REPORT OF INDEPENDENT ACCOUNTANTS

Paint Township
Ross County
2690 Falls Road
Bainbridge, Ohio 45612

To the Board of Trustees:

We have audited the accompanying financial statements of Paint Township, Ross County, Ohio (the Township) as of and for the years ended December 31, 2001 and December 31, 2000. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Township prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of Paint Township, Ross County, Ohio as of December 31, 2001 and December 31, 2000, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 4, 2002 on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of the audit committee, management, the Board and other officials authorized to receive this report under § 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2001 AND 2000**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

Paint Township, Ross County, Ohio (the Township) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three-member Board of Trustees. The Township provides road and bridge maintenance, fire protection and emergency medical services. The Township contracts with the City of Greenfield to provide fire services and the Greenfield Area Squad, to provide ambulance services.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

Investments are reported as assets. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

Money market mutual funds (including STAR Ohio) are recorded at share values reported by the mutual fund.

D. Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

D. Fund Accounting (Continued)

2. Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

Road and Bridge Fund - This fund receives property tax money for constructing, maintaining and repairing Township roads and bridges.

Gasoline Tax Fund - This fund receives gasoline tax money to pay for constructing, maintaining and repairing Township roads.

Special Levy Fund - This fund receives property tax money to pay for contracting fire and medical services for the citizens of the Township.

3. Capital Project Fund

This fund is used to account for receipts that are restricted for the acquisition or construction of major capital projects (except those financed through enterprise or trust funds). The Township had the following significant capital project funds:

Issue II Fund – The Township records on-behalf payments for monies the County receives to construct and repair roads within the Township.

E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function and object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

E. Budgetary Process (Continued)

3. Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2001 and 2000 budgetary activity appears in Note 3.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

2. EQUITY IN POOLED CASH AND INVESTMENTS

The Township maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

	2001	2000
Demand deposits	\$85,084	\$65,116
Total deposits	85,084	65,116
STAR Ohio	74,559	64,116
Total investments	74,559	64,116
Total deposits and investments	\$159,643	\$129,232

Deposits: Deposits are either (1) insured by the Federal Depository Insurance Corporation or (2) collateralized by the financial institution's public entity deposit pool.

Investments: Investments in STAR Ohio are not evidenced by securities that exist in physical or book-entry form.

3. BUDGETARY ACTIVITY

Budgetary activity for the years ending December 31, 2001 and December 31, 2000 follows:

4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

5. DEBT

The Township had a Lease Purchase Agreement with Southeastern Equipment Co., Inc. through Case Credit. This Lease Purchase Agreement was the purchase of a Case 885 Tractor with a Boom Mower. This lease was executed on April 1, 1999 and was retired March 18, 2000, with a final payment of \$12,616.

6. RETIREMENT SYSTEMS

The Township's employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2001 and 2000, members of OP&F participants contributed 10% of their wages. The Township contributed an amount equal to 24% of their wages to OP&F. PERS members contributed 8.5% of their gross salaries. The Township contributed an amount equal to 13.55% of participants' gross salaries for 2001 and from January 1, 2000 through June 30, 2000. PERS temporarily reduced the employer contribution rate to 8.13%, effective July 1, 2000 through December 31, 2000. The Township has paid all contributions required through December 31, 2001.

7. RISK MANAGEMENT

Risk Pool Membership

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships. OTARMA provides property and casualty coverage for its members. OTARMA is a member of the American Public Entity Excess Pool (APEEP). Member governments pay annual contributions to fund OTARMA. OTARMA pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

Casualty Coverage

OTARMA retains casualty risks up to \$250,000 per occurrence. Claims exceeding \$250,000 are reinsured with APEEP up to \$1,750,000 per claim and \$5,000,000 in the aggregate per year. Governments can elect additional coverage, from \$2,000,000 to \$10,000,000, which the General Reinsurance Corporation will reinsure.

If losses exhaust OTARMA's retained earnings, APEEP covers OTARMA losses up to \$5,000,000 per year, subject to a per-claim limit of \$2,000,000.

Property Coverage

OTARMA retains property risks including automobile physical damage up to \$100,000 on any specific loss. The Travelers Indemnity Company reinsures specific losses exceeding \$100,000. The Travelers Indemnity Company also provides aggregate excess coverage for property including automobile physical damage subject to an annual stop loss. When the stop loss is reached in any year, The Travelers Indemnity Company provides coverage in excess of \$10,000.

The aforementioned casualty and property reinsurance agreements do not discharge OTARMA's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective government.

**REPORT ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED
BY GOVERNMENT AUDITING STANDARDS**

Paint Township
Ross County
2690 Falls Road
Bainbridge, Ohio 45612

To the Board of Trustees:

We have audited the accompanying financial statements of Paint Township, Ross County, Ohio (the Township) as of and for the years ended December 31, 2001 and December 31, 2000, and have issued our report thereon dated June 4, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instance of noncompliance that is required to be reported under *Government Auditing Standards*. However, we noted an immaterial instance of noncompliance that we have reported to management of the Township in a separate letter dated June 4, 2002.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.
