Payroll Cash Disbursements

- 1. We selected one payroll check for five employees from 2018 and one payroll check for five employees from 2017 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively approved rate or salary). We found no exceptions.

Non-payroll Cash Disbursements

- 1. We selected a sample (agreed upon) of 10 disbursements from the Audit Trail Report for the year ended December 31, 2018 and 10 from the year ended 2017 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Audit Trail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a Then and Now Certificate, as required by Ohio Rev. Code Section 5705.41(D). We found four instances where the certification date was after the vendor invoice date, and there was also no evidence that a Then and Now Certificate was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a Then and Now Certificate is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance-Budgetary

- 1. We compared the total estimated receipts from the *Certificate of Total Amount Available For Expenditures and Balances*, required by Ohio Revised Code Section 5705.36 (A)(1), to the amounts recorded in the Revenue Report for the General Fund, Dog Park Fund, and Bike Path Fund for the years ended December 31, 2018 and 2017. The amounts agreed.
- 2. We inspected the appropriation measures adopted for 2018 and 2017 to determine whether, for the General Fund, Dog Park Fund and the Bike Path Fund, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Revised Code Section 5705.38(C). We found no exceptions.
- 3. We compared total appropriations required by Ohio Revised Code Section 5705.38 and 5705.40, to the amounts recorded in the Expense Report for 2018 and 2017 for the following funds: General Fund, Dog Park Fund and the Bike Path Fund. The amounts on the appropriation resolutions agreed to the amounts recorded in the Expense Report.
- 4. Ohio Revised Code Section 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General Fund, Dog Park Fund and the Bike Path Fund for the years ended December 31, 2018 and 2017. There were no funds for which appropriations exceeded estimated resources.
- 5. Ohio Revised Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2018 and 2017 for the General Fund, Dog Park Fund and the Bike Path Fund, as recorded in the Expense Report. There were no funds for which expenditures exceeded appropriations.
- 6. For funds existing in prior years, we inspected the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no new funds for which the statutorily approved purpose was no longer valid included on the accounting records.
- 7. We inspected the 2018 and 2017 Revenue Report and Expense Report for evidence of interfund transfers exceeding \$5,000 which Ohio Revised Code Sections 5705.14 .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.

- 8. We inquired of management and inspected the Expense Report to determine whether the District elected to establish reserve accounts permitted by Ohio Revised Code Section 5705.13. The District did not establish these reserves.
- 9. We inspected the Cash Summary Report for the years ended December 31, 2018 and 2017 for negative cash fund balance. Ohio Revised Code Section 5701.10(I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Auditor of State established policies, regarding the filing of complete financial statements as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the District filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for years ended December 31, 2018 and 2017 in the Hinkle system. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the District's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2018 and 2017, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
