## INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Franklin Township  
Jackson County  
199 Wastier Cherrington Road  
Jackson, Ohio 45640

We have performed the procedures enumerated below on the Franklin Township, Jackson County, Ohio (the Township), receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2024 and 2023, and certain compliance requirements related to these transactions and balances. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

### Cash and Investments

1. We recalculated the December 31, 2024 and December 31, 2023 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2023 beginning fund balances for each fund recorded in the Fund Status Report to the December 31, 2022 balances in the prior year agreed-upon procedures working papers. We found no exceptions. We also agreed the January 1, 2024 beginning fund balances for each fund recorded in the Fund Status Report to the December 31, 2023 balances in the Fund Status Report. We found no exceptions.
3. We agreed the 2024 and 2023 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2024 and 2023 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

### Cash and Investments (Continued)

4. We confirmed the December 31, 2024 bank account balances with the Township's financial institution and the Ohio Pooled Collateral System. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2024 bank reconciliation without exception.
5. We selected 5 reconciling debits (such as outstanding checks) from the December 31, 2024 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statements. We found check 10614 dated September 18, 2017 for \$61, check 12601 dated September 16, 2024 for \$125, and check 10109 dated January 18, 2016 for \$85 that had not cleared the bank as of February 28, 2025.
  - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.
6. We inspected the Fund Status Report to determine whether the Finding For Adjustment identified in the prior agreed upon procedures report, due from the Fire Fund, payable to the General Fund, was properly posted to the ledgers and reflected in the fund balances in Procedure 2. We found no exceptions.
7. We inspected investments held at December 31, 2024 and December 31, 2023 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14, 135.144 or 135.145. We found no exceptions
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We found no exceptions.

### Property Taxes and Intergovernmental Receipts

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the 13A54-Jackson County GL Report Export for 2024 and a total of 5 from 2023:
  - a. We compared the amount from the above named reports to the amount recorded in the Receipt Register Report. We found exceptions. The property tax rollback receipts for the first half of 2024 and both the first and second half of 2023 were posted at net instead of gross. General Fund tax receipts and related fees were understated \$97 in 2024 and \$120 in 2023. Fire District Fund tax receipts and related fees were understated by \$33 in 2024 and \$47 in 2023.
  - b. We inspected the Receipt Register Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05 and 5705.10. We found that a Township Permissive Motor Vehicle License Tax receipt was misposted to the Motor Vehicle License Tax Fund. It should have been posted to its own special revenue fund. This resulted in Motor Vehicle License Tax Fund receipts being overstated \$349 and Permissive MVL Fund receipts being understated \$349 in 2024. The Fiscal Officer identified related expenditures in the Motor Vehicle License Tax Fund on June 11, 2025 that would offset the receipts. As such, no change to fund balance would be applicable.
  - c. We inspected the Receipt Register Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Register Report to determine whether it included 2 real estate tax receipts for 2024 and 2023. The Receipt Register Report included the proper number of tax receipts for each year. We found no exceptions.

**Debt**

1. From the prior agreed upon procedures documentation, we observed a loan was outstanding as of December 31, 2022. The outstanding balance was included in the "Summary Debt Table - Carry Forward Balance" column in the summary chart in procedure 3.
2. We inquired of management and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt issued during 2024 or 2023 or debt payment activity during 2024 or 2023. There were no new debt issuances during 2024 or 2023.
3. From the summary of outstanding debt for 2024 and 2023 below:
  - a. We agreed the principal and interest payments from the related debt amortization schedule to Permissive Sales Tax Fund payments reported in the Payment Register Detail Report and included the total principal payments for both years in the table below. We found no exceptions.
  - b. We compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.
  - c. Based on the principal payments made, we agreed the outstanding balance to debt amortization schedule and included the outstanding balance in the summary table below. We found no exceptions.
  - d. For any outstanding debt listed in the table below, we obtained the debt agreements and confirmed the Township was in compliance with its debt covenants. We found no exceptions.

<b>Summary Debt Table</b>					
<b>Debt Issued</b>	<b>Carry Forward Balance 1/1/2023</b>	<b>New Issue 2023</b>	<b>New Issue 2024</b>	<b>Total Principal Payments 2023/2024</b>	<b>Outstanding Balance 12/31/2024</b>
Dump Truck Loan	\$81,844	\$0	\$0	\$47,807	\$34,037

**Payroll Cash Disbursements**

1. We selected 1 payroll check for 1 employee from 2024 and 1 payroll check for 1 employee from 2023 from the Wage Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or approved rate or salary). We found no exceptions.
  - b. We inspected the fund and account code to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employee's timesheets. We found no exceptions.
  - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2024 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2024. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare	01/31/2025	01/20/2025	\$3,903	\$3,903
State income taxes	01/15/2025	12/16/2024	\$211	\$211
OPERS retirement	01/30/2025	01/20/2025	\$2,053	\$2,053

We found no exceptions.

3. We compared total gross pay for the Fiscal Officer and each Board of Trustees for 2024 and 2023 to the compensation permitted by Ohio Rev. Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Rev. Code §§ 507.09 and 505.24 permitted amounts.

### **Non-Payroll Cash Disbursements**

We selected 10 disbursements from the Payment Register Detail Report for the year ended December 31, 2024 and 10 from the year ended 2023 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The Fiscal Officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found two instances in 2024 and one instance in 2023 where the certification date was after the vendor invoice date, and there was also no evidence that a Then and Now Certificate was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a Then and Now Certificate is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

### **Compliance – Budgetary**

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus contract commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2024 and 2023 for the General, Motor Vehicle License Tax, and Gasoline Tax Funds as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2024 and 2023 for negative cash fund balances. Ohio Rev. Code § 5705.10(l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

### Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Township management and determined that the Township did not have any completed public records requests during the engagement period. The Township did not have any denied public records requests during the engagement period. The Township did not have any public records requests with redactions during the engagement period.

4. We inspected written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
5. We inspected the Township's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
6. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.

Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). We found no exceptions.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
  - a. Prepared – a file is created following the date of the meeting
  - b. Filed – placed with similar documents in an organized manner
  - c. Maintained - retained, at a minimum, for the engagement period
  - d. Open to public inspection – available for public viewing or request.We found no exceptions.
11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
  - a. Executive sessions were only held at regular or special meetings.

### Sunshine Law Compliance (Continued)

c. Formal governing board actions were adopted in open meetings.  
We found no exceptions.

### Contract Compliance:

1. We inspected the Minutes and UAN Payment Export Reports and identified the Township had expenditures subject to competitive bidding. We found no exceptions.
2. We selected one contract subject to competitive bidding requirements for 2024 and 2023 and we inspected the contract and other bids for the contracted expenditure and determined:
  - i. The Township accepted the lowest bid and met the requirements of Ohio Rev. Code §5575.02.
  - ii. No bid splitting occurred
  - iii. No deliberate attempts to evade bid limitations occurred, such as successive contracts just under the bid amount, occurred.
  - iv. No apparent interest in the contract by a public official occurred.

We found no exceptions.

### Other Compliance

1. Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2024 and 2023 in the Hinkle system. We found no exceptions.
2. We inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the Fiscal Officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. Fiscal Officer obtained 3 of the required 12 hours of training.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
