## INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Bloomfield Township  
Jackson County  
686 June Marshall Road  
Jackson, Ohio 45640

We have performed the procedures enumerated below on the Bloomfield Township's (the Township), receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2024 and 2023, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

### Cash and Investments

1. We recalculated the December 31, 2024 and December 31, 2023 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2023 beginning fund balances for each fund recorded in the Fund Status Report to the December 31, 2022 balances in the documentation in the prior year Agreed-Upon Procedures. We found no exceptions. We also agreed the January 1, 2024 beginning fund balances for each fund recorded in the Fund Status Report to the December 31, 2023 balances in the Fund Status Report. We found no exceptions.
3. We agreed the 2024 and 2023 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2024 and 2023 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

---

Efficient • Effective • Transparent

### **Cash and Investments (Continued)**

4. We confirmed the December 31, 2024 bank account balances with the Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2024 bank reconciliation without exception.
5. We inspected investments held at December 31, 2024 and December 31, 2023 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14, 135.144 or 135.145. We found no exceptions
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We found no exceptions.

### **Property Taxes and Intergovernmental Receipts**

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the County Auditor DTLs for 2024 and a total of 5 from 2023:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. We found that the Sales Tax Trust for 2024 was posted at net instead of gross. Misc Capital Projects Fund receipts and related fees were understated a total of \$111.
  - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05 and 5705.10. We found no exceptions.
  - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included 2 real estate tax receipts for 2024 and 2023. The Receipt Register Report included the proper number of tax receipts for each year. We found no exceptions.

### **Debt**

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2022.
2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2024 or 2023 or debt payment activity during 2024 or 2023. There were no new debt issuances, nor any debt payment activity during 2024 or 2023.

### **Payroll Cash Disbursements**

1. We selected 1 payroll check for the only employee from 2024 and 1 payroll check for the 2 employees from 2023 from the Wage Withholdings Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or approved rate or salary). We found no exceptions.
  - b. We recomputed gross and net pay and agreed it to the amount recorded in the payroll register. We found no exceptions.
  - c. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the minute record. We found no exceptions.
  - d. We confirmed the payment was posted to the proper year. We found no exceptions.

### Payroll Cash Disbursements (Continued)

2. We selected the only new Trustee from 2024 and only new employee from 2023 and:
  - a. We inspected the employees and Board of Trustee's personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
  - b. We agreed the items in a above to the Employee General Information Report.
We found no exceptions.
3. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2024 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2024. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare	January 31, 2025	December 2, 2024	\$547	\$547
State income taxes	January 31, 2025	December 2, 2024	\$117	\$117
OPERS retirement	January 30, 2025	December 2, 2024	\$1,435	\$1,435

We found no exceptions.

4. For the pay periods ended September 30, 2024 and April 30, 2023, we
  - a. Recomputed the allocation of the Fiscal Officer's and Boards of Trustees' salary amounts employer share withholding to the General, Motor Vehicle License Tax, Gasoline Tax, and Road and Bridge Funds per the Wage Detail Report.
  - b. Traced the Fiscal Officer's and Board of Trustees' pay for time or services performed to supporting certifications the Revised Code requires.
We found no exceptions.
5. We compared total gross pay for the fiscal officer and each board of trustees for 2024 and 2023 to the compensation permitted by Ohio Rev. Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Rev. Code §§ 507.09 and 505.24 permitted amounts.

### Non-Payroll Cash Disbursements

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2024 and 10 from the year ended 2023 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions in 2023. For 2024, we found one exception.

Ohio Rev. Code § 117.24 requires the Auditor of State to determine whether "public money has been illegally expended, any public money collected has not been accounted for, any public money due has not been collected, or any public property has been converted or misappropriated. . . ." Those determinations in an audit report constitute "findings for recovery." Ohio Rev. Code § 9.24(H)(3).

### Non-Payroll Cash Disbursements (Continued)

At the regular Township meeting held on December 2, 2024, the Board of Trustees approved to provide a \$500 employee bonus to recognize exceptional service to independent contractor, David Warrens. Mr Warrens was not a Township employee but rather an independent contractor which would make him ineligible for employee benefits, including employee bonuses. The \$500 employee bonus is not considered an allowable proper public purpose payment for an independent contractor.

In accordance with the foregoing facts, and pursuant to Ohio Rev. Code § 117.28, a Finding for Recovery for public monies illegally expended is hereby issued against David Warrens in the amount of \$500 and Trustees Tim Jones, Dan Neal, and Ryan Erwin and their bonding company, Ohio Township Association Risk Management Authority, jointly and severally, in the amount of \$500. This amount is in favor of the Township's Gasoline Tax Fund in the amount of \$250 and the Road and Bridge Fund in the amount of \$250.

Mr. Warrens repaid the \$500 finding referenced above on June 30, 2025 with check number 2087. This amount was repaid to the Township's Gasoline Tax Fund in the amount of \$250 and the Road and Bridge Fund in the amount of \$250 on Township receipt number 22-2025.

- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions in 2023. For 2024, we found one instance where the amount recorded on the returned, canceled check and the amount recorded in the Payment Register Detail Report did not agree to the amount on the supporting invoice. The invoice selected for testing was underpaid \$30 but we noted the additional \$30 was paid on the subsequent month invoice.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The Fiscal Officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found one instance for 2023 and four instances for 2024 where the certification date was after the vendor invoice date, and there was also no evidence that a Then and Now Certificate was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a Then and Now Certificate is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

### Compliance – Budgetary

- 1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus contract commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2024 and 2023 for the General, Motor Vehicle License Tax, and Gasoline Tax funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
- 2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2024 and 2023 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

### Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We selected the only public records request from the engagement period and inspected the request to determine the following:
  - a. The Township was compliant and responded to the request in accordance with their adopted policy as required by Ohio Rev. Code § 149.43(B)(1). We found no exceptions.

Date Request Received	Date Request Fulfilled	Policy Response Time (in Business days)	Actual Response Time (in Business days)
August 28, 2023	August 30, 2023	Promptly/Reasonable	2

3. We inquired whether the Township had a records retention schedule and observed that it was readily available to the public as required by Ohio Rev. Code § 149.43(B)(2). We found no exceptions.
4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the Township's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
6. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We inspected individual proof of attendance and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found one Trustee did not attend the required training for their term ended December 31, 2023.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
  - a. Prepared – a file is created following the date of the meeting
  - b. Filed – placed with similar documents in an organized manner
  - c. Maintained - retained, at a minimum, for the engagement period
  - d. Open to public inspection – available for public viewing or request.

### **Sunshine Law Compliance (Continued)**

We found no exceptions.

11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
    - a. Executive sessions were only held at regular or special meetings.
    - b. The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
    - c. Formal governing board actions were adopted in open meetings.
- We found no exceptions.

### **Other Compliance**

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2024 and 2023 in the Hinkle system. We found no exceptions.
  2. We inquired of the fiscal officer and inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. Fiscal Officer obtained the required training.
  3. The Township provided out-of-pocket insurance reimbursements in lieu of providing coverage to two Trustees each year.
    - a. We inspected the resolution authorizing reimbursements and determined it met the following documentation requirements for Ohio Rev. Code § 505.601.
      1. The Township has not chosen to procure a health plan,
      2. The Township has chosen to reimburse its officers and employees for each out-of-pocket premium,
      3. It provides for a maximum uniform monthly or yearly payment amount for each officer and employee, and
      4. It lists only the specific benefits allowed under Ohio Rev. Code § 505.60A that will be reimbursed.
- We found no exceptions.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
