## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

October 16, 2020

Scioto Township  
Ross County  
PO Box 1975, 164 South Watt Street  
Chillicothe, Ohio 45601

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Scioto Township, Ross County, Ohio (the Township) and the Auditor of State, on the receipts, disbursements and balances recorded in the Townships cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2019 and 2018 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash

1. We recalculated the December 31, 2019 and December 31, 2018 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2018 beginning fund balances recorded in the Combined Statement of Receipts, Disbursements and Changes in Fund Balances to the December 31, 2017 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2019 beginning fund balances recorded in the Combined and Combining Statements of Receipts, Disbursements and Changes in Fund Balances to the December 31, 2018 balances in the Combined and Combining Statements of Receipts, Disbursements and Changes in Fund Balances. We found no exceptions.

### **Cash (Continued)**

3. We agreed the totals per the bank reconciliations to the total of the December 31, 2019 and 2018 fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. We noted a variance of \$185.94 in 2019, and \$31.04 in 2018 due to other adjusting factors noted on the bank reconciliation.
4. We confirmed the December 31, 2019 bank account balance with the Township's financial institution. We also agreed the confirmed balances to the amounts appearing in the December 31, 2019 bank reconciliation. The confirmed balance did not agree to the December 31, 2019 bank reconciliation. We noted that Township cleared a \$321.01 deposit in transit from their reconciliation, but the deposit had not cleared the bank as of December 31, 2019.
5. We selected five reconciling debits (such as outstanding checks) from the December 31, 2019 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Ross County Audit Trail By Account Report for 2019 and a total of five from 2018:
  - a. We compared the amount from the above named reports to the amount recorded in the Revenue Ledger. The amounts agreed.
  - b. We inspected the Revenue Ledger to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We inspected the Revenue Ledger to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Revenue Ledger to determine whether it included two real estate tax receipts for 2019 and 2018. The Revenue Ledger included the proper number of tax receipts for each year.

### **Over-The-Counter Cash Receipts**

We selected 10 over-the-counter cash receipts from the year ended December 31, 2019 and 10 over-the-counter cash receipts from the year ended 2018 recorded in the duplicate cash receipts book and:

- a. Agreed the receipt amount to the amount recorded in the Revenue Ledger. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the Revenue Ledger to determine the receipt was posted to the proper fund and was recorded in the proper year. We found exceptions. We noted rent of Township properties, sale of fixed assets, a grant, and the sale of cemetery lots were all recorded as miscellaneous receipts in 2018, and rent of Township properties and sale of cemetery lots were classified as miscellaneous receipts in 2019. However, because we did not inspect all receipts, our report provides no assurance regarding whether or not similar errors occurred.

**Debt**

1. From the prior agreed-upon procedures documentation, we observed the following note was outstanding as of December 31, 2017. These amounts agreed to the Townships January 1, 2018 balances on the summary we used in procedure 3.

<b>Issue</b>	<b>Principal outstanding as of December 31, 2017:</b>
Anticipation Note-Fire Truck	\$519,961

2. We inquired of management, and inspected the Revenue Ledger and Appropriation Ledger for evidence of debt issued during 2019 or 2018 or debt payment activity during 2019 or 2018. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of note debt activity for 2019 and 2018 and agreed principal and interest payments from the related debt amortization schedule to debt service fund and Fire District fund payments reported in the Appropriation Ledger. We also compared the date the debt service payments were due to the date the Township made the payments. We noted that the Township improperly allocated a portion of payments amounting to \$1,395 to interest and contracted services instead of principal in 2018, and \$1,154 to contracted services, operating supplies, and interest instead of principal in 2019. No other exceptions noted.

**Payroll Cash Disbursements**

1. We selected one payroll check for five employees from 2019 and one payroll check for five employees from 2018 from the Wage Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We inspected the fund and account code(s) to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the minute record or as required by statute. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2019 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2019. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2020	December 27, 2019	\$4,313.52	\$4,313.52
State income taxes	January 15, 2020	December 30, 2019	\$694.87	\$694.87
OPERS retirement	January 30, 2020	December 30, 2019	\$6,036.42	\$6,036.42
OP&F retirement	January 31, 2020	December 30, 2019	\$73.04	\$73.04

### Payroll Cash Disbursements (Continued)

3. For the pay periods ended May 31, 2019 and March 31, 2018, we
  - a. Recomputed the allocation of the Boards' salaries to the General, Road and Bridge, Cemetery, and Fire District per the Wage Detail Report.
  - b. Traced the Boards' salary for time or services performed to supporting certifications the Revised Code requires.We found no exceptions.
4. We compared total gross pay for the fiscal officer and each board member for 2019 and 2018 to the compensation permitted by Ohio Revised Code Sections 507.09 and 505.24, respectively. We found no exceptions.
5. We inquired of management and inspected the Wage Detail Report and Appropriation Ledger for the years ended December 31, 2019 and 2018 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

### Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Appropriation Ledger for the year ended December 31, 2019 and 10 from the year ended 2018 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Appropriation Ledger and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found two instances in 2019 and 2018 where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

### Compliance – Budgetary

1. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code Section 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2019 and 2018 for the General, Motor Vehicle License Tax Fund and Gasoline Tax fund. There were no funds for which expenditures exceeded appropriations.
2. We inspected the Appropriation Ledger Report for the Cemetery Bequest Fund. Not more than 5% of non-spendable monies were released, spent, or otherwise modified during the engagement period.

### **Compliance – Budgetary (Continued)**

3. We inspected the 2019 and 2018 Revenue Ledger and Appropriation Status Reports for evidence of interfund transfers exceeding \$1,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner.
4. We inspected the Cash Summary by Fund Report for the years ended December 31, 2019 and 2018 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

### **Sunshine Law Compliance**

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Township management and determined that the Township did not have any completed public records requests during the engagement period.
3. We inquired with Township management and determined that the Township did not have any denied public records requests during the engagement period.
4. We inquired with Township management and determined that the Township did not have any public records requests with redactions during the engagement period.
5. We inquired whether the Township had a records retention schedule, and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
6. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inspected the Township's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
8. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
9. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
10. We inspected Public Records Training Certificates and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found no exceptions.

### Sunshine Law Compliance (Continued)

11. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
12. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
  - a. Prepared – a file is created following the date of the meeting
  - b. Filed – placed with similar documents in an organized manner
  - c. Maintained - retained, at a minimum, for the engagement period
  - d. Open to public inspection – available for public viewing or request.We found no exceptions.
13. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
  - a. Executive sessions were only held at regular or special meetings.
  - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code Section 121.22(G).
  - c. Formal governing board actions were adopted in open meetings.We found no exceptions.

### Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2019 and 2018 in the Hinkle system. 2018 financial information was filed on April 13, 2020 which was not within the allotted timeframe.
2. For all credit card accounts we obtained:
  - copies of existing internal control policies,
  - a list(s) of authorized users, and
  - a list of all credit card account transactions.
  - a. We inspected the established policy obtained above and determined it is:
    - i. not in compliance with the HB 312 statutory requirements, and
    - ii. implemented by the entity.We found that the Township's adopted credit card policy does not meet the requirements of House Bill 312.
  - b. We selected 1 credit card transaction from each credit card account for testing. For selected transactions we inspected documentation to determine that:
    - i. Use was by an authorized user within the guidelines established in the policy, and
    - ii. Each transaction was supported with original invoices and for a proper public purpose.We found no exceptions.

**Other Compliance (Continued)**

- c. We selected 3 credit card statements from each credit card account for testing. For selected statements we inspected documentation to determine that:
  - i. No unpaid beginning balance was carried forward to the current billing cycle,
  - ii. Ending statement balance was paid in full, and
  - iii. Statement contained no interest or late fees.

We noted one credit card statement that included a carried forward previous balance, but no late fees or interest were incurred. We found no other exceptions.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2019 and 2018, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
