BASIC AUDIT REPORT

Grandview Union Cemetery
Tuscarawas County
P.O. Box 101
Strasburg, Ohio 44680

We have completed certain procedures in accordance with Ohio Rev. Code § 117.01(G) to the accounting records and related documents of the Grandview Union Cemetery, Tuscarawas County, (the Cemetery) for the years ended December 31, 2023 and 2022.

Our procedures were designed solely to satisfy the audit requirements of Ohio Rev. Code § 117.11(A). Because our procedures were not designed to opine on the Cemetery's financial statements, we did not follow *generally accepted auditing standards*. We do not provide any assurance on the Cemetery's financial statements, transactions or balances for the years ended December 31, 2023 and 2022.

The Cemetery's management is responsible for preparing and maintaining its accounting records and related documents. Our responsibility under Ohio Rev. Code § 117.11(A) is to examine, analyze and inspect these records and documents.

Based on the results of our procedures, we found the following significant compliance or accounting issues to report.

Current Year Observations

1. **Ohio Rev. Code § 117.38** states, in part, that each public office, other than a state agency, shall file a financial report for each fiscal year. The Auditor of State may prescribe forms by rule or may issue guidelines, or both, for such reports. If the Auditor of State has not prescribed a rule regarding the form for the report, the public office shall submit its report on the form utilized by the public office. The report shall be certified by the proper officer or board and filed with the Auditor of State within sixty days after the close of the fiscal year, except that public offices reporting pursuant to generally accepted accounting principles shall file their reports within one hundred fifty days after the close of the fiscal year. The Auditor of State may extend the deadline for filing a financial report and establish terms and conditions for any such extension.

The Grandview Union Cemetery's December 31, 2022 annual financial report was due by March 1, 2023 but was not filed with the Auditor of State until March 6, 2023.

The Grandview Union Cemetery should implement procedures to verify its annual financial report is filed with the Auditor of State by the required deadline. If the Cemetery is unable to meet the deadline, the Cemetery should file an extension request through the Auditor of State. Failure to file a complete report by the established deadline, without an extension, could result in the assessment of penalties against the Grandview Union Cemetery.

Current Status of Matters Reported in our Prior Engagement

2. **Ohio Rev. Code § 149.43(B)(2)** states that a public office shall have available a copy of its current records retention schedule at a location readily available to the public.

The Cemetery did not provide a records retention schedule upon our request. This could result in public records being destroyed prior to an authorized time as well as records requests not being fulfilled in accordance with Ohio law.

3. **Ohio Rev. Code § 149.43(E)(2)** provides that every public office must have a policy in place for responding to public records requests. Generally, a public records policy cannot: (1) limit the number of public records the office will make available to a single person; (2) limit the number of public records the office will make available during a fixed period of time; and (3) establish a fixed period of time before the office will respond to a request for inspection/copying of public records unless that period is less than eight hours. However, pursuant to Ohio Rev. Code § 149.43(B)(7)(c), the policy may limit the number of public records the public office will physically deliver by U.S. Mail or other delivery service to ten per month unless the person certifies to the office in writing that the person does not intend to use or forward the requested records, or the information contained in them, for commercial purposes. "Commercial" is narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

Ohio Rev. Code § 149.43(E)(2) further requires all public offices take certain actions with regard to their public record policy. Public offices must distribute their Public Records Policy to the employee who is the records custodian/manager or otherwise has custody of the records of that office and have that employee acknowledge receipt of the Public Records Policy; create and display in a conspicuous place in all locations where the public office has branch offices a poster describing the public records policy; and, if the public office has a manual or handbook of its general policies and procedures for all employees, include the public records policy in that manual or handbook.

The Cemetery has no formal written policy that would demonstrate compliance with the Ohio Revised Code. This could result in records requests not being fulfilled in accordance with Ohio law.

The Cemetery shall establish a public records policy. The policy shall be distributed to the records custodian/manager and the Cemetery should have a written acknowledgement of receipt from the records custodian/manager. In addition, a poster describing the public records policy must be conspicuously displayed in all of the Cemetery's branch offices and the public records policy must be included in policy manuals or handbooks if any exist.

Pursuant to Ohio Rev. Code § 109.43(E)(2), the Ohio Attorney General has developed and provided to all public offices a model public records policy for responding to public records requests. The policy, which is available at <https://www.ohioattorneygeneral.gov/Files/Government-Entities/Model-Public-Records-Policy.aspx>, provides guidance to public offices in developing their own policies for responding to public records requests in compliance with the Public Records Act.
