Compliance – Budgetary

1. We compared total appropriations required by Ohio Admin. Code § 117-8-02, to the amounts recorded in the Appropriation Status Report for 2018 and 2017 for the following funds: General Fund, Special Revenue – Johnston's Trust Fund and Capital Projects Fund. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report.
2. Ohio Admin. Code § 117-8-02 prohibits spending in excess of budgeted amounts. We compared total expenditures to total appropriations for the years ended December 31, 2018 and 2017 for the General Fund, Special Revenue – Johnston's Trust Fund and Capital Projects Fund, as recorded in the Appropriation Status Report. We observed that no funds for which expenditures exceeded appropriations.
3. We inspected the Appropriation Ledger Report for the Special Revenue – Johnston's Trust Fund. Not more than 5% of non-spendable monies were released, spent, or otherwise modified during the engagement period.

Other Compliance

1. Ohio Rev. Code § 117.38 requires libraries to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Library filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2018 and 2017 in the Hinkle system. There were no exceptions.
2. For all credit card accounts we obtained:
 - copies of existing internal control policies,
 - a list(s) of authorized users, and
 - a list of all credit card account transactions.

We selected 3 credit card transactions for testing. For selected transactions we inspected documentation to determine that each transaction was supported with original invoices and for a proper public purpose. We found no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination, or review, the objective of which would be the expression of an opinion or conclusion, respectively on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Library's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2018 and 2017, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
