The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

1. We recalculated the December 31, 2019 and December 31, 2018 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2018 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2017 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 and 2018 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.
4. We observed the year-end bank balances on the Ohio Pooled Collateral System (OPCS). The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2019 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

6. We traced interbank account transfers occurring in December of 2019 and 2018 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.
7. We inspected investments held at December 31, 2019 and December 31, 2018 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor's Cross Reference Report by Vendor Number for 2019 and a total of five from 2018:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. The amounts agreed.

Debt

1. From the prior agreed-upon procedures documentation, we observed the following loan was outstanding as of December 31, 2017. These amounts agreed to the Townships January 1, 2018 balances on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2017:
Backhoe Loan	\$46,204.19

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2019 or 2018 or debt payment activity during 2019 or 2018. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of loan debt activity for 2019 and 2018 and agreed principal and interest payments from the related debt amortization schedule to Road and Bridge fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.

Payroll Cash Disbursements

1. We selected one payroll check for five employees from 2019 and one payroll check for five employees from 2018 from the Wage Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the minute record or as required by statute. We also confirmed the payment was posted to the proper year. We found no exceptions.
 - c. For any new employees selected we inspected the employees' personnel files for the following information and compared it with the information used to compute gross and net pay related to this check:
 - i. Name
 - ii. Authorized salary or pay rate and department(s) and fund(s) to which the check should be charged
 - iii. Retirement system, Federal, State & Local income tax withholding authorization and withholding
 We found no exceptions related to procedures i. – iii. above.

2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2019. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2020	December 31, 2019	\$1,124.57	\$1,124.57
State income taxes	January 15, 2020	December 31, 2019	\$235.18	\$235.18
Local income tax	January 31, 2020	December 31, 2019	\$39.48	\$39.67
OPERS retirement	January 30, 2020	December 31, 2019	\$2,386	\$2,386

3. We compared total gross pay for the fiscal officer and each board member for 2019 and 2018 to the compensation permitted by Ohio Revised Code Sections 507.09 and 505.24, respectively. We found no exceptions.

We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2019 and 2018 to determine if Township employees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred in 2019. In 2018 Insurance reimbursements made were in compliance with ORC 505.60 and 505.601 and federal regulations.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2019 and 10 from the year ended 2018 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found one exception in 2019 where the check number recorded in the Payment Register Detail Report did not agree to the canceled check. We found no exceptions in 2018.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found four instances where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Road and Bridge and Special Levy fund. There were no funds for which expenditures exceeded appropriations.
2. We inspected the Appropriation Ledger Report for the Cemetery Trust Fund. Not more than 5% of non-spendable monies were released, spent, or otherwise modified during the engagement period.
3. We inspected the 2019 Interfund Transfers Listing for evidence of interfund transfers exceeding \$5,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner effective after June 30, 2017.
4. We inspected the Cash Summary by Fund Report for the years ended December 31, 2019 and 2018 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.

6. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager. There was no written evidence the Fiscal Officer (record custodian) received the Township's Public Records Policy.
7. We inspected the Township's policy manual to determine if the public records policy was included. The Township's public records policy is not included in the Township's Policy Handbook.

12. We inspected the minutes of public meetings during the engagement period and determined whether they were:
 - a. Prepared – a file is created following the date of the meeting.
 - b. Filed – placed with similar documents in an organized manner.
 - c. Maintained - retained, at a minimum, for the engagement period.
 - d. Open to public inspection – available for public viewing or request.We found no exceptions.
13. We inspected the minutes from the engagement period and determined the following:

Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2019 and 2018 in the Hinkle system. There were no exceptions.
2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. Fiscal Officer obtained the required training.
3. For all credit card accounts we obtained:
 - copies of existing internal control policies,
 - a list(s) of authorized users, and
 - a list of all credit card account transactions.
 - a. We inspected the established policy obtained above and determined it is
 - i. in compliance with the HB 312 statutory requirements, and
 - ii. implemented by the entity.The credit card policy does not list the following: credit card issuance, reissuance, cancellation, etc, the maximum credit limits, or qualification of misuse of credit cards.
 - b. We selected 1 credit card transaction from each credit card account for testing. For selected transactions we inspected documentation to determine that:
 - i. Use was by an authorized user within the guidelines established in the policy, and
 - ii. Each transaction was supported with original invoices and for a proper public purpose.The policy only lists one road employee and one Trustee as authorized users. AOS could not verify the authorized user was in accordance with the Township's policy.
 - c. We selected 3 credit card statements from each credit card account for testing. For selected statements we inspected documentation to determine that:
 - i. No unpaid beginning balance was carried forward to the current billing cycle,
 - ii. Ending statement balance was paid in full, and
 - iii. Statement contained no interest or late fees.We found no exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
