REPORT OF INDEPENDENT ACCOUNTANTS

Miami Valley Educational Computer Association Greene County Morgan Building 330 East Enon Road Yellow Springs, Ohio 45387

To the Board of Directors:

We have audited the accompanying financial statements of the Miami Valley Educational Computer Association, Greene County (the Association), as of and for the years ended June 30, 2001 and 2000. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Association prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balance and reserves for encumbrances of the Miami Valley Educational Computer Association, Greene County, as of June 30, 2001 and 2000, and its cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 21, 2001, on our consideration of the Association's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2001 AND 2000

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The Miami Valley Educational Computer Association (the "Association") is organized under Ohio Rev. Code Section 3313.92. The Association operates under a Board of Directors consisting of six members elected from a general assembly for three year terms, and the superintendent from the fiscal agent school district for a perpetual term.

The Association provides computer systems for the needs of the member Boards of Education as authorized by state statute guidelines. The Association serves twenty-three schools, in Greene, Fayette, Clark, and Clinton Counties.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

The Association's cash is held and invested by the Greene County Vocational School District (the District), who acts as custodian for Association monies. The Association's assets are held in the District's cash and investment pool.

D. Budgetary Process

1. Budget

Prior to the start of each fiscal year the Board of Directors approves a budget for the Association. The budget includes an estimate of the amounts expected to be received and expended by the Association during the fiscal year.

2. Encumbrances

The Association reserves (encumber) appropriations when commitments are made. These are reported as budgetary expenditures in Note 2. Encumbrances outstanding at year-end are carried over, and need not be reappropriated.

A summary of 2001 and 2000 budgetary activity appears in Note 2.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2001 AND 2000 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E Fund Accounting

The Association uses fund accounting to segregate cash and investments that are restricted as to use. The Association classifies its activity into the following fund type:

Enterprise Fund - This fund accounts for operations that are similar to private business enterprises where management intends that the significant costs of providing certain goods or services will be recovered through user charges. The Association's primary sources of revenue are user charges and grants from the State of Ohio.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

G. Unpaid Vacation and Sick Leave

Employees are entitled to cash payments for unused vacation and sick leave in certain circumstances, such as upon leaving employment. Unpaid vacation and sick leave are not reflected as liabilities under the basis of accounting used by the Association.

2. BUDGETARY ACTIVITY

Budgetary activity for the years ending June 30, 2001 and 2000 follows:

2001 Budgeted vs. Actual Receipts

Fund Type	Budgeted Receipts	Actual Receipts	Variance
Enterprise	\$1,607,949	\$1,524,427	(\$83,522)

2001 Budgeted vs. Actual Budgetary Basis Expenditures

Fund Type	Budgeted Expenditures	Actual Expenditures	Variance
Enterprise	\$1,877,978	\$1,969,311	(\$91,333)

2000 Budgeted vs. Actual Receipts

Fund Type	Budgeted Receipts	Actual Receipts	Variance
Enterprise	\$1,638,917	 \$1,638,917	\$0

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2001 AND 2000 (Continued)

2. BUDGETARY ACTIVITY (Continued)

2000 Budgeted vs. Actual Budgetary Basis Expenditures

Fund Type	Budgeted Expenditures	Actual Expenditures	Variance
Enterprise	\$1,279,854	\$1,279,854	\$0

3. RETIREMENT SYSTEM

The Association's full-time employees belong to the School Employees Retirement System (SERS) of Ohio. SERS is a cost-sharing, multiple-employer defined benefit plan. This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2001 and 2000, members of SERS contributed 9% of their gross salaries. The Association contributed an amount equal to 14% of participants' gross salaries. The Association has paid all contributions required through June 30, 2001.

4. RISK MANAGEMENT

The District has obtained commercial insurance, which includes coverage for the Association, for the following risks:

- Comprehensive property and general liability
- Vehicles
- Errors and omissions

The District also provides health insurance and dental and vision coverage to full-time employees of the Association through a private carrier.

REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Miami Valley Educational Computer Association Greene County Morgan Building 330 East Enon Road Yellow Springs, Ohio 45387

To the Board of Directors:

We have audited the accompanying financial statements of the Miami Valley Educational Computer Association, Greene County (the Association), as of and for the years ended June 30, 2001 and 2000, and have issued our report thereon dated September 21, 2001. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Association's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Association's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal controls over financial reporting and its operation that we consider to be material weaknesses. However, we noted a matter involving the internal control over financial reporting that does not require inclusion in this report, that we have reported to management of the Association in a separate letter dated September 21, 2001.
