Village of Arlington  
Hancock County  
P.O. Box 699  
Arlington, Ohio 45814

We have performed the procedures enumerated below, which were agreed to by the Village Council, Mayor and the management of the Village of Arlington, Hancock County, Ohio (the Village), on the receipts, disbursements and balances recorded in the Villages cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Village. The Village is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2018 and 2017 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Village. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

The Special Revenue Fire Operating Fund January 1, 2018 balance was \$14,730 more than December 31, 2017 ending balance due to a voided check being put back on the accounting system. The Enterprise Water Operating Fund was \$43,080 less than December 31, 2017 ending balance. This was due to the Village creating a new Enterprise Fund, Water Tower Replacement, in which the monies were placed. The Fiscal Officer should review the UAN Accounting Manual for guidance on performing adjustments to the accounting system without changing fund balances.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2018 and 2017 fund cash balances reported in the Fund Status Report. The amounts agreed.
4. We confirmed the December 31, 2018 investments with the Village's financial institution. We found no exceptions. We also observed the year-end bank balances on the financial institution's website.

The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2018 bank reconciliation without exception.

**Income Tax Receipts**

We obtained the December 31, 2018 and 2017 Monthly Collection Report submitted by the City of Findlay Income Tax Department, the agency responsible for collecting income taxes on behalf of the Village. We agreed the total gross income taxes per year to the Village's Receipt Register Report. The amounts agreed.

**Water Operating and Sewer Operating Funds**

1. We selected a sample (agreed upon) of 10 Water Operating and Sewer Operating Fund collection cash receipts from the year ended December 31, 2018 and 10 Water Operating and Sewer Operating Fund collection cash receipts from the year ended December 31, 2017 recorded in the Cash Receipts Journal and determined whether the:

  - b. We selected a sample (agreed upon) of five cash adjustments from 2018 and all four cash adjustments from 2017, and observed that the Board of Public Affairs and Village Council approved each adjustment.

**Debt**

1. From the prior audit documentation, we observed the following bonds and notes were outstanding as of December 31, 2016. These amounts agreed to the Villages January 1, 2017 balances on the summary we used in procedure 3.

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2018 or 2017 or debt payment activity during 2018 or 2017. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of the bond and loan debt activity for 2018 and 2017 and agreed principal and interest payments from the related debt amortization schedules to Water Operating, Sewer Operating, Fire Operating, and Park Funds payments reported in the Payment Register Detail Report. 5. For new debt issued during 2018 and 2017, we inspected the debt legislation, which stated the Village must use the proceeds to purchase a fire truck and Ohio Water Development. We inspected the Payment Register Detail Report and observed the Village purchased a fire truck in April of 2018 and Water Development throughout 2018.

#### **Payroll Cash Disbursements**

1. We selected one payroll check for five employees from 2018 and one payroll check for five employees from 2017 from the Employee Detail Adjustment Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Employee Detail Adjustment Report to supporting documentation (timecard, legislatively approved rate or salary). We found no exceptions.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the employees' personnel files and/or minute record. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. For any new employees selected in procedure 1 we inspected the employees' personnel files and/or minute record for the following information and compared it with the information used to compute gross and net pay related to this check:

We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2018 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period during 2018. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>

4. We selected and recomputed one termination payment (unused vacation, etc.) using the following information, and agreed the computation to the amount paid as recorded in the Employee Detail Adjustment Report:
- Accumulated leave records
  - The employee's pay rate in effect as of the termination date
  - The Village's payout policy.

The amount paid was consistent with the information recorded in a. through c. above.

### **Non-Payroll Cash Disbursements**

We selected a sample (agreed upon) of 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2018 and 10 from the year ended December 31, 2017 and determined whether:

- The disbursements were for a proper public purpose. We found no exceptions.
- The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

### **Compliance – Budgetary**

- We compared the total estimated receipts from the *Amended Official Certificate of the Total Amount From All Sources Available For Expenditures and Balances*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, State Highway, and Fire funds for the years ended December 31, 2018 and 2017. The amounts agreed.
- We inspected the appropriation measures adopted for 2018 and 2017 to determine whether, for the General, State Highway, and Fire funds, the Council appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.

3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2018 and 2017 for the following funds: General, State Highway, and Fire Funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, State Highway, and Fire funds for the years ended December 31, 2018 and 2017. There were no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2018 and 2017 for the General, State Highway, and Fire funds, as recorded in the Appropriation Status Report. We observed no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2018 and 2017. We also inquired of management regarding whether the Village received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Village to establish a new fund.
7. For funds existing in prior years, we inspected the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no funds for which the statutorily approved purpose was no longer valid were included on the accounting records.
8. We inspected the 2018 and 2017 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).
9. We inquired of management and inspected the Appropriation Status Reports to determine whether the Village elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. The Village did not establish these reserves.
10. We inspected the Cash Summary by Fund Report for the years ended December 31, 2018 and 2017 for negative cash fund balance. Ohio Rev. Code Section 5705.10(I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

#### **Compliance – Contracts and Expenditures**

We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2018 and 2017 to determine if the Village proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project exceeding \$30,000) or to construct or reconstruct Village roads (cost of project \$30,000/per mile) for which Ohio Rev. Code Sections 117.16(A) and 723.52 requires the Village engineer, or officer having a different title but the duties and functions of an engineer, to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the completion of the force account assessment form.

### Other Compliance

1. Ohio Rev. Code Section 117.38 requires villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2018 and 2017 in the Hinkle system. There were no exceptions.
2. We inquired of the fiscal officer and inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. Fiscal Officer has not obtained the required 12 hours of training. The Fiscal Officer should attend the required trainings.
3. For all credit cards accounts, we obtained a list of all credit card account transactions.

We selected 3 credit card transactions for testing. For selected transactions, we inspected documentation to determine that each transaction was supported with original invoices and for a proper public purpose.

We found no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Village's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2018 and 2017, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
