Facsimile 614-728-7398

Board of Trustees University of Cincinnati

We have reviewed the Independent Auditor's Reports of the University of Cincinnati, Hamilton County, prepared by PricewaterhouseCoopers LLP for the audit period July 1, 2000 through June 30, 2001. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The University of Cincinnati is responsible for compliance with these laws and regulations.

JIM PETRO Auditor of State

November 30, 2001

Report of Independent Accountants

The Board of Trustees of The University of Cincinnati Cincinnati, Ohio

In our opinion, the accompanying balance sheet and the related statements of changes in fund balances, current funds revenues, expenditures and other changes, changes in current unrestricted auxiliary enterprises fund balances, changes in current allocated fund balances, and cash flows present fairly, in all material respects, the financial position of the University of Cincinnati (the "University), a component unit of the State of Ohio, at June 30, 2001 and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the University's management; our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the University's 2000 financial statements, and in our report dated October 2, 2000, we expressed an unqualified opinion on those financial statements. We conducted our audit of these statements in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated October 1, 2001on our consideration of the University's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> and should be read in conjunction with this report in considering the results of our audit.

Priuraterhouse (vopen CLP October 1, 2001

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

A) Reporting Entities and Basis of Presentation

The accompanying financial statements consist of the accounts of the University of Cincinnati (the University) and, as a discretely presented component unit, the accounts of the University of Cincinnati Foundation and the Endowment Fund Association of the University of Cincinnati (the Foundation). The Foundation is described more fully in Note 16.

The University of Cincinnati was founded in 1819 with the first charter granted by the State of Ohio in 1870. The University, formerly city owned, became a State University on July 1, 1977. As such, it is a component unit of the State of Ohio. The accompanying financial statements of the University have been prepared on the accrual basis, except for depreciation accounting, and in accordance with generally accepted accounting principles for state-assisted colleges and universities. Resources are classified for accounting and reporting purposes into funds that reflect the specific activities, objectives or restrictions of the resources. Separate accounts are maintained for each fund. However, for reporting purposes, funds that have similar characteristics are combined into fund groups, and all financial transactions have been recorded and reported by fund group. Within each fund group, fund balances restricted by outside sources are so indicated and are distinguished from unrestricted funds.

The statement of current funds revenues, expenditures and other changes is a statement of financial activities of current funds related to the current reporting period. It does not purport to present the results of operations or the net income or loss for the period as would a statement of income or a statement of revenues and expenditures.

B) Description of Fund Groups

Current Funds include those resources that are available for current operations. These funds can be either unrestricted or restricted and used for educational and general purposes and for auxiliary enterprises. Current funds are considered unrestricted unless donors and external agencies restrict their uses to specific purposes, programs, colleges, departments, or schools.

Current Designated/Allocated Funds represent the portion of unrestricted current funds which have been set aside for special operating expenses as a result of specific designations by the University's administration or Board of Trustees.

Current Restricted Funds are reported as revenues and expenditures when expended for current operating purposes subject to donor and grantor restrictions. A major component of current restricted funds are government and private grants and contracts to fund research and other activities and which normally provide for the recovery of direct and indirect costs, subject to audit. Recovery of related indirect costs is generally recorded at fixed rates negotiated for a specific period of time.

Loan Funds include resources available for loans to students. Loans granted are receivables of the fund until repaid. As these loans are repaid, the principal and accumulated interest become available for new loans.

Endowment and Similar Funds include endowment funds which are subject to the restrictions of gift instruments requiring that the principal be invested in perpetuity and that only the income be utilized; term endowments, which are like endowments, except that all or part of the principal may be expended after a stated period of time or the occurrence of a particular event; and quasi-endowments which have been designated by the University to be retained and invested, except that any portion of quasi-endowment funds may be utilized at the discretion of the Board of Trustees.

Included in endowment and similar funds, *Annuity and Life Income Funds* consist primarily of resources acquired by the University on condition by the donor that periodic income be paid during the lifetime of the income beneficiary.

B) Description of Fund Groups - Continued

Plant Funds include unexpended funds which are to be used for the acquisition of property and equipment, funds restricted or designated for retirement of indebtedness incurred in connection with the acquisition of properties, reserves for repairs and replacements, and the University's investment in long-life assets in the service of the University, including construction in progress.

Agency Funds include resources held by the University on behalf of others in the capacity of custodian or fiscal agent.

C) Cash and Cash Equivalents

Substantially all University cash is held in demand deposit accounts and other income earning assets administered through a pooled cash system. The University invests excess operating cash in short-term securities and money-market funds which are converted to cash as needed to meet the University's obligations. The University defines cash equivalents as investments with an original maturity of three months or less.

D) Investments

Marketable securities are recorded at fair value at the balance sheet date. The fair value of substantially all investments is based on quoted market prices or mutual fund current share prices. Investments in real estate are recorded at cost at the date of acquisition or at appraised value at the date of donation. Realized and unrealized gains and losses are computed by the specific identification method and by aggregation, respectively.

Gains and losses from the sale or other disposition of investments or from changes in their fair value are accounted for in the fund owning such assets. Ordinary income is accounted for in the fund owning the related assets from which the income is generated, except for income derived from investments of endowment and similar funds which is accounted for in the fund to which it is restricted or, if unrestricted, as revenue in unrestricted current funds.

E) Inventories

Inventories, which are included in Other Assets, consist primarily of bookstore and general stores and are stated at the lower of cost or net realizable market value. Cost of the inventory is determined on a moving-average basis for educational and general funds and on a retail basis for auxiliary enterprise funds.

F) Investment in Plant Assets

Land, land improvements, buildings and equipment are recorded at cost at date of acquisition, or market value at date of donation, including interest capitalized on related borrowing during the period of construction. Depreciation is not recorded by the University. Foundation property and equipment are depreciated using the straight-line method over the estimated useful lives of the assets. To the extent that current funds are used to finance plant assets, the amounts so provided are accounted for as expenditures in the case of normal replacement of movable equipment and library books. Otherwise, plant assets are financed as mandatory transfers to plant funds in the case of required provisions for debt amortization and interest and as nonmandatory transfers in the case of provisions for renewals and replacements. When plant assets are sold or otherwise disposed of, the carrying value of such assets is removed from the accounts and the net investment in plant is reduced accordingly.

G) Income Taxes

Under provisions of the Internal Revenue Code, Section 115, and the applicable income tax regulations of the State of Ohio, the University, as a state institution, is exempt from taxes on income other than unrelated business income. Since the University has no material net unrelated business income during the year ended June 30, 2001, no provision for income taxes has been made. The Foundation is exempt from Federal income taxes under the provisions of Internal Revenue Code Section 501(c)(3).

H) Management Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the reporting period. Actual results could differ from those estimates.

I) Memorandum Only Captions

Certain columns in the accompanying financial statements are captioned "Memorandum Only." These columns represent the total of other columns on the respective exhibit and should not be considered to present consolidated financial information.

2. Cash and Cash Equivalents

A) University of Cincinnati

At June 30, 2001, the carrying amount of the University's cash and cash equivalents for all funds is \$38,810,000 as compared to bank balances of \$52,407,000. The difference between the carrying amounts and the bank balances is caused primarily by deposits in transit and outstanding checks.

Of the University's positive bank balances of \$2,494,000, \$235,000 is covered by depository insurance or by collateral held by a qualified third-party trustee in the name of the University and \$2,259,000 is covered by collateral held by third-party trustees pursuant to Section 135.181, Ohio Revised Code, in collateral pools securing all public funds on deposit with specific depositories. Of the uninsured balances totaling \$49,913,000, \$13,000,000 includes securities held by financial institutions in the University's name, \$360,000 includes securities held by financial institutions but not in the University's name and mutual funds hold \$36,553,000 of cash equivalents.

B) Foundation

The carrying amount of the Foundation's cash and cash equivalents is \$12,589,000 as compared to bank balances of \$12,631,000. The difference between the carrying amounts and the bank balances is caused primarily by deposits in transit and outstanding checks.

Of the Foundation's bank balances, \$192,000 is covered by depository insurance or by collateral held by a qualified third-party trustee in the name of the Foundation. Of the uninsured balance of \$12,439,000, \$4,857,000 is collateralized by securities pledged by financial institutions in the Foundation's name and mutual funds hold \$7,582,000 of cash equivalents.

3. Investments

A) Investment Risk Categorization

Statement No. 3 of the Governmental Accounting Standards Board requires government entities to categorize investments by the level of risk. Category 1 includes investments that are insured or registered or for which securities are held by the University or its agent in the name of the University. Category 2 includes uninsured and unregistered investments for which securities are held by the broker's or dealer's trust department or agent in the name of the University. Category 3 includes uninsured and unregistered investments for which the securities are held by the broker or dealer, or by its trust department or agent, but not in the University's name.

A) Investment Risk Categorization – Continued

The fair value of investments at June 30, 2001, are (in thousands):

	<u>University</u>	<u>Foundation</u>
U. S. Government securities	\$194,679	\$ 2,859
Corporate notes and bonds	174,926	3,219
Corporate stocks	286,184	9,844
Mutual funds	145,353	5,807
Other securities	19,715	1,715
Real estate	<u>3,612</u>	<u>836</u>
Total investments	<u>\$824.469</u>	\$ 24.280

Of the above University assets, \$636,328,000 fall within credit risk category 1 and \$39,176,000 fall within credit risk category 2. Of the Foundation assets, \$17,637,000 fall within credit risk category 1. Mutual funds and real estate are not covered by these credit risk categories.

B) University Investment Pools

Of the University investments, approximately \$51,992,000 are separately invested by donor stipulation. The remaining funds are invested in one of three pools. The temporary investment pool represents the investment of substantially all University cash not otherwise invested in the endowment fund.

The General Investment Pool A is the principal investment pool for the University endowment and similar funds that may be pooled legally or by donor concurrence. The University employs the share method of accounting for the General Investment Pool A investments and for proportionate distribution of income to each fund that participates in the pool. At June 30, 2001, the General Investment Pool A consisted of 4,849,000 shares. The General Investment Pool B comprises real estate holdings received by bequest.

The following tabulation summarizes the changes in relationships between cost and fair values of the General Investment Pool A assets for the year (in thousands):

			Net Gains/	Fair Value Gain/(Loss)
	Net Cost	Fair Value	(Losses)	Per Share
End of year	\$467,759	\$526,613	\$ 58,854	\$ 108.60
Beginning of year	467,065	569,644	102,579	117.10
Unrealized net gain/(loss) for year			(43,725)	
Realized net gain/(loss) for year			(1,270)	
Total net gain/(loss) for year			<u>\$ (44.995)</u>	\$ (8.50)

The University has adopted a spending rate policy which limits the distribution of endowment income earned in the investment pool to 5% of the moving-average market value for the twelve-quarter period ending each December. During 2001, income earned was approximately \$8,958,000 less than the amount allocated for spending. In accordance with the Ohio Uniform Management of Institutional Funds Act, the cumulative shortfall of \$38,649,000 as of June 30, 2001, is funded by capital appreciation of the investment pool.

B) University Investment Pools - Continued

Income allocated for spending during 2001 amounted to \$4.31 per share of the General Investment Pool. The average annual earnings per share, exclusive of capital appreciation, amounted to \$3.04.

C) Foundation Investment Pools

At June 30, 2001, the Foundation's pooled endowment fund consisted of 699,000 shares. Of these, 637,000 shares represent funds accounted for by the University in the endowment and similar funds group. Separately invested assets, in accordance with donor stipulations, are not available to be pooled.

The following tabulation summarizes changes in relationships between cost and fair values of pooled assets for the Foundation (in thousands):

	Net Cost	Fair Value	Net <u>Gains</u>	Fair Value/Gain per Share
End of year	\$97,815	\$102,721	\$ 4,906	\$161.32
Beginning of year	86,442	107,768	21,326	182.77
Unrealized net (loss) for year			(16,420)	
Realized net gain for year			6,769	
Total net (loss) for year			\$ (9.651)	\$ (21.45)

The Foundation has adopted a spending rate policy which limits the distribution of endowment income earned in the investment pool to 5% of the moving-average market value for the twelve-quarter period ending each December. During 2001, income earned was approximately \$3,078,000 less than the amount allocated for spending. In accordance with the Ohio Uniform Management of Institutional Funds Act, the cumulative shortfall of \$10,601,000 as of June 30, 2001, is funded by capital appreciation of the investment pool.

Income allocated for spending during 2001 amounted to \$7.51 per share of the General Investment Pool. The average annual earnings per share, exclusive of capital appreciation, amounted to \$3.01.

4. Accounts and Notes Receivable

Accounts and notes receivable as of June 30, 2001, are as follows:

	<u>University</u>	Foundation	<u>Total</u>
Accounts receivable	\$44,447,000	\$ 1,479,000	\$ 45,926,000
Pledges receivable	13,585,000	35,566,000	49,151,000
Notes receivable	30,455,000	-	30,455,000
Accrued interest receivable	6,978,000	333,000	7,311,000
	\$95.465.000	\$37.378.000	\$132.843.000

Allowances for uncollectible receivables have been provided in the amount of \$637,000 for accounts receivable; \$1,156,000 for pledges receivable; and \$3,973,000 for notes receivable.

4. Accounts and Notes Receivable – Continued

Outstanding pledges receivable have been discounted at a rate of 6% to net present value which represents fair value. These pledges, restricted primarily for plant acquisitions and scholarships including those recorded at the Foundation, are anticipated to be collected in subsequent fiscal years as follows:

2002	\$21,904,000
2003	4,481,000
2004	2,366,000
And thereafter	20,400,000
	\$49.151.000

5. Funds Held in Trust by Others

Funds held in trust by others include current funds of approximately \$2,716,000 representing the University's interest in self-insurance trust funds established to cover medical malpractice and general liability claims (see Note 19); endowment funds of \$346,012,000, invested predominantly in equities, held in donor-stipulated irrevocable trusts including investments held by the Foundation for the University of \$122,509,000; and plant funds of \$86,994,000 held in accordance with requirements of the Trust Agreements for repayment of various debt issues (see Note 8) and unexpended proceeds of such issues deposited with a trustee until required for acquisition of related capital assets. These funds are invested and interest in such investments is retained in the respective trusts. Endowment funds are held at fair value and all others, not held for investment purposes, are carried at amortized cost.

6. Investment in Plant

The major components of property, plant and equipment as of June 30, 2001, are as follows:

Land and land improvements	\$	39,910,000
Infrastructure		51,426,000
Buildings and building equipment	1,	,028,041,000
Movable equipment		218,564,000
Construction in progress	_	76,064,000
Total Investment in Plant	<u>\$1.</u>	414,005,000

7. Compensated Absences

University employees earn vacation and sick leave on a monthly basis. Vacation benefits may be accrued up to a maximum of three years' credit, and earned but unused days are payable upon termination. Sick leave may be accrued without limit; however, earned but unused days are payable only upon retirement from the University, subject to 30- or 60-day limits depending upon the date of hire. The liability for the costs of such benefits approximated \$54,215,000 as of June 30, 2001. This liability, excluding the portion related to vacation to be taken in the ensuing fiscal year and funded via normal budgeted operations, is being funded over 20 years. The funded amount is \$11,251,000 as of June 30, 2001.

8. Bonds and Notes Payable

Bonds and notes payable at June 30, 2001, consist of the following (in thousands):

		Issue	Maturity	Interest	Outstanding
<u>Security</u>	<u>Series</u>	<u>Date</u>	<u>Date</u>	Rate(s)	<u>Debt</u>
<u>Bonds</u>					
General Receipts Bonds	F-1	1991	2003	5.20-6.700%	\$ 805

A) Debt Issuances and Permanent Fundings

General Receipt Bonds

During 2001 the University issued two General Receipt Bonds for \$206,925,000 that bear interest at rates between 3.60% to 5.75% and mature in years 2002 and 2031. Portions of the proceeds were used to refund Series G, Series L and Series R-4 Bonds. The remaining proceeds are being used for various construction and renovation projects, which are related to the MainStreet Project.

Series G and Series L Bonds were called and refunded with the issue of 2001A Bonds, which were issued pertaining to the Central Utility Plant and recreational facilities portion of the stadium and related athletic projects. The Series 2001A Bonds also refunded the Series R-4 Bonds, which are planned to be called December 2001. These bonds were issued to fund portions of University Housing, Dining, Parking and Tangeman University Center facilities.

• Bond Anticipation Notes

During the year ended June 30, 2001, the University issued one bond anticipation note and reissued six bond anticipation notes for a total of \$36,990,000. These notes bear interest at rates between 3.75% and 4.45%. The proceeds of these offerings are being used for various construction and renovation projects. Five bond anticipation notes were retired and one bond anticipation note was refinanced during the year ended June 30, 2001, for a total of \$18,707,000.

Capital Lease Obligations

During the year ended June 30, 2001, the University issued Certificates of Participation totaling \$43,400,000 for rental payments to Fifth Third Leasing for constructing dormitory halls on Jefferson Avenue.

B) Defeasance

General Receipts Bonds

Series 2001A General Receipt Bonds were issued May 16, 2001, in the amount of \$189,425,000. A portion of the Series 2001A bonds, \$19,350,000, was for the purpose of advance refunding \$19,180,000 of the outstanding Series G and Series L General Receipts Bonds, stated to mature on June 1, 2002, through June 1, 2011. Another \$5,100,000 of the Series 2001A bonds was for the purpose of refunding \$4,985,000 of the outstanding Series R-4 General Receipts Bonds, stated to mature on June 1, 2001, through June 1, 2009. The purpose of the refunding was to reduce future debt services payments. Net proceeds of \$20,229,400 were used to call the June 1, 2002, through June 1, 2011, maturities of Series G and Series L General Receipts Bonds June 1, 2001. Additional net proceeds of \$5,391,300 were used to purchase United States government securities that were placed in an irrevocable trust with an escrow agent to provide for all future debt service payments on the refunded debt issue. The refundings will result in a net decrease of \$2,927,600 in aggregate future debt service payments for Series G, Series L and Series R-4 General Receipts Bonds. The economic gain (difference between the present value of the old and new debt service payments) to the University will be \$2,239,500. As a result of the refunding, Net Investment in Plant was reduced by \$1,711,500, reflecting the difference between the amount of proceeds deposited to the escrow account and the outstanding principal balances of the refunded debt, net of discount.

C) Collateralization and Debt Reserves

The General Receipts Bonds Series F-1 through Series AZ, Series 2001A and Series 2001B are collateralized by a pledge of general receipts of the University. The Certificates of Participation are collateralized by the capital assets purchased under the respective financing agreements and by certain insurance covering repayment of the proceeds. Bond anticipation notes are collateralized by a pledge of the general receipts of the University

C) Collateralization and Debt Reserves - Continued

In May 2001, the University issued a Restated and Amended Trust Agreement to its original Trust Agreement issued in 1974. From the date of the execution and delivery of the Restated Trust Agreement, the terms and provisions of the Restated Trust Agreement shall control outstanding bonds, including the Series 2001A and Series 2001B Bonds, and all obligations of the university issued pursuant to the Restated Trust Agreement. The amendment and restatement will, among other things, eliminate the requirement for reserve funds on all future bond issues, eliminate the Replacement and the Repair Account, revise the financial test for issuance of additional bonds, provide greater flexibility for the University to do alternate forms of financing and provide greater flexibility of investment of bond, project and reserve funds. No Bond Service Reserve Account has been established for Series 2001A and Series 2001B Bonds. The Bond Service Reserve Account created pursuant to the original trust agreement shall remain in full force and effect. At June 30, 2001, the required debt service reserves amounted to \$21,664,000. As provided for in the Amended and Restated Trust Agreement, such subaccount is solely for the payment of debt service charges on the pre-amended bonds, except as excess amounts may be transferred pursuant to section 4.03 of the Amended and Restated Trust Agreement.

D) Debt Service Commitments

For bonds and notes payable at June 30, 2001, scheduled debt service payments for the five years subsequent to June 30, 2001, are as follows:

Fiscal			
<u>Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2002	\$30,076,000	\$21,407,000	\$51,483,000
2003	14,481,000	19,280,000	33,761,000
2004	13,226,000	18,612,000	31,838,000
2005	15,011,000	17,972,000	32,983,000
2006	17,121,000	17,198,000	34,319,000

Of the fiscal year 2002 principal due, \$17,500,000 will be issued in Bond Anticipation Notes to make the principal debt service payment. It is anticipated that future appropriations from the State will be used to refund these Bond Anticipation Notes.

Scheduled principal and interest payments on capital lease obligations for the next five years are as follows:

Fiscal						
<u>Year</u>		<u>Principal</u>		Interest		<u>Total</u>
2002	\$	2,934,000	\$	7,217,000	\$	10,151,000
2003		3,055,000		7,085,000		10,140,000
2004		4,111,000		6,936,000		11,047,000
2005		4,307,000		6,739,000		11,046,000
2006		4,659,000		6,538,000		11,197,000
Thereafter	_1	<u>22,185,000</u>		66,091,000		188,276,000
Totals	\$ 1	41,251,000	<u>\$1</u>	00,606,000	\$2	241,857,000

If bond anticipation notes are not reissued by the University as planned, actual principal maturities for fiscal year 2002 would increase by \$36,990,000 to a total of \$70,000,000.

E) Defeased Debt

Details of debt defeased by the University, for which amounts remain outstanding at June 30, 2001, are as follows:

Bond Issue Series	<u>Maturity</u>	Interest Rate(s)	Amount Outstanding
Residence Hall and Dining			
Facility Bonds:			
Series D and H	1970-2007	5.50%	\$ 5,740,000
Series F	1972-2009	5.00-6.00%	4,310,000
General Receipts Bonds:			
Series O	1993-2012	2.80-6.30%	15,040,000
Series R-3	1993-2009	2.80-6.25%	9,825,000
Series R-4	2001-2009	5.35-6.25%	4,965,000
Series R-7	1994-2012	2.75-5.20%	14,780,000
Certificates of Participation:			
Multi Purpose Building/			
Edwards Center	1998-2012	6.10-6.75%	18,720,000
Total			\$73,380,000

Neither the outstanding indebtedness nor the related trust accounts are reflected in the accompanying financial statements for the fully defeased bonds listed above. United States Treasury obligations in an amount sufficient to pay principal and interest on the defeased obligations, when due, have been deposited with a trustee in accordance with the defeasance of the debt.

F) Other

Subsequent to June 30, 2001, the University has neither issued new debt nor retired any debt.

Interest expense incurred on indebtedness for the year ended June 30, 2001, is \$17,040,000 and is reflected in the total retirement of indebtedness deduction of \$43,528,000. Interest expense of \$3,394,000, net of \$3,409,000 interest earned on investments, was capitalized in the Investment in Plant Fund.

9. State Support

The University is a state-assisted institution of higher education and receives from the State of Ohio a state share of instruction that is student enrollment based. This subsidy is determined annually by the Ohio Board of Regents. The State also provides line-item appropriations that support, in part, the current operations of various activities including clinical teaching expenditures.

In addition to the current operating subsidies, the State of Ohio provides the funding for and constructs major plant facilities on the University's campuses. The funding is obtained from the issuance of revenue bonds by the Ohio Public Facilities Commission (OPFC), which, in turn, is followed by funding of construction of the facility by the Ohio Board of Regents. Such facilities are recorded as buildings or construction in progress in the accompanying balance sheet (see Note 6). Neither the obligations for the revenue bonds issued by OPFC nor the annual debt service charges for principal and interest on the bonds are recorded in the University's financial statements. Debt service is currently being funded through appropriations to the Ohio Board of Regents by the State of Ohio General Assembly.

The facilities are not pledged as collateral for the revenue bonds. Instead, the bonds are collateralized by a pledge of monies in the Higher Education Bond Service Fund established in the custody of the Treasurer of the State of Ohio.

10. Retirement Plans and Other Post Employment Benefits

A) Public Employee Retirement Plans

Retirement benefits are available for substantially all employees under one of several contributory retirement plans. Prior to July 1, 1977, when the University became a state institution, employees were covered by either the City of Cincinnati Retirement System (CRS) or the Teachers' Insurance and Annuity Association - College Retirement Equities Fund (TIAA-CREF). Full-time certified teachers appointed on or after July 1, 1977, are covered by the State Teachers' Retirement System (STRS). Non-certified, full-time employees appointed on or after that date are covered by the Public Employees Retirement System (PERS). Both STRS and PERS are statewide systems.

The PERS, STRS and CRS plans are cost-sharing, multiple-employer, defined-benefit, public-employee retirement systems. Each provides retirement, disability and death benefits to plan members and beneficiaries. These plans also provide health-care benefits to vested retirees. Benefits provided under the plans are established by State statute or the Cincinnati Municipal Code.

All three plans issue separate, publicly available financial reports that include financial statements and required supplementary information. These reports may be obtained by contacting each system as follows: Public Employee Retirement System of Ohio, 277 East Town Street, Columbus, Ohio 43215, Telephone (614) 466 - 2085; State Teachers Retirement System of Ohio, 275 East Broad Street, Columbus, Ohio 43215, Telephone (614) 227 - 4090; and City of Cincinnati Retirement System, 801 Plum Street, Cincinnati, Ohio 45202, Telephone (513) 352 - 3227.

The Ohio Revised Code and the Cincinnati Municipal Code provide PERS, STRS and CRS statutory authority, respectively, over employer and employee contributions. The required, actuarially determined contribution rates for the University and for employees are 10.65% (4.3% relating to health care benefits) and 8.5% of covered payroll, respectively, for PERS; 14% (8% relating to health care benefits) and 9.3%, respectively, for STRS; and 7% and 7%, respectively, for CRS. The University's contributions, representing 100% of employer contributions for the year ended June 30, 2001, and for each of the two preceding years are as follows:

<u>Fiscal Year</u>	<u>PERS</u>	<u>STRS</u>	<u>CRS</u>
1999	14,829,000	12,894,000	1,112,000
2000	13,890,000	13,450,000	635,000
2001	10,462,000	12,792,000	375,000

PERS and STRS provide postretirement and postemployment health care benefits in addition to the retirement benefits described above. PERS Other Post Employment Benefits (OPEB) is advance-funded on an actuarially determined basis. The assumptions and calculation below were based on the system's latest actuarial review performed as of December 31, 1999. An entry age normal actuarial cost method of valuation is used in determining the present value. The difference between assumed and actual experience (actuarial gains and losses) becomes part of unfunded actuarial accrued liability. All investments are carried at market value. For valuation purposes, a smoothed market approach is used. Under this approach assets are adjusted annually to reflect 25% of unrealized market appreciation or depreciation on investment assets. The actuaries' assumptions were as follows: investment return 7.75%, annual wage increase (compounded annually) 4.75%, and health care costs 4.75%. At December 31, 1999, the actuarial value of the Retirement System's net assets available for OPEB was \$10,806,000. The actuarially accrued liability and the unfunded actuarial accrued liability, based on the actuarial cost method used, were \$12,474,000 and \$1,668,000, respectively. There are 401,339 active contributing participants. Of the \$10,462,000 UC employer contributions to PERS for 2001, \$4,225,000 were to fund OPEB.

STRS has discretionary authority, pursuant to the Revised Code, over how much, if any, of the health care costs will be absorbed by STRS. All benefit recipients are required to pay a portion of the health care cost in the form of a monthly premium. The balance in the Health Care Reserve Fund was \$3,419,000 at June 30, 2000 (the latest information available). For the year ended June 30, 2000, the net health care costs paid by STRS were \$283,137,000. There were 99,011 eligible benefit recipients.

A) Public Employee Retirement Plans - Continued

In addition to the pension benefits described above, the University provides postretirement healthcare and dental benefits (under its labor agreement with the American Association of University Professors) to all retirees who are participants of TIAA-CREF when they retire. During 2001, 2000, and 1999, the net cost of these benefits recorded on a pay-as-you-go basis totaled approximately \$1,960,000, \$1,855,000, and \$987,000, respectively.

B) Ohio Alternative Retirement Plan

On June 23, 1998, pursuant to Ohio House Bill 586, the University created an Ohio Alternative Retirement Plan (ARP) which is designed to aid the University in recruiting and retaining employees by offering a portable retirement option. The ARP is a defined-contribution plan which provides full and immediate vesting of all contributions made on behalf of the participant. Contributions are directed to one of eight investment management companies which allows the participant to manage the investment of all retirement funds. New employees who qualify for the ARP have 90 days from the date of hire to elect the ARP option. Once this window has passed, the employee will not have the option to elect into the ARP.

At June 30, 2001, there were 1,224 members of the plan. During fiscal year 2001, the employer contributions were \$7,422,000. The employee contribution rates were 13.31% for participants electing out of PERS and 14% for participants electing out of STRS. As required by law, a portion of the employer contributions goes to PERS and STRS, respectively, to fund past service liabilities. Currently, there is not a requirement to contribute to PERS and the contribution rate for STRS is 5.76%.

11. Current Fund Balance

Current fund balances consist of the following as of June 30, 2001 (in thousands):

		Inrestricted			
	Educational and General	Auxiliary	Total	Restricted	Total
Unallocated	General	Auxiliary	Total	Nestricted	<u>10tai</u>
Unrestricted	\$ -	\$ (3,497)	\$ (3,497)	\$ -	\$ (3,497)
Restricted	-	-	-	97,809	97,809
Allocated					
Unrestricted	(4,409)	1,903	(2,506)	-	(2,506)
Amount to be financed					
in future years	(29,955)	_ (1,339)	(31,294)	(11,670)	(42,964)
	<u>\$(34,364)</u>	\$ (2,933)	\$(37,297)	<u>\$ 86,139</u>	\$ 48,842

12. Equity Interest in Alliance

Effective January 1, 1995, the University, acting on its own behalf and on behalf of University Hospital (the Hospital), entered into a Joint Operating Agreement (the Agreement) with The Christ Hospital, St. Luke Hospital, Inc. and The Health Alliance of Greater Cincinnati (the Alliance) for the purpose of forming an alliance of hospitals, physicians and other health care providers in an integrated health care delivery system. Jewish Health Systems, Inc. (Jewish Hospital) and Fort Hamilton Hospital Holding Company LLC (Fort Hamilton Hospital) also executed the Agreement effective January 1, 1996, and July 1, 1998, respectively. Under the terms of the Agreement, the Hospital, The Christ Hospital, Fort Hamilton Hospital, Jewish Hospital and St. Luke Hospital (collectively referred to as the Participating Entities) are managed by Alliance management, and their operating results are combined and allocated to the Participating Entities based on their calculated equity interests in the Alliance. The University's equity interest in the Alliance of 29.09% is based on the Hospital's pro rata portion of the Participating Entities' net assets. Separate financial information regarding the Alliance may be obtained by contacting the Alliance at the Health Alliance of Greater Cincinnati, 2060 Reading Road, Cincinnati, Ohio 45202-1456.

Hospital revenues and expenditures are recorded by the Alliance. The University has recorded its pro rata share of the Alliance's net loss of \$8,391,000 for the year ended June 30, 2001, in the net increase (decrease) in the fair value of investments for the Endowments and Similar Funds.

The University provides various shared services, consisting mainly of security and various administrative services, to the Health Alliance for which the University is reimbursed on a cost basis. The total cost of these services for the year ended June 30, 2001, was approximately \$2,828,000.

Also pursuant to the Agreement, the Hospital transferred to the University, as Trustee, \$60,000,000 of its unrestricted reserves into a separate quasi-endowment fund for the account of the Alliance to support academic programs of the University's College of Medicine. This amount was not considered in the calculation of the University's equity interest in the Alliance.

13. Loan Fund Balance

The loan fund balance consists of the following at June 30, 2001:

U.S. Gove	rnment	grants:
-----------	--------	---------

Perkins loan	\$20,827,000
Medical student loan	2,463,000
Nursing student loan	1,121,000
Pharmacy student loan	436,000
Graduate training, air pollution	48,000
HUD community development work study	3,000
University Funds:	
Restricted	7,904,000
Unrestricted	3,596,000
	\$36,398,000

Unrestricted University loan fund balance represents the University's matching funds provided in accordance with requirements of various loan programs. These funds must be retained in the loan fund as long as the University participates in these loan programs.

14. Endowment and Similar Funds Balances

The balance of the endowment and similar funds consists of the following components as of June 30, 2001:

	Unrestricted	Restricted	<u>Total</u>
Endowment	\$58,443,000	\$ 632,138,000	\$ 690,581,000
Quasi-endowment	3,998,000	214,689,000	218,687,000
Annuity and life income	-	4,726,000	4,726,000
Equity interest in alliance		171,279,000	171,279,000
	\$62.441.000	\$1.022.832.000	\$1.085.273.000

15. Plant Fund Balance

Plant fund balance consists of the following components as of June 30, 2001:

	<u>Unrestricted</u>	Restricted	<u>Total</u>
Unexpended	\$ (6,130,000)	\$ 7,269,000	\$ 1,139,000
Renewal and replacement	8,607,000	1,372,000	9,979,000
Retirement of indebtedness	6,804,000	8,717,000	15,521,000
Investment in plant		1,088,807,000	1,088,807,000
	\$ 9.281.000	\$1.106.165.000	\$1.115.446.000

16. University of Cincinnati Foundation

The principal function of the Foundation is to solicit, reserve, hold, invest and administer funds and to make distributions to or for the benefit of the University. Accounts of the Foundation have been consolidated in the accompanying financial statements in accordance with generally accepted accounting principals for state-assisted colleges and universities which differ somewhat from generally accepted accounting principals for not-for-profit organizations. Pledges receivable for the benefit of the University totaling \$5,825,000 and funds held in trust by the Foundation for the University of \$122,513,000 have been recorded by the University and have, therefore, been eliminated from the amounts reported for the Foundation as of June 30, 2001. Separate financial information regarding the Foundation may be obtained by contacting the Foundation at University of Cincinnati Foundation, University Hall, Suite 100, 51 Goodman Drive, Cincinnati, Ohio 45221-0064.

17. Capital Project Commitments

At June 30, 2001, the University is committed to future capital expenditures as follows:

Contractual commitments \$ 74,640,000
Estimated completion costs of projects 367,780,000
Total \$442,420,000

These projects are being funded through resources provided by the University and the State of Ohio as follows:

Approved state appropriations requested and released

as of June 30, 2001 \$ 26,914,000
Approved state appropriations not yet requested 13,109,000
University funded prior to June 30, 2001 208,448,000
Funds to be provided subsequent to June 30, 2001, from

 various available sources
 193,949,000

 Total
 \$442,420,000

The \$193,949,000 consists of \$16,722,000 in state funds, \$1,107,000 in federal funds, \$141,722,000 in debt, \$19,702,000 in gifts and \$14,696,000 in University funds.

18. Contingencies

The University is currently a defendant in various legal actions including the privatization of University Hospital and the construction of an on-campus conference center. Although the final outcome of such actions cannot currently be determined, the University's administration is of the opinion that the eventual liability, if any, will not have a material effect on the financial position or operations of the University.

19. Self-Insurance Funds

The University currently provides for medical professional and general liability insurance through a combination of actuarially funded self-insurance and purchased commercial insurance in excess of the self-insurance amount. The medical professional liability insurance program also includes several qualified not-for-profit (departmental physician practice) corporations. Medical professional liability self-insurance retention limits were \$1,500,000 per occurrence and \$6,000,000 in the aggregate during fiscal year 2001. General liability self-insurance limits were \$250,000 per occurrence. Excess commercial coverage for professional and general liability in the amount of \$15,000,000 and \$100,000,000, respectively, existed as of June 30, 2001. \$95,000,000 of the excess general liability insurance was a shared limit with other state universities as part of a group purchase arrangement of Ohio state universities through the InterUniversity Council.

Funding is based on calculations by independent actuaries and funds are deposited directly into a self-insurance trust fund (Trust) which is administered by an independent trustee. The Trust is divided into two separate irrevocable trust funds, one for medical professional liability and one for general liability. In the opinion of management, Trust assets totaling approximately \$11,516,000 are adequate to cover estimated liabilities resulting from known claims and incidents and incurred-but-not-reported incidents as of June 30, 2001.

The University is also self-insured for a portion of medical and dental benefits provided to employees. The cost of such self-insured benefits provided during 2001 was approximately \$15,786,000, including \$3,709,000 accrued for estimated claims incurred but not reported.

20. Unconsolidated Related Organization

The University's Board of Trustees and the Board of County Commissioners of Hamilton County, Ohio, constitute the membership of Drake Center, Inc. (the Center), a nonprofit corporation created to operate a rehabilitation hospital and a skilled nursing facility. The Center is governed by a Board of Trustees, the majority of whom are appointed by the University Board of Trustees. Also, certain University officers/employees serve on the Center's Board and in Center officer/employee positions under contractual arrangements.

However, the Center is not financially accountable to the University. The Center's assets and liabilities totaling approximately \$143,530,000 and \$34,588,000, respectively, as of June 30, 2001, and revenues and expenses totaling approximately \$62,901,000 and \$65,882,000, respectively, for the year ended June 30, 2001, are not included in the University's accompanying financial statements.

21. New Accounting Standards

In 1999, the Governmental Accounting Standards Board (GASB) issued GASB Statement No. 34: "Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments" and GASB Statement No. 35: "Basic Financial Statements – and Management's Discussion and Analysis – for Public Colleges and Universities." In 2001, GASB issued GASB Statement No. 37: "Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments: Omnibus" and GASB Statement No. 38: "Certain Financial Statement Note Disclosures." These statements will replace several current GASB statements on financial accounting and reporting for public colleges and universities. The new standards will be adopted by the University in the fiscal year ending June 30, 2002. The University has established a Task Force to ensure the timely and accurate implementation of these new standards.

These new standards are designed to provide financial information that responds to the needs of three groups of primary users of external financial reports: the citizenry, legislative and oversight bodies, and investors and creditors. The implementation of GASB Statements 34 and 35 will dramatically restructure the format in which the University's external financial statements are presented, resulting in the adoption of different accounting policies which may have a material effect on the University's financial statements and require that additional information regarding the overall financial performance of the University be disclosed.

October 1, 2001

The Board of Trustees of The University of Cincinnati

We are pleased to submit the Report on Federal Awards in accordance with OMB Circular A-133 of the University of Cincinnati (the "University") for the year ended June 30, 2001.

The audit was conducted as a condition of the University's receipt of federal awards and the requirement to have a single audit under U.S. Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*.

The U.S. Department of Health and Human Services ("HHS") has been designated as the University's cognizant agency for the audit carried out in accordance with this circular.

We would be pleased to respond to any questions or comments.

Very truly yours,

Rich Stores

Additional Information:

Lead Auditor: Richard C. Stover

Telephone No.: (513) 768-4592

Our audits were performed between June 2001 and October 2001 at the University's facilities as follows:

Location	Description of Facility	Dates Visited
Cincinnati	University of Cincinnati - Main Campus	June 2001 - October 2001

All the records relating to the administration of student financial aid programs are maintained at the main campus in Cincinnati, Ohio.

The University utilizes the AFSA Data Corporation to perform certain billing, recordkeeping and due diligence functions for the University's Federal Perkins Loan, Health Professions Student Loan and Nursing Student Loan programs.

University's Accrediting Organization: North Central Association of Colleges and Schools

PricewaterhouseCoopers LLP Suite 3400 312 Walnut St. Cincinnati OH 45202-4122 Telephone (513) 723 4700 Facsimile (513) 768 4599

Report of Independent Accountants on Compliance and on Internal Control Over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To The Board of Trustees of The University of Cincinnati:

We have audited the financial statements of the University of Cincinnati (the "University") as of and for the year ended June 30, 2001, and have issued our report thereon dated October 1, 2001. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the University's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the University's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting, which we have reported to management of the University in a separate letter dated October 1, 2001.

This report is intended solely for the information and use of the University's audit committee, management and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.

Report of Independent Accountants on Compliance with Requirements Applicable to each Major Program and Internal Control Over Compliance in Accordance with OMB Circular A-133

To The Board of Trustees of The University of Cincinnati:

Compliance

We have audited the compliance of the University of Cincinnati (the "University") with the types of compliance requirements described in the *U.S. Office of Management and Budget* (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended June 30, 2001. The University's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the University's management. Our responsibility is to express an opinion on the University's compliance based on our audit.

We did not audit the University's compliance with the billing, recordkeeping, payment processing, collections, reporting and due diligence compliance requirements specified by the Federal Perkins Loan, Health Professions Student Loan and Nursing Student Loan Programs and described in the *OMB Circular A-133 Compliance Supplement*. Compliance with these requirements was examined by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the University's compliance with those requirements, is based solely on the report of the other auditors.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the University's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the University's compliance with those requirements.

In our opinion, the University complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2001.

Internal Control Over Compliance

The management of the University is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the University's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

We did not consider internal control over compliance with the billing, record keeping, payment processing, collections, reporting and due diligence compliance requirements specified by the Federal Perkins Loan, Health Professions Student Loan and Nursing Student Loan Programs and described in the *OMB Circular A-133 Compliance Supplement*. Internal control over these compliance requirements was considered by the other auditors referred to above; and our report, insofar as it relates to the University's internal control over those compliance requirements, is based solely upon the report of the other auditors.

Our and the other auditors' consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure over compliance and its operation that we consider to be material weaknesses. Also, the report of the other auditors noted no matters involving the internal control over compliance and its operation that they considered to be a material weakness.

Schedule of Expenditures of Federal Awards

We have audited the basic financial statements of the University as of and for the year ended June 30, 2001, and have issued our report thereon dated October 1, 2001. Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposed of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the University's audit committee, management and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.

1. Summary of Significant Accounting Policies

- **a. Basis of Presentation:** The accompanying Schedule of Expenditures of Federal Awards includes the federal grant transactions of the University of Cincinnati (the "University") recorded on the accrual basis of accounting.
- **b. Subrecipients:** Certain funds are passed through to subgrantee organizations by the University. Expenditures incurred by the subgrantees and reimbursed by the University are presented in the Schedule of Expenditures of Federal Awards. The University is also the subrecipient of federal funds which have been subjected to testing and are reported as expenditures and listed as federal pass-through funds.
- **c. Negative expenditures:** Certain grant expenditures are negative as a result of various adjustments made during the year.

2. Catalog of Federal Domestic Assistance Numbers:

Catalog of Federal Domestic Assistance (CFDA) numbers are presented for those programs for which such numbers are available.

3. Federal Family Education Loan Program:

The University also participates in the Federal Family Education Loan Program. Loan awards under the Federal Family Education Loan Program for the year ended June 30, 2001 approximated \$100,312,000.

4. Federal Loan Programs:

The University administers the Federal Perkins, Health Professions Student and Nursing Student Federal Loan Programs. Total loan expenditures and disbursements of the Department of Education and Department of Health and Human Services student financial assistance programs for the fiscal year are identified below:

Federal Perkins Loan Program (CFDA 84.038)	\$ 4,646,107
Health Professions Student Loan Program (CFDA 93.342)	170,671
Nursing Student Loan Program (CFDA 93.364)	105,200

The above expenditures for the Federal Perkins Loan Program, Health Professions Student Loan Program and Nursing Student Loan Program include disbursements and expenditures such as loans to students and administrative expenditures. The Schedule of Expenditures of Federal Awards only includes administrative costs of the loan programs.

Outstanding loans at June 30, 2001 include the following:

Federal Perkins Loans	\$ 27,330,991
Health Professions Student Loans	2,381,114
Nursing Student Loans	764,988_
	\$30,477,093

5. Indirect Costs:

The University recovers indirects costs by means of predetermined fixed indirect cost rates. The predetermined fixed rates are a result of negotiated agreements with the U.S. Department of Health and Human Services ("HHS"). On May 20, 1998, the University received approval for indirect cost recovery rate effective from July 1, 1998 through June 30, 2002. The indirect cost rates structure is as follows:

53%
26%
46%
26%
30%

University of Cincinnati Intercollegiate Athletics Department

Report of Independent Accountants on Agreed-Upon Procedures for the Year Ended June 30, 2001

PricewaterhouseCoopers LLP Suite 3400 312 Walnut St. Cincinnati OH 45202-4122 Telephone (513) 723 4700 Facsimile (513) 768 4599

Report of Independent Accountants on Agreed-Upon Procedures

Dr. Joseph A. Steger, President University of Cincinnati Cincinnati, Ohio

We have performed the procedures enumerated below, which were agreed to by management of University of Cincinnati (the "University"), solely to assist the University in complying with National Collegiate Athletic Association (NCAA) Constitution 6.2.3.1. Management of the University is responsible for the Statement of Revenues and Expenditures and internal control over the Athletics Department. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. Our procedures and findings are as follows:

Procedures Related to the Accounting Records

- a. We obtained the Statement of Revenues and Expenditures of the Intercollegiate Athletics Department for the year ended June 30, 2001, as prepared by management and as shown on pages 6-7. We recalculated the addition of the amounts on the statement and compared actual expenditures to the 2001 budgeted expenditures, without exception.
- b. We obtained the University's supporting documentation on football and basketball ticket sales and reconciled financial data therein to the Statement of Revenues and Expenditures for the intercollegiate athletics department. For one football game and one basketball game, we obtained the summary of ticket sales and traced the amounts to the Total Game Ticket Sales Reconciliation, without exception.
- c. We agreed the football and basketball guarantees revenues (away games) and expenditures (home games) to the signed contracts and other supporting documentation, without exception.

Dr. Joseph A. Steger, President University of Cincinnati Cincinnati, Ohio Page 2

- d. We agreed recorded revenues for football and basketball television rights to written communication from the associations as well as supporting documentation representing payments to the University for making its television rights available, with one exception. The revenue for basketball television rights was modified due to the cancellation of the Temple game, but no written amendments were available to verify the modification.
- e. We obtained the University's contract with WLW Radio for radio broadcast rights to all University football and basketball games. We agreed recorded revenue to contracted amounts, without exception.
- f. We obtained an understanding of the University's methodology for recognizing gift income in the intercollegiate athletic department to the extent that expenses have been incurred and reimbursement has been requested from the University of Cincinnati Foundation (Foundation). The Foundation originally receives all donors' gifts. We agreed recorded revenues to copies of checks received from the Foundation for 25 selected items, without exception.
- g. We inspected a report detailing all contributions received for intercollegiate athletics. We noted no contributions received directly by the University which constituted more than 10% of all contributions.

Procedures Related to the Internal Accounting Controls

The management of the University is responsible for establishing and maintaining a system of internal control over financial reporting. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America.

Dr. Joseph A. Steger, President University of Cincinnati Cincinnati, Ohio Page 3

Because of inherent limitations in any internal control, misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal control over financial reporting to future periods are subject to the risk that procedures may become inadequate because of changes in conditions, or that the degree of compliance with procedures may deteriorate.

- h. We obtained an understanding of the general control environment as it relates to the athletic department. Specifically, we considered the following as it relates to the athletic department: (1) departmental organization, (2) control consciousness of department employees, (3) competency of personnel, (4) adequate safeguarding and control of department records and assets, and (5) controls over interactions with data processing.
- i. We obtained an understanding of the University's procedures for gathering information on the nature and extent of the outside organization's activities for or in behalf of the intercollegiate athletic programs. We found that the University receives internal reports of the outside organization's activities on a monthly basis and an external audited report on an annual basis.

Procedures Related to the University of Cincinnati Foundation

- j. We obtained the list of outside programs and related financial activities for the year ended June 30, 2001, which is included on pages 8-9 of this report.
- k. We were informed by the athletic business manager that the information referred to in "j." above is a complete list of programs outside the University's financial reporting system which conducted financial transactions for or in behalf of the University's intercollegiate athletic programs during the year ended June 30, 2001.
- 1. We confirmed directly with officers of the Foundation that the data contained in "j." above represents a complete and accurate summary of all business transacted for or in behalf of the University's intercollegiate athletic programs during the year ended June 30, 2001.
- m. In addition to the expendable University athletic funds held by the Foundation, as identified in "j." above, the Foundation also holds endowment principal funds. The cost and market value of these funds at June 30, 2001 are as follows:

Dr. Joseph A. Steger, President University of Cincinnati Cincinnati, Ohio Page 4

n. We obtained the financial statements of the Foundation for the year ended June 30, 2001, which had been examined by other independent auditors who expressed an unqualified opinion on those statements.

Dr. Joseph A. Steger, President University of Cincinnati Cincinnati, Ohio Page 5

Prievaterhouse (vopen CLP

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the accompanying statement. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of University management and governing boards, and is not intended to be and should not be used by anyone other than these specified parties.
