#### REPORT OF INDEPENDENT ACCOUNTANTS

Village of Laurelville Hocking County 18751 Main Street, P.O. Box 393 Laurelville, OH 43135-0393

To the Village Council:

We have audited the accompanying financial statements of the Village of Laurelville, Hocking County, Ohio (the Village), as of and for the years ended December 31, 2001 and 2000. These financial statements are the responsibility of the Village's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Village prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of the Village of Laurelville, Hocking County, as of December 31, 2001, and 2000, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated April 26, 2002 on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Description of the Entity

The Village of Laurelville, Hocking County (the Village), is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Village is directed by a publicly-elected six-member Council, Mayor and Clerk. The Village provides general governmental services, including maintenance of streets, water and sewer utility services, and police protection services. The Village appropriates General Fund money to support a volunteer fire department.

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

#### **B.** Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

#### C. Cash and Investments

Certificates of deposit are valued at cost.

#### D. Fund Accounting

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

#### 1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

#### 2. Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than for capital projects) that are restricted to expenditure for specific purposes. The Village had the following significant Special Revenue Funds:

Street Construction, Maintenance and Repair Fund - This fund receives gasoline tax and motor vehicle license tax money for constructing, maintaining and repairing Village streets.

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### D. Fund Accounting (Continued)

#### 3. Capital Project Funds

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects (except those financed through enterprise funds). The Village had the following significant Capital Project Funds:

Capital Improvement Fund – This fund accumulates revenue for various general governmental projects in the Village.

Ohio Public Works Grant Fund – This fund received funds from the Ohio Public Works Commission for a slip project.

#### 4. Enterprise Funds

These funds account for operations that are similar to private business enterprises where management intends that the significant costs of providing certain goods or services will be recovered through user charges. The Village had the following significant Enterprise Funds:

Water Fund - This fund receives charges for services from residents to cover the cost of providing this utility.

Sewer Fund - This fund receives charges for services from residents to cover the cost of providing this utility.

#### 5. Fiduciary Fund (Agency Fund)

Funds for which the Village is acting in an agency capacity are classified as agency funds. The Village had the following Agency Fund:

Mayor's Court Fund - This fund accounts for the financial activity of the Mayor's Court.

#### E. Budgetary Process

The Ohio Revised Code requires that each fund (except certain agency funds) be budgeted annually.

#### 1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level, and appropriations may not exceed estimated resources. The Council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### E. Budgetary Process (Continued)

#### 2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) and cash as of January 1. The County Budget Commission must also approve estimated resources.

#### 3. Encumbrances

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year end are canceled, and reappropriated in the subsequent year. The Village did not encumber all commitments required by Ohio law.

A summary of 2001 and 2000 budgetary activity appears in Note 3.

#### F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

#### 2. EQUITY IN POOLED CASH AND INVESTMENTS

The Village maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

|                         | 2001 |        |    | 2000    |
|-------------------------|------|--------|----|---------|

| Certificates of deposit |      | 23,922 |    | 23,040  |
| Total deposits          | \$   | 97,656 | \$ | 136,458 |

**Deposits:** Deposits are either (1) insured by the Federal Deposit Insurance Corporation, or (2) collateralized by the financial institution's public entity deposit pool.

Appropriations exceeded estimated resources in 2000 in the Permissive Sales Tax Fund and the Capital Improvement Fund. Several appropriation adjustments and actual expenditure adjustments were made to accurately reflect the proper budgeted and actual amounts. As a result of these adjustments, actual expenditures exceeded appropriations in all funds for 2001 and in the General, Capital Projects, and Enterprise fund types for 2000. Actual expenditures did not exceed appropriations in these fund types prior to the adjustments being made.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

#### 4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by Village Council. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Village.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

#### 5. DEBT

Debt outstanding at December 31, 2001, was as follows:

|                          | F  | rincipal | Interest Rate |
|--------------------------|----|----------|---------------|
| General Obligation Notes | \$ | 145,651  | 6-6.9%        |
| Mortgage Revenue Bonds   |    | 113,000  | 7.50%         |
| Total                    | \$ | 258,651  |               |
|                          |    |          |               |

The general obligation notes relate to the purchase of a 1997 fire truck, a renovation of the wastewater treatment plant in 2000, and the purchase of a Bobcat loader in 1999. The full faith and credit of the Village are pledged to repay the debt.

The mortgage revenue bonds relate to the improvement of the sewer system. Revenues of the sewer are pledged to repay this debt.

Amortization of the above debt, including interest, is scheduled as follows:

|                          | General<br>Obligation |         | Mortgage<br>Revenue |         |  |

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000 (Continued)

#### 6. OUTSTANDING CONTRACT

The Village had the following outstanding contract at December 31, 2001:

|                       | P  | Amount      |  |
|-----------------------|----|-------------|--|
| Vendor                | Ou | Outstanding |  |
|                       |    |             |  |
| Air Diffusion Systems | \$ | 89,152      |  |

The Village is currently upgrading their Waste Water Treatment Plant and Air Diffusion Systems is the contractor. The Village entered into the contract with Air Diffusion Systems on June 12, 2000. The contract amount was \$206,367 and the project should be completed in 2002.

#### 7. RETIREMENT SYSTEMS

All Village employees and elected officials belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2001 and 2000, PERS members contributed 8.5% of their gross salaries. The Village contributed an amount equal to 13.55% of participants' gross salaries for 2001 and from January 1, 2000 through June 30, 2000. PERS temporarily reduced the employer contribution rate to 8.13% effective July 1, 2000 through December 31, 2000. The Village has paid all contributions required through December 31, 2001.

#### 8. RISK MANAGEMENT

#### **Commercial Insurance**

The Village has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Public official's liability;
- Vehicles

### REPORT OF INDEPENDENT ACCOUNTANTS ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Village of Laurelville Hocking County 18751 Main Street, P.O. Box 393 Laurelville, OH 43135-0393

To the Village Council:

We have audited the accompanying financial statements of the Village of Laurelville, Hocking County, Ohio (the Village), as of and for the years ended December 31, 2001 and 2000, and have issued our report thereon April 26, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### Compliance

As part of obtaining reasonable assurance about whether the Village's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance that are required to be reported under *Government Auditing Standards*, which are described in the Schedule of Findings as items 2001-30737-001 and 2001-30737-002. We also noted certain immaterial instances of noncompliance that we have reported to management of the Village in a separate letter dated April 26, 2002.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Village's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted a certain matter involving the internal control over financial reporting and its operation that we consider to be a reportable condition. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the Village's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. The reportable condition referred to above is described in the Schedule of Findings as item 2001-30737-003.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be reportable conditions, and, accordingly, would not necessarily disclose all reportable conditions that are considered to be material weaknesses.

However, the reportable condition referred to above is also considered to be a material weakness. We also noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Village in a separate letter dated April 26, 2002.

This report is intended solely for the information and use of management and Village Council, and is not intended to be and should not be used by anyone other than these specified parties.

### FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

#### **FINDING NUMBER 2001-30737-001**

#### **Noncompliance Citation**

Ohio Rev. Code Section 5705.39 requires that the total appropriation from each fund not exceed the total estimated resources.

For the year ended December 31, 2000, appropriations exceeded estimated resources as follows:

| Estimated Resources vs. Appropriations |           |               |            |
|----------------------------------------|-----------|---------------|------------|
|                                        | Estimated | Appropriation | _          |
| Fund                                   | Resources | Authority     | Variance   |
| Permissive Sales Tax                   | \$8.717   | \$20.500      | (¢11 702)  |
|                                        | + - /     | + -,          | (\$11,783) |
| Capital Improvement                    | \$15,000  | \$20,000      | (\$5,000)  |

We recommend the Village Council and Village Clerk review estimated resources and appropriations on a regular basis to determine if modifications are required.

#### **Noncompliance Citation**

Ohio Rev. Code Section 5705.41(D) states that no subdivision or taxing unit shall make any contract or order any expenditure of money unless there is attached thereto a certificate of the fiscal officer of the subdivision that the amount required to meet the same has been lawfully appropriated for such purpose and is in the treasury or in the process of collection to the credit of an appropriate fund free from any previous encumbrance. Every such contract made without such a certificate shall be null and void and no warrant shall be issued in payment of any amount due thereon.

The following exceptions to this basic requirement are provided by statute:

- "Then and Now Certificate": This exception provides that, if the fiscal officer can certify that both at the time that the contract or order was made and at the time that he is completing his certification, sufficient funds were available or in the process of collection, to the credit of a proper fund, properly appropriated and free from any previous encumbrance, the taxing authority can authorize the drawing of a warrant. The taxing authority has 30 days from the receipt of such certificate to approve payment by resolution or ordinance. If approval is not made within 30 days, there is no legal liability on the part of the subdivision or taxing district.
- Amounts of less than \$1,000 may be paid by the fiscal officer without such affirmation of the taxing authority upon completion of the "then and now" certificate, provided that the expenditure is otherwise lawful. This does not eliminate any otherwise applicable requirement for approval of expenditures by the taxing authority.

During the audit period, 89% or more of the expenditures tested did not have the prior certification of the Village Clerk. This could result in the Village spending more money than what is available.

We recommend the Village obtain the prior certification of the Village Clerk before an obligation is incurred.

#### **Supporting Documentation for Expenditures**

During the audit period documentation, was not attached to voucher packages regularly to show support for the expenditures. We were unable to determine if the expenditures were for a proper public purpose, if the expenditures were posted to the proper funds, if the proper amounts were paid to the vendor, and if the expenditures were properly encumbered.

Not attaching supporting documentation to voucher packages could result in errors and irregularities between the vendor and the Village. It could also result in misappropriation of Village funds if there is no documentation supporting the expenditures.

We recommend all invoices and supporting documentation be attached to all voucher packages to ensure the proper accounting of Village expenditures and the proper use of public funds.
