Board of Chiefs
Summit Regional Health Care Consortium
3797 Ridgewood Road
Copley, Ohio 44321

We have reviewed the *Independent Auditor's Report* of the Summit Regional Health Care Consortium, Summit County, prepared by Charles E. Harris & Associates, Inc., for the audit period July 1, 2023 through June 30, 2024. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Summit Regional Health Care Consortium is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITOR'S REPORT

Summit Regional Healthcare Consortium
Summit County
3797 Ridgewood Road
Copley, OH 44321

To the Members of the Board of Directors:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the Summit Regional Healthcare Consortium, Summit County, Ohio (Consortium), as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Consortium's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Consortium as of June 30, 2024, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Consortium, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Consortium's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Consortium's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Consortium's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and Ten-Year Loss Development Information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 5, 2024, on our consideration of the Consortium's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Consortium's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Consortium's internal control over financial reporting and compliance.

**MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

The management's discussion and analysis of the Summit Regional Healthcare Consortium's (the "Consortium") financial performance provides an overall review of the Consortium's financial activities for the fiscal year ended June 30, 2024. The intent of this discussion and analysis is to look at the Consortium's financial performance as a whole; readers should also review the basic financial statements and the notes to the basic financial statements to enhance their understanding of the Consortium's financial performance.

Financial Highlights

Key financial highlights for fiscal year 2024 are as follows:

- In total, net position had a deficit balance of \$1,087,068 at June 30, 2024. This represents a decrease of \$7,537,714, or 116.85%, from June 30, 2023.
- The Consortium had operating revenues of \$51,967,948 and operating expenses of \$59,675,055 for fiscal year 2024. The Consortium had \$47,340 in interest revenue and an increase of \$122,053 in the fair value of the Consortium's investments. Operating loss and the decrease in net position for the fiscal year was \$7,707,107 and \$7,537,714, respectively.

Using these Basic Financial Statements

This annual report consists of a series of financial statements and notes to those statements. These statements are organized so the reader can understand the Consortium's financial activities. The *statement of net position* and *statement of revenues, expenses, and changes in net position* provide information about the activities of the Consortium, including all short-term and long-term financial resources and obligations. The *statement of cash flows* provides information about cash provided by or used in various activities of the Consortium.

Reporting the Consortium Financial Activities

Statement of net position, statement of revenues, expenses, and changes in net position and the statement of cash flows

These documents look at all financial transactions and ask the question, "How did we do financially during fiscal year 2024?" The statement of net position and the statement of revenues, expenses, and changes in net position answer this question. These statements include *all assets, liabilities, revenues and expenses* using the *accrual basis of accounting* similar to the accounting used by most private-sector companies. This basis of accounting will take into account all of the current fiscal year's revenues and expenses regardless of when cash is received or paid.

The statement of net position and the statement of revenues, expenses and changes in net position report the Consortium's *net position* and changes in that position. This change in net position is important because it tells the reader that, for the Consortium as a whole, the *financial position* of the Consortium has improved or diminished. The causes of this change may be the result of many factors, some financial, some not.

The statement of cash flows provides information about how the Consortium finances and meets the cash flow needs of its operations.

Notes to the Basic Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the financial statements.

Required Supplementary Information

Ten-years of loss development information can be found as Required Supplementary Information to this report.

**SUMMIT REGIONAL HEALTHCARE CONSORTIUM
SUMMIT COUNTY, OHIO**

**MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

Net Position and Changes in Net Position

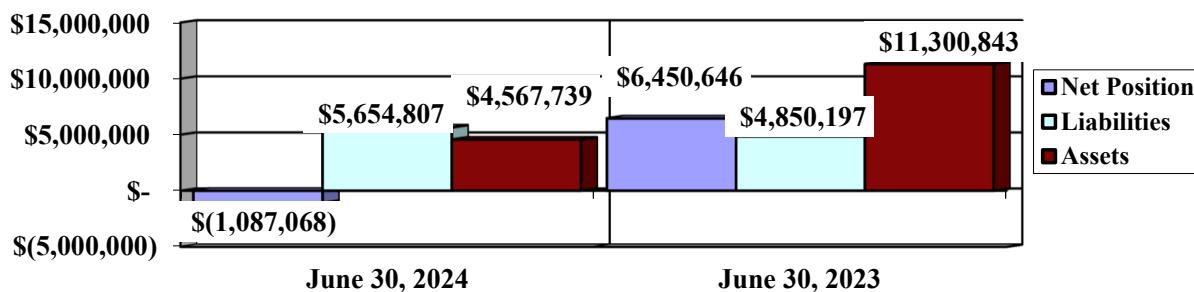

The table below provides a summary of the Consortium's net position for 2024 and 2023.

	Net Position	
	<u>2024</u>	<u>2023</u>
Assets		
Cash and cash equivalents with fiscal agent	\$ 1,423,661	\$ 4,321,563
Investments with fiscal agent - current	641,002	3,144,445
Investments with fiscal agent - noncurrent	516,701	2,486,305
Receivables (net of allowance for uncollectibles):		
Accounts	1,982,381	1,331,798
Accrued interest	<u>3,994</u>	<u>16,732</u>
Total assets	<u>4,567,739</u>	<u>11,300,843</u>
Liabilities:		
Claims payable	<u>5,654,807</u>	<u>4,850,197</u>
Net Position:		
Unrestricted (deficit)	<u><u>\$ (1,087,068)</u></u>	<u><u>\$ 6,450,646</u></u>

The assets of the Consortium are comprised mainly of cash and cash equivalents and investments that are held with the Consortium's fiscal agent, the Copley-Fairlawn City School District. The Consortium established premiums at a level to build reserves should claims payments fluctuate in a given year. The Consortium will continue to monitor and assess premiums for their sufficiency to cover claims expenses and continue to support reserve levels. The Consortium has recorded a receivable for prescription drug rebates due at year-end from Anthem.

The liability for claims payable is calculated by the Consortium's independent actuary and estimates the claims incurred and due at June 30, 2024. This amount is reflected net of estimated stop-loss reimbursements due to the Consortium at June 30, 2024. Claims payable includes both incurred but not paid (IBNP) and incurred but not reported (IBNR) claims for medical, prescription drug, dental and vision claims.

The chart below shows a breakdown of the Consortium's assets, liabilities and net position at June 30, 2024 and 2023.

**SUMMIT REGIONAL HEALTHCARE CONSORTIUM
SUMMIT COUNTY, OHIO**

**MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

The table below shows the changes in net position for fiscal year 2024 and 2023.

	Change in Net Position	
	2024	2023
<u>Operating Revenues:</u>		
Participant contributions	\$ 49,277,171	\$ 46,014,080
Prescription drug rebates	<u>2,690,777</u>	<u>2,604,881</u>
Total operating revenues	<u>51,967,948</u>	<u>48,618,961</u>
<u>Operating Expenses:</u>		
Claims	54,790,358	45,594,758
Administrative/stop-loss fees	<u>4,737,355</u>	<u>5,345,847</u>
Miscellaneous	<u>147,342</u>	<u>21,570</u>
Total operating expenses	<u>59,675,055</u>	<u>50,962,175</u>
Operating (loss)	<u>(7,707,107)</u>	<u>(2,343,214)</u>
<u>Nonoperating revenues (expenses):</u>		
Interest	47,340	133,140
Increase (decrease) in fair value of investments	<u>122,053</u>	<u>(18,832)</u>
Total nonoperating revenues	<u>169,393</u>	<u>114,308</u>
Change in net position	<u>(7,537,714)</u>	<u>(2,228,906)</u>
Net position, July 1	<u>6,450,646</u>	<u>8,679,552</u>
Net position (deficit), June 30	<u>\$ (1,087,068)</u>	<u>\$ 6,450,646</u>

Participant contributions revenue did not exceed operating expenses in fiscal year 2024. This resulted from an increase in claims activity in fiscal year 2024. Sufficient participant contributions are required to ensure that the Consortium meets increasing claims expenses. Prescription drug rebate revenue remained comparable from 2023 to 2024.

The Consortium invested primarily in federal agency securities and negotiable CDs during fiscal year 2024. The fair value of investments fluctuates from year to year. The Consortium intends to hold all investment to maturity thus eliminating the risk due to fluctuations in their fair value while capturing the interest offered by the investments. Administrative/stop loss fees decreased due primarily to the Consortium switching from Anthem to Stealth Partner Group for stop-loss coverage in fiscal year 2024.

Claims expense represents 91.81% of operating expenses. The Consortium aims to maintain premium revenues at a level sufficient to exceed the current year claims expense. Claims expense was 105.43% of total fiscal year 2024 operating revenues. The Consortium uses Anthem Blue Cross/Blue Shield as their third-party administrator.

Current Financial Related Activities

The Consortium is committed to providing its member school districts with the advantages of a large buying cooperative, while maintaining control by the local district leadership. The Consortium will continue to look at potential members who meet the established criteria. Underwriting considerations are of utmost importance in reviewing new membership applications, as the Consortium is committed to protecting the long-term financial interests of its core members and will not admit a new member that will adversely impact premiums and claims payments.

**SUMMIT REGIONAL HEALTHCARE CONSORTIUM
SUMMIT COUNTY, OHIO**

**MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

The Consortium requires its member school districts to participate in the medical, prescription and dental insurance program, with individual district choice as to participation in the vision and life programs. The Consortium Board of Directors and its administrative agent, NFP, continually discuss program enhancements to the existing product line, in addition to looking for new opportunities for member school districts. Establishing premiums that satisfy all claims, administration fees, and other expenses of the Consortium, in addition to enhancing the net position is important for the short-term and long-term interests of the Consortium.

The most significant challenge facing the Consortium's Board of Directors is the current trend of skyrocketing health care costs, primarily medical and prescription drug. These two programs were the impetus that brought the member school districts together in an attempt to benefit from the economies of scale that could be reaped from a group of approximately 2,450 covered employees, in lieu of each individual district independently entering the insurance marketplace. As the claims cost for medical and prescription drug continue to escalate, the Board of Directors is faced with the unenviable task of attempting to balance a quality benefit offering within the financial constraints facing Ohio's public school districts. This is much the same as the dilemma facing American businesses today and is complicated by the fact that each member school district in the Consortium must collectively bargain benefit levels with the respective employee unions. The challenge is set before the Consortium and its Board of Directors, and the future looks better from the collective, as opposed to individual, view of the eight-member school districts.

Contacting the Consortium's Financial Management

This financial report is designed to provide our member school districts, potential member school districts and investors and creditors with a general overview of the Consortium's finances and to show the Consortium's accountability for the money it receives. If you have questions about this report or need additional financial information contact Mr. John Wheadon, Treasurer, Copley-Fairlawn City School District, 3797 Ridgewood Road, Copley, Ohio 44321 or by email at John.Wheadon@copley-fairlawn.org.

**SUMMIT REGIONAL HEALTHCARE CONSORTIUM
SUMMIT COUNTY, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

NOTE 1 - DESCRIPTION OF THE ENTITY

The Summit Regional Healthcare Consortium (the “Consortium”) was established during 2007, formed by the Boards of Education of three school districts in Northeast Ohio, for the purpose of promoting cooperative agreements and activities among its members in purchasing supplies and services and dealing with problems of mutual concern. On July 1, 2007, the Consortium was formed and operates as a legally separate entity as provided under Ohio Revised Code Chapter 167. Each participating member signed an agreement. The Consortium became operational on July 1, 2010. As of June 30, 2024, the current eight members are Barberton City School District, Copley-Fairlawn City School District (the “School District”), Cuyahoga Falls City School District, Dover City School District, Norton City School District, Revere Local School District, Wadsworth City School District, and Woodridge Local School District.

Some of the more significant provisions of the Consortium are as follows:

A. Board of Directors

The Governing Board of the Consortium is the Board of Directors. The Board of Education of each member appoints its representative to be on the Consortium Board of Directors. All of the authority of the Consortium is exercised by or under the direction of the Board of Directors. The Board of Directors sets all premiums and other amounts to be paid by the members, and the Board of Directors has the authority to waive premiums and other payments. All members of the Board of Directors serve without compensation.

B. Fiscal Agent

The Fiscal Agent of the Consortium shall be from the Board of Education of a participating member approved by the Board of Directors and is responsible for administering the financial transactions of the Consortium. The Fiscal Agent carries out the responsibilities of the Consortium, enters into contracts on behalf of the Consortium as authorized by the Board of Directors and carries out such other responsibilities as approved by the Board of Directors and agreed to by the Fiscal Agent. In consideration for its services, the Fiscal Agent may receive a fee from the Consortium in such amount as the Board of Directors shall approve. For the fiscal year ended June 30, 2024, the Fiscal Agent served for a fee of \$3,000 per member district.

C. Benefits

Member contributions are used on a cooperative basis for the provision of health, prescription drug, dental, and/or other health care benefits as provided for in the Consortium Agreement and as established by law. The Board of Directors determines the insurance benefits to be provided by or through the Consortium. Benefit selections may vary among the Consortium Members for any type of benefit program. The participating members have adopted a uniform plan document, and the Consortium is administered by a third-party administrator. The Board of Directors determines, at their discretion, which third-party administrator insurance carriers and policies to utilize to provide benefits.

D. Enrollment by Member School Districts

Each Member decides which benefit program(s) offered by or through the Consortium shall be extended to its employees, but are required to participate in the medical, prescription drug and dental benefit programs.

**SUMMIT REGIONAL HEALTHCARE CONSORTIUM
SUMMIT COUNTY, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

NOTE 1 - DESCRIPTION OF THE ENTITY - (Continued)

E. Operating Fund

The Operating Fund consists of all payments made to the Fiscal Agent in accordance with the Agreement, policy dividends or rate refunds (whether received by the Consortium or left with the insurance carriers to accumulate with interest), investments made by the Fiscal Agent and income there from, and any other money or property which shall come into the hands of the Consortium in connection with the administration of the Consortium.

The Fiscal Agent shall maintain records which separately identify by Participating Member all contributions from the respective Participating Member. The Fiscal Agent shall maintain or cause to be maintained records which account for all disbursements or transfers from the Operating Fund and Reserve Fund made on behalf of each Participating Member.

The Fiscal Agent may use the Operating Fund for purposes such as, but not limited to:

1. Transfer of funds to a Third-Party Administrator for payment of claims;
2. Payment of premiums for Stop-Loss Insurance Coverage;
3. Additional disbursements may be made from the Operating Fund by the Fiscal Agent at the discretion of the Board of Directors for any proper purpose of the Consortium, including, but not limited to, payment of fees of any Third-Party Administrator, the Fiscal Agent, consultants and lawyers and payment of other operating expenses; and,
4. Make monthly reports to the Board of Directors on or before the 20th day of each month concerning all contributions to and disbursements from the Operating Fund during the preceding calendar month.

F. Termination / Withdrawal of a Consortium Member

It is the express intention of the Consortium Members that the Agreement and the Consortium shall continue for an indefinite term but may be terminated as provided in the Agreement. Any Consortium Member wishing to withdraw from participation in the Consortium shall notify the Fiscal Agent at least 6 months prior to renewal of any benefits normally, July 1st. Specifics governing the withdrawal of a Consortium Member and the run out of all claims for such Consortium Member are addressed in Section 10 of the Agreement.

G. Contributions

Each Member enrolled in a benefit program may require contributions from its employees toward the cost of any benefit program being offered by such Member, and such contributions are included in the payments from such Member to the Fiscal Agent for the benefit program. Contributions are to be submitted by each Member, to the Fiscal Agent, required under the terms of the Agreement and any benefit program in which such Member is enrolled to the Fiscal Agent on a monthly basis, or as otherwise required in accordance with any benefit program in which such Member is enrolled. All general administrative costs incurred by the Consortium that are not covered by the premium payments shall be shared by the Consortium Members as approved by the Board of Directors.

**SUMMIT REGIONAL HEALTHCARE CONSORTIUM
SUMMIT COUNTY, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Consortium have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to local governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Consortium's significant accounting policies are described below.

A. Reporting Entity

The reporting entity has been defined in accordance with GASB Statement No. 14, "The Financial Reporting Entity" as amended by GASB Statement No. 39, "Determining Whether Certain Organizations Are Component Units" and GASB Statement No. 61, "The Financial Reporting Entity: Omnibus an Amendment of GASB Statements No. 14 and No. 34". The reporting entity is composed of the primary government, component units and other organizations that are included to ensure that the basic financial statements of the Consortium are not misleading. On this basis, no governmental organizations other than the Consortium itself are included in the financial reporting entity.

B. Fund Accounting

The Consortium maintains its accounting records in accordance with the principles of "fund" accounting. Fund accounting is a concept developed to meet the needs of government entities in which legal or other restraints require the recording of specific receipts and disbursements. The Consortium uses an enterprise fund to account for operations (a) that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for public policy, management control, accountability or other purposes.

C. Basis of Accounting/Measurement Focus

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

For financial statement presentation purposes, the Consortium utilizes the accrual basis of accounting. Under this method of accounting, revenues are recognized when they are earned and expenses are recognized when the liability is incurred.

The Consortium's activities are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and deferred outflows of resources and all liabilities and deferred inflows of resources associated with the Consortium's operations are included on the statement of net position. The statement of revenues, expenses, and changes in net position presents increases (i.e., revenues) and decreases (i.e., expenses) in net position.

The Consortium distinguishes operating revenues and expenses from nonoperating items. Operating revenues generally result from participants contributions for insurance coverage and prescription drug rebates. Operating expenses for the Consortium include the payment of claims, stop-loss insurance premiums, administrative fees and miscellaneous expenses. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

**SUMMIT REGIONAL HEALTHCARE CONSORTIUM
SUMMIT COUNTY, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

D. Cash and Investments with Fiscal Agent

The Consortium's Fiscal Agent maintains the Consortium financial activity under a specific fund designated for Consortium activity. The Fiscal Agent is responsible for administering the financial transactions of the Consortium. For fiscal year 2024, the Copley-Fairlawn City School District (the "School District") served as Fiscal Agent for the Consortium.

The Treasurer of the School District, who also serves as Fiscal Agent of the Consortium has established a separate depository account for Consortium activities and purchases specific investments for the Consortium. The interest earnings on these Consortium accounts are distributed to the Consortium.

During fiscal year 2024, investments purchased by the Fiscal Agent for the Consortium were limited to Federal Farm Credit Bank (FFCB) securities, Federal Home Loan Bank (FHLB) securities, Federal Home Loan Mortgage Corporation (FHLMC) securities, negotiable certificates of deposit (negotiable CDs), and a U.S. government money market mutual fund. Investments are reported at fair value which is based on quoted market prices.

The fair value of investments was \$46,606 more than their cost basis at June 30, 2024 and was \$168,659 more than their cost basis at June 30, 2023. The fluctuation in the fair values of investments of \$122,053 is reported as a nonoperating revenue in the financial statements.

For purposes of the statement of net position and the statement of cash flows, investments purchased by the Fiscal Agent for the Consortium with original maturities of three months or less at the time they are purchased are considered to be "cash equivalents". Investments purchased by the Fiscal Agent for the Consortium with original maturities of more than three months at the time they are purchased are considered to be "investments". An analysis of the Consortium's cash and investments with its Fiscal Agent at fiscal year-end is provided in Note 3.

E. Budgetary Process

Each member school district of the Consortium is required by Ohio law to adopt an annual budget. The Consortium itself is not required to follow the budgetary process and, therefore, no budgetary information is provided in these basic financial statements.

F. Estimates

The preparation of the basic financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the basic financial statements and accompanying notes. Actual results may differ from those estimates.

G. Fair Value Measurements

The Consortium categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

SUMMIT COUNTY, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

NOTE 3 - CASH, CASH EQUIVALENTS AND INVESTMENTS WITH FISCAL AGENT

The Treasurer of the School District, who also serves as Fiscal Agent of the Consortium, maintains a specific depository account and purchases specific investments for the Consortium. The deposit and investment of Consortium monies follows the investment policy of the School District. The following disclosures are required by GASB Statement No. 40, "Deposits and Investment Risk Disclosures".

State statutes allow the School District as Fiscal Agent for the Consortium to deposit or invest the Consortium's monies in the following securities:

1. United States Treasury Notes, Bills, Bonds, or any other obligation or security issued by the United States Treasury or any other obligation guaranteed as to principal and interest by the United States;
2. Bonds, notes, debentures, or any other obligations or securities issued by any federal government agency or instrumentality, including, but not limited to, the Federal National Mortgage Association, Federal Home Loan Bank, Federal Farm Credit Bank, Federal Home Loan Mortgage Corporation, and Government National Mortgage Association. All federal agency securities shall be direct issuances of federal government agencies or instrumentalities;
3. Written repurchase agreements in the securities listed above provided that the market value of the securities subject to the repurchase agreement must exceed the principal value of the agreement by at least two percent and be marked to market daily, and that the term of the agreement must not exceed thirty days;
4. Bonds and other obligations of the State of Ohio, and with certain limitations including a requirement for maturity within ten years from the date of settlement, bonds and other obligations of political subdivisions of the State of Ohio, if training requirements have been met;
5. Time certificates of deposit or savings or deposit accounts including, but not limited to, passbook accounts;
6. No-load money market mutual funds consisting exclusively of obligations described in division (1) or (2) and repurchase agreements secured by such obligations, provided that investments in securities described in this division are made only through eligible institutions;
7. The State Treasurer's investment pool, the State Treasury Asset Reserve of Ohio (STAR Ohio); and,
8. Certain bankers' acceptances for a period not to exceed one hundred eighty days) and commercial paper notes (for a period not to exceed two hundred seventy days) in an amount not to exceed 40 percent of the interim monies available for investment at any one time if training requirements have been met. The investment in commercial paper notes of a single issuer shall not exceed in the aggregate five percent of interim moneys available for investment at the time of purchase.

Protection of Consortium's deposits is provided by the Federal Deposit Insurance Corporation (FDIC), by eligible securities pledged by the financial institution as security for repayment, or by the financial institutions participation in the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

**SUMMIT REGIONAL HEALTHCARE CONSORTIUM
SUMMIT COUNTY, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

NOTE 3 - CASH, CASH EQUIVALENTS AND INVESTMENTS WITH FISCAL AGENT - (Continued)

Investments in stripped principal or interest obligations, reverse repurchase agreements and derivatives are prohibited. The issuance of taxable notes for the purpose of arbitrage, the use of leverage and short selling are also prohibited. Except as noted above, an investment must mature within five years from the date of purchase unless matched to a specific obligation or debt of the School District and must be purchased with the expectation that it will be held to maturity. Investments may only be made through specified dealers and institutions. Payment for investments may be made only upon delivery of the securities representing the investments to the Treasurer or, if the securities are not represented by a certificate, upon receipt of confirmation of transfer from the custodian.

As Fiscal Agent, the School District maintains a separate depository account and a separate investment account for monies specific to the Consortium. The amounts held in the depository account and the investment account at fiscal year year-end are described below.

A. Deposits with Fiscal Agent held in Financial Institutions

At June 30, 2024, the carrying amount of the Consortium's deposits was \$1,409,953 and bank balance was \$1,409,888. Of the bank balance, \$250,000 was covered by the FDIC, \$695,933 was covered by the Ohio Pooled Collateral System, and \$463,955 was exposed to custodial credit risk discussed below because those deposits were uninsured and uncollateralized.

Custodial credit risk is the risk that, in the event of bank failure, the Consortium will not be able to recover deposits or collateral securities that are in the possession of an outside party. The Consortium has no deposit policy for custodial credit risk beyond the requirements of State statute. Ohio law requires that deposits either be insured or protected by (1) eligible securities pledged to the Consortium and deposited with a qualified trustee by the financial institution as security for repayment whose fair value at all times shall be at least 105 percent of the deposits being secured, or (2) participation in the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution. OPCS requires the total fair value of the securities pledged to be 102 percent of the deposits being secured or a rate set by the Treasurer of State. For 2024, the Consortium's financial institution was approved for a reduced collateral rate of 60 percent through the OPCS. Although all statutory requirements for the deposit of money had been followed, noncompliance with Federal requirements could potentially subject the Consortium to a successful claim by the FDIC.

B. Investments with Fiscal Agent

At June 30, 2024, the Consortium had the following investments purchased by the Fiscal Agent:

Measurement/ Investment type	Measurement Value	Investment Maturities			
		6 months or less	7 to 12 months	13 to 18 months	Greater than 24 months
<i>Fair Value:</i>					
FFCB	\$ 116,633	\$ -	\$ 116,633	\$ -	\$ -
FHLMC	108,789	-	-	108,789	-
FHLB	642,919	254,662	120,414	-	267,843
Negotiable CD's	289,362	149,293	-	44,121	95,948
U.S. Government Money Market Mutual Fund	13,708	13,708	-	-	-
Total	\$ 1,171,411	\$ 417,663	\$ 237,047	\$ 152,910	\$ 363,791

**SUMMIT REGIONAL HEALTHCARE CONSORTIUM
SUMMIT COUNTY, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

NOTE 3 - CASH, CASH EQUIVALENTS AND INVESTMENTS WITH FISCAL AGENT - (Continued)

The weighted average maturity of investments is 1.16 years.

The Consortium's investment in the U.S. Government money market mutual fund is valued using quoted market prices in active markets (Level 1 inputs). The Consortium's investments in federal agency securities (FFCB, FHLB, FHLMC), and negotiable CDs are valued using quoted prices in markets that are not considered to be active, dealer quotations or alternative pricing sources for similar assets or liabilities for which all significant inputs are observable, either directly or indirectly (Level 2 inputs).

Disclosures regarding investments of the Consortium are as follows:

Interest Rate Risk: As a means of limiting its exposure to fair value losses arising from rising interest rates and according to State law, the School District's investment policy (which the Consortium follows) limits investment portfolio maturities to five years or less.

Credit Risk: The Consortium's investments in federal agency securities were rated Aaa by Moody's Investor Services and AA+ by Standard & Poor's. The U.S. government money market mutual fund was rated AAA by Standard & Poor's. The negotiable CDs were not rated but are fully insured by the FDIC. The School District's investment policy (which the Consortium follows) does not specifically address credit risk beyond the adherence to all relevant sections of the Ohio Revised Code.

Custodial Credit Risk: For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the School District, as Fiscal Agent for the Consortium, will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. The Consortium's investments in federal agency securities are exposed to custodial credit risk in that they are uninsured, unregistered and held by the counterparty's trust department or agent but not in the School District's or Consortium's name. The School District's investment policy (which the Consortium follows) does not deal with investment custodial credit risk beyond the requirements in State statute that prohibits payment for investments prior to delivery of the securities representing such investments to the treasurer or qualified trustee.

Concentration of Credit Risk: The School District's investment policy (which the Consortium follows) places no limit on the amount that may be invested in any one issuer. The following table includes the percentage of each investment type held by the Consortium at June 30, 2024:

<u>Measurement/ Investment type</u>	<u>Measurement Value</u>	<u>% of Total</u>
<i>Fair Value:</i>		
FFCB	\$ 116,633	9.96
FHLMC	108,789	9.29
FHLB	642,919	54.88
Negotiable CD's	289,362	24.70
U.S. Government Money Market Mutual Fund	<u>13,708</u>	<u>1.17</u>
Total	<u><u>\$ 1,171,411</u></u>	<u><u>100.00</u></u>

**SUMMIT REGIONAL HEALTHCARE CONSORTIUM

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

NOTE 3 - CASH, CASH EQUIVALENTS AND INVESTMENTS WITH FISCAL AGENT - (Continued)

C. Reconciliation of Cash and Investments with Fiscal Agent to the Statement of Net Position

The following is a reconciliation of cash and investments with Fiscal Agent as reported in the note above to cash and investments with Fiscal Agent reported on the statement of net position as of June 30, 2024:

Cash and investments with Fiscal Agent per note

Carrying amount of deposits with Fiscal Agent	\$ 1,409,952
Investments with Fiscal Agent	<u>1,171,411</u>
Total	<u>\$ 2,581,363</u>

Cash and investments with Fiscal Agent per financial statements

Cash and cash equivalents with Fiscal Agent	\$ 1,423,660
Investments with Fiscal Agent - current	641,002
Investments with Fiscal Agent - noncurrent	<u>516,701</u>
Total	<u>\$ 2,581,363</u>

NOTE 4 - RISK MANAGEMENT

The Consortium is a jointly governed organization, which acts as a government risk pool for health, prescription drug and dental insurance for its eight members.

The Consortium has contracted with NFP to assist the Consortium in administering its insurance program. For fiscal year 2024, the Consortium contracted with a third-party administrators Anthem and Delta Dental, to process health benefit claims and dental claims, respectively, incurred by its members. Payments are made by members to the Consortium for monthly health insurance premiums, COBRA administration, monthly stop-loss premiums and administrative charges. The Consortium makes monthly payments to the third-party administrator for actual insurance claims processed, stop-loss coverage, COBRA administration and administrative charges incurred on behalf of the Consortium members.

No employer, employee, or person claiming benefit by or through an employee shall have any claim against the Consortium or any property of the Consortium. The rights and interest of employees and persons claimed by or through employees shall be limited to benefits offered by or through the Consortium in accordance with the Agreement. The Consortium purchases or otherwise provides for the benefit itself, the Board of Directors and/or the Fiscal Agent such liability insurance with such limits of coverage deemed necessary and as approved by the Board of Directors. Stealth Partner Group insured the Consortium for specific stop-loss claims in excess of \$250,000 per covered family with an aggregate of \$950,000 for the fiscal year ended June 30, 2024.

Any Member who withdraws from the Consortium pursuant to the Agreement has no claim to the Consortium's assets.

The Consortium holds all reserves including Incurred But Not Reported (IBNR), Shock Stabilization and Fluctuation reserves. However, these reserves are allocated to members on a capitalized basis for accounting purposes.

The Consortium is self-insured for member district employee health insurance claims but maintains aggregate stop-loss insurance with Anthem. The Consortium pays covered claims to service providers and recovers these costs from premium charges to member districts based on calculations provided by NFP.

**SUMMIT REGIONAL HEALTHCARE CONSORTIUM
SUMMIT COUNTY, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

NOTE 4 - RISK MANAGEMENT - (Continued)

The Consortium has reported a \$5,654,807 claims liability at June 30, 2024. The claims liability consists of (1) Incurred But Not Reported (IBNR) claims totaling \$4,068,202 exclusive of estimated stop-loss reimbursements of \$149,107, and (2) Incurred But Not Paid (IBNP) claims totaling \$2,149,057 exclusive of stop-loss reimbursements of \$413,345. The Consortium's claims liability is based on an actuarial estimate provided by the third party administrator and the requirements of GASB Statement No. 10, "Accounting and Financial Reporting for Risk Financing and Related Insurance Issues", as amended by GASB Statement No. 30, "Risk Financing Omnibus", which requires that a liability for unpaid claims costs, including estimates of costs relating to IBNR claims, be accrued at the estimated ultimate cost of settling the claims.

Changes in claims activity for the fiscal years ended June 30, 2024 and 2023 were as follows:

	<u>2024</u>	<u>2023</u>
Claims payable at beginning of fiscal year	<u>\$ 4,850,197</u>	<u>\$ 3,624,946</u>
<u>Claims expenses:</u>		
Claims expenses for insured events of the current period	<u>58,719,369</u>	<u>49,267,722</u>
(Decrease) in claims expenses for insured events of the prior years	<u>(3,929,011)</u>	<u>(3,672,964)</u>
Total claims expenses	<u>54,790,358</u>	<u>45,594,758</u>
<u>Payments:</u>		
Claims expenses paid attributable to insured events of the current year	<u>51,048,923</u>	<u>42,401,886</u>
Claims expenses paid attributable to insured events of prior years	<u>2,936,825</u>	<u>1,967,621</u>
Total claims payments	<u>53,985,748</u>	<u>44,369,507</u>
Claims payable at end of fiscal year	<u>\$ 5,654,807</u>	<u>\$ 4,850,197</u>

NOTE 5 - LITIGATION

The Consortium is not party to legal proceedings which, in the opinion of Consortium management, would have a material effect, if any, on the financial condition of the Consortium.

NOTE 6 - RECEIVABLES

All receivables are shown net of an allowance for uncollectible amounts, as applicable, and are written off when deemed uncollectible. Recoveries of receivables previously written off are recorded when received. At June 30, 2024, the Consortium reported a \$3,994 accrued interest receivable for accrued interest on investments and recorded a \$1,982,381 accounts receivable for prescription drug rebates from Anthem related to fiscal year 2024 activity. These receivables are expected to be collected within one fiscal year.

NOTE 7 - WELLNESS PROGRAM

The Consortium approved a one-year renewal of the Wellness Plan (the "Plan") effective July 1, 2023. This Plan was established in connection with an agreement with the Consortium's third-party administrator who agreed to reimburse the Consortium up to \$170,000 for the fiscal year ending June 30, 2024. Under the Plan, the Consortium entered into a one-year contract, effective August 1, 2012 and renewing annually, with a wellness program consultant (Be Well Solutions) with an annual fee of \$42,300. In addition, fees for each participant are charged for other services provided, such as screening, health fairs and flu shots.

**SUMMIT REGIONAL HEALTHCARE CONSORTIUM
SUMMIT COUNTY, OHIO**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

NOTE 8 - ACCOUNTABILITY AND COMPLIANCE

A. Change in Accounting Principles

For fiscal year 2024, the Consortium has implemented certain paragraphs from GASB Implementation Guide No. 2021-1, certain paragraphs of GASB Statement No. 99, "Omnibus 2022", GASB Statement No. 100, "Accounting Changes and Error Corrections - an amendment of GASB Statement No. 62" and Implementation Guide No. 2023-1.

GASB Implementation Guide 2021-1 provides clarification on issues related to previously established GASB guidance. The implementation of GASB Implementation Guide 2021-1 did not have an effect on balances previously reported by the Consortium.

GASB Statement No. 99 is to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing (1) practice issues that have been identified during implementation and application of certain GASB Statements and (2) accounting and financial reporting for financial guarantees. The implementation of GASB Statement No. 99 did not have an effect on the financial statements of the Consortium.

GASB Statement No. 100 is to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. The implementation of GASB Statement No. 100 did not have an effect on the financial statements of the Consortium.

GASB Implementation Guide 2023-1 provides clarification on issues related to previously established GASB guidance. The implementation of GASB Implementation Guide 2023-1 did not have an effect on the financial statements of the Consortium.

B. Deficit Net Position

At June 30, 2024, the Consortium had a deficit net position of \$1,087,068. This deficit was caused by adjustments for accrued claims liabilities at year-end (see Note 4). This deficit will be eliminated as the participant contributions revenue is increased to address the rising claims costs.

REQUIRED SUPPLEMENTARY INFORMATION

THIS PAGE IS INTENTIONALLY LEFT BLANK

**SUMMIT REGIONAL HEALTHCARE CONSORTIUM
SUMMIT COUNTY, OHIO**

TEN-YEAR LOSS DEVELOPMENT INFORMATION

The following table illustrates how the Consortium's earned revenue and investment income compares to related costs of loss and other expenses assumed by the Consortium as of the end of the year. The rows of the table are defined as follows:

- (1) This line shows the total of each fiscal year's gross earned premiums and reported investment income.
- (2) This line shows each fiscal year's other operating costs of the Consortium including overhead and loss adjustment expenses not allocable to individual claims.
- (3) This line shows the Consortium's gross incurred losses and allocated loss adjustment expense as originally reported at the end of the year in which the event that triggered coverage occurred (called *accident year*).
- (4) This section shows the cumulative net amounts paid as of the end of the accident year.
- (5) This section shows how each accident year's net incurred losses increased or decreased as of the end of the year. (This annual re-estimation results from new information received on known losses, re-evaluation of existing information on known losses and emergence of new losses not previously known).
- (6) This line compares the latest re-estimated net incurred losses amount to the amount originally established (line 3) and shows whether this latest estimate of losses is greater or less than originally thought.

As data for individual accident years mature, the correlation between original estimates and re-estimated amounts is commonly used to evaluate the accuracy of net incurred losses currently recognized in less mature accident years. The columns of the table show data for successive accident years.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Summit Regional Healthcare Consortium
Summit County
3797 Ridgewood Road
Copley, OH 44321

To the Members of the Board of Directors:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Summit Regional Healthcare Consortium, Summit County, Ohio (the Consortium), as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Consortium's basic financial statements, and have issued our report thereon dated November 5, 2024.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Consortium's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Consortium's internal control. Accordingly, we do not express an opinion on the effectiveness of the Consortium's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Consortium's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Independent Auditor's Report on Internal Control Over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*

Page 2

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Consortium's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Consortium's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Consortium's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
