No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

### Cash and Investments

1. We recalculated the December 31, 2024 and December 31, 2023 bank reconciliations. The 2024 reconciliation had a fund balance adjustment in the amount of \$109 with no proper supporting documentation or explanation. The 2023 reconciliation had 3 fund balance adjustments totaling \$17 with no proper supporting documentation or explanation.
2. We agreed the January 1, 2023 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2022 balances in the documentation in the prior year Agreed-Upon Procedures. We found no exceptions. We also agreed the January 1, 2024 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2023 balances in the Fund Ledger Report. We found no exceptions.

3. We agreed the 2024 and 2023 bank reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2024 and 2023 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the District in the Hinkle System. The amounts agreed.
4. We confirmed the December 31, 2024 bank account balances with the District's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2024 bank reconciliation without exception.
5. We selected 5 reconciling debits (such as outstanding checks) from the December 31, 2024 bank reconciliation:
  - a. We traced each debit to the subsequent January and February bank statements. We found 1 reconciling debit did not clear during either of these months.
  - b. We traced the amounts and dates to the check register and determined the debits were dated prior to December 31. We found no exceptions.
6. We traced interbank account transfers occurring in December of 2024 and 2023 to the accounting records and bank statements to determine if they were properly recorded. We found no exceptions.
7. We inspected investments held at December 31, 2024 and December 31, 2023 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14, 135.144 or 135.145. We found no exceptions.
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We found no exceptions.

#### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL) and the County Auditor DTLs from 2024 and a total of 5 from 2023:

#### **Other Receipts**

We selected 10 other receipts from the year ended December 31, 2024 and 10 other receipts from the year ended 2023 and:

- a. Agreed the receipt amount recorded in the Receipt Register Report to supporting documentation. We found 1 receipt that did not have proper supporting documentation.

We found 1 receipt for \$18,400 for the Vallee Fund grant recorded in the Legacy fund that should have been recorded in the Vallee fund. We brought this to management's attention. No adjustment will be made as the grant has already been expended.

1. From the prior agreed upon procedures documentation, we observed leases were outstanding as of December 31, 2022. These outstanding balances are included in the "Summary Debt Table - Carry Forward Balance" column in the summary chart in procedure 3.
2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2024 or 2023 or debt payment activity during 2024 or 2023. All debt agreed to the summary we used in procedure 3.
3. From the summary of outstanding debt for 2024 and 2023 below:

  - c. Based on the principal payments made, we agreed the outstanding balances to the debt amortization schedules and included the outstanding balances in the summary table below. We found no exceptions.
  - d. The District did not have any debt covenants that would result in modification of terms or cancellation of the debt.

Debt Issued	Carry Forward Balance 1/1/2023	Total Principal Payments 2023/2024	Outstanding Balance 12/31/2024
2018 Tanker Truck Lease	\$100,365	\$49,547	\$50,818
2016 Rosenbauer Fire Truck	\$124,277	\$78,382	\$45,895

## Payroll Cash Disbursements

1. We selected 1 payroll check for 5 employees from 2024 and 1 payroll check for 4 employees from 2023 from the Wage Withholdings Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily approved rate or salary). We found no exceptions.
  - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record. We found no exceptions.

3. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2024 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2024. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2025	1/15/2025	\$505	\$505
State income taxes	January 15, 2025	1/15/2025	\$100	\$100
School District Income Tax	January 31, 2025	1/15/2025	\$48	\$48
OPERS retirement	January 30, 2025	1/15/2025	\$1,146	\$1,146

We found no exceptions.

#### Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2024 and 10 from the year ended 2023 and determined whether:
  - a. The disbursements were for a proper public purpose. We found 2 disbursements totaling \$78 that did not have supporting documentation; therefore, we are unable to determine if these disbursements were for a proper public purpose. We also found that the District paid a total of \$62 in credit card interest and late fees and \$35 in sales tax.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found 7 instances where the certification date was after the vendor invoice date, and there was also no evidence that a Then and Now Certificate was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a Then and Now Certificate is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

#### Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus contract commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2024 and 2023 for the General, Legacy, and Vallee Funds. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2024 and 2023 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. There were no funds having negative cash fund balances.

1. We obtained and inspected the District's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.

3. We inquired whether the District had a records retention schedule and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.

6. We observed that the District's poster describing their Public Records Policy was displayed conspicuously in all branches of the District as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.

Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
  - a. Prepared – a file is created following the date of the meeting
  - b. Filed – placed with similar documents in an organized manner
  - c. Maintained - retained, at a minimum, for the engagement period
  - d. Open to public inspection – available for public viewing or request.We found no exceptions.

**Other Compliance**

1. Ohio Rev. Code § 117.38 requires Districts to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the District filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2024 and 2023 in the Hinkle system. We found no exceptions.

We were engaged by the District to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the District and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
