INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Liberty Township
Hancock County
406 Colorado Avenue
Findlay, Ohio 45840

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Liberty Township, Hancock County, Ohio (the Township), on the receipts, disbursements and balances recorded in the Townships cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We recalculated the December 31, 2018 and December 31, 2017 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2017 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2016 balances in the prior year audited statements. The General Fund January 1, 2017 balance was \$584.21 more than December 31, 2016 audited fund balance due to voided checks being added back on the accounting system. We also agreed the January 1, 2018 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2017 balances in the Fund Ledger Report. The General Fund January 1, 2018 balance was \$200 less than December 31, 2017 reported fund balance due to insufficient funds checks received that were removed from the accounting system. The Fiscal Officer should review the UAN accounting practices to perform adjustments to the system without changing fund balances.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2018 and 2017 fund cash balances reported in the Fund Status Report. The amounts agreed.

Efficient

Effective

Transparent

4. We observed the year-end bank balances on the financial institution's website. The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2018 bank reconciliation without exception.
5. We selected a sample (agreed upon) of five reconciling debits (such as outstanding checks) from the December 31, 2018 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.
6. We inspected investments held at December 31, 2018 and December 31, 2017 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2018 and one from 2017:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We inspected the Receipt Register Report to confirm the receipt was allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Register Report to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2018 and 2017. The Receipt Register Report included the proper number of tax receipts for each year.
3. We selected a sample (agreed upon) of five receipts from the State Distribution Transaction Lists (DTL) from 2018 and five from 2017. We also selected a sample (agreed upon) of five receipts from the County Auditor's Vendor Invoice List from 2018 and five from 2017.
 - a. We compared the amount from the above reports to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We inspected the Receipt Register Report to determine that these receipts were allocated to the proper funds. We found no exceptions.
 - c. We inspected the Receipt Register Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

Debt

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2016
2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2018 or 2017 or debt payment activity during 2018 or 2017. There were no new debt issuances, nor any debt payment activity during 2018 or 2017.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2018 and one payroll check for five employees from 2017 from the Employee Detail Adjustment Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the employees' personnel files and/or minute record or as required by statute. We also confirmed the payment was posted to the proper year. We found no exceptions.

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2018 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2018. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes and Medicare	January 31, 2019	December 12, 2018	\$1,210.42	\$1,210.42
State income taxes	January 15, 2019	December 9, 2018	247.65	247.65
School district income taxes	January 15, 2019	December 9, 2018	51.24	51.24
OPERS retirement	January 30, 2019	December 12, 2018	3,020.97	3,020.97

3. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2018 and 2017 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-Payroll Cash Disbursements

We selected a sample (agreed upon) of 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2018 and 10 from the year ended December 31, 2017 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. We compared the total estimated receipts from the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Gas Tax, and Road and Bridge funds for the years ended December 31, 2018 and 2017. The amounts on the *Amended Certificate* did not agree to the amount recorded in the accounting system. The Revenue Status Report recorded budgeted (i.e. certified) resources for the General Fund of \$624,959 and \$556,858 for 2018 and 2017 respectively. However, the final *Amended Official Certificate of Estimated Resources* reflected \$560,652 and \$485,201 for 2018 and 2017 respectively. The Revenue Status Report recorded budgeted (i.e. certified) resources for the Gas Tax Fund of \$105,300 for both 2018 and 2017. However, the final *Amended Official Certificate of Estimated Resources* reflected \$100,200 and \$90,300 for 2018 and 2017 respectively. The Revenue Status Report recorded budgeted (i.e. certified) resources for the Road and Bridge Fund of \$136,072 and \$115,324 respectively. However, the final *Amended Official Certificate of Estimated Resources* reflected \$125,672 and \$115,024 respectively. The fiscal officer should periodically compare amounts recorded in the Revenue Status Report to amounts recorded on the *Amended Official Certificate of Estimated Resources* to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
2. We inspected the appropriation measures adopted for 2018 and 2017 to determine whether, for the General, Gas Tax, and Road and Bridge funds, the Trustees appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2018 and 2017 for the following funds: General, Gas Tax, and Road and Bridge funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gas Tax, and Road and Bridge funds for the years ended December 31, 2018 and 2017. There were no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2018 and 2017 for the General, Gas Tax, and Road and Bridge funds as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2018 and 2017. We also inquired of management regarding whether the Township received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. For funds existing in prior years, we inspected the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no funds for which the statutorily approved purpose was no longer valid were included on the accounting records.

8. We inspected the 2018 and 2017 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).
9. We inquired of management and inspected the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13 or 5705.132. The Township did not establish these reserves.
10. We inspected the Cash Summary by Fund Report for the years ended December 31, 2018 and 2017 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had negative cash fund balances.

Compliance – Contracts and Expenditures

We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2018 and 2017 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2018 and 2017 in the Hinkle system. There were no exceptions.
2. For all credit card accounts we obtained:
 - copies of existing internal control policies,
 - a list of authorized users, and
 - a list of all credit card account transactions.
 - a. We inspected the established policy obtained above and determined it is:
 - i. in compliance with the HB 312 statutory requirements, and
 - ii. implemented by the entity.We found no exceptions.
 - b. We selected 3 credit card transactions made by the fiscal officer and one trustee for testing. For selected transactions we inspected documentation to determine that:

- i. Use was by an authorized user within the guidelines established in the policy, and
- ii. Each transaction was supported with original invoices and for a proper public purpose.

We noted the expenditures were for a proper public purpose, however four of the six transactions were not supported with original invoices and included \$145.41 in late fees and finance charges. Late fees and finance charges are expenses which do not meet a proper public purpose. The client should remit credit card payments on a timely basis to avoid late fees. Credit card payments should also include individual receipts to support charges listed on the credit card billing statement.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2018 and 2017, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
