We have reviewed the *Independent Auditor's Report* of the Village of Valleyview, Franklin County, prepared by Wilson, Phillips & Agin, CPA's, Inc., for the audit period January 1, 2022 through December 31, 2023. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Village of Valleyview is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITORS' REPORT

Village of Valleyview
Franklin County
432 North Richardson Avenue
Columbus, Ohio 43026

To the Village Council:

Report on the Audit of the Financial Statements

Unmodified and Adverse Opinions

We have audited the financial statements of Village of Valleyview, Franklin County, Ohio (the Village) which comprises the cash balances, receipts and disbursements for each governmental and proprietary fund type combined total as of and for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each governmental fund type combined total as of and for the years ended December 31, 2023 and 2022, and the related notes to the financial statements, in accordance with the financial reporting provisions which Ohio Revise Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit, described in Note 2

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* section of our report, the accompanying financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Village of Valleyview, Franklin County as of December 31, 2023 and 2022, or changes in financial position thereof for the years then ended.

Basis for Opinions

We conducted our audit in accordance with auditing standards general accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor Responsibilities for the Audit of Financial Statements* section of our report. We are required to be independent of Village of Valleyview, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the financial statements are prepared by Village of Valleyview on the basis of the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C), which is an accounting basis other than accounting principles general accepted in the United States of America (GAAP), to satisfy these requirements. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statements

Management is responsible for preparation and fair presentation of the financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Village of Valleyview's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Village's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 6, 2025, on our consideration of Village of Valleyview's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Village's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Village's internal control over financial reporting and compliance.

DECEMBER 31, 2023**

1. REPORTING ENTITY

Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of the Village of Valleyview, Franklin County, (the Village) as a body corporate and politic. A publicly-elected six-member Council directs the Village. The Village provides general governmental services, park operations and police services. The Village contracts with the City of Columbus and Franklin Township to receive fire protection.

The Village participates in a public entity risk pool. Note 6 to the financial statements provides additional information for this entity.

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Village's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types which are organized on a fund type basis and a combined statement of additions, deductions and changes in fund balances (regulatory cash basis) all fiduciary fund types organized on a fund type basis.

Fund Accounting

The Village uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Village are presented below:

Governmental Funds

General Fund

The General fund is the operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds

These funds are used to account for proceeds from specific sources that are restricted or committed to expenditures for specific purposes other than debt service or capital projects. The Village had the following significant Special Revenue Funds:

Street Construction, Maintenance and Repair Fund - This fund receives gasoline tax and motor vehicle license tax money for constructing, maintaining, and repairing Village streets.

Police Fund – This fund accounts for and reports revenue and expenditures for the Village Police Department.

Fire Fund – This fund accounts for and reports revenue and expenditures for fire protection incurred by the Village.

**VILLAGE OF VALLEYVIEW
FRANKLIN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fiduciary Funds

Custodial funds are purely custodial in nature and are used to hold resources for individuals, organizations or other governments. The Village disburses these funds as directed by the individual, organization or other government. The Village had the following significant Custodial Fund:

Mayors Court Fund - This fund receives fines and fees levied for traffic violations as prescribed by Village Ordinance. The funds are distributed to various agencies as prescribed by the Ohio Revised Code.

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03(C). This basis is similar to the cash receipts and disbursements accounting basis. The Village recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03(C) permit.

Budgetary Process

The Ohio Revised Code requires that each fund (except certain Custodial Funds) be budgeted annually.

Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must approve estimated resources.

Encumbrances

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are canceled and reappropriated in the subsequent year.

A summary of 2023 budgetary activity appears in Note 3.

**VILLAGE OF VALLEYVIEW
FRANKLIN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Deposits and Investments

The Village's accounting basis includes investment as assets. This basis does not record disbursement for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

Investment in STAR Ohio is measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

Property, Plant, and Equipment

Acquisition of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

Accumulated Leave

In certain circumstances, such as leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Village must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable – The Village classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact. For regulatory purposes, nonspendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Village and the nonspendable portion of the corpus in permanent funds.

Restricted – Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed – Council can *commit* via formal action (resolution). The Village must adhere to these commitments unless council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned – Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by Village Council or a Village official delegated that authority by ordinance, or by State Statute.

Unassigned – Unassigned fund balance is the residual classification for the general fund and includes amounts not contained in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

**VILLAGE OF VALLEYVIEW
FRANKLIN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Village applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classification could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 10.

3. BUDGETARY ACTIVITY

Budgetary activity for the year ended December 31, 2023 is as follows:

2023 Budgeted vs. Actual Receipts			
<u>Fund Type</u>	Budgeted Receipts	Actual Receipts	Variance
General	\$ 89,118	\$ 122,830	\$ 33,712
Special Revenue	257,269	279,619	22,350
Total	<u>\$ 346,387</u>	<u>\$ 402,449</u>	<u>\$ 56,062</u>

2023 Budgeted vs. Actual Budgetary Basis Expenditures			
<u>Fund Type</u>	Appropriation Authority	Budgetary Expenditures	Variance
General	\$ 177,700	\$ 120,194	\$ 57,506
Special Revenue	268,958	114,877	154,081
Total	<u>\$ 446,658</u>	<u>\$ 235,071</u>	<u>\$ 211,587</u>

Contrary to ORC 5705.41(D), the Village made disbursements prior to certification

4. DEPOSITS AND INVESTMENTS

To improve cash management, cash received by the Village is pooled. Monies for all funds are maintained in this pool. The Ohio Revised Code prescribes allowable deposits and investments. A summary of the Village's deposits and investment accounts are as follows:

		<u>2023</u>
<i>Cash Management Pool</i>		
Demand deposits		\$ 915,144
Total Deposits		<u>915,144</u>
STAR Ohio		<u>50,165</u>
Total investments		<u>50,165</u>
Total Carrying Amount of Deposits and Investments held in Pool		<u>\$ 965,309</u>

The Village does not use a separate payroll clearing account. The expenditures included in the accompanying financial statements reflect net payroll plus all remitted payroll withholdings. At December 31, 2023, the Village is holding \$0 in unremitted employee payroll withholdings.

Deposits: Deposits are either insured by the Federal Depository Insurance Corporation or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

**VILLAGE OF VALLEYVIEW
FRANKLIN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023**

4. DEPOSITS AND INVESTMENTS (Continued)

Investments: Investments in STAR Ohio are not evidenced by securities that exist in physical or book-entry form.

5. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which the Council adopted rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due by December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the village.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

6. RISK MANAGEMENT

The Village is a member of the Public Entities Pool of Ohio (The Pool). The Pool assumes the risk of loss up to the limits of the Village's policy. The Pool covers the following risks:

- General liability and casualty
- Public official's liability
- Cyber
- Law enforcement liability
- Automobile liability
- Vehicles
- Property
- Equipment breakdown

The Pool reported the following summary of assets and actuarially-measured liabilities available to pay those liabilities as of December 31:

Cash and Investments	\$ 43,996,442
Actuarial Liabilities	\$ 19,743,401

The Village participates in the Compmanagement Group Rating Plan (GRP) for worker's compensation. The participants pay an enrollment fee to the program to cover the costs of administering the program.

**VILLAGE OF VALLEYVIEW
FRANKLIN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023**

7. DEFINED BENEFIT PENSION PLAN

Ohio Public Employees Retirement System

Some of the Village's full-time employees belong to the Public Employees Retirement System (OPERS) of Ohio. OPERS is a cost-sharing, multiple employer plan. The Ohio Revised Code prescribes the plan benefits, which include postretirement healthcare, and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2023, OPERS members contributed 10.0% of their gross wages and the Village contributed an amount equal to 14.0% of participant's gross salaries. The Village has paid all contributions required through December 31, 2023.

Social Security

Village Council Members contributed to social security. This plan provides retirement benefits, including survivor and disability benefits to participants.

Employees contributed 6.2 percent of their gross salaries. The Village contributed an amount equal to 6.2 percent of participants' gross salaries. The Village has paid all contributions required through December 31, 2023.

8. POSTEMPLOYMENT BENEFITS

OPERS offers a cost-sharing, multiple-employer defined benefit postemployment plan. OPERS offers a health reimbursement arrangement (HRA) allowance to benefit recipients meeting certain age and service credit requirements. The HRA is an account funded by OPERS that provides tax-free reimbursement for qualified medical expenses such as monthly post-tax insurance premiums, deductibles, co-insurance, and co-pays incurred by eligible benefit recipients and their dependents. For calendar year 2023, the portion of employer contributions allocated to health care was 0 percent for members in the traditional pension plan and 2 percent for members in the combined plan. For 2023, the portion of employer contributions allocated to health care for members in the member-directed plan was 4.0 percent; however, a portion of the health care rate was funded with reserves.

9. DEBT

Debt outstanding at December 31, 2023 was as follows:

	2023	
	Principal	%
Ohio Water Development Authority Loan #8365	\$ 37,681	0.00
Total	<u>\$ 37,681</u>	

The Ohio Water Development Authority (OWDA) loan was for a Sanitary Sewer evaluation. Payments are made semi-annually with 0.00% interest paid from special revenue funds. The loan will be paid until 2032.

**VILLAGE OF VALLEYVIEW
FRANKLIN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023**

9. DEBT (Continued)

Amortization of the above debt, including interest, is scheduled as follows:

Year Ending December 31	OWDA #8365
2024	\$ 3,770
2025	3,770
2026	3,770
2027	3,770
2028	3,770
2029-2033	<u>18,831</u>
	<u>\$ 37,681</u>

10. FUND BALANCES

Included in fund balance are amounts the Village cannot spend, including the balance of unclaimed monies, which cannot be spent for five years and the expendable corpus of the permanent funds. Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilities effective cash planning and control. At year end, the balances of those amounts were as follows:

Fund Balances	General	Special Revenue	Total
Nonspendable:			
Corpus	\$ -	\$ -	\$ -
Outstanding Encumb.	-	-	-
Total	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

The fund balance of special revenue funds is either restricted or committed. The fund balance of debt service funds and capital projects funds are restricted, committed, or assigned. The fund balance of permanent funds that is not part of the nonspendable corpus is either restricted or committed. These restricted, committed and assigned amounts in the special revenue, debt service, capital projects and permanent funds would include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

Special Revenue Funds

These funds are used to account for proceeds from specific sources that are restricted or committed to expenditures for specific purposes other than debt service or capital projects. The Village had the following significant Special Revenue Funds:

Street Construction, Maintenance and Repair Fund - This fund receives gasoline tax and motor vehicle license tax money for constructing, maintaining, and repairing Village streets.

Police Fund – This fund accounts for and reports revenue and expenditures for the Village Police Department.

Fire Fund – This fund accounts for and reports revenue and expenditures for fire protection incurred by the Village.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fiduciary Funds

Custodial funds are purely custodial in nature and are used to hold resources for individuals, organizations or other governments. The Village disburses these funds as directed by the individual, organization or other government. The Village had the following significant Custodial Fund:

Mayors Court Fund - This fund receives fines and fees levied for traffic violations as prescribed by Village Ordinance. The funds are distributed to various agencies as prescribed by the Ohio Revised Code.

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03(C). This basis is similar to the cash receipts and disbursements accounting basis. The Village recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code 117-2-03(C) permit.

Budgetary Process

The Ohio Revised Code requires that each fund (except certain Custodial Funds) be budgeted annually.

Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must approve estimated resources.

Encumbrances

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are canceled and reappropriated in the subsequent year.

A summary of 2022 budgetary activity appears in Note 3.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Deposits and Investments

The Village's accounting basis includes investment as assets. This basis does not record disbursement for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

Investment in STAR Ohio is measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

Property, Plant, and Equipment

Acquisition of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

Accumulated Leave

In certain circumstances, such as leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Village must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable – The Village classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact. For regulatory purposes, nonspendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Village and the nonspendable portion of the corpus in permanent funds.

Restricted – Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed – Council can *commit* via formal action (resolution). The Village must adhere to these commitments unless council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned – Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by Village Council or a Village official delegated that authority by ordinance, or by State Statute.

Unassigned – Unassigned fund balance is the residual classification for the general fund and includes amounts not contained in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

**VILLAGE OF VALLEYVIEW
FRANKLIN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Village applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classification could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 10.

3. BUDGETARY ACTIVITY

Budgetary activity for the year ended December 31, 2022 is as follows:

2022 Budgeted vs. Actual Receipts			
<u>Fund Type</u>	Budgeted Receipts	Actual Receipts	Variance
General	\$ 103,770	\$ 100,272	\$ (3,498)
Special Revenue	215,742	415,021	199,279
Total	<u>\$ 319,512</u>	<u>\$ 515,293</u>	<u>\$ 195,781</u>

2022 Budgeted vs. Actual Budgetary Basis Expenditures			
<u>Fund Type</u>	Appropriation Authority	Budgetary Expenditures	Variance
General	\$ 125,475	\$ 98,128	\$ 27,347
Special Revenue	364,710	275,518	89,192
Total	<u>\$ 490,185</u>	<u>\$ 373,646</u>	<u>\$ 116,539</u>

Contrary to ORC 5705.41(D), the Village made disbursements prior to certification

4. DEPOSITS AND INVESTMENTS

To improve cash management, cash received by the Village is pooled. Monies for all funds are maintained in this pool. The Ohio Revised Code prescribes allowable deposits and investments. A summary of the Village's deposits and investment accounts are as follows:

		<u>2022</u>
<i>Cash Management Pool</i>		
Demand deposits		\$ 750,315
Total Deposits		<u>750,315</u>
STAR Ohio		<u>47,616</u>
Total investments		<u>47,616</u>
Total Carrying Amount of Deposits and Investments held in Pool		<u>\$ 797,931</u>

The Village does not use a separate payroll clearing account. The expenditures included in the accompanying financial statements reflect net payroll plus all remitted payroll withholdings. At December 31, 2022, the Village is holding \$0 in unremitted employee payroll withholdings.

Deposits: Deposits are either insured by the Federal Depository Insurance Corporation or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

4. DEPOSITS AND INVESTMENTS (Continued)

Investments: Investments in STAR Ohio are not evidenced by securities that exist in physical or book-entry form.

5. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which the Council adopted rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due by December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the village.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

6. RISK MANAGEMENT

The Village is a member of the Public Entities Pool of Ohio (The Pool). The Pool assumes the risk of loss up to the limits of the Village's policy. The Pool covers the following risks:

- General liability and casualty
- Public official's liability
- Cyber
- Law enforcement liability
- Automobile liability
- Vehicles
- Property
- Equipment breakdown

The Pool reported the following summary of assets and actuarially-measured liabilities available to pay those liabilities as of December 31:

Cash and Investments	\$ 42,310,794
Actuarial Liabilities	\$ 15,724,479

The Village participates in the Compmanagement Group Rating Plan (GRP) for worker's compensation. The participants pay an enrollment fee to the program to cover the costs of administering the program.

7. DEFINED BENEFIT PENSION PLAN

Ohio Public Employees Retirement System

Some of the Village's full-time employees belong to the Public Employees Retirement System (OPERS) of Ohio. OPERS is a cost-sharing, multiple employer plan. The Ohio Revised Code prescribes the plan benefits, which include postretirement healthcare, and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2022, OPERS members contributed 10.0% of their gross wages and the Village contributed an amount equal to 14.0% of participant's gross salaries. The Village has paid all contributions required through December 31, 2022.

Social Security

Village Council Members contributed to social security. This plan provides retirement benefits, including survivor and disability benefits to participants.

Employees contributed 6.2 percent of their gross salaries. The Village contributed an amount equal to 6.2 percent of participants' gross salaries. The Village has paid all contributions required through December 31, 2022.

8. POSTEMPLOYMENT BENEFITS

OPERS offers cost-sharing, multiple-employer defined benefit postemployment plans, which include multiple health care plans including medical coverage, prescription drug coverage, deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. OPERS contributes 2 percent of the employer contribution to fund these benefits. The portion of employer contributions allocated to health care for OPERS members in the traditional pension plan and combined plan was 0 percent during calendar year 2022. The portion of employer contributions allocated to health care for OPERS members in the member-directed plan was 4.0 percent during calendar year 2022.

Effective January 1, 2022, OPERS discontinued the group plans currently offered to non-Medicare retirees and re-employed retirees. Instead, eligible non-Medicare retirees will select an individual plan. OPERS will provide a subsidy or allowance via an HRA allowance to those retirees who meet health care eligibility requirements. Retirees will be able to seek reimbursement for plan premiums and other qualified medical expenses.

9. DEBT

Debt outstanding at December 31, 2022 was as follows:

	2022	
	Principal	%
Ohio Water Development Authority Loan #8365	\$ 39,744	0.00
Total	<u>\$ 39,744</u>	

The Ohio Water Development Authority (OWDA) loan was for a Sanitary Sewer evaluation. Payments are made semi-annually with 0.00% interest paid from special revenue funds. The loan will paid until 2032.

FRANKLIN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022**

9. DEBT (Continued)

Amortization of the above debt, including interest, is scheduled as follows:

Year Ending December 31	OWDA #8365
2023	\$ 3,871
2024	3,770
2025	3,770
2026	3,770
2027	3,770
2028-2032	<u>20,793</u>
	<u>\$ 39,744</u>

10. FUND BALANCES

Included in fund balance are amounts the Village cannot spend, including the balance of unclaimed monies, which cannot be spent for five years and the expendable corpus of the permanent funds. Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilities effective cash planning and control. At year end, the balances of those amounts were as follows:

Fund Balances	General	Special Revenue	Total
Nonspendable:			
Corpus	\$ -	\$ -	\$ -
Outstanding Encumb.	-	-	-
Total	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

The fund balance of special revenue funds is either restricted or committed. The fund balance of debt service funds and capital projects funds are restricted, committed, or assigned. The fund balance of permanent funds that is not part of the nonspendable corpus is either restricted or committed. These restricted, committed and assigned amounts in the special revenue, debt service, capital projects and permanent funds would include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY GOVERNMENT AUDITING STANDARDS.**

Village of Valleyview
Franklin County
432 North Richardson Avenue
Columbus, Ohio 43026

To the Village Council:

We have audited, in accordance with auditing standards general accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standard* issued by the Comptroller General of the United States, the financial statements the cash balances, receipts, and disbursements for each governmental fund and proprietary fund type combined total as of and for the years ended December 31, 2023 and 2022, and the related notes to the financial statements of Village of Valleyview, Franklin County (the Village) and have issued our report thereon dated May 6, 2025, wherein we noted the Village followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit..

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Village of Valleyview's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, we do not express an opinion on the effectiveness of the Village's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Village's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified certain deficiencies in internal control, described in the accompanying Schedule of Findings as items 2023-001, 2023-003 and 2023-004 that we consider to be material weaknesses.

Independent Auditors' Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Village of Valleyview's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed one instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which is described in the accompanying Schedule of Findings as item 2023-002.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Village's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Village's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Material Weakness – Financial Reporting

All local offices should maintain an accounting system and accounting records sufficient to enable the public office to identify, assemble, analyze, classify, record and report its transactions, maintain accountability for the related assets, document compliance with finance-related legal and contractual requirements and prepare financial statements.

The Village Officer's Handbook provides suggested accounts classifications. These accounts classify receipts by fund and source (taxes or charges for services, for example) and classify disbursements by fund, program (general government, for example) or object (personal services, for example). Using these classifications and the aforementioned accounting records will provide the Village with information required to monitor compliance with the budget, and prepare annual reports in the format required by the Auditor of State.

The Village did not properly post all receipts and expenditures. Errors were made in recording various transactions. Amounts were not always posted to the correct fund and/or line item. The following reclassifications and adjustments were made.

- In 2023, a reclassification in the amounts of \$3,762, \$10,721, and \$7,214 were made to increase Intergovernmental Revenue and decrease Property and Other Taxes in the General Fund, Police Operating Fund and Fire Operating Fund, respectively for Rollback posting.
- In 2023, an adjustment of \$1,808 was made to increase Other Financing Sources and increase Transportation in the Street Fund for capitalized interest.
- In 2022, a reclassification in the amounts of \$3,765, \$10,801, and \$7,252 were made to increase Intergovernmental Revenue and decrease Property and Other Taxes in the General Fund, Police Operating Fund and Fire Operating Fund, respectively for Rollback posting.
- In 2022, an adjustment of \$2,066 was made to increase Other Financing Sources and increase Transportation in the Street Fund for capitalized interest.
- In 2022, an adjustment of \$127,644 was made to increase Other Financing Sources and Capital Outlay in the Street Fund for a grant from OPWC for road repairs.
- In 2023 and 2022, minor adjustments were made to the custodial fund to agree to reconciled cash.
- In 2023 and 2022 updates and corrections were made to the notes filed in the Hinkle system.

The reclassifications with which the Village Official's agree are reflected in the accompanying financial statements are posted to the accounting records as needed.

We recommend the Village utilize available authoritative resources to appropriately classify and record all receipt and expenditure transactions.

Noncompliance – Certification of Funds

Ohio Revised Code Section 5705.41(D) prohibits a subdivision or taxing authority from making any contract or ordering any expenditure of money unless a certificate signed by the fiscal officer is attached thereto. The fiscal officer must certify that the amount required to meet any such contract or expenditure has been lawfully appropriated and is in the treasury, or is in the process of collection to the credit of an appropriate fund free from any previous encumbrance.

There are several exceptions to the standard requirement stated above that a fiscal officer's certificate must be obtained prior to a subdivision or taxing authority entering into a contract or order involving the expenditure of money. The main exceptions are: "then and now" certificates, blanket certificates and super blanket certificates, which are provided for in Sections 5705.41(D)(1) and 5705.41(D)(3), respectively, of the Ohio Revised Code.

- If the fiscal officer can certify that both at the time that the contract or order was made ("then") and at the time that the fiscal officer is completing the certification ("now"), that sufficient funds were available or in the process of collection, to the credit of a proper fund, properly appropriated and free from any previous encumbrance, the Village can authorize the drawing of a warrant for the payment of the amount due. The Village has 30 days from the receipt of the "then and now" certificate to approve payment by ordinance or resolution. Amounts less than \$3,000 may be paid by the fiscal officer without a resolution or ordinance upon completion of the "then and now" certificate, provided that the expenditure is otherwise lawful. This does not eliminate any otherwise applicable requirement for approval of the expenditures by the Village.
- Blanket Certificates. Fiscal officers may prepare "blanket" certificates if the Village has approved their use and established maximum amounts.
- Super Blanket Certificates. The Village may also make expenditures and contracts for any amount from a specific line item appropriation account in a specified fund upon certification of the fiscal officer for most professional services, fuel, oil, food items, and any other specific recurring and reasonable predictable operation expense. This certification is not to extend beyond the current year. More than one so-called "super blanket" certificate may be outstanding at a particular time for any line item appropriation.

The Village did not certify the availability of funds prior to the purchase commitment for 40% of expenditures tested. For these items the Village also did not prepare blanket certificates, super blankets certificates or then and now certificates in accordance with the Ohio Revised Code. Failure to properly certify the availability of funds can result in overspending funds and negative cash fund balances.

We recommend the Village certify purchases to which Section 5705.41(D) applies. The most convenient certification method is to use purchase orders that include the certification language 5705.41(D) requires to authorize disbursements. The Fiscal Officer should sign the certification at the time the Village incurs a commitment and only when the requirements of 5705.41(D) are satisfied. The Fiscal Officer should post approved purchase commitments to the proper code, to reduce available appropriations.

Client Response: We have not received a response from the client.

Material Weakness

Sound accounting practices require accurately posting estimated receipts to the ledgers to provide information for budget versus actual comparison and to allow the Village Council to make informed decisions regarding budgetary matters.

The original certificate and amendments established the amounts available for expenditures for the Village and the receipts ledger provides the process by which the Village controls what is available, it is therefore necessary the amounts estimated by the County Budget Commission are posted accurately to the receipts ledger.

At December 31, 2023, estimated receipts in the Village's ledgers did not agree to the amounts approved by the Budget Commission for the following funds:

	Estimated Receipts	Estimated Receipts	
	Approved by the	Per Township's	
Fund	Budget Commission	Accounting System	Variance
General	\$ 89,118	\$ 79,121	\$ 9,997
Police Operating	148,751	137,888	10,863
Fire Operating	83,806	76,388	7,418
Computer	-	1,500	(1,500)

At December 31, 2022, estimated receipts in the Village's ledgers did not agree to the amounts approved by the Budget Commission for the following funds:

	Estimated Receipts	Estimated Receipts	
	Approved by the	Per Township's	
Fund	Budget Commission	Accounting System	Variance
General	\$ 103,770	\$ 124,557	\$ (20,787)
Street	19,000	20,700	(1,700)
Police Operating	148,779	146,000	2,779
Fire Operating	42,463	42,000	463

The Village did not have procedures in place to accurately post authorized budgetary measures to the accounting system. Additionally, the approved Certificate of Estimated Resources and amendments thereof was not accurately posted to the accounting system.

Failure to accurately post the estimated receipts to the ledgers could result in overspending and negative cash balances. In addition, this could lead to inaccurate reporting of the budgetary information in the financial statements.

To effectively control the budgetary cycle and to maintain accountability over receipts, the Village should post to the ledgers, on a timely basis, estimated receipts as certified by the budget commission. The Village should then monitor budget versus actual reports to help ensure amended certificates of resources have been properly posted to the ledgers.

To provide effective and efficient accounting records, transactions should be posted to the accounting records in a timely basis such as when they occur. It was noted that during 2022-2023, receipts and disbursements have not been timely recorded with some transactions being posted up to a year after it occurred. Example would be a deposit made by a source directly to the bank account but would not get posted until later.

By not having accurate reports to present at Village Council meetings, decisions that need to be made for the Village from a financial stand point would be lacking current information and decisions made could ultimately be wrong and cause harm to the Village.

We recommend that all transactions be recorded when occurred so that reports will be accurate for meetings and decision making.
