2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2018 or 2017 or debt payment activity during 2018 or 2017. There were no new debt issuances, nor any debt payment activity during 2018 or 2017.

We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid

 - a. The disbursements were for a proper public purpose. We found no exceptions.

 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

Compliance – Budgetary

1. We compared the total estimated receipts from the Amended Official Certificate of Estimated Resources, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Street Construction, and State Highway funds for the years ended December 31, 2018 and 2017. The amounts agreed.
2. We inspected the appropriation measures adopted for 2018 and 2017 to determine whether, for the General, Street Construction, and State Highway funds, the Council appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2018 and 2017 for the following funds: General, Street Construction, and State Highway funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Street Construction, and State Highway funds for the years ended December 31, 2018 and 2017. There were no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2018 and 2017 for the General, Street Construction, and State Highway funds, as recorded in the Appropriation Status Report. We observed no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2018 and 2017. We also inquired of management regarding whether the Village received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Village to establish a new fund.
7. For funds existing in prior years, inspect the fund activity to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no funds for which the statutorily approved purpose was no longer valid were included on the accounting records.
8. We inspected the 2018 and 2017 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$5,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).
9. We inquired of management and inspected the Appropriation Status Reports to determine whether the Village elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. The Village did not establish these reserves.

10. We inspected the Cash Summary by Fund Report for the years ended December 31, 2018 and 2017 for negative cash fund balance. Ohio Rev. Code Section 5705.10(I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Compliance – Contracts & Expenditures

We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2018 and 2017 to determine if the Village proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct Village roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires Villages to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Village filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2018 and 2017 in the Hinkle system. Financial information was filed on March 4, 2019 which was not within the allotted timeframe.
2. We inquired of the fiscal officer to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. Fiscal Officer obtained the required training.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Village's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Village's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2018 and 2017, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
