal years ended June 30, 2017 and 2016, and the related notes to the financial statements, which collectively comprise the Schools of Ohio Risk Sharing's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Schools of Ohio Risk Sharing Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Schools of Ohio Risk Sharing Authority's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Independent Auditor's Report Page Two

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Schools of Ohio Risk Sharing Authority, Franklin County, Ohio, as of June 30, 2017 and 2016, and the changes in its financial position and its cash flows for the fiscal year then ended in accordance with the accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America requires this presentation to include *Management's discussion and analysis* and *Claims Development*, listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquires of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquires to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any other assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 24, 2018, on our consideration of the Schools of Ohio Risk Sharing Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Schools of Ohio Risk Sharing Authority's internal control over financial reporting and compliance.

Julian & Sube the?

Julian & Grube, Inc. January 24, 2018

The management's discussion and analysis of Schools of Ohio Risk Sharing Authority (SORSA) provides an overall review of SORSA's financial activities. The intent of this discussion and analysis is to provide further information on SORSA's financial performance as a whole. Readers should also review the notes to the basic financial statements and financial statements to enhance their understanding of SORSA's financial performance.

Overview of the Organization

SORSA is a 100% member-owned, non-profit insurance risk pool owned and governed by school district members. SORSA is dedicated to providing broad insurance coverage and high quality risk management services while maintaining long-term financial stability. Various plan options are available to members. SORSA was incorporated on January 31, 2002. Operations and plan coverage officially began on February 1, 2002.

SORSA employs a full-time Executive Director, Risk Control Manager and a part-time Member Services Coordinator.

At June 30, 2017, 2016, and 2015, SORSA had 105, 107, and 104 members, respectively.

SORSA has agreements with several separate organizations whereby each provides certain administrative, executive, accounting or other services to SORSA.

The insurance brokerage firm of Willis Pooling is contracted to provide reinsurance brokerage, underwriting, rating, billing and consulting services.

Carter Raynes Claims Services Inc provides claims processing services to SORSA. SORSA is now performing claims processing in-house effective 7/1/2017.

Verhoff & Company, LLC provides bookkeeping, payroll, consulting and accounting services to SORSA. Verhoff & Company, LLC records and tracks accounts receivable from billings to SORSA members for annual premiums and monitors and maintains several bank accounts in the name of SORSA. Verhoff & Company, LLC also furnishes SORSA bank reconciliations for these accounts.

SORSA contracts with the law firm Isaac, Wiles, Burkholder, & Teetor to provide lead defense counsel for third-party claims against members. Additional legal firms are contracted as needed against SORSA members.

SORSA contracts with the law firm Dinsmore & Shohl to provide legal counsel to the SORSA Board of Directors.

Actuarial services are provided by the firm Select Actuarial Services, Inc.

Marketing of the SORSA program is by a selected panel of local independent insurance agents across Ohio along with SORSA's own internal staff.

Property replacement cost appraisals are provided by the firm CBIZ Valuation Group, LLC.

Overview of the Financial Statements

This annual report consists of financial statements and notes to those statements. The financial statements include the accounts and transactions of SORSA. The Statement of Net Position, Statement of Revenue, Expenses, and Changes in Net Position, and the Statement of Cash Flows provide an indication of SORSA's financial health. The Statement of Net Position include SORSA's assets and liabilities, using the accrual basis of accounting, as well as an indication about which assets can be utilized for general purposes. The Statement of Revenue, Expenses, and Changes in Net Position report the revenues and expenses during the time periods indicated. The Statement of Cash Flows report the sources and uses of cash during the periods indicated.

Financial Analysis of SORSA

Table 1 provides a summary of SORSA's Statement of Net Position as of June 30, 2017, 2016, and 2015.

Table 1:

	6/30/2017	6/30/2016	6/30/2015
Assets Current assets	\$ 3,224,541	\$ 3,205,011	\$ 2,595,606
Other assets Total assets	<u>937,438</u> 4,161,979	<u> </u>	744,402 3,340,008
Liabilities	1,893,069	2,528,750	1,846,650
Net Position	\$ 2,268,910	\$ 1,528,836	\$ 1,493,358

SORSA's assets are categorized in the "current assets" category and the "other assets" category. The "current assets" category means that they are either cash, can be converted to cash quickly, or are expected to become cash soon. The statement shows SORSA's total current assets at June 30, 2017, 2016, and 2015 to be \$3,224,541, \$3,205,011 and \$2,595,606 respectively. The primary component is cash in banks and cash equivalents. Assets in the "other assets" category are \$937,438, \$852,575 and \$744,402 at June 30, 2017, 2016, and 2015, respectively.

The current liabilities include accounts payable to outside companies for various services, unearned premiums, and reserves for unpaid claims. Accounts payable and accrued expenses totaled \$25,117, \$0, and \$25,531, at June 30, 2017, 2016, and 2015 respectively. Unearned premiums totaled \$33,952, \$150,047, and \$0, at June 30, 2017, 2016, and 2015, respectively. Unearned premium is the amount of premiums collected in advance of coverage periods that have been received but have not yet been earned. The reserve for unpaid claims totaled \$1,834,000, \$2,378,703, and 1,821,119 at June 30, 2017, 2016 and 2015, respectively.

As of June 30, 2017, 2016, and 2015, SORSA had a net position of \$2,268,910, \$1,528,836, and \$1,493,358, respectively.

Statement of Revenues, Expenses, and Changes in Net Position

The following table shows the changes in net assets for the years ended June 30, 2017, 2016, and 2015.

Table 2:

	Fiscal Year Ended 6/30/2017	Fiscal Year Ended 6/30/2016	Fiscal Year Ended 6/30/2015
Revenues			
Member premiums	\$ 5,751,914	\$ 5,671,204	\$ 6,354,653
Ceded premiums	(2,795,238)	(2,639,006)	(3,136,225)
Net premiums earned	2,956,676	3,032,198	3,218,428
Expenses			
Loss adjustments	953,121	1,828,578	1,725,085
Agency commission	497,756	504,320	529,997
Claims administration	140,000	140,000	163,470
Pool administration	200,941	200,240	224,755
Salaries and benefits	291,597	212,382	199,887
Legal and professional	71,974	54,700	57,734
General and administrative	87,899	78,505	72,138
Travel and meetings	21,488	20,958	20,815
Appraisal fees	23,520	29,760	6,105
General insurance	15,613	15,827	13,364
Sales and marketing	24,655	17,958	15,504
Depreciation	3,201	2,852	187
Total expenses	2,331,764	3,106,080	3,029,041
Excess of revenues over			
expenses	624,912	(73,882)	189,387
Other Revenue			
Non-operating gains (net)	115,162	109,360	130,933
Change in net position	740,074	35,478	320,320
Net position at beginning of period	1,528,836	1,493,358	1,173,038
Net position at end of period	2,268,910	\$ 1,528,836	\$ 1,493,358

Member premiums represent the amount of premium revenue earned during the fiscal period. SORSA purchases reinsurance to cover the cost of large claims. For property and automobile physical damage claims, SORSA collectively self-insures the first \$100,000 of each claim; the reinsurer reimburses amounts above this level. For third-party liability claims other than Uninsured/Underinsured Motorists coverage SORSA collectively self-insures the first \$100,000 of each claim. For third-party Uninsured/Underinsured Motorists coverage, SORSA collectively self-insured motorists coverage, SORSA collectively self-insures the first \$200,000 of each claim. For equipment breakdown claims, SORSA reinsures 100% of this exposure and does not retain any level of self-insurance.

Non-operating gains consist of earnings on SORSA's various checking and subscribers accounts. For the fiscal period ending June 30, 2017, 2016 and 2015, SORSA held its funds in either fixed income federal obligations, certificates of deposits, or various liquid cash accounts.

Loss adjustment expenses consist of claims paid during the year, plus the ultimate cost of claims determined to be incurred for the current year but not yet reported.

Claims administration and reinsurance broker fees are fees paid to vendors who process claims and provide underwriting, rating, billing, reinsurance brokering and consulting services for SORSA. Other expenses are general and administrative costs incurred during the year.

SORSA's change in net position was \$ 740,074, \$35,478, and \$320,320, for the years ending June 30, 2017, 2016, and 2015, respectively. Increases over the past two years are a result of positive operating results and investment returns.

The Statement of Cash Flows

This statement shows how SORSA's cash balance changed in each period. It is divided into three different sections, each indicating the source or use of cash during the period. These sections relate to SORSA's operations, investing activities, and capital and related financing activities. This statement provides detail regarding the increases and decreases in SORSA's cash position during the period.

SORSA had net cash flows for the years ended June 30, 2017, 2016, and 2015, totaling \$796,555, \$960,074, and \$(37,478), respectively. For these years the net cash provided by/ (expended) by operating activities was \$769,456, \$961,739, and (\$55,505), respectively. Net cash flows provided by operating activities changed mainly due to operating income (loss).

For these years net cash provided by investing activities was \$27,099 \$20,739, and \$18,027, respectively. Net cash flows provided by investing activities changed mainly due to return on investments.

Going Forward

Insurance Market for Ohio School Districts

The environment in which SORSA operates is moderately competitive. There are options available to school districts for both pooling alternatives as well as traditional insurance. While pricing in the insurance market for schools has been stable for several years, changes are underway that will tend to increase pricing for all Ohio schools. Deterioration in weather patterns across Ohio within the past five years increased claim frequency and severity, however, over the past few years weather patterns have been more favorable and resulted in a decrease in claim frequency and severity.

Funding

SORSA consults with professional actuaries to assist with the determination of the amount needed to fund the \$100,000 pool self-insured retention. Because of an upward trend in claims that began over five years ago, primarily property related, the SORSA Board of Directors has opted to fund at an increased confidence level. This selection of a higher actuarial confidence level provides additional loss fund contributions to support the increase in claims activity.

Member Dividends

In order to maintain conservative funding for the SORSA pool, the Board of Directors has taken the position that there will be no dividends declared for distribution to members during the first several program years. When the SORSA Board of Directors determines that a dividend may be declared, SORSA will rely upon conservative actuarial estimates to formulate the plan for dividend distribution.

Cost Containment

SORSA endeavors to contain loss costs by utilizing an in-house Risk Control Manager, claims administrators and defense attorneys who are very experienced in handling third-party liability cases for political subdivisions, and by full utilization of statutory immunities available to our members.

SORSA also engages in several risk management and loss control training programs. These include training in the areas of student transportation, school athletics safety, employment practices, sexual molestation prevention and other topics of concern to k-12 public schools.

SORSA manages operational expenses as the pool has grown. Expenses have been reduced as a result of a reduction of loss adjustments.

Legal Environment

The legal environment in which SORSA operates is relatively stable, with recent modest improvements in statutory immunity for school districts and other political subdivisions.

Contacting SORSA Financial Management

This financial report is designed to provide the users of SORSA's services, governments, taxpayers and creditors with a general overview of the organization's finances. If you have any questions about this report or need additional information, contact the SORSA Executive Director at 8050 North High Street, Suite 160, Columbus, Ohio 43235-6483.

NOTES TO THE BASIC FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2017

NOTE 1 - ORGANIZATION AND PLAN OF OPERATION

The Schools of Ohio Risk Sharing Authority ("SORSA") is an Ohio non-profit organization formed by Ohio school districts to provide cost effective pooled insurance to its members. SORSA is a self-funded, group insurance consortium that offers property, electronic data processing, boiler and machinery, crime, general liability, automobile liability and physical damage, and school board errors and omissions insurance coverage. SORSA is governed by a Board of Directors comprised of representatives of school districts that participate in the program.

Premiums are paid on an annual basis. Pursuant to participation agreements with SORSA, each member agrees to pay all funding rates associated with the coverage elected; as such funding rates are set and billed to the members by SORSA. The assigned funding rates consist of the following components: administrative fees, stop loss fees, expected claims costs, and reserves. Reserves are determined by an independent actuary and allocated based on expected claim activity. Rates are calculated to cover the administrative expenses and expected claims costs of the program as well as provide additional member equity.

SORSA was incorporated as a governmental insurance pool on January 31, 2002. Operations and plan coverage officially began on February 1, 2002.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Presentation

SORSA uses enterprise fund accounting. Revenues and expenses are recognized on the accrual basis using the economic resources measurement focus.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

C. Cash and Cash Equivalents

Cash and cash equivalents consist of funds on deposits in banks and money market funds.

For purposes of the statement of cash flows and for presentation on the statement of net position, investments with an original maturity of three months or less and investments of the cash management pool are considered to be cash equivalents.

D. Investments

Investment income or loss (including realized gains and losses on investments, interest and dividends) is recognized in the statement of revenues, expenses and changes in net position as a component of non-operating revenues.

NOTES TO THE BASIC FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2017

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES - (Continued)

E. Capital Assets

SORSA's capital assets are reported at historical cost net of depreciation. Depreciation is computed principally on the straight-line basis over the estimated useful lives of the assets. SORSA's capitalization policy is to capitalize all items greater than \$500 with a useful life greater than one year. SORSA's capital assets consist of fixtures and a vehicle and are depreciated over a five year useful life.

F. Accounts Receivable

SORSA pays third party claims at their full value and then bills members for their deductible portion. Accounts receivable is recognized when a deductible is due. Based on historical factors and SORSA's allowance experience, no allowance for uncollectible receivables has been reserved.

G. Premiums Revenue and Unearned Premiums

Premiums are paid annually by participating entities and are recognized as revenue over the policy period. Receivables are recorded when earned. Premiums collected in advance of applicable coverage periods are classified as unearned premiums.

H. Reserve for Unpaid Claims

SORSA's reserve for unpaid claims is determined using estimates of the ultimate cost of claims (including future claim adjustment expenses) that have been reported, but not settled, and of claims that have been incurred but not reported. The length of time for which such costs must be estimated varies depending on the coverage involved. The reserve represents an estimate of the ultimate cost of all claims incurred which were unpaid at each fiscal period end. While information is available for the known losses, the liability for which has been established on a case-by-case basis, the unknown losses are based on SORSA's best estimate of such liabilities. Although SORSA considers its experience and industry data in determining such reserves, assumptions and projections as to future events are necessary and ultimate losses may differ significantly from amounts projected. The effects of changes in reserve estimates are included in the statement of revenues, expenses, and changes in net position in the period in which estimates are changed. Reserves are not discounted.

I. Other Assets

Other receivables represent SORSA's ownership interest in a subscriber's account with United Educators. Unrealized gains and losses and realized gains and losses are determined on the identified cost basis and are reflected in the statement of revenues, expenses, and changes in net position.

J. Net Position

Net position represents the excess of revenues over expenses since inception. It is displayed in two components as follows:

Investment in capital assets - This consists of capital assets, net of accumulated depreciation, less the outstanding balances of any bonds, notes or other borrowings related to the acquisition, construction, or improvement of those assets. At June 30, 2017, this amount consisted of capital assets, net of accumulated depreciation.

NOTES TO THE BASIC FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2017

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Unrestricted - This consists of net assets that do not meet the definition of "investment in capital assets".

As of June 30, 2017, SORSA does not have any "restricted" net position. The SORSA Board of Directors may authorize the distribution of the net position to those members who constituted the self-insurance pool during the years when such net position were earned, provided that such members must also be members of SORSA in the year in which said distribution was made.

In the event of dissolution of SORSA, any funds which remain unencumbered after all claims and all other SORSA obligations have been paid shall be distributed only to the entities which are members of SORSA immediately prior to its dissolution. Any such surplus funds shall be distributed to members in proportion to their interest in the surplus funds.

The consortium applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

K. Income Taxes

SORSA is organized as a not-for-profit corporation under Section 501 (c) (3) of the United States Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by SORSA and recognize a tax liability if SORSA has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has analyzed the tax positions taken by SORSA, and has concluded that as of June 30, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements.

SORSA is generally exempt from income taxes. SORSA is subject to routine audits by taxing jurisdictions. However, as of the date the financial statements were available to be issued, there were no audits for any tax periods in progress.

L. Subsequent Events

SORSA has evaluated events or transactions occurring subsequent to June 30, 2017 for recognition and disclosure in the accompanying financial statements through the date the financial statements are available to be issued, which is December 14, 2017.

M. Risk Management

SORSA is exposed to various risks of loss from torts; theft of, damage to, and destruction of assets; business interruption; errors and omissions; employee injuries and illnesses and natural disasters. Commercial insurance coverage is purchased for claims arising from such matters. Settled claims have not exceeded this commercial coverage in any of the three preceding years. There has been no significant reduction in coverage from the prior year.

NOTES TO THE BASIC FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2017

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES - (Continued)

N. Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary activity of the consortium. For SORSA, these revenues are member premiums from the associated entities for group insurance. Operating expenses are necessary costs that have been incurred in order to support the consortium's primary mission. Revenues and expenses not meeting the definition are reporting as non-operating.

O. Employer Contributions to Cost-Sharing Pension Plans

SORSA recognizes the disbursement for employer contributions to Social Security and Medicare when they are paid. As described in Note 9, the employer contributions include portions for pension benefits and for postretirement health care benefits.

NOTE 3 - RESERVE FOR UNPAID CLAIMS

As discussed in Note 2, SORSA establishes a liability for both reported and unreported insured events, which includes estimates of both future payments of losses and related claim adjustment expenses. The following represents changes in those liabilities for SORSA:

	2017	2016
Unpaid claims and claim adjustment expenses at beginning of period	\$ 2,378,703	\$ 1,821,119
Incurred losses and loss adjustment expense	953,121	1,828,578
Less payment of claims	(1,497,824)	(1,270,994)
Unpaid claims and claim adjustment expenses at end of period	<u>\$ 1,834,000</u>	<u>\$ 2,378,703</u>

NOTE 4 - DEPOSITS

At June 30, 2017, the bank balance of SORSA's demand deposits and money market accounts totaled \$3,004,520. Of this balance, \$269,031 was covered by federal depository insurance.

Custodial Credit Risk - Custodial credit risk is the risk that in the event of a bank failure, SORSA's deposits may not be returned. As of June 30, 2017, \$2,735,489 of SORSA's bank balance was exposed to custodial credit risk. SORSA understands this and has reduced its exposure by adopting an investment policy in accordance with Chapter 135 of the Ohio Revised Code applicable to public schools in the State of Ohio and has obtained collateral agreements with its banks and investment firm.

NOTES TO THE BASIC FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2017

NOTE 5 - FAIR VALUE OF FINANCIAL INSTRUMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that SORSA has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level **3**: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2017:

Money Market Funds: Generally transact subscription and redemption activity at a \$1 stable net asset value (NAV) however, on a daily basis the funds are valued at their daily NAV calculated using the amortized cost of the securities held in the fund.

The following table sets forth by level, within the hierarchy, SORSA's assets and liabilities measured at fair value on a recurring basis as of June 30, 2017 are as follows:

Description	Level 1	Level 2	Level 3	Total	
Money Market Funds	\$ 455,178	\$ -	\$ -	\$ 455,178	

SORSA's policy is to recognize transfers between levels as of the actual date of the event or change in circumstances. There were no significant transfers between levels during 2017.

NOTES TO THE BASIC FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2017

NOTE 6 - CAPITAL ASSETS

Capital Assets at June 30, 2017 were as follows:

	Balance <u>6/30/16</u>		<u>Addi</u>	tions	Dedu	<u>ctions</u>	Balance <u>6/30/17</u>	
Capital Assets, Being Depreciated: Furniture and Fixtures Vehicle	\$	25,493 22,404	\$	- -	\$	-		25,493 22,404
Less: Accumulated Depreciation		(26,827)	(3	3,200)		_	(3	30,027)
Capital Assets, Net	\$	21,070	\$ (3	3,200)	\$	_	\$	17,870

NOTE 7 - EXCESS INSURANCE COVERAGE

SORSA purchases reinsurance to cover the cost of large claims. For property and automobile physical damage claims SORSA collectively self-insures the first \$100,000 of each claim; the reinsurer reimburses amounts above this level. For third-party liability claims other than Uninsured/Underinsured Motorists coverage SORSA collectively self-insures \$100,000 of each claim; the reinsurer reimburses amounts above this level. For third-party Uninsured/Underinsured Motorists coverage, SORSA collectively self-insures the first \$200,000 of each claim. For equipment breakdown claims SORSA reinsures 100% of this exposure and does not retain any level of self-insurance.

NOTE 8 - COMMITMENTS AND CONTINGENCIES

SORSA leases office space from Ohio School Boards Association. Rent expense under the lease (including SORSA prorated share of actual operating costs) was \$28,713 for 2017.

Approximate future annual minimum lease payments under the lease are as follows:

FYE 6/20/18	\$ 16,027
FYE 6/30/19	16,027
FYE 6/30/20	8,014
Total	\$ 40,068

NOTE 9 - POSTEMPLOYMENT BENEFITS

SORSA employees contribute to Social Security and Medicare. The plans provide for retirement, healthcare and prescription drug benefits including survivor and disability benefits to participants. Each employee contributes 6.2% and 1.45% of their gross pay to Social Security and Medicare, respectively. SORSA matches this contribution by contributing an additional 6.2% and 1.45%. SORSA has contributed 100% of their required Social Security and Medicare payments.

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION CLAIMS DEVELOPMENT YEARS ENDED JUNE 2008 THROUGH 2017

Ten Year Claims Development Information

The following table illustrates how SORSA's earned revenues and investment income compare to related costs of loss and other expenses assumed by SORSA. The rows of the table are defined as follows:

1) This section shows the total of each fiscal year's earned contract revenues.

2) This line shows each fiscal year's other operating costs of SORSA including overhead and claims expense not allocable to individual claims.

3) This section shows SORSA's incurred claims and allocated claim adjustment expense (both paid and accrued) as originally reported at the end of the first year in which the event that triggered coverage under the contract occurred (called policy year).

4) This section of rows show the cumulative amounts paid as of the end of successive years for each policy year.

5) This section of rows shows how each policy years incurred claims increased or decreased as of the end of the successive years. This annual re-estimation result from new information received on known claims, reevaluation of existing information on known claims, as well as emergence of new claims not previously known.

6) This line compares the latest re-estimated incurred claims amount to the amount originally established (line 3) and shows whether the latest estimate of claims cost is greater or less than originally thought. As data for individual policy years mature, the correlation between the original estimated and re-estimated amounts is commonly used to evaluate the accuracy of incurred claims currently recognized in less mature policy years. The columns of the table show data for successive policy years.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required by *Government Auditing Standards*

Schools of Ohio Risk Sharing Authority Franklin County 8050 North High Street, Suite 160 Columbus, Ohio 43235

To the Board of Directors:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the Schools of Ohio Risk Sharing Authority, Franklin County, as of and for the fiscal years ended June 30, 2017 and 2016, and the related notes to the financial statements, which collectively comprise the Schools of Ohio Risk Sharing Authority's basic financial statements and have issued our report thereon dated January 24, 2018.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Schools of Ohio Risk Sharing Authority's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the Schools of Ohio Risk Sharing Authority's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Schools of Ohio Risk Sharing's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Therefore, unidentified material weaknesses or significant deficiencies may exist. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Board of Directors Schools of Ohio Risk Sharing Authority

Compliance and Other Matters

As part of reasonably assuring whether the Schools of Ohio Risk Sharing Authority's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Schools of Ohio Risk Sharing Authority's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Schools of Ohio Risk Sharing's internal control and compliance. Accordingly, this report is not suitable for any other purpose.
