AUDIT REPORT

JANUARY 1, 2004 – DECEMBER 31, 2004

Wolfe, Wilson, & Phillips, Inc. 37 South Seventh Street Zanesville, Ohio 43701

Board of Trustees Madison Township, Guernsey County 69157 Right Angle Ln. Lore City, OH 43755

We have reviewed the *Independent Auditors' Report* of the Madison Township, Guernsey County, prepared by Wolfe, Wilson & Phillips, Inc., for the audit period January 1, 2004 through December 31, 2004. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State. Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Independent Auditors' Report* on your financial statements. While the Auditor of State does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Independent Auditors' Report* also includes an opinion on the financial statements using the regulatory format the Auditor of State permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Madison Township, Guernsey County is responsible for compliance with these laws and regulations.

INDEPENDENT AUDITORS' REPORT

Madison Township Guernsey County 69157 Right Angle Lane Lore City, Ohio 43755

We have audited the accompanying financial statements of Madison Township, Guernsey County as of and for the year ended December 31, 2004. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Township has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America. Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, we presume they are material.

Revisions to GAAP would require the Township to reformat its financial statement presentation and make other changes effective for the year ended December 31, 2004. Instead of the combined funds the accompanying financial statements present for 2004, the revisions require presenting entity wide statements and also to present its larger (i.e. major) funds separately for 2004. While the Township does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Township has elected not to reformat its statements. Since this Township does not use GAAP to measure financial statement amounts, the following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Madison Township's combined funds as of December 31, 2004, and their changes in financial position.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of Madison Township, Guernsey County, as of December 31, 2004, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

Madison Township Independent Auditors' Report Page Two

The aforementioned revision to generally accepted accounting principles also require the Township to include Management's Discussion and Analysis for the year ended December 31, 2004. The Township has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued a report dated June 22, 2006, on our consideration of Madison Township's internal control structure over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

Madison Township, Guernsey County (the Township), is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three-member Board of Trustees and a publicly-elected Fiscal Officer. The Township provides road and bridge maintenance, cemetery maintenance and fire protection services. The Township contracts with the Antrim Community Fire Department to provide fire services.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and cash disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved.)

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

The Township Fiscal Officer invests all available funds of the Township in an interest bearing checking account.

D. Fund Accounting

The Township uses fund accounting to segregate cash that is restricted as to use. The Township classifies its funds into the following types:

General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required by law or contract to be restricted.

Special Revenue Funds

These funds are used to account for proceeds from specific sources that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

Gasoline Tax Fund – This fund receives gasoline tax money for constructing, maintaining and repairing Township roads and bridges.

NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Fund Accounting (Continued)

Debt Service Fund

The Debt Service Fund is used to accumulate resources for the payment of bonds. The Township had the following significant Debt Service Fund:

Bond Retirement Fund – This fund receives gasoline tax and motor vehicle license tax money to retire the debt on a dump truck.

Capital Projects Funds

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects (except those financed through enterprise or trust funds). The Township had the following significant Capital Projects Funds:

Public Works Projects Fund – This fund receives Issue II money for the acquisition or construction of major capital projects.

E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year-end.

Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget commission must also approve estimated resources.

Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year-end are canceled and reappropriated in the subsequent year.

A Summary of 2004 budgetary activity appears in Note 3.

E. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets in the accompanying financial statements.

2. EQUITY IN POOLED CASH

The Township maintains a cash pool used by all funds. The Ohio Revised Code prescribes allowable deposits. The carrying amount of cash at December 31 was as follows:

	2004
Demand Deposits	66,130

Deposits:

Deposits are insured by the Federal Depository Insurance Corporation.

3. BUDGETARY ACTIVITY

Budgetary activity for the years ended December 31, 2004 was as follows:

2004 Budgeted vs. Actual Receipts

Fund Type	Budg	eted Receipts	Act	ual Receipts	-	<u>Variance</u>
General Special Revenue Debt Service Capital Projects	\$	25,981 96,125 5,500 7,195	\$	32,984 117,048 1,652 7,195	\$	7,003 20,923 (3,848)
Total	<u>\$</u>	134,801	<u>\$</u>	158,879	<u>\$</u>	24,078

Contrary to Ohio Revised Code Section 5705.39, The FEMA Fund had appropriations greater than estimated revenues by \$8,417.

NOTES TO THE FINANCIAL STATEMENTS

4. PROPERTY TAX

Real property taxes become a lien on January 1 proceeding the October 1 date for which rates are adopted by Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the county by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

5. DEBT

The Township had no outstanding debt at December 31, 2004. The promissory note issued to finance the purchase of a dump truck was paid off in 2004.

6. RETIREMENT SYSTEMS

The Township's Trustees, Clerk and other employees of the Township belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits, including post-retirement health care, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code. Contribution rates are also prescribed by the Ohio Revised Code. For 2004, members of PERS contributed 8.5% of their gross salaries. The Township contributed an amount equal to 13.55% of participants' gross salaries. The Township has paid all contributions required through December 31, 2004.

7. RISK MANAGEMENT

Risk Pool Membership

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships. OTARMA provides property and casualty coverage for its members. OTARMA is a member of the American Public Entity Excess Pool (APEEP). Member governments pay annual contributions to fund OTARMA DTARMA pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

Casualty Coverage

OTARMA retains casualty risks up to \$250,000 per claim, including loss adjustment expenses. Claims exceeding \$250,000 are reinsured with APEEP up to \$1,750,000 per claim and \$5,000,000 in the aggregate per year. Governments can elect additional coverage, from \$2,000,000 to \$10,000,000, from the General Reinsurance Corporation. If losses exhaust OTARMA's retained earnings, APEEP covers OTARMA losses up to \$5,000,000 per year, subject to a per-claim limit of \$2,000,000.

NOTES TO THE FINANCIAL STATEMENTS

7. RISK MANAGEMENT (CONTINUED)

Risk Pool Membership (Continued)

Property Coverage

OTARMA retains property risks, including automobile physical damage, up to \$100,000 on any specific loss in any one occurrence. The Travelers Indemnity Company reinsures losses exceeding \$100,000 up to \$500,000,000 per occurrence. APEEP's Guarantee Fund pays losses and loss adjustment expenses exceeding operating contributions.

The aforementioned casualty and property reinsurance agreements do not discharge OTARMA's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective township.

Financial Position

OTARMA's financial statements (audited by other accountants) conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31, 2004, the latest information available.

2004	2003
\$ 30,687,203	\$ 27,792,223

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENT PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS.

Madison Township Guernsey County 69157 Right Angle Lane Lore City, Ohio 43755

We have audited the financial statements of Madison Township as of and for the years ended December 31, 2004, and have issued our report thereon dated June 22, 2006, wherein we noted the Township followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Madison Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all reportable matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving internal control over financial reporting that we have reported to management in a separate letter dated June 22, 2006.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Madison Township's combined financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed two instances of noncompliance that are required to be reported under *Government Auditing Standards* and is described in the accompanying schedule of findings as items 2004-01 and 2004-02. We also noted certain immaterial instances of noncompliance that we have reported to the management in a separate letter dated June 22, 2006.

This report is intended for the information of the Board of Trustees, and the Auditor of State and is not intended to be and should not be used by anyone other than these specified parties.

Wolfe, Wilson, & Phillips, Inc. Zanesville, Ohio June 22, 2006

SCHEDULE OF FINDINGS DECEMBER 31, 2004

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

FINDING NUMBER 2004-01

Ohio Revised Code Section 5705.41(D) states in part that no subdivision shall make any contract or give any order involving the expenditure of money unless there is attached thereto a certificate of fiscal officer of the subdivision. The fiscal officer must certify that the amount required to meet such a commitment has been lawfully appropriated and is in the treasury or in the process of collection to the credit of an appropriate fund free from any previous encumbrance.

Prior certification was not obtained for 61% in 2004 of the expenditures tested.

The Fiscal Officer should certify funds before each payment is made through the issuance of a regular, blanket, or super blanket purchase order. Blanket certificates should be issued for a certain sum of money not in excess of an amount established by resolution or ordinance adopted by a majority of the members of council against any specific line item account over a period not running beyond the end of the current fiscal year. A super blanket purchase order can be completed for any amount for expenditures and contracts from a specific line item appropriation account in a specified fund for most recurring or reasonable predictable operating expenditures. This is not to extend beyond the current year. More than one super blanket may be outstanding at one particular time for a particular line item appropriation account.

Also, as an alternative, the Township can issue then and now certificates for expenses up to \$3,000. Then and now certificates allow the Fiscal Officer to certify that both at the time the expenditure was made and at the time that the certification is completed, sufficient funds are available. These certificates can be certified by the Fiscal Officer without subsequent authorization from the Trustees. However, then and now certificates issued by the Fiscal Officer over \$3,000 must be authorized by the Trustees within thirty days after payment.

Client Response: We agree with finding and will try to improve in the future.

FINDING NUMBER 2004-02

Ohio Revised Code 5705.39 states that appropriations cannot exceed estimated resources per fund type. The following funds were in violation of 5705.39.

	Estimated		
2005	Resources	Appropriations	Variance
FEMA	\$ -	\$ 8,417	\$ (8,417)

Client Response: We agree with finding and will monitor budget more closely and make appropriate adjustments.
