Issue	Principal outstanding as of December 31, 2016:

2. We inquired of management, and inspected the Manual Receipt Journal and Manual Cash Journal for evidence of debt issued during 2018 or 2017 or debt payment activity during 2018 or 2017. All debt agreed to the summary we used in procedure 3.

We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2018 and one payroll check for five employees from 2017 from the Manual Cash Journal and:
 - a. We compared the salary recorded in the Manual Appropriation Ledger to supporting documentation (legislatively or statutorily-approved rate or salary). We found no exceptions.

 - c. We inspected the fund and account code(s) to which the check was posted to determine the posting was reasonable based on the employee's duties as documented in the minute record or as required by statute. We also confirmed the payment was posted to the proper year. We found no exceptions.

2. For any new employees selected in procedure 1 we inspected the employees' personnel files for the following information and compared it with the information used to compute gross and net pay related to this check:

 - c. Department and fund to which the check should be charged
 - d. Retirement system participation and payroll withholding

We observed the following:

Withholding (plus employer share Where applicable)	Due Date	Date Paid	Amount W/H	Amount
Federal Income Taxes	January 31, 2019	December 29, 2018	\$ 899.46	\$ 899.46

School District Taxes	January 31, 2019	December 29, 2018	60.75	60.75

1. From the Manual Appropriation Ledger, we re-footed recorded as General Fund disbursements for general government, and checks recorded as public works in the Motor Vehicle License Tax Fund for 2018. We found no exceptions.

2. We selected a sample (agreed upon) of 10 disbursements from the Manual Cash Journal for the year ended December 31, 2018 and 10 from the year ended 2017 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.

 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a Then and Now Certificate, as required by Ohio Rev. Code Section 5705.41(D). We found one instance where the certification date was after the vendor invoice date, and there was also no evidence that a Then and Now Certificate was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a Then and Now Certificate is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance-Budgetary

1. We compared the total estimated receipts from the *Amended Official Certificate of Estimated Resources*, required by Ohio Revised Code Section 5705.36 (A)(1), to the amounts recorded in the Manual Receipt Journal for the General Fund, Gasoline Tax Fund, and Fire District Fund for the years ended December 31, 2018 and 2017. The amounts agreed.
2. We inspected the appropriation measures adopted for 2018 and 2017 to determine whether, for the General Fund, Gasoline Tax Fund and the Fire District Fund, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Revised Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Revised Code Section 5705.38 and 5705.40, to the amounts recorded in the Manual Appropriation Ledger for 2018 and 2017 for the following funds: General Fund, Gasoline Tax Fund and the Fire District Fund. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report.
4. Ohio Revised Code Section 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General Fund, Gasoline Tax Fund and the Fire District Fund for the years ended December 31, 2018 and 2017. There were no funds for which appropriations exceeded estimated resources.
5. Ohio Revised Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2018 and 2017 for the General Fund, Gasoline Tax Fund and the Fire District Fund, as recorded in the Manual Appropriation Ledger. There were no funds for which expenditures exceeded appropriations.
6. Ohio Revised Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2018 and 2017. We also inquired of management regarding whether the Township received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. For funds existing in prior years, we inspected the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no new funds for which the statutorily approved purpose was no longer valid included on the accounting records.

8. We inspected the 2018 and 2017 Manual Receipt Journal and Manual Appropriation Ledger for evidence of interfund transfers exceeding \$5,000 which Ohio Revised Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
9. We inquired of management and inspected the Manual Appropriation Ledger to determine whether the Township elected to establish reserve accounts permitted by Ohio Revised Code Section 5705.13. The Township did not establish these reserves.
10. We inspected the Manual Cash Journals for the years ended December 31, 2018 and 2017 for negative cash fund balance. Ohio Revised Code Section 5701.10(I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Compliance – Contracts and Expenditures

1. We inquired of management and inspected the Manual Cash Journal for the years ended December 31, 2018 and 2017 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Revised Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

Other Compliance

1. Ohio Revised Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for years ended December 31, 2018 and 2017 in the Hinkle system. There were no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2018 and 2017, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
