INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Charlestown Township
Portage County
5735 Newton Falls Road
Ravenna, Ohio 44266

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Charlestown Township (the Township), on the receipts, disbursements and balances recorded in the Townships cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash

1. We recalculated the December 31, 2019 and December 31, 2018 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2018 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2017 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2019 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2018 balances in the Cash Summary by Fund Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 and 2018 fund cash balances reported in the Cash Summary by Fund Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2019 bank account balances through the Ohio Pooled Collateral System and with the Township's financial institutions. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2019 bank reconciliation without exception.

5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.
6. We inspected investments held at December 31, 2019 and December 31, 2018 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor DTLs for 2019 and a total of five from 2018:
 - a. We compared the amount from the above named reports to the amount recorded in the Revenue Ledger. Property tax receipts recorded for 2019 and 2018 improperly included Homestead & Rollback which should have been recorded as intergovernmental receipts. Additionally, other miscellaneous receipts recorded in 2018 included Homestead & Rollback which should have been recorded as intergovernmental receipts.
 - b. We inspected the Revenue Ledger to determine these receipts were allocated to the proper fund as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We inspected the Revenue Ledger to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Revenue Ledger to determine whether it included two real estate tax receipts for 2019 and 2018. The Revenue Ledger included the proper number of tax receipts for each year.

Debt

1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2017.
2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2019 or 2018 or debt payment activity during 2019 or 2018. There were no new debt issuances, nor any debt payment activity during 2019 or 2018.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2019 and one payroll check for five employees from 2018 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account code(s) to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the minute records as required by statute. We also confirmed the payment was posted to the proper year. We found no exceptions.

- c. For any new employees selected we inspected the employees' personnel files and minute record for the following information and compared it with the information used to compute gross and net pay related to this check:
 - i. Name
 - ii. Authorized salary or pay rate and department(s) and fund(s) to which the check should be charged
 - iii. Retirement system, Federal, State & Local income tax withholding authorization and withholding

We found no exceptions related to procedures i. – iii. above.

- 2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2019. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2020	12/31/19	6,373	6,373
State income taxes	January 15, 2020	12/30/19	781	781
OPERS retirement	January 31, 2020	1/20/20	1,065	1,065

- 3. We compared total gross pay for the fiscal officer and each board member for 2019 and 2018 to the compensation permitted by Ohio Revised Code Sections 507.09 and 505.24, respectively. We noted the Fiscal Officer was under compensated by \$1,560 in 2018 and over compensated by \$480 in 2019.
- 4. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2019 and 2018 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

Non-Payroll Cash Disbursements

- 1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2019 and 10 from the year ended 2018 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found three instances in 2018 and six instances in 2019 where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Road and Bridge and Permissive Motor Vehicle funds. There were no funds for which expenditures exceeded appropriations.
2. We inspected the 2019 and 2018 Cash Summary by Fund Report for evidence of interfund transfers exceeding \$10 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner (effective after June 30, 2017) or Court of Common Pleas (effective through June 30, 2017).
3. We inspected the Cash Summary by Fund Report for the years ended December 31, 2019 and 2018 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Other Compliance

Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, however, the 2018 and 2019 financial information was filed on June 15, 2020 which was not within the allotted timeframe.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
