INDEPENDENT ACCOUNTANTS' REPORT

Medina County Agricultural Society
Medina County
710 West Smith Road
Medina, Ohio 44256

To the Board of Directors:

We have audited the accompanying financial statement of Medina County Agricultural Society, Medina County, Ohio, (the Society) as of and for the year ended November 30, 2002. This financial statement is the responsibility of the Society's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Society prepares its financial statement on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash balance of the Society as of November 30, 2002, and its cash receipts and disbursements for the year then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 17, 2003, on our consideration of the Society's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

This report is intended solely for the information and use of management, the Board of Directors, and other officials authorized to receive this report under § 117.26, Ohio Revised Code, and is not intended to be and should not be used by anyone other than these specified parties.

**NOTES TO THE FINANCIAL STATEMENT
NOVEMBER 30, 2002**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The Medina County Agricultural Society, Medina County, Ohio, (the Society) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Society is a county agricultural society corporation formed under Chapter 1711 of the Ohio Revised Code. The Society was founded in 1845 to direct the operation of an annual agricultural fair. The Society sponsors the week-long Medina County Fair during the month of July. During the fair, harness races are held. Medina County is not financially accountable for the Society. The responsibility for management of the affairs of the Society is vested in the Board of Directors. The Board is made up of 30 directors serving staggered three-year terms, elected from the membership of the Society. Members of the Society must be residents of Medina County and pay an annual membership fee to the Society.

Reporting Entity

The reporting entity includes all activity occurring on the fairgrounds. This includes the annual fair and harness racing during fair week; Junior Fair Board Activities; and other year round activities at the fairgrounds including facility rentals and community events such as dog and horse shows. The reporting entity does not include any other activities or entities of Medina County.

The financial activity of the Junior Fair Board and the Junior Livestock Sale Committee is summarized in Note 9 and Note 10, respectively.

The Society's management believes this financial statement presents all activities for which the Society is financially accountable.

B. Basis of Accounting

This financial statement follows the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred.

This statement includes adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

Investments are included in the cash balance. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively.

D. Budgetary Process

The Board of Directors annually prepares an operating budget of disbursements. The Board approves the budget in its final form during the first six months of each fiscal year. The Board reviews the budget throughout the year and compares it with actual results.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as capital outlay disbursements when paid. These items are not reflected as assets on the accompanying financial statement.

F. Restricted Donations/Contributions

Restricted donations/contributions include amounts that are required by the donor to be set aside for specific uses.

G. Income Tax Status

The Society is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Society has also been classified as an entity that is not a private foundation within the meaning of Section 509 (a) and qualifies for deductible contributions as provided in Section 170(b)(1)(A)(v1). Management is not aware of any actions or events that would jeopardize the Society's tax status.

H. Race Purse

Harness stake races are conducted during the Medina County Fair. The Society pays all Sustaining and Entry Fees and the required portion of the cash received from the Ohio Fairs Fund as Race Purse to winning horses.

Sustaining and Entry Fees

Horse owners and Home Talent Horseman's Association pay fees to the Society to qualify horses for entry into stake races. These payments must be made before a horse can participate in a stake race. These fees are reflected on the accompanying financial statement as Sustaining and Entry Fees, and are ultimately paid out as part of the race purse.

Ohio Fairs Fund

The State of Ohio contributes money to the Society from the Ohio Fairs Fund to help supplement the race purse. See Note 4 for additional information.

I. Parimutuel Wagering

A wagering system totals the amounts wagered and adjusts the payoff to reflect the relative amount bet on different horses and various odds. The total amount bet (also known as the "handle"), less commission, is paid to bettors in accordance with the payoffs, as determined by the parimutuel wagering system. The Society contracts with a totalizer service to collect bets and provide the parimutuel wagering system.

Parimutuel wagering commission (commission) is the Society's share of total parimutuel wagers after payment of amounts to winning bettors. The commission is determined by applying a statutory percentage to the total amount bet and is reflected in the accompanying financial statement as Parimutuel Wagering Commission. See Note 4 for additional information.

**INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Medina County Agricultural Society
Medina County
710 West Smith Road
Medina, Ohio 44256

To the Board of Directors:

We have audited the financial statement of Medina County Agricultural Society, Medina County, Ohio, (the Society) as of and for the year ended November 30, 2002, and have issued our report thereon dated March 17, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Society's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Society's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statement and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatement in amounts that would be material in relation to the financial statement being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Society in a separate letter dated March 17, 2003.
