INDEPENDENT AUDITORS' REPORT

The Board of Trustees
Wyandot County Visitors & Convention Bureau
Upper Sandusky, Ohio

We have audited the accompanying financial statements of the Wyandot County Visitors & Convention Bureau (the WCV & CB) as of December 31, 2001 and 2000. These financial statements are the responsibility of WCV & CB's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in the *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As explained in Note 1 to the financial statements, the Wyandot County Visitors & Convention Bureau prepares its financial statements on the basis of accounting prescribed by or permitted by the Auditor of State, which is similar to the cash receipts and disbursement basis of accounting which is a basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of the WCV & CB as of December 31, 2001 and 2000, and its combined cash receipts and disbursements for the years then ended in conformity with accounting principles generally accepted in the United States of America.

WYANDOT COUNTY VISITORS & CONVENTION BUREAU
UPPER SANDUSKY, OHIO
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2001 AND 2000

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:-

Organization - The Wyandot County Visitors & Convention Bureau (the WCV & CB) was formed on July 29, 1992, as a not-for-profit organization for the purpose of promoting tourism for Wyandot County, Ohio. The organization receives an allocation from the City of Upper Sandusky for a portion of the Transient Guest Tax Collection.

Basis of Presentation - The financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when liability is incurred.

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

Fund Accounting - The Bureau uses fund accounting to classify its funds into the following types:

Operating/Unrestricted Funds, which include unrestricted resources for reporting income and expense, represent the portion of expendable funds that are available for the budgeted operations of the Bureau.

Cash and Investments - The Now account, Passbook savings, and petty cash are valued at cost.

NOTE 2 - CASH AND INVESTMENTS:-

The Bureau maintains a Now checking and Passbook savings account and hold petty cash available for small purchases. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash at December 31 follows:

	2000	2001
Now Account	220	3,092
Passbook Savings	4,712	4,273
Petty Cash	100	100
Total	5,032	7,466

NOTE 3 - CONCENTRATION OF RISK:-

During the year 2000 and 2001, the composition of board of trustees within Bureau did not comply with the By-Laws.

Report on Compliance and on Internal Control Over Financial
Reporting Based on an Audit of Financial Statements Performed
In Accordance with *Government Auditing Standards*

The Board of Trustees
Wyandot County Visitors & Convention Bureau
Upper Sandusky, Ohio

We have audited the financial statements of the Wyandot County Visitors & Convention Bureau, (the WCV & CB) (a nonprofit organization) for the years then ended December 31, 2001 and 2000, and have issued our report thereon dated June 21, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the WCV & CB's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the WCV & CB's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk those misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving internal controls over financial reporting, which we have reported to management of the Wyandot County Visitors & Convention Bureau in a separate letter dated June 21, 2002.

This report is intended solely for the information and use of the audit committee, management, and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.
